AMERICORPS STATE AND NATIONAL
GRANTEE TRAINING CALENDAR—FOR POSTING

The items below represent the in-person and web-based training opportunities for staff of State Service Commissions, national programs, and tribal programs. In some cases, the trainings are open for all types of AmeriCorps State and National grantees; other trainings will be targeted to particular types of grantees during the year. The audience for each session is identified.

This calendar is a work in progress. Materials and recordings will be posted throughout the year on the AmeriCorps page of the National Service Knowledge Network: www.nationalservice.gov/resources/americorps. Please check back often to see what is available for you. You may also contact Barbara Ellen Reynolds, AmeriCorps State and National Training Specialist, at breynolds@cns.gov for additional information.
