**§ 2520.35 Must my program recruit or support volunteers?**

- (a) Unless the Corporation or the State commission, as appropriate, approves otherwise, some component of your program that is supported through the grant awarded by the Corporation must involve recruiting or supporting volunteers.
- (b) If you demonstrate that requiring your program to recruit or support volunteers would constitute a fundamental alteration to your program structure, the Corporation (or the State commission for formula programs) may waive the requirement in response to your written request for such a waiver in the grant application.

**§ 2521.20 What types of AmeriCorps subtitle C program grants are available for award?**

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants*—(1) *Purpose*. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility*. (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) *Duration*. A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants*—(1) *Purpose*. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) *Eligibility*. (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for operational grants. The Corporation may limit the categories of applicants eligible to apply directly to the Corporation for assistance under this section consistent with its National priorities.

(c) *Replication Grants*. The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(d) *Training, technical assistance and other special grants*—(1) *Purpose*. The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) *Eligibility*. Eligibility varies and is detailed under 45 CFR part 2524, “Technical Assistance and Other Special Grants.”

(3) *Duration*. Grants will be negotiated for a renewable term of up to three years.

[59 FR 13794, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002]

### § 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:

(a) *Grants to State Applicants.* (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a)(2) or (3) of this section, a State must ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) *Grants to Applicants other than States.* (1) One percent of available funds will be distributed to the U.S. Territories <sup>1</sup> that have applications approved by the Corporation according to a population-based formula. <sup>2</sup>

<sup>1</sup> The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

<sup>2</sup> The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory's population to the population of all such territories multiplied by the amount of the one percent set-aside.

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of these remaining funds may be awarded to Federal agencies.

(c) *Allocation of AmeriCorps educational awards only.* The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) *Effect of States' or Territories' failure to apply.* If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State's allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State's allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation's discretion.

(e) *Effect of rejection of State application.* If a State's application for a formula-based grant is ultimately rejected by the Corporation pursuant to §2522.320 of this chapter, the State's allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation's discretion.

[59 FR 13794, Mar. 23, 1994, as amended at 63 FR 18138, Apr. 14, 1998; 67 FR 45360, July 9, 2002; 70 FR 39598, July 8, 2005; 73 FR 53752, Sept. 17, 2008]

### **2521.35 Program Matching Requirements § 2521.35 Who must comply with matching requirements?**

(a) The matching requirements described in §§2521.40 through 2521.95 apply to you if you are a subgrantee of a State commission or a direct program grantee of the Corporation. These requirements do not apply to Education Award Programs.

(b) If you are a State commission, you must ensure that your grantees meet the match requirements established in this part, and you are also responsible for meeting an aggregate overall match based on your grantees' individual match requirements.

[70 FR 39598, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

### **§ 2521.40 What are the matching requirements?**

If you are subject to matching requirements under §2521.35, you must adhere to the following:

(a) **Basic match:** At a minimum, you must meet the basic match requirements as articulated in §2521.45.

(b) **Regulatory match:** In addition to the basic requirements under paragraph (a) of this section, you must provide an overall level of matching funds according to the schedule in §2521.60(a), or §2521.60(b) if applicable.

(c) **Budgeted match:** To the extent that the match in your approved budget exceeds your required match levels under paragraph (a) or (b) of this section, any failure to provide the amount above your regulatory match but below your budgeted match will be considered as a measure of past performance in subsequent grant competitions.

[70 FR 39598, July 8, 2005]

**§ 2521.45 What are the limitations on the Federal government's share of program costs?**

The limitations on the Federal government's share are different—in type and amount—for member support costs and program operating costs.

(a) *Member support:* The Federal share, including Corporation and other Federal funds, of member support costs, which include the living allowance required under §2522.240(b)(1), FICA, unemployment insurance (if required under State law), worker's compensation (if required under State law), is limited as follows:

(1) The Federal share of the living allowance may not exceed 85 percent of the minimum living allowance required under §2522.240(b)(1), and 85 percent of other member support costs.

(2) If you are a professional corps described in §2522.240(b)(2)(i), you may not use Corporation funds for the living allowance.

(3) Your share of member support costs must be non-Federal cash.

(4) The Corporation's share of health care costs may not exceed 85 percent.

(b) *Program operating costs:* The Corporation share of program operating costs may not exceed 67 percent. These costs include expenditures (other than member support costs described in paragraph (a) of this section) such as staff, operating expenses, internal evaluation, and administration costs.

(1) You may provide your share of program operating costs with cash, including other Federal funds (as long as the other Federal agency permits its funds to be used as match), or third party in-kind contributions.

(2) Contributions, including third party in-kind must:

(i) Be verifiable from your records;

(ii) Not be included as contributions for any other Federally assisted program;

(iii) Be necessary and reasonable for the proper and efficient accomplishment of your program's objectives; and

(iv) Be allowable under applicable OMB cost principles.

(3) You may not include the value of direct community service performed by volunteers, but you may include the value of services contributed by volunteers to your organizations for organizational functions such as accounting, audit, and training of staff and AmeriCorps programs.

[70 FR 39598, July 8, 2005]

**§ 2521.50 If I am an Indian Tribe, to what extent may I use tribal funds towards my share of costs?**

If you are an Indian Tribe that receives tribal funds through Public Law 93–638 (the Indian Self-Determination and Education Assistance Act), those funds are considered non-Federal and you may use them towards your share of costs, including member support costs.

[70 FR 39598, July 8, 2005]

**§ 2521.60 To what extent must my share of program costs increase over time?**

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in §2541.45 of this part. In addition, your required share of program costs, including member support and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that you receive a grant, without a break in funding of five years or more. A 50 percent overall match means that you will be required to match \$1 for every \$1 you receive from the Corporation.

(a) *Minimum Organization Share:* (1) Subject to the requirements of §2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Year 4</b>	<b>Year 5</b>	<b>Year 6</b>	<b>Year 7</b>	<b>Year 8</b>	<b>Year 9</b>	<b>Year 10</b>
<b>Minimum Member Support</b>	15%	15%	15%	15%	15%	15%	15%	15%	15%	15%
<b>Minimum Operating Costs</b>	33%	33%	33%	33%	33%	33%	33%	33%	33%	33%
<b>Minimum</b>										

<b>Overall Share</b>	N/A	N/A	N/A	26%	30%	34%	38%	42%	46%	50%
----------------------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

(2) A grantee must have contributed matching resources by the end of a grant period in an amount equal to the combined total of the minimum overall annual match for each year of the grant period, according to the table in paragraph (a)(1) of this section.

(3) A State commission may meet its match based on the aggregate of its grantees' individual match requirements.

(b) *Alternative match requirements:* If your program is unable to meet the match requirements as required in paragraph (a) of this section, and is located in a rural or a severely economically distressed community, you may apply to the Corporation for a waiver that would require you to increase the overall amount of your share of program costs beginning in the seventh consecutive year that you receive a grant, according to the following table:

	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>	<b>Year 4</b>	<b>Year 5</b>	<b>Year 6</b>	<b>Year 7</b>	<b>Year 8</b>	<b>Year 9</b>	<b>Year 10</b>
<b>Minimum Member Support</b>	15%	15%	15%	15%	15%	15%	15%	15%	15%	15%
<b>Minimum Operating Costs</b>	33%	33%	33%	33%	33%	33%	33%	33%	33%	33%
<b>Minimum Overall Share</b>	N/A	N/A	N/A	N/A	N/A	N/A	29%	31%	33%	35%

(c) *Determining Program Location.* (1) The Corporation will determine whether your program is located in a rural county by considering the U.S. Department of Agriculture's Beale Codes.

(2) The Corporation will determine whether your program is located in a severely economically distressed county by considering unemployment rates, per capita income, and poverty rates.

(3) Unless the Corporation approves otherwise, as provided in paragraph (c)(4) of this section, the Corporation will determine the location of your program based on the legal applicant's address.

(4) If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you may request the waiver described in paragraph (b) of this section and provide the relevant facts about your program location to support your request.

(d) *Schedule for current program grants:* If you have completed at least one three-year grant cycle on the date this regulation takes effect, you will be required to provide your share of costs beginning at the year three level, according to the table in paragraph (a) of this section, in the first program year in your grant following the regulation's effective date, and increasing each year thereafter as reflected in the table.

(e) *Flexibility in how you provide your share:* As long as you meet the basic match requirements in §2521.45, you may use cash or in-kind contributions to reach the overall share level. For example, if your organization finds it easier to raise member support match, you may choose to meet the required overall match by raising only more member support match, and leave operational match at the basic level, as long as you provide the required overall match.

(f) *Reporting excess resources.* (1) The Corporation encourages you to obtain support over-and-above the matching fund requirements. Reporting these resources may make your application more likely to be selected for funding, based on the selection criteria in §§2522.430 and 2522.435 of these regulations.

(2) You must comply with §2543.23 of this title and applicable OMB circulars in documenting cash and in-kind contributions and excess resources.

[70 FR 39598, July 8, 2005]

**§ 2521.70 To what extent may the Corporation waive the matching requirements in §§2521.45 and 2521.60 of this part?**

(a) The Corporation may waive, in whole or in part, the requirements of §§2521.45 and 2521.60 of this part if the Corporation determines that a waiver would be equitable because of a lack of available financial resources at the local level.

(b) If you are requesting a waiver, you must demonstrate:

(1) The lack of resources at the local level;

(2) That the lack of resources in your local community is unique or unusual;

(3) The efforts you have made to raise matching resources; and

(4) The amount of matching resources you have raised or reasonably expect to raise.

(c) You must provide with your waiver request:

(1) A request for the specific amount of match you are requesting that the Corporation waive; and

(2) A budget and budget narrative that reflects the requested level in matching resources.

[70 FR 39598, July 8, 2005]

**§ 2521.80 What matching level applies if my program was funded in the past but has not recently received an AmeriCorps grant?**

(a) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for five years or more, as determined by the end date of your most recent grant period, you may begin matching at the year one level, as reflected in the timetable in §2521.60(a) of this part, upon receiving your new grant award.

(b) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for fewer than five years, you must begin matching at the same level you were matching at the end of your most recent grant period.

[70 FR 39598, July 8, 2005]

**§ 2521.90 If I am a new or replacement legal applicant for an existing program, what will my matching requirements be?**

If your organization is a new or replacement legal applicant for an existing program, you must provide matching resources at the level the previous legal applicant had reached at the time you took over the program.

[70 FR 39598, July 8, 2005]

**§ 2521.95 To what extent may I use grant funds for administrative costs?**

(a) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(b) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(c) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(1) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(i) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(ii) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(2) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(3) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

[70 FR 39600, July 8, 2005]

**§ 2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?**

Although a wide range of programs may be eligible to apply for and receive support from the Corporation, all AmeriCorps subtitle C programs must meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by the Corporation or through a subgrant. All AmeriCorps programs must: (a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for achieving these objectives, upon which self-assessment and Corporation-assessment of progress can rest. Such assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or Corporation may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the nondiscrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if

consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by the Corporation to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by the Corporation) of the participants for the program from among prospective participants recruited by the Corporation or State Commissions under part 2533 of this chapter. The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under §2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to §2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by the Corporation.

**§ 2522.206 What suitability criteria must I apply to a covered position?**

An individual is ineligible to serve in a covered position if the individual:

- (a) Is registered, or required to be registered, on a State sex offender registry or the National Sex Offender Registry; or

**§ 2522.207 What are the procedures I must follow to determine an individual's suitability to serve in a covered position?**

In determining an individual's suitability to serve in a covered position, you must follow the procedures in part 2540 of this title.

**§ 2522.210 How are AmeriCorps participants recruited and selected?**

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state recruitment and placement system will be designed and operated according to Corporation guidelines.

(2) *Dissemination of information.* The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

The leadership training will be provided by the Corporation directly or through a grant, contract, or cooperative agreement as the Corporation determines.

(3) *Reduced part-time term of service.* The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Eligibility for subsequent term.* A participant will only be eligible to serve a subsequent term of service if that individual has received a satisfactory performance review for any previous term of service in an approved AmeriCorps position, in accordance with the requirements of paragraph (d) of this section and § 2526.15. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(c) *Participant evaluation.* For the purposes of determining a participant's eligibility for an educational award as described in § 2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by the Corporation. The end-of-term evaluation should consist of:

- (1) A determination of whether the participant:
  - (i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in § 2522.240(a);
  - (ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in § 2522.230(a)(2); or
  - (iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in § 2522.230(b)(3); and
- (2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:
  - (i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from service early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and
  - (ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(d) *Limitation.* The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1),(a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(e) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) *Extension of term for disaster purposes.* If approved by the Corporation, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of § 2526.50(a) of this chapter.

[59 FR 13796, Mar. 23, 1994, as amended at 73 FR 53752, Sept. 17, 2008].

**§ 2522.230 Under what circumstances may an AmeriCorps participant be released from completing a term of service, and what are the consequences?**

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances, as determined by the program, or for cause.

(a) *Release for compelling personal circumstances.* (1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(6) and (a)(7) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances, if the participant has otherwise performed satisfactorily and has completed at least fifteen percent of the agreed term of service.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(4) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(5) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;

(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

(iii) Because of dissatisfaction with the program.

(6) As an alternative to releasing a participant, an AmeriCorps\*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) *Release for cause.* (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps\*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual's eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.220(c)(2) for the period served in the first term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the terms of service described in § 2522.235 for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) *Release prior to serving 15 percent of a term of service.* If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

[64 FR 37413, July 12, 1999, as amended at 73 FR 53752, Sept. 17, 2008]

§ 2522.235 Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?

(a) *General limitation.* An individual may receive the benefits described in § 2522.240 through § 2522.250 for no more than four terms of service in an AmeriCorps State and National program, regardless of whether those terms were served on full-, part-, or reduced part-time basis.

(b) *Early release.* Except as provided in paragraph (c) of this section, a term of service from which an individual is released for compelling personal circumstances or for cause counts as one of the terms of service for which an individual may receive the benefits described in § 2522.240 through § 2522.250.

(c) *Release prior to serving 15 percent of the term.* If a person is released for reasons other than misconduct prior to completing fifteen percent of a term of service, the term will not be considered one of the terms of service for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

**§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?**

(a) *AmeriCorps educational awards.* An individual serving in an approved AmeriCorps position may receive an educational award from the National Service Trust upon successful completion of each of no more than four terms of service as defined in §2522.220, consistent with the limitations in § 2526.50.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to §2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to §2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under §105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in §2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application directly to the Corporation, and may not be included in a State's application for the AmeriCorps program funds distributed by formula, or competition described in §§2521.30 (a)(2) and (a)(3) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under §2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance for programs.* The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) *Waiver or reduction of living allowance by participants.* A participant may waive all or part of the receipt of a living allowance. The participant may revoke this waiver at any time during the participant's term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the

revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows: (i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

(c) *Financial benefits for participants during an extended term of service for disaster purposes.* An AmeriCorps participant performing extended service under § 2522.220(f) may continue to receive a living allowance under paragraph (b) and other benefits under § 2522.250, but may not receive an additional AmeriCorps educational award under paragraph (a).

[59 FR 13796, Mar. 23, 1994, as amended at 73 FR 53752, Sept. 17, 2008].

#### **§ 2522.245 How are living allowances disbursed?**

A living allowance is not a wage and programs may not pay living allowances on an hourly basis. Programs must distribute the living allowance at regular intervals and in regular increments, and may increase living allowance payments only on the basis of increased living expenses such as food, housing, or transportation. Living allowance payments may only be made to a participant during the participant's term of service and must cease when the participant concludes the term of service. Programs may not provide a lump sum payment to a participant who completes the originally agreed-upon term of service in a shorter period of time.

[73 FR 53752, Sept. 17, 2008].

#### **§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?**

(a) *Child Care.* Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) *Need.* A participant is considered to need child care in order to participate in the program if he or she: (i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State's median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child-care allowance may not exceed the applicable payment rate to an eligible provider established by the State for child care funded under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *Corporation share.* The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *Corporation share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation's share of the cost of health coverage may not exceed 85 percent.

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

**2522.300 Subpart C—Application Requirements § 2522.300 What are the application requirements for AmeriCorps program grants?**

All eligible applicants seeking AmeriCorps program grants must—

(a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in §2522.100; and

(b) Comply with any additional requirements as specified by the Corporation in the application package.

**§ 2522.310 What are the application requirements for AmeriCorps educational awards only?**

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(i) Is carried out by an entity eligible to receive support under part 2521 of this chapter;

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(2) A position facilitating service-learning in a program described in parts 2515 through 2519 of this chapter;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

(b) Because programs applying only for AmeriCorps educational awards must, by definition, meet the same basic requirements as other approved AmeriCorps programs, applicants must comply with the same application requirements specified in §2522.300.

**§ 2522.340 How will I know if two projects are the same?**

The Corporation will consider two projects to be the same if the Corporation cannot identify a meaningful difference between the two projects based on a comparison of the following characteristics, among others:

- (a) The objectives and priorities of the projects;
- (b) The nature of the services provided;
- (c) The program staff, participants, and volunteers involved;
- (d) The geographic locations in which the services are provided;
- (e) The populations served; and
- (f) The proposed community partnerships.

[70 FR 39600, July 8, 2005]

**§ 2522.450 What types of programs or program models may receive special consideration in the selection process?**

Following the scoring of proposals under §2522.440 of this part, the Corporation will seek to ensure that its portfolio of approved programs includes a meaningful representation of proposals that address one or more of the following priorities:

- (a) *Program models:* (1) Programs operated by community organizations, including faith-based organizations, or programs that support the efforts of community organizations, including faith-based organizations, to solve local problems;

(4) Programs that address issues relating to the environment;

(5) Programs that support independent living for seniors or individuals with disabilities;

(6) Programs that increase service and service-learning on higher education campuses in partnership with their surrounding communities;

(d) *Other programs*: Programs that meet any additional priorities as the Corporation determines and disseminates in advance of the selection process.

[70 FR 39600, July 8, 2005]

**§ 2522.455 How do I find out about additional priorities governing the selection process?**

The Corporation posts discretionary funding opportunities addressing the Corporation's selection preferences and additional requirements on our website at *www.nationalservice.gov* and at *www.grants.gov* in advance of grant competitions

[70 FR 39600, July 8, 2005]

**§ 2522.460 To what extent may the Corporation or a State commission consider priorities other than those stated in these regulations or the Notice of Funding Availability?**

(a) The Corporation may give special consideration to a national service program submitted by a State commission that does not meet one of the Corporation's priorities if the State commission adequately explains why the State is not able to carry out a program that meets one of the Corporation's priorities, and why the program meets one of the State's priorities.

(b) A State may apply priorities different than those of the Corporation in selecting its formula programs.

[70 FR 39600, July 8, 2005]

**§ 2522.465 What information must a State commission submit on the relative strengths of applicants for State competitive funding?**

(a) If you are a State commission applying for State competitive funding, you must prioritize the proposals you submit in rank order based on their relative quality and according to the following table:

<b>If You Submit this Number of State Competitive Proposals to the Corporation:</b>	<b>Then You Must Rank this Number of Proposals:</b>
1 to 12	At least top 5
13 to 24	At least top 10
25 or more	At least top 15

[70 FR 39600, July 8, 2005]

**§ 2522.470 What other factors or information may the Corporation consider in making final funding decisions?**

(a) The Corporation will seek to ensure that our portfolio of AmeriCorps programs is programmatically, demographically, and geographically diverse and includes innovative programs, and projects in rural, high poverty, and economically distressed areas.

(b) In applying the selection criteria under §§2522.420 through 2522.435, the Corporation may, with respect to a particular proposal, also consider one or more of the following for purposes of clarifying or verifying information in a proposal, including conducting due diligence to ensure an applicant's ability to manage Federal funds:

(1) For an applicant that has previously received a Corporation grant, any information or records the applicant submitted to the Corporation, or that the Corporation has in its system of records, in connection with its previous grant (*e.g.* progress reports, site visit reports, financial status reports, audits, HHS Account Payment Data Reports, Federal Cash Transaction Reports, timeliness of past reporting, etc.);

[70 FR 39600, July 8, 2005]

You must ensure that the selection criteria you use include the following criteria:

- (a) The quality of the national service program proposed to be carried out directly by the applicant or supported by a grant from the applicant.
- (b) The innovative aspects of the national service program, and the feasibility of replicating the program.
- (c) The sustainability of the national service program.
- (d) The quality of the leadership of the national service program, the past performance of the program, and the extent to which the program builds on existing programs.

[70 FR 39600, July 8, 2005]

**§ 2522.480 Can a State's application for formula funds be rejected?**

Yes. Formula funds are not an entitlement.

(a) *Notification.* If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in §2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) *Revision.* The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider an application resubmitted under this paragraph.

(c) *Redistribution.* The amount of any State's allotment under §2521.30(a) of this chapter for a fiscal year that the Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

**§ 2522.485 How do I calculate my program's budgeted Corporation cost per member service year (MSY)?**

If you are an AmeriCorps national and community service program, you calculate your Corporation cost per MSY by dividing the Corporation's share of budgeted grant costs by the number of member service years you are awarded in your grant. You do not include child-care or the cost of the education award a member may earn through serving with your program.

[70 FR 39603, July 8, 2005]

**2522.500 Subpart E—Evaluation Requirements § 2522.500 What is the purpose of this subpart?**

(a) This subpart sets forth the minimum performance measures and evaluation requirements that you as a Corporation applicant or grantee must follow.

(b) The performance measures that you, as an applicant, propose when you apply will be considered in the review process and may affect whether the Corporation selects you to receive a grant. Your performance related to your approved measures will influence whether you continue to receive funding.

(c) Performance measures and evaluations are designed to strengthen your AmeriCorps program and foster continuous improvement, and help identify best practices and models that merit replication, as well as programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

**§ 2522.510 To whom does this subpart apply?**

This subpart applies to you if you are a Corporation grantee administering an AmeriCorps grant, including an Education Award Program grant, or if you are applying to receive AmeriCorps funding from the Corporation.

[70 FR 39603, July 8, 2005]

**§ 2522.520 What special terms are used in this subpart?**

The following definitions apply to terms used in this subpart of the regulations:

- (a) *Approved application* means the application approved by the Corporation or, for formula programs, by a State commission.
- (b) *Community beneficiaries* refers to persons who receive services or benefits from a program, but not to AmeriCorps members or to staff of the organization operating the program.
- (c) *Outputs* are the amount or units of service that members or volunteers have completed, or the number of community beneficiaries the program has served. Outputs do not provide information on benefits or other changes in communities or in the lives of members or community beneficiaries. Examples of outputs could include the number of people a program tutors, counsels, houses, or feeds.
- (d) *Intermediate-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members, but is not necessarily a lasting benefit for them. They are observable and measurable indications of whether or not a program is making progress and are logically connected to end outcomes. An example would be the number and percentage of students who report reading more books as a result of their participation in a tutoring program.
- (e) *Internal evaluation* means an evaluation that a grantee performs in-house without the use of an independent external evaluator.
- (f) *End-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members that is significant and lasting. These are actual benefits or changes for participants during or after a program. For example, in a tutoring program, the end outcome could be the percent and number of students who have improved their reading scores to grade-level, or other specific measures of academic achievement.
- (g) *Grantee* includes subgrantees, programs, and projects.
- (h) *National performance measures* are performance measures that the Corporation develops.

(i) *You* refers to a grantee or applicant organization.

**§ 2522.530 May I use the Corporation's program grant funds for performance measurement and evaluation?**

If performance measurement and evaluation costs were approved as part of your grant, you may use your program grant funds to support them, consistent with the level of approved costs for such activities in your grant award.

[70 FR 39603, July 8, 2005]

**§ 2522.540 Do the costs of performance measurement or evaluation count towards the statutory cap on administrative costs?**

No, the costs of performance measurement and evaluation do not count towards the statutory five percent cap on administrative costs in the grant, as provided in §2540.110 of this chapter.

[70 FR 39603, July 8, 2005]

**Performance Measures: Requirements and Procedures § 2522.550 What basic requirements must I follow in measuring performance under my grant?**

All grantees must establish, track, and assess performance measures for their programs. As a grantee, you must ensure that any program under your oversight fulfills performance measure and evaluation requirements. In addition, you must:

- (a) Establish ambitious performance measures in consultation with the Corporation, or the State commission, as appropriate, following §§2422.560 through 2422.660 of this subpart;
- (b) Ensure that any program under your oversight collects and organizes performance data on an ongoing basis, at least annually;
- (c) Ensure that any program under your oversight tracks progress toward meeting your performance measures;
- (d) Ensure that any program under your oversight corrects performance deficiencies promptly; and
- (e) Accurately and fairly present the results in reports to the Corporation.

[70 FR 39603, July 8, 2005]

**§ 2522.560 What are performance measures and performance measurement?**

(a) Performance measures are measurable indicators of a program's performance as it relates to member service activities.

(b) Performance measurement is the process of regularly measuring the services provided by your program and the effect your program has in communities or in the lives of members or community beneficiaries.

(c) The main purpose of performance measurement is to strengthen your AmeriCorps program and foster continuous improvement and to identify best practices and models that merit replication. Performance measurement will also help identify programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

**§ 2522.570 What information on performance measures must my grant application include?**

You must submit all of the following as part of your application for each program:

(a) Proposed performance measures, as described in §2522.580 and §2522.590 of this part.

(b) Estimated performance data for the program years for which you submit your application; and

(c) Actual performance data, where available, as follows:

(i) For continuation programs, performance data over the course of the grant to date; and

(ii) For recompeting programs, performance data for the preceding three-year grant cycle.

[70 FR 39603, July 8, 2005]

**§ 2522.580 What performance measures am I required to submit to the Corporation?**

(a) When applying for funds, you must submit, at a minimum, the following performance measures:

(1) One set of aligned performance measures (one output, one intermediate-outcome, and one end-outcome) that capture the results of your program's primary activity, or area of significant activity for programs whose design precludes identifying a primary activity; and

(2) Any national performance measures the Corporation may require, as specified in paragraph (b) of §2522.590.

(b) For example, a tutoring program might use the following aligned performance measures:

(1) Output: Number of students that participated in a tutoring program;

(2) Intermediate-Outcome: Percent of students reading more books; and

(3) End-Outcome: Number and percent of students who have improved their reading score to grade level.

(c) The Corporation encourages you to exceed the minimum requirements expressed in this section and expects, in second and subsequent grant cycles, that you will more fully develop your performance measures, including establishing multiple performance indicators, and improving and refining those you used in the past. Any performance measures you submit beyond what is required in paragraph (a)(1) of this section may or may not be aligned sets of measures.

[70 FR 39603, July 8, 2005]

#### **§ 2522.590 Who develops my performance measures?**

(a) You are responsible for developing your program-specific performance measures through your own internal process.

(b) In addition, the Corporation may, in consultation with grantees, establish performance measures that will apply to all Corporation-sponsored programs, which you will be responsible for collecting and meeting.

[70 FR 39603, July 8, 2005]

#### **§ 2522.600 Who approves my performance measures?**

(a) The Corporation will review and approve performance measures, as part of the grant application review process, for all non-formula programs. If the Corporation selects your application for funding, the Corporation will approve your performance measures as part of your grant award.

(b) If you are a program submitting an application under the State formula category, the applicable State commission is responsible for reviewing and approving your performance measures. The Corporation will not separately approve these measures.

[70 FR 39603, July 8, 2005]

**§ 2522.610 What is the difference in performance measurements requirements for competitive and formula programs?**

(a) Except as provided in paragraph (b) of this section, State commissions are responsible for making the final determination of performance measures for State formula programs, while the Corporation makes the final determination for all other programs.

(b) The Corporation may, through the State commission, require that formula programs meet certain national performance measures above and beyond what the State commission has individually negotiated with its formula grantees.

(c) While State commissions must hold their sub-grantees responsible for their performance measures, a State commission, as a grantee, is responsible to the Corporation for its formula programs' performance measures.

[70 FR 39603, July 8, 2005]

**§ 2522.620 How do I report my performance measures to the Corporation?**

The Corporation sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program's performance.

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and three. We encourage you to exceed these minimum requirements.

[70 FR 39603, July 8, 2005, as amended at 73 FR 53752, Sept. 17, 2008]

**§ 2522.630 What must I do if I am not able to meet my performance measures?**

If you are not on track to meet your performance measures, you must develop and submit to the Corporation, or the State commission for formula programs, a corrective action plan, consistent with paragraph (a) of this section, or submit a request to the Corporation, or the State commission for formula programs, consistent with paragraph (b) of this section, to amend your requirements under the circumstances described in §2522.640 of this subpart.

(a) Your corrective action plan must be in writing and include all of the following:

(1) The factors impacting your performance goals;

(2) The strategy you are using and corrective action you are taking to get back on track toward your established performance measures; and

(3) The timeframe in which you plan to achieve getting back on track with your performance measures.

(b) A request to amend your performance measures must include all of the following:

(1) Why you are not on track to meet your performance requirements;

(2) How you have been tracking performance measures;

(3) Evidence of the corrective action you have taken;

(4) Any new proposed performance measures or targets; and

(5) Your plan to ensure that you meet any new measures.

(c) You must submit your plan under paragraph (a) of this section, or your request under paragraph (b) of this section, within 30 days of determining that you are not on track to meeting your performance measures.

(d) If you are a formula program, the State commission that approves the plan under paragraph (a) of this section or the request to amend your performance measures under paragraph (b) of this section, must forward an information copy to the Corporation's AmeriCorps program office within 15 days of approving the plan or the request.

[70 FR 39603, July 8, 2005]

**§ 2522.640 Under what circumstances may I change my performance measures?**

(a) You may change your performance measures only if the Corporation or, for formula programs, the State commission, approves your request to do so based on your need to:

(1) Adjust your performance measure or target based on experience so that your program's goals are more realistic and manageable;

(2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;

(3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English, as opposed to operating an after-school program for third-graders;

- (4) Eliminate an activity because you have been unable to secure necessary matching funding; or
- (5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

[70 FR 39603, July 8, 2005]

**§ 2522.650 What happens if I fail to meet the performance measures included in my grant?**

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, the Corporation, or the State commission for formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to under-perform, or fail to collect appropriate data to allow performance measurement, the Corporation may take one or more of the following actions:

- (1) Reduce the amount of your grant;
- (2) Suspend or terminate your grant;
- (3) Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by the Corporation;
- (4) Amend the terms of any Corporation grants to your organization; or
- (5) Take other actions that the Corporation deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.

[70 FR 39603, July 8, 2005]

**2522.700 Evaluating Programs: Requirements and Procedures § 2522.700 How does evaluation differ from performance measurement?**

(a) Evaluation is a more in-depth, rigorous effort to measure the impact of programs. While performance measurement and evaluation both include systematic data collection and measurement of progress, evaluation uses scientifically-based research methods to assess the effectiveness of programs by comparing the observed program outcomes with what would have happened in the absence of the program. Unlike performance measures, evaluations estimate the

impacts of programs by comparing the outcomes for individuals receiving a service or participating in a program to the outcomes for similar individuals not receiving a service or not participating in a program. For example, an evaluation of a literacy program may compare the reading ability of students in a program over time to a similar group of students not participating in a program.

(b) Performance measurement is the process of systematically and regularly collecting and monitoring data related to the direction of observed changes in communities, participants (members), or end beneficiaries receiving your program's services. It is intended to provide an indication of your program's operations and performance. In contrast to evaluation, it is not intended to establish a causal relationship between your program and a desired (or undesired) program outcome. For example, a performance measure for a literacy program may include the percentage of students receiving services from your program who increase their reading ability from "below grade level" to "at or above grade level". This measure indicates something good is happening to your program's service beneficiaries, but it does not indicate that the change can be wholly attributed to your program's services.

[70 FR 39603, July 8, 2005]

#### **§ 2522.710 What are my evaluation requirements?**

(a) If you are a State commission, you must establish and enforce evaluation requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct Corporation AmeriCorps grantee (other than an Education Award Program grantee), and your average annual Corporation program grant is \$500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(c) If you are a State competitive or direct Corporation AmeriCorps grantee whose average annual Corporation program grant is less than \$500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(d) The Corporation may, in its discretion, supersede these requirements with an alternative evaluation approach, including one conducted by the Corporation at the national level.

(e) Grantees must cooperate fully with all Corporation evaluation activities.

[70 FR 39603, July 8, 2005]

**§ 2522.720 How many years must my evaluation cover?**

(a) If you are a State formula grantee, you must conduct an evaluation, as your State commission requires.

(b) If you are a State competitive or direct Corporation grantee, your evaluation must cover a minimum of one year but may cover longer periods.

[70 FR 39603, July 8, 2005]

**§ 2522.730 How and when do I submit my evaluation to the Corporation?**

(a) If you are an existing grantee recompeting for AmeriCorps funds for the first time, you must submit a summary of your evaluation efforts or plan to date, and a copy of any evaluation that has been completed, as part of your application for funding.

(b) If you again compete for AmeriCorps funding after a second three-year grant cycle, you must submit the completed evaluation with your application for funding.

[70 FR 39603, July 8, 2005]

**§ 2522.740 How will the Corporation use my evaluation?**

The Corporation will consider the evaluation you submit with your application as follows:

(a) If you do not include with your application for AmeriCorps funding a summary of the evaluation, or the evaluation itself, as applicable, under §2522.730, the Corporation reserves the right to not consider your application.

(b) If you do submit an evaluation with your application, the Corporation will consider the results of your evaluation in assessing the quality and outcomes of your program.

[70 FR 39603, July 8, 2005]

**§ 2522.800 How will the Corporation evaluate individual AmeriCorps programs?**

The Corporation will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

- (2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;
- (3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;
- (4) Encouraging each participant to engage in public and community service after completion of the program based on career choices and participation in other service programs;
- (5) Promoting an ethic of active and productive citizenship among participants;
- (6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;
- (7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and
- (8) Other criteria determined and published by the Corporation.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

**§ 2522.810 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?**

- (a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants with individuals who have not participated in service programs. These evaluations will:
  - (1) Study the extent to which the national service impacts involved communities;
  - (2) Study the extent to which national service increases positive attitudes among participants regarding the responsibilities of citizens and their role in solving community problems;
  - (3) Study the extent to which national service enables participants to afford post-secondary education with fewer student loans;
  - (4) Determine the costs and effectiveness of different program models in meeting program objectives including full- and part-time programs, programs involving different types of national service, programs using different recruitment methods, programs offering alternative non-federally funded vouchers or post-service benefits, and programs utilizing individual placements and teams;

(5) Determine the impact of programs in each State on the ability of VISTA and National Senior Volunteer Corps, each regular and reserve component of the Armed Forces, and the Peace Corps to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) The Corporation will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for “independent” and “total income” are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or adversely affected by Federal actions related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

**§ 2522.820 Will information on individual participants be kept confidential?**

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in §2522.540. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

**§ 2522.900 Subpart F—Program Management Requirements for Grantees**

**§ 2522.900 What definitions apply to this subpart?**

*Tutor* is defined as someone whose primary goal is to increase academic achievement in reading or other core subjects through planned, consistent, one-to-one or small-group sessions and activities that build on the academic strengths of students in kindergarten through 12th grade, and target their academic needs. A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a safe place for children is not tutoring, even if some of the program activities focus on homework help.

**Source:** 70 FR 39606, July 8, 2005, unless otherwise noted.

**§ 2522.910 What basic qualifications must an AmeriCorps member have to serve as a tutor?**

<b>IF THE TUTOR IS :</b>	<b>THEN THE TUTOR MUST MEET THE FOLLOWING QUALIFICATIONS:</b>
(a) Is considered to be an employee of the Local Education Agency or school, as determined by State law	Paraprofessional qualifications under No Child Left Behind Act, as required in 34 C.F.R. 200.58
(b) Is not considered to be an employee of the Local Education Agency or school, as determined by State law	(1) High School diploma or its equivalent, or a higher degree; and  (2) Successful completion of pre- and in-service specialized training, as required in § 2522.940 of this subpart.

**§ 2522.920 Are there any exceptions to the qualifications requirements?**

The qualifications requirements in §2522.910 of this subpart do not apply to a member who is a K–12 student tutoring younger children in the school or after school as part of a structured, school-managed cross-grade tutoring program.

**§ 2522.930 [Reserved]**

**§ 2522.940 What are the requirements for a program in which AmeriCorps members serve as tutors?**

A program in which members engage in tutoring for children must:

(a) Articulate appropriate criteria for selecting and qualifying tutors, including the requirements in § 2522.910 of this subpart, and certify that selected tutors meet the requirements in § 2522.910.

(b) Identify the strategies or tools it will use to assess student progress and measure student outcomes;

(c) Certify that the tutoring curriculum and pre-service and in-service training content are high-quality and research-based, consistent with the instructional program of the local educational agency and with State academic content standards.

(d) Include appropriate member supervision by individuals with expertise in tutoring; and

(e) Provide specialized high-quality and research-based, member pre-service and in-service training consistent with the activities the member will perform.

**§ 2522.950 What requirements and qualifications apply if my program focuses on supplemental academic support activities other than tutoring?**

(a) If your program does not involve tutoring as defined in §2522.900 of this subpart, the Corporation will not impose the requirements in §2522.910 through §2522.940 of this subpart on your program.

(b) At a minimum, you must articulate in your application how you will recruit, train, and supervise members to ensure that they have the qualifications and skills necessary to provide the service activities in which they will be engaged.

*Authority: 42 U.S.C. 12501 et seq. Source: 59 FR 13804, Mar. 23, 1994, unless otherwise noted.*

**§ 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?**

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under §2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

**§ 2523.20 Which Federal agencies may apply for such funds?**

The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

**§ 2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?**

Yes, except as provided in §2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

**§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?**

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies' existing resources and grant-making powers toward the goal of integrating service more fully

into agencies' programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

**§ 2523.50 What types of funds are Federal agencies eligible to receive?**

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in §2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

**§ 2523.60 May Federal agencies enter into partnerships or participate in consortia?**

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships and consortia must be approved by the Corporation.

**§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?**

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency's intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

**§ 2523.80 Are there restrictions on the use of Corporation funds?**

Yes. The supplantation and nondisplacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

**§ 2523.90 Is there a matching requirement for Federal agencies?**

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of § 2521.30(g) and § 2522.240(b)(6) of this chapter.

**§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?**

**§ 2523.120 Must Federal agencies consult with State Commissions?**

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

#### **§ 2524.40 What are the guidelines for grants to involve persons with disabilities?**

(a) Purpose. There are two general purposes for these grants: (1) To assist AmeriCorps grantees in placing applicants who require reasonable accommodation (as defined in section 101(9) of the Americans With Disabilities Act of 1990, 42 U.S.C. 12111(9)) or auxiliary aids and services (as defined in section 3(1) of such Act, 42 U.S.C. 12102(1)) in an AmeriCorps program; and

(2) To conduct outreach activities to individuals with disabilities to recruit them for participation in AmeriCorps programs.

(b) Eligibility -- (1) Placement, accommodation, and auxiliary services. Eligibility for assistance under this part is limited to AmeriCorps programs that: (i) Receive competitive funding from the Corporation under § 2521.30(a)(3) or 2521.30(b)(3) of this chapter; and

(ii) Demonstrate that the program has received a substantial number of applications for placement from persons who are individuals with a disability and who require a reasonable accommodation (as defined in section 101(9) of the Americans with Disabilities Act of 1990), or auxiliary aids and services (as defined in section 3(1) of such Act) in order to perform national service; and

(iii) Demonstrate that additional funding would assist the program in placing a substantial number of such individuals with a disability as participants in projects carried out through the program.

(2) Outreach. Corporation grantees and any public or private nonprofit organization may apply for funds to conduct outreach to individuals with disabilities to recruit them for participation in AmeriCorps programs. Outreach funds can also be used by any organization to assist AmeriCorps programs in adapting their programs to encourage greater participation by individuals with disabilities.

#### **§ 2524.50 What are the guidelines for assistance with disaster relief?**

(a) Purpose. Disaster relief funds are intended to provide emergency assistance not otherwise available to enable national and community service programs to respond quickly and effectively to a Presidentially-declared disaster.

(b) Eligibility. Any AmeriCorps program (including youth corps, the National Civilian Community Corps, VISTA, and other programs authorized under the Domestic Volunteer Services Act) or grant making entity (such as a State or Federal agency) that is supported by the Corporation may apply for disaster relief grants.

(c) Application process. Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(d) Waivers. In appropriate cases, due to the limited nature of disaster activities, the Corporation may waive specific program requirements such as matching requirements and the provision of AmeriCorps educational awards for participants supported with disaster relief funds.

(a) An organization responsible for the supervision of an individual serving in an AmeriCorps State and National position must determine whether an individual successfully completed a term of service based upon an end-of-term evaluation conducted pursuant to Sec. 2522.220(d).

(b) An organization responsible for the supervision of an individual serving in a program other than AmeriCorps State and National must determine whether an individual successfully completed a term of service based upon an end-of-term evaluation that examines whether the individual satisfies all of the following conditions:

- (1) Completed the required number of service hours for the term of service;
- (2) Satisfactorily performed on assignments, tasks, or projects; and
- (3) Met any performance criteria as determined by the program and communicated to the member.

(c) A certification by the organization responsible for the supervision of an individual that the individual did or did not successfully complete a term of service will be deemed to incorporate an end-of-term evaluation.

(a) *Compelling personal circumstances.* A participant in an approved AmeriCorps position who is released prior to completing an approved term of service for compelling personal circumstances in accordance with § 2522.230(a) is eligible for a pro-rated education award if the participant--

(a) Except as provided in paragraph (b) of this section, a recipient of an education award who is convicted under pertinent Federal or State law of the possession or sale of a controlled substance is not eligible to use his or her education award from the date of the conviction until the end of a specified time period, which is determined based on the type of conviction as follows:

(1) For conviction of the possession of a controlled substance, the ineligibility periods are --

(i) One year for a first conviction;

(ii) Two years for a second conviction; and

(iii) For a third or subsequent conviction, indefinitely, as determined by the Corporation according to the following factors --

(A) Type of controlled substance;

(B) Amount of controlled substance;

(C) Whether firearms or other dangerous weapons were involved in the offense;

(D) Nature and extent of any other criminal record;

*[59 FR 30711, June 15, 1994. Redesignated at 64 FR 37415, July 12, 1999]*

**§ 2526.25 Is a participant in an approved Summer of Service position or approved Silver Scholar position who does not complete an approved term of service eligible to receive a pro-rated education award?**

No. An individual released for any reason prior to completing an approved term of service in a Silver Scholar or Summer of Service position is not eligible to receive a pro-rated award.

**§ 2526.40 What is the time period during which an individual may use an education award?**

(a) *General requirement.* Unless the Corporation approves an extension in accordance with the requirements of paragraph (b) of this section—

(1) An individual may use an AmeriCorps education award or a Silver Scholar education award within seven years of the date on which the individual successfully completed a term of service in an approved AmeriCorps or Silver Scholar position;

(2) An individual may use a Summer of Service education award within ten years of the date on which the individual successfully completed a term of service in an approved Summer of Service position;

(3) A designated individual who receives a transferred education award in accordance with § 2530.10 may use the transferred education award within ten years of the date on which the individual who transferred the award successfully completed the term of service in an approved AmeriCorps or Silver Scholar position that is the basis of the award.

(b) *Extensions.* In order to receive an extension of the period of availability specified in paragraph (a) of this section for using an education award, an individual must apply to the Corporation for an extension prior to the end of that time period. The Corporation may grant an application for an extension under the following circumstances:

(1) If the Corporation determines that an individual was performing another term of service in an approved AmeriCorps, Summer of Service, or Silver Scholar position during the original period of availability, the Corporation may grant an extension for a time period that is equivalent to the time period during which the individual was performing the other term of service.

(2) If the Corporation determines that an individual was unavoidably prevented from using the education award during the original period of availability, the Corporation may grant an extension for a period of time that the Corporation deems appropriate. An individual who is ineligible to use an education award as a result of the individual's conviction of the possession or sale of a controlled substance is not considered to be unavoidably prevented from using the education award for the purposes of this paragraph. In the case of a transferred award, an individual who is unable to use an education award as a result of being too young to enroll in an institution of higher education or other training establishment is not considered to be unavoidably prevented from using the education award.

**§ 2526.50 Is there a limit on the total amount of education awards an individual may receive?**

(a) *General Limitation.* No individual may receive more than an amount equal to the aggregate value of two full-time education awards.

(b) *Calculation of the value of an education award.* For the purposes of this section, the *value* of an education award is equal to the actual amount of the education award received divided by the amount of a full-time education award in the year the AmeriCorps or Silver

Scholar position to which the award is attributed was approved. Each award received will be considered to have a value between 0 and 1. Although the *amount* of a full-time award as defined in § 2527.10(a) may change, the *value* of a full-time award will always be equal to 1.

(c) *Calculation of aggregate value of awards received.* The aggregate value of awards received is equal to the sum of:

(1) The value of each education award received as a result of successful completion of an approved AmeriCorps position;

(2) The value of each partial education award received as a result of release from an approved AmeriCorps position for compelling personal circumstances;

(3) The value of each education award received as a result of successful completion of a term of service in an approved Silver Scholar position; and

(4) The value of any amount received as a transferred education award, except as provided in § 2530.60(c).

(d) *Determination of Receipt of Award.* For purposes of determining the aggregate value of education awards, an award is considered to be received at the time it becomes available for an individual's use.

**§ 2526.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in subsequent terms of service?**

The aggregate value of education awards an individual has received will not impact an individual's ability to serve in a subsequent term of service, but will impact the amount of the education award the individual may receive upon successful completion of that term of service. If the award amount offered for the term of service has a value that, when added to the aggregate value of awards previously received, would exceed 2, upon successful completion of the term of service, the individual will only receive that portion of the award having a value for which the individual is eligible pursuant to § 2527.10(g).

**§ 2526.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same service?**

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR § 685.219.

**§ 2526.70 What are the effects of an erroneous certification of successful completion of a term of service?**

(a) If the Corporation determines that the certification made by a national service program under § 2526.10(a)(2)(i), (2)(iii), or (2)(iv) is erroneous, the Corporation shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances surrounding the erroneous or incorrect certification.

(b) Nothing in this section shall prohibit the Corporation from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

Corporation.

(b) *Part-time term of service.* Except as provided in paragraph (g), the education award for a part-time term of service in an approved AmeriCorps position of at least 900 hours is equal to one half of the amount of an education award amount for a full-time term of service described in paragraph (a) of this section.

(c) *Reduced part-time term of service.* Except as provided in paragraph (g), the education award for a reduced part-time term of service in an approved AmeriCorps position of fewer than 900 hours is:

(ii) The amount of the education award for a part-time term of service described in paragraph (b) of this section; or

(2) An amount as determined otherwise by the Corporation.

**2530.85 What steps are necessary to revoke a transfer?**

**2530.90 Is a designated individual eligible for the payment of accrued interest under Part 2529?**

*Authority: 42 U.S.C. 12601-12606*

**§ 2530.10 Under what circumstances may an individual transfer an education award?**

An individual may transfer an education award if—

(a) The individual enrolled in an approved AmeriCorps State and National position or approved Silver Scholar position on or after October 1, 2009;

(b) The individual was age 55 or older on the day the individual commenced the term of service in an approved AmeriCorps State and National position or in approved Silver Scholar position;

(c) The individual successfully completed a term of service in an approved AmeriCorps State and National position or an approved Silver Scholar position;

(d) The award the individual is requesting to transfer has not expired, consistent with the period of availability set forth in § 2526.40(a);

(e) The individual designated to receive the transferred award is the transferring individual's child, grandchild, or foster child; and

(f) The individual designated to receive the transferred award is a citizen, national, or lawful permanent resident alien of the United States.

**§ 2530.20 For what purposes may a transferred award be used?**

A transferred award may be used by a designated individual to repay qualified student loans or to pay current educational expenses at an institution of higher education, as described in § 2528.10.

**§ 2530.30 What steps are necessary to transfer an education award?**

(a) *Request for Transfer.* Before transferring an award to a designated individual, the Corporation must receive a request from the transferring individual, including—

(1) The individual's written authorization to transfer the award, the year in which the award was earned, and the specific amount of the award to be transferred;

(2) Identifying information for the individual designated to receive the transferred award;

(3) A certification that the transferring individual meets the requirements of paragraphs (a) through (c) of § 2530.10; and

(4) A certification that the designated individual is the child, grandchild, or foster child of the transferring individual.

(b) *Notification to Designated Individual.* Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will contact the designated individual to notify the individual of the proposed transfer, confirm the individual's identity, and give the individual the opportunity to accept or reject the transferred award.

(c) *Acceptance by Designated Individual.* To accept an award, a designated individual must certify that the designated individual is the child, grandchild, or foster child of the transferring individual and that the designated individual is a citizen, national, or lawful permanent resident alien of the United States. Upon receipt of the designated individual's acceptance, the Corporation will create or permit the creation of an account in the National Service Trust for the designated individual, if an account does not already exist, and the accepted amount will be deducted from the transferring individual's account and credited to the designated

individual's account.

(d) *Timing of transfer.* The Corporation must receive the request from the transferring individual prior to the date the award expires.

**§ 2530.40 Is there a limit on the number of individuals one may designate to receive a transferred award?**

(a) *General Limitation.* For each award an individual earns as a result of successfully completing a single term of service, an individual may transfer all or part of the award to a single designated individual. An individual may not transfer a single award attributable to successful completion of a single term of service to more than one designated individual.

(b) *Re-transfer.* If a designated individual rejects a transferred award in full, or the Corporation otherwise determines that a transfer was revoked for good cause in accordance with § 2530.80(c), the transferring individual may designate another individual to receive the transferred award.

**§ 2530.50 Is there a limit on the amount of transferred awards a designated individual may receive?**

Consistent with § 2526.50, no individual may receive more than an amount equal to the value of two full-time education awards. If the sum of the value of the requested transfer plus the aggregate value of education awards a designated individual has previously received would exceed the aggregate value of two full-time education awards, as determined pursuant to § 2526.50(b), the designated individual will be deemed to have rejected that portion of the award that would result in the excess. If a designated individual has already received the aggregate value of two full-time education awards, the individual may not receive a transferred education award, and the designated individual will be deemed to have rejected the award in full.

**§ 2530.60 What is the impact of transferring or receiving a transferred education award on an individual's eligibility to receive additional education awards?**

(a) *Impact on Transferring Individual.* Pursuant to § 2526.50, an award is considered to be

received at the time it becomes available for an individual's use. Transferring all or part of an award does not reduce the aggregate value of education awards the transferring individual is considered to have received.

(b) *Impact on Designated Individual.* For the purposes of determining the value of the transferred education award under § 2526.50, a designated individual will be considered to have received a value equal to the amount accepted divided by the amount of a full-time award in the year the transferring individual's position was approved.

(c) *Result of revocation on award value.* If the transferring individual revokes, in whole or in part, a transfer, the value of the education award considered to have been received by the designated individual for purposes of § 2526.50 will be reduced accordingly.

**§ 2530.70 Is a designated individual required to accept a transferred education award?**

(a) *General Rule.* A designated individual is not required to accept a transferred education award, and may reject an award in whole or in part.

(b) *Result of rejection in full.* If the designated individual rejects a transferred award in whole, the amount is credited to the transferring individual's account in the National Service Trust, and may be transferred to another individual, or may be used by the transferring individual for any of the purposes listed in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a).

(c) *Result of rejection in part.* If the designated individual rejects a transferred award in part, the rejected portion is credited to the transferring individual's account in the National Service Trust, and may be used by the transferring individual's for any of the purposes listed in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a). An individual may not re-transfer the rejected portion of the award to another individual.

**§ 2530.80 Under what circumstances is a transfer revocable?**

(a) *Revocation.* An individual may revoke a transfer at any time and for any reason prior to the award's use by the designated individual.

(b) *Use of Award.* Upon revocation, the amount revoked will be deducted from the designated individual's account and credited to the transferring individual's account. The transferring individual may use the revoked transferred education award for any of the purposes described in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a).

(c) *Re-transfer.* Generally, an individual may not re-transfer an award to another individual after revoking the same award from the original designated individual. The Corporation may approve re-transfer of an award for good cause, including cases in which the original designated individual was unavoidably prevented from using the award, as demonstrated by the individual transferring the award.

**§ 2530.85 What steps are necessary to revoke a transfer?**

(a) *Request for revocation.* Before revoking a transfer, the transferring individual must submit a request to the Corporation that includes —

- (1) The individual's written authorization to revoke the award;
- (2) The year in which the award was earned;
- (3) The specific amount to be revoked; and
- (4) The identity of the designated individual.

(b) *Credit to transferring individual.* Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will deduct the amount specified in the transferring individual's request from the designated individual's account and credit the amount to the account of the transferring individual, except as provided in paragraph (c) of this section. The Corporation will notify the transferring individual of the amount revoked.

(c) *Used awards.* A revocation may only apply to that portion of the transferred award that has not been used by the designated individual. If the designated individual has used the entire transferred amount prior to the date the Corporation receives the revocation request, no amount will be returned to the transferring individual. An amount is considered to be used when it is disbursed from the National Service Trust, not when a request is received to use an award.

(d) *Notification to designated individual.* The Corporation will notify the designated individual of the amount being revoked as of the date of the Corporation's receipt of the revocation request.

(e) *Timing of revocation.* The Corporation must receive the request to revoke the transfer from the transferring individual prior to the award's expiration ten years from the date the award was originally earned.

**§ 2530.90 Is a designated individual eligible for the payment of accrued interest under Part 2529?**

No, an individual must have successfully completed a term of service in an approved AmeriCorps position or Silver Scholar position to be eligible for the payment of accrued interest under Part 2529.

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

**2540.200 Subpart B—Requirements Directly Affecting the Selection and Treatment of Participants § 2540.200 To whom must I apply suitability criteria relating to criminal history?**

You must apply suitability criteria relating to criminal history to an individual applying for, or serving in, a position for which an individual receives a Corporation grant-funded living allowance, stipend, education award, salary, or other remuneration.

**§ 2540.201 What suitability criteria must I apply to a covered position?**

An individual is ineligible to serve in a covered position if the individual:

- (a) Is registered, or required to be registered, on a State sex offender registry or the National Sex Offender Registry; or
- (b) Has been convicted of murder, as defined in section 1111 of title 18, United States Code.

**§ 2540.202 What two search components of the National Service Criminal History Check must I satisfy to determine an individual's suitability to serve in a covered position?**

Unless the Corporation approves an alternative screening protocol, in determining an individual's suitability to serve in a covered position, you are responsible for conducting and documenting a National Service Criminal History Check, which consists of the following two search components:

(a) State criminal registry search. A search (by name or fingerprint) of the State criminal registry for the State in which your program operates and the State in which the individual resides at the time of application; and

(b) National Sex Offender Public Registry. A name-based search of the Department of Justice (DOJ) National Sex Offender Public Registry (NSOPR).

**§ 2540.203 When must I conduct a State criminal registry check and a National Sex Offender Public Website check on an individual in a covered position?**

(a) The State criminal registry check must be conducted on Foster Grandparents, Senior Companions, and AmeriCorps State and National participants and grant-funded staff with recurring access to children, persons age 60 or older, or individuals with disabilities, who enroll in, or are hired by, your program after November 23, 2007. For all other covered individuals, the State criminal registry check must be conducted on an individual who enrolls in, or is hired by, your program on or after October 1, 2009.

(b) The National Sex Offender Public Website check must be conducted on an individual who is serving, or applies to serve, as a Foster Grandparent, Senior Companion, or AmeriCorps State and National participant or grant-funded staff with recurring access to children, persons age 60 or older, or individuals with disabilities on or after November 23, 2007. For all other covered individuals, the National Sex Offender Public Website check must be conducted on an individual who enrolls in, or is hired by, your program on or after October 1, 2009.

(c) For an individual who serves consecutive terms of service in your program with a break in service of no more than 30 days, no additional check is required after the first term.

**§ 2540.204 What procedures must I follow in conducting a National Service Criminal History Check for a covered position?**

You are responsible for following these procedures:

(a) Verify the individual's identity by examining the individual's government-issued photo identification card, such as a driver's license;

(b) Obtain prior, written authorization for the State criminal registry check and the appropriate sharing of the results of that check within the program from the individual (but not for the NSOPR check);

(c) Document the individual's understanding that selection into the program is contingent upon the organization's review of the individual's criminal history, if any;

(d) Provide a reasonable opportunity for the individual to review and challenge the factual accuracy of a result before action is taken to exclude the individual from the position;

(e) Provide safeguards to ensure the confidentiality of any information relating to the criminal history check, consistent with authorization provided by the applicant; and

(f) Ensure that an individual, for whom the results of a required State criminal registry check are pending, is not permitted to have access to children, persons age 60 and older, or individuals with disabilities without being accompanied by an authorized program representative who has previously been cleared for such access.

**§ 2540.205 What documentation must I maintain regarding a National Service Criminal History Check for a covered position?**

You must:

(a) Document in writing that you verified the identity of the individual in a covered position by examining the individual's government-issued photo identification card, and that you conducted the required checks for the covered position; and

(b) Maintain the results of the National Service Criminal History check (unless precluded by State law) and document in writing that you considered the results in selecting the individual.

**§ 2540.206 Under what circumstances may I follow alternative procedures in conducting a State criminal registry check for a covered position?**

(a) FBI fingerprint-based check. If you conduct and document a fingerprint-based criminal history check through the Federal Bureau of Investigation, you will be deemed to have satisfied the State criminal registry check requirement and do not need separate approval by the Corporation.

(b) Name-based search. If you conduct and document a name-based criminal history check through a source other than the FBI that includes a check of the criminal records repository in the State in which your program is operating, as well as in the State in which the applicant lives, you will be deemed to have satisfied the State criminal registry check requirement and do not need separate approval by the Corporation.

(c) Alternative search approval. If you demonstrate that you are prohibited or otherwise precluded under State law from complying with a Corporation requirement relating to criminal history checks or that you can obtain substantially equivalent or better information through an alternative process, the Corporation will consider approving an alternative search protocol that you submit in writing to the Corporation's Office of Grants Management. The Office of Grants Management will review the alternative protocol to ensure that it:

(1) Verifies the identity of the individual; and

(2) Includes a search of an alternative criminal database that is sufficient to identify the existence, or absence of, criminal offenses.

**§ 2540.207 Is an individual who refuses to consent to a State criminal registry check, or who makes a false statement in connection with a grantee's inquiry concerning the individual's criminal history, eligible to serve in a covered position?**

An individual who refuses to consent to a State criminal registry check, or who makes a false statement in connection with a grantee's inquiry concerning the individual's criminal history, is not eligible to serve in a covered position.

**§ 2540.208 Under what circumstances may participants be engaged?**

A State may not engage a participant to serve in any program that receives Corporation assistance unless and until amounts have been appropriated under section 501 of the Act (42 U.S.C. 12681) for the provision of AmeriCorps educational awards and for the payment of other necessary expenses and costs associated with such participant.

**§ 2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?**

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or member is a qualified individual with a disability.

(b) Any Corporation assistance constitutes Federal financial assistance for purposes of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), and constitutes Federal financial assistance to an education program or activity for purposes of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.).

(c) An individual with responsibility for the operation of a project that receives Corporation assistance may not discriminate on the basis of religion against a participant in such project or a member of the staff of such project who is paid with Corporation funds. This provision does not apply to the employment (with Corporation assistance) of any staff member of a Corporation-supported project who was employed with the organization operating the project on the date the Corporation grant was awarded.

(d) Grantees must notify all program participants, staff, applicants, and beneficiaries of:

- (1) Their rights under applicable federal nondiscrimination laws, including relevant provisions of the national service legislation and implementing regulations; and
- (2) The procedure for filing a discrimination complaint with the Corporation's Office of Civil Rights and Inclusiveness.

[59 FR 13808, Mar. 23, 1994, as amended at 73 FR 53752, Sept. 17, 2008]

**§ 2540.215 What should a program participant, staff members, or beneficiary do if the individual believes he or she has been subject to illegal discrimination?**

A program participant, staff member, or beneficiary who believes that he or she has been subject to illegal discrimination should contact the Corporation's Office of Civil Rights and Inclusiveness, which offers an impartial discrimination complaint resolution process.

Participation in a discrimination complaint resolution process is protected activity; a grantee is prohibited from retaliating against an individual for making a complaint or participating in any manner in an investigation, proceeding, or hearing.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?**

(a) *Participants in State, local, or private nonprofits programs.* A participant in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program's project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(1) The participant has served for at least 12 months and 1,250 hours during the year preceding the start of the leave; and

(2) The program's project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) *Participants in Federal programs.* Participants in Federal programs operated by the Corporation or by another Federal agency will be considered Federal employees for the purposes of the Family and Medical Leave Act if the participants have completed 12 months of service and the project sponsor is an employing agency as defined in 5 U.S.C 6381 *et seq.*; such participants therefore will be eligible for the same family and medical leave benefits afforded to such Federal employees.

(c) *General terms and conditions.* Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant;

(2) The placement of a child with a participant for adoption or foster care;

(3) The serious illness of a participant's spouse, child or parent; or

(4) A participant's serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) *Intermittent leave or reduced service.* The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious illness whenever it is medically necessary.

(e) *Alternate placement.* If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member's sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and

(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participants recurring periods of leave.

(f) *Certification of cause.* A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant's family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) *Continuance of coverage.* (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant's leave.

(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant's leave.

(h) *Failure to return.* If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) *Applicability to term of service.* Any absence, due to family and medical leave, will not be counted towards the participant's term of service.

#### **§ 2540.230 What grievance procedures must recipients of Corporation assistance establish?**

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud

or criminal activity, it must immediately be brought to the attention of the Corporation's inspector general.

(a) *Alternative dispute resolution.* (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) *Grievance procedure for unresolved complaints.* If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) *Time limitations.* Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) *Arbitration*—(1) *Arbitrator*—(i) *Joint selection by parties.* If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) *Appointment by Corporation.* If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporations Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) *Time Limits*—(i) *Proceedings.* An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment.

(ii) *Decision.* A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) *The cost.* The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

(e) *Suspension of placement.* If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) *Remedies.* Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) *Suspension or termination of assistance.* The Corporation may suspend or terminate payments for assistance under this chapter.

(h) *Effect of noncompliance with arbitration.* A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

**2540.300 Subpart C—Other Requirements for Recipients of Corporation Assistance**  
**§ 2540.300 What must be included in annual State reports to the Corporation?**

(a) *In general.* Each State receiving assistance under this title must prepare and submit, to the Corporation, an annual report concerning the use of assistance provided under this chapter and the status of the national and community service programs in the State that receive assistance under this chapter. A State's annual report must include information that demonstrates the State's compliance with the requirements of this chapter.

(b) *Local grantees.* Each State may require local grantees that receive assistance under this chapter to supply such information to the State as is necessary to enable the State to complete the report required under paragraph (a) of this section, including a comparison of actual accomplishments with the goals established for the program, the number of participants in the program, the number of service hours generated, and the existence of any problems, delays or adverse conditions that have affected or will affect the attainment of program goals.

(c) *Availability of report.* Reports submitted under paragraph (a) of this section must be made available to the public on request.

**§ 2540.310 Must programs that receive Corporation assistance establish standards of conduct?**

Yes. Programs that receive assistance under this title must establish and stringently enforce standards of conduct at the program site to promote proper moral and disciplinary conditions.

**§ 2540.320 How are participant benefits treated?**

Section 142(b) of the Job Training Partnership Act (29 U.S.C. 1552(b)) shall apply to the programs conducted under this chapter as if such programs were conducted under the Job Training Partnership Act (29 U.S.C. 1501 *et seq.*).

**§ 2540.330 Parental Involvement Required**

(a) *Consultation Requirement.* Programs that receive assistance under the national service laws shall consult with the parents or legal guardians of children in developing and operating programs that include and serve children.

(b) *Parental Permission.* Programs that receive assistance under the national service laws must, before transporting minor children, provide the children's parents or legal guardians with the reason for the transportation and obtain the parent's or legal guardian's permission for such transportation, consistent with State law.

**2540.400 Subpart D—Suspension and Termination of Corporation Assistance**

**§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?**

(a) *Suspension of a grant or contract.* In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property;

(2) Violations of Federal, State or local criminal statutes; and

(3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) *Termination of a grant or contract.* The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The recipient will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Providing five days notice to the recipient, the Corporation may authorize the conduct of a hearing or other meetings at a location convenient to the recipient to consider the proposed suspension or termination. A transcript or recording must be made of a hearing conducted under this section and be available for inspection by any individual.

**2540.500 Subpart E—Restrictions on Use of National Service Insignia § 2540.500 What definition applies to this subpart?**

*National Service Insignia.* For this subpart, *national service insignia* means the former and current seal, logos, names, or symbols of the Corporation’s programs, products, or services, including those for AmeriCorps, VISTA, Learn and Serve America, Senior Corps, Foster Grandparents, the Senior Companion Program, the Retired and Senior Volunteer Program, the National Civilian Community Corps, and any other program or project that the Corporation administers.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.510 What are the restrictions on using national service insignia?**

The national service insignia are owned by the Corporation and only may be used as authorized. The national service insignia may not be used by non-federal entities for fundraising purposes or in a manner that suggests Corporation endorsement.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.520 What are the consequences for unauthorized use of the Corporation’s national service insignia?**

Any person who uses the national service insignia without authorization may be subject to legal action for trademark infringement, enjoined from continued use, and, for certain types of unauthorized uses, other civil or criminal penalties may apply.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.530 Are there instances where an insignia may be used without getting the approval of the Corporation?**

All uses of the national service insignia require the written approval of the Corporation.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.540 Who has authority to approve use of national service insignia?**

Approval for limited uses may be provided through the terms of a written grant or other agreement. All other uses must be approved in writing by the director of the Corporation's Office of Public Affairs, or his or her designee.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.550 Is there an expiration date on approvals for use of national service insignia?**

The approval to use a national service insignia will expire as determined in writing by the director of the Office of Public Affairs, or his or her designee. However, the authority to use an insignia may be revoked at any time if the Corporation determines that the use involved is injurious to the image of the Corporation or if there is a failure to comply with the terms and conditions of the authorization.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.560 How do I renew authority to use a national service insignia?**

Requests for renewed authority to use an insignia must follow the procedures for initial approval as set out in § 2540.540.

[73 FR 53752, Sept. 17, 2008]

**2540.600 Subpart F— False or Misleading Statements § 2540.600 What definitions apply to this subpart?**

*You.* For this subpart, *you* refers to a participant in a national service program.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.610 What are the consequences of making a false or misleading statement?**

If it is determined that you made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, it may result in the revocation of the qualification or forfeiture of the benefit. Revocation and forfeiture under this part are in addition to any other remedy available to the Federal Government under the law against persons who make false or misleading statements in connection with a Federally-funded program.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.620 What are my rights if the Corporation determines that I have made a false or misleading statement?**

If the Corporation determines that you have made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, you will be hand delivered a written notice, or sent a written notice to your last known street address or e-mail address or that of your identified counsel at least 15 days before any proposed action is taken. The notice will include the facts surrounding the determination and the action the Corporation proposes to take. The notice will also identify the reviewing official in your case and provide other pertinent information. You will be allowed to show good cause as to why forfeiture, revocation, the denial of a benefit, or other action should not be implemented. You will be given 10 calendar days to submit written materials in opposition to the proposed action.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.630 What information must I provide to contest a proposed action?**

Your written response must include specific facts that contradict the statements made in the notice of proposed action. A general statement of denial is insufficient to raise a dispute over the facts material to the proposed action. Your response should also include copies of any documents that support your argument.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.640 When will the reviewing official make a decision on the proposed action?**

The reviewing official will issue a decision within 45 days of receipt of your response.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.650 How may I contest a reviewing official's decision to uphold the proposed action?**

If the Corporation's reviewing official concludes that the proposed action, in full or in part, should still be implemented, you will have an opportunity to request an additional proceeding. A Corporation program director or designee will conduct a review of the complete record, including such additional relevant documents you submit. If deemed appropriate, such as where there are material facts in genuine dispute, the program director or designee may conduct a telephonic or in person meeting. If a meeting is conducted, it will be recorded and you will be provided a copy of the recording. The program director or designee will issue a decision within

30 days of the conclusion of the review of the record or meeting. The decision of the program director or designee is final and cannot be appealed further within the agency.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.660 If the final decision determines that I received a financial benefit improperly, will I be required to repay that benefit?**

If it is determined that you received a financial benefit improperly, you may be required to reimburse the program for that benefit.

[73 FR 53752, Sept. 17, 2008]

**§ 2540.670 Will my qualification to participate or eligibility for benefits be suspended during the review process?**

If the reviewing official determines that, based on the information available, there is a reasonable likelihood that you will be determined disqualified or ineligible, your qualification or eligibility may be suspended, pending issuance of a final decision, to protect the public interest.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

#### **§ 2541.20 Scope of subpart.**

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

**§ 2541.30 Definitions.**

The following definitions apply to terms used in this part and part 2542 of this chapter.

*Accrued expenditures.* The term *accrued expenditures* means the charges incurred by the grantee during a given period requiring the provision of funds for:

- (1) Goods and other tangible property received;
- (2) Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and
- (3) Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

*Accrued income.* The term *accrued income* means the sum of:

- (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers; and
- (2) Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

*Acquisition cost.* The term *acquisition cost* of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

*Administrative requirements.* The term *administrative requirements* means those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from "programmatic" requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

*Awarding agency.* The term *awarding agency* means:

- (1) With respect to a grant, the Federal agency; and
- (2) With respect to a subgrant, the party that awarded the subgrant.

*Cash contributions.* The term *cash contributions* means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation,

Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

*Contract.* The term *contract* means (except as used in the definitions for "grant" and "subgrant" in this section and except where qualified by "Federal") a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

*Cost sharing (or matching).* The term *cost sharing (or matching)* means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

*Cost-type contract.* The term *cost-type contract* means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

*Equipment.* The term *equipment* means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment mentioned in this definition.

*Expenditure report.* The term *expenditure report* means:

- (1) For nonconstruction grants, the SF-269 "Financial Status Report" (or other equivalent report);
- (2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

*Federally recognized Indian tribal government.* The term *federally recognized Indian tribal government* means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat. 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

*Government.* The term *government* means a State or local government or a federally recognized Indian tribal government.

*Grant.* The term *grant* means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

*Grantee.* The term *grantee* means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

*Local government.* The term *local government* means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937 (42 U.S.C. 1401 et seq.) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

*Obligations.* The term *obligations* means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

*OMB.* The term *OMB* means the United States Office of Management and Budget.

*Outlays (expenditures).* The term *outlays (expenditures)* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

*Percentage of completion method.* The term *percentage of completion method* refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

*Prior approval.* The term *prior approval* means documentation evidencing consent prior to incurring specific cost.

*Real property.* The term *real property* means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

*Share.* The term *share*, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted -- not the value of third-party in-kind contributions.

*State.* The term *State* means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under the United States Housing Act of 1937.

*Subgrant.* The term *subgrant* means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of "grant" in this part.

*Subgrantee.* The term *subgrantee* means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

*Supplies.* The term *supplies* means all tangible personal property other than "equipment" as defined in this part.

*Suspension.* The term *suspension* means, depending on the context, either --

(1) Temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant; or

(2) An action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 (3 CFR, 1986 Comp., p. 189) to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

*Termination.* The term *termination* means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include --

(1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period;

(2) Withdrawal of the unobligated balance as of the expiration of a grant;

(3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or

(4) Voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

*Terms of a grant or subgrant* mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

*Third party in-kind contributions.* The term *third party in-kind contributions* means property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

*Unliquidated obligations for reports prepared on a cash basis.* The term *unliquidated obligations for reports prepared on a cash basis* means the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

*Unobligated balance.* The term *unobligated balance* means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

#### **§ 2541.40 Applicability.**

Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

**§ 2541.110 State plans.**

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372 (3 CFR, 1982 Comp., p. 197), "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions;

(2) Repeat the assurance language in the statutes or regulations; or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect: New or revised Federal statutes or regulations; or a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

**§ 2541.120 Special grant or subgrant conditions for "high-risk" grantees.**

(a) A grantee or subgrantee may be considered "high risk" if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance; or

(2) Is not financially stable; or

(3) Has a management system which does not meet the management standards set forth in this part; or

(4) Has not conformed to terms and conditions of previous awards; or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions; and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

**2541.200 Subpart C -- Post-Award Requirements § 2541.200 Standards for financial management systems.**

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to

--

(1) Permit preparation of reports required by this part and the statutes authorizing the grant; and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as canceled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

**§ 2541.210 Payment.**

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash on a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless --

(i) The grantee or subgrantee has failed to comply with grant award conditions; or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 2541.410(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

**§ 2541.220 Allowable costs.**

(a) *Limitation on use of funds.* Grant funds may be used only for --

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles:

For the costs of a	Use the principles in--
--------------------	-------------------------

State, local or Indian tribal government Private nonprofit organization other than an (1) institution of higher education, (2) hospital, or (3) organization named in OMB Circular A-122 as not subject to that circular	OMB Circular A-87. OMB Circular A-122.
Education institutions For-profit organization other than a Hospital and an organization named in OMB Circular A-122 as not subject to that circular	OMB Circular A-21. 48 CFR Part 31. Contract Cost Principles and Procedures, or uniform cost accounting standards that comply with cost principles acceptable to the Federal agency.

**§ 2541.230 Period of availability of funds.**

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

**§ 2541.240 Matching or cost sharing.**

(a) *Basic rule; costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by other cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions -- (1) Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in § 2541.250, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in § 2541.250(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee); or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind

contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services -- (1) Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.* (1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated

equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 2541.220, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

#### **§ 2541.250 Program income.**

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are

specifically identified in the grant agreement or Federal agency regulations as program income. (See § 2541.340)

(f) *Property*. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 2541.310 and 2541.320.

(g) *Use of program income*. Program income shall be deducted from outlays which may be both Federal and non-Federal as described in paragraphs (g)(1) and (2) of this section, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction*. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition*. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching*. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period*. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

#### **§ 2541.260 Non-Federal audit.**

(a) *Basic rule*. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees*. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which

expends \$300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, § 2541.360 shall be followed.

[59 FR 41598, Aug. 12, 1994, as amended at 62 FR 45939, 45947, Aug. 29, 1997]

#### **2541.300 Subpart D -- Changes, Property and Subawards § 2541.300 Changes.**

(a) *General.* Grantees and subgrantees are permitted to re budget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see § 2541.220) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes.* -- (1) *Nonconstruction projects.* Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

- (i) Any revision which would result in the need for additional funding.
- (ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.
- (iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).
- (2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.
- (3) *Combined construction and nonconstruction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.
- (d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:
- (1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).
- (2) Need to extend the period of availability of funds.
- (3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.
- (4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of § 2541.360 but does not apply to the procurement of equipment, supplies, and general support services.
- (e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.
- (f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.
- (2) A request for a prior approval under the applicable Federal cost principles (see § 2541.220) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

#### **§ 2541.310 Real property.**

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

## **§ 2541.320 Equipment.**

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in § 2541.250(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third part named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow paragraph (e) of this section.

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

**§ 2541.330 Supplies.**

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

**§ 2541.340 Copyrights.**

The Federal awarding agency reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

**§ 2541.350 Subawards to debarred and suspended parties.**

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

**§ 2541.360 Procurement.**

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) of this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when --

(i) The employee, officer or agent;

(ii) Any member of his immediate family;

(iii) His or her partner; or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only --

(i) After a determination that no other contract is suitable; and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protester must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities); and

(ii) Violations of the grantee's or sub-grantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified in this paragraph (b)(12)(ii) will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of this section. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

- (iii) Noncompetitive pricing practices between firms or between affiliated companies;
- (iv) Noncompetitive awards to consultants that are on retainer contracts;
- (v) Organizational conflicts of interest;
- (vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement; and
- (vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutory or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed -- (1) Procurement by small purchase procedures.* Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition

threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 2541.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by *competitive proposals*. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that

minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see § 2541.220). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$100,000)

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

**§ 2541.370 Subgrants.**

(a) *States.* States shall follow State law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

- (1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;
- (2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;
- (3) Ensure that a provision for compliance with § 2541.400 is placed in every cost reimbursement subgrant; and
- (4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

- (1) Ensure that every subgrant includes a provision for compliance with this part;
- (2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and
- (3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

- (1) § 2541.100;
- (2) § 2541.110;
- (3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 2541.210; and
- (4) § 2541.500.

**2541.400 Subpart E -- Reports, Records, Retention and Enforcement § 2541.400  
Monitoring and reporting program performance.**

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) *Site visits.* Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

#### **§ 2541.410 Financial reporting.**

(a) *General.* (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies; or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decision making purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report.* -- (1) *Form.* Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all nonconstruction grants and for construction grants when required in accordance with paragraph (e)(2)(iii) of this section.

(2) *Accounting basis.* Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through an analysis of the documentation on hand.

(3) *Frequency.* The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date.* When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report.* -- (1) *Form.* (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements.* Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) *Cash in hands of subgrantees.* When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date.* Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the

Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement.* -- (1) *Advance payments.* Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements.* Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in paragraph (b)(3) of this section.

(e) *Outlay report and request for reimbursement for construction programs.* -- (1) *Grants that support construction activities paid by reimbursement method.* (i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in paragraph (d) of this section, instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in paragraph (b)(3) of this section.

(2) *Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.* (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by paragraphs (b) (3) and (4) of this section.

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in paragraph (d) of this section.

(iii) The Federal agency may substitute the Financial Status Report specified in paragraph (b) of this section for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by paragraph (b)(2) of this section.

**§ 2541.420 Retention and access requirements for records.**

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement; or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 2541.360(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period.* -- (1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the

retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage charge back rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records.* -- (1) *Records of grantees and subgrantees.* The awarding agency, the Inspector General, and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records. Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

[59 FR 41598, Aug. 12, 1994, as amended at 73 FR 53752, Sept. 17, 2008]

#### **§ 2541.430 Enforcement.**

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

- (1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency;
- (2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;
- (3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program;
- (4) Withhold further awards for the program; or
- (5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

- (1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and
- (2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 2541.350).

#### **§ 2541.440 Termination for convenience.**

Except as provided in § 2541.430 awards may be terminated in whole or in part only as follows:

- (a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated; or
- (b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the

portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 2541.430 or paragraph (a) of this section.

**2541.500 Subpart F -- After the Grant Requirement § 2541.500 Closeout.**

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this time frame. These may include but are not limited to:

(1) Final performance or progress report;

(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable);

(3) Final request for payment (SF-270) (if applicable);

(4) Invention disclosure (if applicable);

(5) Federally-owned property report. In accordance with § 2541.320(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

**§ 2541.510 Later disallowances and adjustments.**

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 2541.420;

(d) Property management requirements in §§ 2541.3120 and 2541.320; and

(e) Audit requirements in § 2541.410.

**§ 2541.520 Collection of amounts due.**

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements;

(2) Withholding advance payments otherwise due to the grantee; or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

**2542.10 Subpart A – General § 2542.10 Purpose.**

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a governmentwide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded from Federal financial and nonfinancial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of "ineligible" in § 2542.20), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

(5) Offering such other guidance as necessary for the effective implementation and administration of the governmentwide system.

(c) These regulations also implement Executive Order 12689 (3 CFR, 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Public Law 103-355, sec. 2455, 108 Stat. 3327) by --

(1) Providing for the inclusion in the *List of Parties Excluded from Federal Procurement and Nonprocurement Programs* all persons proposed for debarment, debarred or suspended under the Federal Acquisition Regulation, 48 CFR Part 9, subpart 9.4; persons against which governmentwide exclusions have been entered under this part; and persons determined to be ineligible; and

(2) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion.

(d) Although these regulations cover the listing of ineligible participants and the effect of such listing, they do not prescribe policies and procedures governing declarations of ineligibility.

[59 FR 41614, Aug. 12, 1994, as amended at 60 FR 33041, 33063, June 26, 1995]

**§ 2542.30 Coverage.**

(a) The regulations in this part apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of the regulations in this part such transactions will be referred to as "covered transactions."

(1) *Covered transaction.* For purposes of the regulations in this part, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) *Primary covered transaction.* Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency's regulations governing debarment and suspension.

(ii) *Lower tier covered transaction.* A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently \$25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(3) *Exceptions.* The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations,

foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) *Relationship to other sections.* This section describes the types of transactions to which a debarment or suspension under this part will apply. Subpart B, "Effect of Action," § 2542.50, "Debarment or suspension," sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in § 2542.30(a). Sections 2542.200 "Scope of debarment," and 2542.280, "Scope of suspension," govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) *Relationship to Federal procurement activities.* In accordance with E.O. 12689 and section 2455 of Public Law 103-355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

[59 FR 41614, Aug. 12, 1994, as amended at 60 FR 33041, 33063, June 26, 1995]

#### **§ 2542.40 Policy.**

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and this part, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in this part.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

**2542.100 Subpart B -- Effect of Action § 2542.100 Debarment or suspension.**

**§ 2542.110 Ineligible persons.**

Persons who are ineligible, as defined in § 2542.20, are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

**§ 2542.130 Exception provision.**

The Corporation may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 2542.100. **§ 2542.140 Continuation of covered transactions.**

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in § 2542.130.

**§ 2542.150 Failure to adhere to restrictions.**

(a) Except as permitted under § 2542.130 or § 2542.140, a participant shall not knowingly do business under a covered transaction with a person who is --

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See Appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

#### **2542.200 Subpart C -- Debarment § 2542.200 General.**

The debarring official may debar a person for any of the causes in § 2542.210, using procedures established in §§ 2542.220 through 2542.260. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person's acts or omissions and any mitigating factors shall be considered in making any debarment decision.

#### **§ 2542.210 Causes for debarment.**

Debarment may be imposed in accordance with the provisions of §§ 2542.200 through 2542.260 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice;  
or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of the Governmentwide debarment and suspension (nonprocurement) regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 2542.130 or § 2542.140;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 2542.270 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 2542.530 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

#### **§ 2542.220 Procedures.**

The Corporation shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 2542.230 through 2542.260.

**§ 2542.230 Investigation and referral.**

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

**§ 2542.240 Notice of proposed debarment.**

A debarment proceeding shall be initiated by notice to the respondent advising:

- (a) That debarment is being considered;
- (b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
- (c) Of the cause(s) relied upon under § 2452.210 for proposing debarment;
- (d) Of the provisions of §§ 2542.230 through 2542.260, and any other Corporation procedures, if applicable, governing debarment decision making; and
- (e) Of the potential effect of a debarment.

**§ 2542.250 Opportunity to contest proposed debarment.**

(a) *Submission in opposition.* Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) *Additional proceedings as to disputed material facts.* (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

**§ 2542.260 Debarring official's decision.**

(a) *No additional proceedings necessary.* In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of

any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) *Standard of proof.* In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) *Burden of proof.* The burden of proof is on the agency proposing debarment.

(d) *Notice of debarring official's decision.* (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in § 2542.130.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

#### **§ 2542.270 Settlement and voluntary exclusion.**

(a) When in the best interest of the Government, the Corporation may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E of this part).

**§ 2542.280 Period of debarment.**

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see § 2542.210(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§ 2542.230 through 2542.260 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

**§ 2542.290 Scope of debarment.**

(a) *Scope in general.* (1) Debarment of a person under this part constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 2542.230 through 2542.260).

(b) *Imputing conduct.* For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) *Conduct imputed to participant.* The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) *Conduct imputed to individuals associated with participant.* The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) *Conduct of one participant imputed to other participants in a joint venture.* The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

#### **2542.300 Subpart D – Suspension § 2542.300 General.**

(a) The suspending official may suspend a person for any of the causes in § 2542.310 using procedures established in §§ 2542.320 through 2542.350.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 2542.320; and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

#### **§ 2542.310 Causes for suspension.**

(a) Suspension may be imposed in accordance with the provisions of §§ 2542.300 through 2542.350 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 2542.300(a); or

(2) That a cause for debarment under § 2542.300 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

**§ 2542.320 Procedures.**

(a) *Investigation and referral.* Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) *Decisionmaking process.* The Corporation shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§ 2541.330 through 2542.350.

**§ 2542.330 Notice of suspension.**

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) relied upon under § 2542.310 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 2542.330 through 2542.350 and any other Corporation procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

**§ 2542.340 Opportunity to contest suspension.**

(a) *Submission in opposition.* Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) *Additional proceedings as to disputed material facts.* (1) If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment; or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

#### **§ 2542.350 Suspending official's decision.**

The suspending official may modify or terminate the suspension (for example, see § 2542.280(c) for reasons for reducing the period or scope of debatement or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any agency. The decision shall be rendered in accordance with the following provisions.

(a) *No additional proceedings necessary.* In actions: Based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

**§ 2542.360 Period of suspension.**

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

**§ 2542.370 Scope of suspension.**

The scope of a suspension is the same as the scope of a debarment (see § 2542.290) except that the procedures of §§ 2542.320 through 2542.350 shall be used in imposing a suspension.

**2542.400 Subpart E -- Responsibilities of GSA, Agency and Participants § 2542.400 GSA responsibilities.**

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and this part, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

**§ 2542.410 Corporation responsibilities.**

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which the Corporation has granted exceptions under § 2542.130 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 2542.400(b) and of the exceptions granted under § 2542.130 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded.

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

**§ 2542.420 Participants' responsibilities.**

(a) *Certification by participants in primary covered transactions.* Each participant shall submit the certification in Appendix A of this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals. Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) *Certification by participants in lower tier covered transactions.* (1) Each participant shall require participants in lower tier covered transactions to include the certification in Appendix B of this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they

determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants.

(c) *Changed circumstances regarding certification.* A participant shall provide immediate written notice to Corporation if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace; or

(c) With respect to a grantee who is an individual --

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II of Appendix C of this part); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

**§ 2542.540 Effect of violation.**

(a) In the event of a violation of this subpart as provided in § 2542.520, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

(1) Suspension of payments under the grant;

(2) Suspension or termination of the grant; and

(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see § 2542.280(a)(2)).

**§ 2542.550 Exception provision.**

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

**§ 2542.560 Certification requirements and procedures.**

(a) (1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in Appendix C of this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d) (1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each

Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e) (1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

**§ 2542.570 Reporting of and employee sanctions for convictions of criminal drug offenses.**

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted:

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include

the identification number(s) for each of the Federal agency's affected grants.

**Appendix A to Part 2542 -- Certification Regarding Debarment, Suspension, and Other Responsibility Matters -- Primary Covered Transactions Instructions for Certification**

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and

Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

#### Certification Regarding Debarment, Suspension, and Other Responsibility Matters -- Primary Covered Transactions

#### **Appendix C to Part 2542 -- Certification Regarding Drug-Free Workplace Requirements Instructions for Certification**

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. § 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of sub recipients or subcontractors in covered workplaces).

#### Certification Regarding Drug-Free Workplace Requirements

##### Alternate I. (Grantees Other Than Individuals)

- A. The grantee certifies that it will or will continue to provide a drug-free workplace by:
- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
  - (b) Establishing an ongoing drug-free awareness program to inform employees about --
    - (1) The dangers of drug abuse in the workplace;
    - (2) The grantee's policy of maintaining a drug-free workplace;
    - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
    - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
  - (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
  - (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
    - (1) Abide by the terms of the statement; and
    - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
  - (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
  - (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
    - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code) \_\_\_\_\_

Check [    ] if there are workplaces on file that are not identified here.

#### Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

#### **2543.1 Subpart A – General § 2543.1 Purpose.**

This Circular establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in Sections 2543.4, and 2543.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

#### **§ 2543.2 Definitions.**

(a) *Accrued expenditures* means the charges incurred by the recipient during a given period requiring the provision of funds for:

- (1) Goods and other tangible property received;
- (2) Services performed by employees, contractors, subrecipients, and other payees; and,
- (3) Other amounts becoming owed under programs for which no current services or performance is required.

(b) *Accrued income* means the sum of:

(1) Earnings during a given period from

(i) Services performed by the recipient, and

(ii) Goods and other tangible property delivered to purchasers, and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) *Acquisition cost of equipment* means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

(d) *Advance* means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) *Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) *Cash contributions* means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) *Closeout* means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) *Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

(i) *Cost sharing or matching* means that portion of project or program costs not borne by the Federal Government.

(j) *Date of completion* means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(k) *Disallowed costs* means those charges to an award that the Federal awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(l) *Equipment* means tangible nonexpendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(m) *Excess property* means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

(n) *Exempt property* means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

(o) *Federal awarding agency* means the Federal agency that provides an award to the recipient.

(p) *Federal funds authorized* means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

(q) *Federal share* of real property, equipment, or supplies means that percentage of the property's acquisition costs and any improvement expenditures paid with Federal funds.

(r) *Funding period* means the period of time when Federal funding is available for obligation by the recipient.

(s) *Intangible property and debt instruments* means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

(t) *Obligations* means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

(u) *Outlays or expenditures* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(w) *Prior approval* means written approval by an authorized official evidencing prior consent.

(x) *Program income* means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in paragraphs § 2543.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) *Project costs* means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research

institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.

(dd) *Research and development* means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. "Research" is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. "Development" is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ee) *Small awards* means a grant or cooperative agreement not exceeding the small purchase threshold fixed at 41 U.S.C. 403(11) (currently \$25,000).

(ff) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in paragraph (e).

(gg) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

(hh) *Supplies* means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements."

(ii) *Suspension* means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, "Debarment and Suspension."

(jj) *Termination* means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(kk) *Third party in-kind contributions* means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(ll) *Unliquidated obligations*, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(mm) *Unobligated balance* means the portion of the funds authorized by the Federal awarding agency that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(nn) *Unrecovered indirect cost* means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

(oo) *Working capital advance* means a procedure where by funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

### **§ 2543.3 Effect on other issuances.**

For awards subject to this Circular, all administrative requirements of codified program regulations, program manuals, handbooks and other nonregulatory materials which are inconsistent with the requirements of this Circular shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in Section § 2543.4.

### **§ 2543.4 Deviations.**

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this Circular when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this Circular shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

### **§ 2543.5 Subawards.**

Unless sections of this Circular specifically exclude subrecipients from coverage, the provisions of this Circular shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," published at 53 FR 8034.

### **2543.10 Subpart B -- Pre-Award Requirements § 2543.10 Purpose.**

Sections § 2543.11 through § 2543.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

### **§ 2543.11 Pre-award policies.**

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

### **§ 2543.12 Forms for applying for Federal assistance.**

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single

Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

#### **§ 2543.13 Debarment and suspension.**

Federal awarding agencies and recipients shall comply with the nonprocurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension." This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

#### **§ 2543.14 Special award conditions.**

If an applicant or recipient:

- (a) Has a history of poor performance,
- (b) Is not financially stable,
- (c) Has a management system that does not meet the standards prescribed in this Circular,
- (d) Has not conformed to the terms and conditions of a previous award, or
- (e) is not otherwise responsible, Federal awarding agencies may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

#### **§ 2543.15 Metric system of measurement.**

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant

inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

**§ 2543.16 Resource Conservation and Recovery Act.**

Under the Act Resource Conservation and Recovery Act (42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254).

Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

**§ 2543.17 Certifications and representations.**

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

**2543.20 Subpart C -- Post-Award Requirements Financial and Program Management § 2543.20 Purpose of financial and program management.**

Sections 2543.21 through 2543.25 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

**§ 2543.21 Standards for financial management systems.**

(a) Federal awarding agencies shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 2543.51. If a Federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual

accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business With the United States."

#### **§ 2543.22 Payment.**

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other

means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(2) Financial management systems that meet the standards for fund control and accountability as established in § 2543.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper charges made by recipients at any time during the project period unless:

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements, or

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2), Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless:

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this Circular, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF-270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

### **§ 2543.23 Cost sharing or matching.**

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Federal awarding agency.

(7) Conform to other provisions of this Circular, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of:

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation, or.

(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award:

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching, or.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

#### **§ 2543.24 Program income.**

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) below, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2), program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3).

(d) In the event that the Federal awarding agency does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in § 2543.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards. (See § 2543.28 through § 2543.36.)

(h) Unless Federal awarding agency regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

#### **§ 2543.25 Revision of budget and program plans.**

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

(6) The inclusion, unless waived by the Federal awarding agency, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74 Appendix E, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts With Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-related and administrative prior written approvals required by this Circular and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient's risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any

reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency's regulations, the prior approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whenever (1), (2) or (3) apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in Section § 2543.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5,000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Federal awarding agency indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency shall inform the recipient in writing of the date when the recipient may expect the decision.

**§ 2543.26 Non-Federal audits.**

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipient as incorporated into the award document.

### **§ 2543.27 Allowable costs.**

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

### **§ 2543.28 Period of availability of funds.**

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

### **Property Standards § 2543.30 Purpose of property standards.**

Sections 2543.31 through 2543.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of § 2543.31 through § 2543.37.

### **§ 2543.31 Insurance coverage.**

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

### **§ 2543.32 Real property.**

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agency.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b), the recipient shall request disposition instructions from the Federal awarding agency or its successor Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

### **§ 2543.33 Federally-owned and exempt property.**

(a) Federally-owned property.

(1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821,

"Improving Mathematics and Science Education in Support of the National Education Goals"). Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is "exempt property." Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

#### **§ 2543.34 Equipment.**

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project; then

(2) activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Federal awarding agency.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(4) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Federal awarding agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant

funds and federally-owned equipment. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Federal awarding agency exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

**§ 2543.35 Supplies and other expendable property.**

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

**§ 2543.36 Intangible property.**

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) The Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Federal awarding agency shall request, and the recipient shall provide, within a reasonable time, the

research data so that they can be made available to the public through the procedures established under the FOIA. If the Federal awarding agency obtains the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (*e.g.*, laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by the Federal Government in developing an agency action that has the force and effect of law* is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(3) The requirements set forth in paragraph (d)(1) of this section do not apply to commercial organizations.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph § 2543.34 (g).

*[60 FR 13055, Mar. 10, 1995, as amended at 65 FR 53609, Sept. 5, 2000]*

**§ 2543.37 Property trust relationship.**

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

**PROCUREMENT STANDARDS § 2543.40 Purpose of procurement standards.**

Sections § 2543.41 through § 2543.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

**§ 2543.41 Recipient responsibilities.**

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

**§ 2543.42 Codes of conduct.**

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

### **§ 2543.43 Competition.**

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

### **§ 2543.44 Procurement procedures.**

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that:

(1) Recipients avoid purchasing unnecessary items,

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government, and

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.s 12549 and 12689, "Debarment and Suspension."

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in the Federal awarding agency's implementation of this Circular.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently \$25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a "brand name" product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

#### **§ 2543.45 Cost and price analysis.**

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

#### **§ 2543.46 Procurement records.**

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

- (a) Basis for contractor selection;
- (b) Justification for lack of competition when competitive bids or offers are not obtained; and
- (c) Basis for award cost or price.

#### **§ 2543.47 Contract administration.**

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

#### **§ 2543.48 Contract provisions.**

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the Federal awarding agency may accept the bonding policy and requirements of the recipient, provided the Federal awarding agency has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this Circular, as applicable.

**REPORTS AND RECORDS § 2543.50 Purpose of reports and records.**

Sections § 2543.51 through § 2543.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

**§ 2543.51 Monitoring and reporting program performance.**

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in Section § 2543.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph § 2543.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case

of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

#### **§ 2543.52 Financial reporting.**

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. The Federal

awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When a Federal awarding agency determines that a recipient's accounting system does not meet the standards in Section § 2543.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

**§ 2543.53 Retention and access requirements for records.**

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate record keeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for

the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

#### **TERMINATION AND EVALUATION § 2543.60 Purpose of termination and enforcement.**

Sections § 2543.61 and § 2543.62 set forth uniform suspension, termination and enforcement procedures.

#### **§ 2543.61 Termination.**

(a) Awards may be terminated in whole or in part only if:

(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award,

(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated, or

(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal awarding agency determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a) (1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in paragraph § 2543.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

### **§ 2543.62 Enforcement.**

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in Section § 2543.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable, and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see Section § 2543.13).

#### **2543.70 Subpart D -- After-the-Award Requirements § 2543.70 Purpose.**

Sections § 2543.71 through § 2543.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

#### **§ 2543.71 Closeout procedures.**

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with Sections § 2543.31 through § 2543.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

**§ 2543.72 Subsequent adjustments and continuing responsibilities.**

(a) The closeout of an award does not affect any of the following:

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in Section § 2543.26.

(4) Property management requirements in Sections § 2543.31 through § 2543.37.

(5) Records retention as required in Section § 2543.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in paragraph § 2543.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

**§ 2543.73 Collection of amounts due.**

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient,

(3) Taking other action permitted by statute, or

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

**2543.80 Subpart E -- Statutory Compliance § 2543.80 Contract provisions.**

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

**§ 2543.81 Equal employment opportunity.**

All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

**§ 2543.82 Copeland "Anti-Kickback" Act.**

All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

**§ 2543.83 Davis-Bacon Act.**

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

**§ 2543.84 Contract Work Hours and Safety Standards Act.**

Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to

construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**§ 2543.85 Rights to inventions made under a contract or agreement.**

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

**§ 2543.86 Clean Air Act and the Federal Water Pollution Control Act.**

Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

**§ 2543.87 Byrd anti-lobbying amendment.**

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

**§ 2543.88 Debarment and suspension.**

No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

*Authority: 42 U.S.C. 12501 et seq. Source: 60 FR 28355, May 31, 1995, unless otherwise noted.*

**§ 2544.100 What is the purpose of this part?**

This part establishes rules to ensure that the solicitation, acceptance, holding, administration, and use of property and services donated to the Corporation:

- (a) Will not reflect unfavorably upon the ability of the Corporation or its officers and employees, to carry out their official duties and responsibilities in a fair and objective manner; and
- (b) Will not compromise the integrity of the Corporation's programs or its officers and employees involved in such programs.

**§ 2544.105 What is the legal authority for soliciting and accepting donations to the Corporation?**

Section 196(a) of the National and Community Service Act of 1990, as amended (42 U.S.C. 12651g(a)).

**§ 2544.110 What definitions apply to terms used in this part?**

- (a) *Donation* means a transfer of money, property, or services to or for the use of the Corporation by gift, devise, bequest, or other means.
- (b) *Solicitation* means a request for a donation.
- (c) *Volunteer* means an individual who donates his/her personal service to the Corporation to assist the Corporation in carrying out its duties under the national service laws, but who is not a participant in a program funded or sponsored by the Corporation under the National and Community Service Act of 1990, as amended. Such individual is not subject to provisions of law related to Federal employment, including those relating to hours of work, rates of compensation, leave, unemployment compensation and Federal employee benefits, except that --

(1) Volunteers will be considered Federal employees for the purpose of the tort claims provisions of 28 U.S.C. chapter 171;

(2) Volunteers will be considered Federal employees for the purposes of 5 U.S.C. chapter 81, subchapter I, relating to compensation to Federal employees for work injuries; and

(3) Volunteers will be considered special Government employees for the purpose of ethics and public integrity under the provisions of 18 U.S.C. chapter 11, part I, and 5 CFR chapter XVI, subchapter B.

(d) *Inherently governmental function* means any activity that is so intimately related to the public interest as to mandate performance by an officer or employee of the Federal Government, including an activity that requires either the exercise of discretion in applying the authority of the Government or the use of value judgment in making a decision for the Government.

**§ 2544.115 Who may offer a donation?**

Anyone, including an individual, group of individuals, organization, corporation, or association may offer a donation to the Corporation.

**§ 2544.120 What personal services from a volunteer may be solicited and accepted?**

A donation in the form of personal services from a volunteer may be solicited and accepted to assist the Corporation in carrying out its duties. However, volunteers may not perform an inherently governmental function.

**§ 2544.125 Who has the authority to solicit and accept or reject a donation?**

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in § 2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

**§ 2544.130 How will the Corporation determine whether to solicit or accept a donation?**

(a) The Corporation will solicit and accept a donation only for the purpose of furthering the mission and goals of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the

mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation's programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(1) Is a party to a grant or contract with the Corporation or is seeking to do business with the Corporation;

(2) Has pecuniary interests that may be substantially affected by performance or nonperformance of the Corporation; or

(3) Is an organization a majority of whose members are described in paragraphs (d)(1) and (2) of this section.

(e) Any solicitation or offer of a donation that raises a question or concern of a potential, real, or apparent conflict of interest will be forwarded to the Corporation's Designated Ethics Official for an opinion.

#### **§ 2544.135 How should an offer of a donation be made?**

(a) In general, an offer of donation should be made by providing a letter of tender that offers a donation. The letter should be directed to an official authorized to accept donations, describe the property or service offered, and specify any purpose for, or condition on, the use of the donation.

(b) If an offer is made orally, the Corporation will send a letter of acknowledgment to the offeror. If the donor is anonymous, the Corporation will prepare a memorandum to the file acknowledging receipt of a tendered donation and describing the donation including any special terms or conditions.

(c) Only those employees or officials with expressed notice of authority may accept donations on behalf of the Corporation. If an offer is directed to an unauthorized employee or official of the Corporation, that person must immediately forward the offer to an appropriate official for disposition.

#### **§ 2544.140 How will the Corporation accept or reject an offer?**

(a) In general, the Corporation will respond to an offer of a donation in writing and include in the response:

(1) An acknowledgment of receipt of the offer;

(2) A brief description of the offer and any purpose or condition that the offeror specified for the use of the donation;

(3) A statement either accepting or rejecting the donation; and

(4) A statement informing the donor that any acceptance of services or property can not be used in any manner, directly or indirectly, that endorses the donor's products or services or appears to benefit the financial interests or business goals of the donor.

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.

#### **§ 2544.145 What will be done with property that is not accepted?**

In general, property offered to the Corporation but not accepted will be returned to the offeror. If the offeror is unknown or the donation would spoil if returned, the property will either be disposed of in accordance with Federal Property Management regulations (41 CFR chapter 101) or given to local charities determined by the Corporation.

#### **§ 2544.150 How will accepted donations be recorded and used?**

(a) All accepted donations of money and other property will be reported to the Chief Financial Officer (CFO) of the Corporation for recording and appropriate disposition.

(b) All donations of personal services of a volunteer will be reported to the CFO and to the Personnel Division of the Corporation for processing and documentation.

(c) Donations not designated for a particular purpose will be used for an authorized purpose described in § 2544.125.

(d) Property will be used as nearly as possible in accordance with the terms of the donation. If no terms are specified, or the property can no longer be used for its original purpose, the property will be converted to another authorized use or sold in accordance with Federal regulations. The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

**2545.100 Subpart A—Purpose and Coverage § 2545.100 What does this part do?**

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq., as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of Federal Government policy.

**§ 2545.105 Does this part apply to me?**

(a) Portions of this part apply to you if you are either—

(1) A recipient of an assistance award from the Corporation; or

(2) A(n) Corporation awarding official. (See definitions of award and recipient in §§ 2545.605 and 2545.660, respectively.)

(b) The following table shows the subparts that apply to you:

If you are . . .	see subparts . . .
(1) A recipient who is not an individual.....	A, B and E. A, C and E.
(2) A recipient who is an individual.....	A, D and E.
(3) A(n) Corporation awarding official.....	

**§ 2545.110 Are any of my Federal assistance awards exempt from this part?**

This part does not apply to any award that the Corporation Chief Executive Officer or designee determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

**§ 2545.115 Does this part affect the Federal contracts that I receive?**

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in § 2545. 510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

**2545.200 Subpart B—Requirements for Recipients Other Than Individuals**  
**§ 2545.200 What must I do to comply with this part?**

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 2545.205 through 2545.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 2545.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 2545.230).

**§ 2545.205 What must I include in my drug-free workplace statement?**

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

**§ 2545.210 To whom must I distribute my drug-free workplace statement?**

You must require that a copy of the statement described in § 2545.205 be given to each employee who will be engaged in the performance of any Federal award.

**§ 2545.215 What must I include in my drug-free awareness program?**

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

- (b) Your policy of maintaining a drug-free workplace;
- (c) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

**§ 2545.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?**

If you are a new recipient that does not already have a policy statement as described in § 2545.205 and an ongoing awareness program as described in § 2545.215, you must publish the statement and establish the program by the time given in the following table:

If . . .	then you . . .
(a) The performance period of the award is less than 30 days (b) The performance period of the award is 30 days or more. (c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.	must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed. must have the policy statement and program in place within 30 days after award. may ask the Corporation awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.

**§ 2545.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?**

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

- (a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 2545.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must
  - (1) Be in writing;
  - (2) Include the employee's position title;

- (3) Include the identification number(s) of each affected award;
  - (4) Be sent within ten calendar days after you learn of the conviction; and
  - (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.
- (b) Second, within 30 calendar days of learning about an employee's conviction, you must either\_
- (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
  - (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

**§ 2545.230 How and when must I identify workplaces?**

- (a) You must identify all known workplaces under each Corporation award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces\_
- (1) To the Corporation official that is making the award, either at the time of application or upon award; or
  - (2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Corporation officials or their designated representatives.
- (b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (*e.g.*, all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- (c) If you identified workplaces to the Corporation awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Corporation awarding official.

**2545.300 Subpart C—Requirements for Recipients Who Are Individuals § 2545.300 What must I do to comply with this part if I am an individual recipient?**

As a condition of receiving a(n) Corporation award, if you are an individual recipient, you must agree that—

- (a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and
- (b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:
  - (1) In writing.
  - (2) Within 10 calendar days of the conviction.
  - (3) To the Corporation awarding official or other designee for each award that you currently have, unless § 2545.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

**2545.400 § 2545.301 [Reserved]**

**Subpart D—Responsibilities of Corporation Awarding Officials § 2545.400 What are my responsibilities as a(n) Corporation awarding official?**

As a(n) Corporation awarding official, you must obtain each recipient's agreement, as a condition of the award, to comply with the requirements in—

- (a) Subpart B of this part, if the recipient is not an individual; or
- (b) Subpart C of this part, if the recipient is an individual.

**2545.500 Subpart E—Violations of this Part and Consequences § 2545.500 How are violations of this part determined for recipients other than individuals?**

A recipient other than an individual is in violation of the requirements of this part if the Corporation Chief Executive Officer or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart B of this part; or
- (b) The number of convictions of the recipient's employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

**§ 2545.505 How are violations of this part determined for recipients who are individuals?**

An individual recipient is in violation of the requirements of this part if the Corporation Chief Executive Officer or designee determines, in writing, that—

- (a) The recipient has violated the requirements of subpart C of this part; or
- (b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

**§ 2545.510 What actions will the Federal Government take against a recipient determined to have violated this part?**

If a recipient is determined to have violated this part, as described in § 2545.500 or § 2545.505, the Corporation may take one or more of the following actions—

- (a) Suspension of payments under the award;
- (b) Suspension or termination of the award; and
- (c) Suspension or debarment of the recipient under 45 CFR Part 2542, for a period not to exceed five years.

**§ 2545.515 Are there any exceptions to those actions?**

The Corporation Chief Executive Officer may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Corporation Chief Executive Officer determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Nonprocurement), that implements Executive Order 12549 and Executive Order 12689. Suspension of a recipient is a distinct and separate action from suspension of an award or suspension of payments under an award.

*Source: 58 FR 60981, Nov. 18, 1993, unless otherwise noted.*

**§ 2550.10 What is the purpose of this part?**

(a) The Corporation for National and Community Service (the Corporation) seeks to meet the Nation's pressing human, educational, environmental and public safety needs through service and to reinvigorate the ethic of civic responsibility across the Nation. If the Corporation is to meet these goals, it is critical for each of the States to be actively involved.

(b) To be eligible to apply for program funding, or approved national service positions, each State must establish a State commission on national and community service to administer the State program grant making process and to develop a State plan. The Corporation may, in some instances, approve an alternative administrative entity (AAE).

(c) The Corporation will distribute grants of between \$125,000 and \$750,000 to States to cover the Federal share of operating the State commissions or AAEs.

(d) The purpose of this part is to provide States with the basic information essential to participate in the subtitle C programs. Of equal importance, this part gives an explanation of the preliminary steps States must take in order to receive money from the Corporation. This part also offers guidance on which of the two State entities States should seek to establish, and it explains the composition requirements, duties, responsibilities, restrictions, and other relevant information for State commissions and AAEs.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

**§ 2550.20 Definitions.**

(a) *AAE*. Alternative Administrative Entity.

(b) *Administrative costs*. As used in this part, those costs incurred by a State in the establishing and operating a State entity; the specific administrative costs for which a Corporation administrative grant may be used as defined in the Uniform Administrative Requirements for Grants and Agreements to State and Local Governments.

(c) *Alternative Administrative Entity (AAE)*. A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive

national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) *Approved National Service Position.* A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to be provided for successful completion of a term of service.

(e) *Corporation.* As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) *Corporation representative.* Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representative must be included as a member of the State Commission or AAE.

(g) *Indian tribe.* (1) An Indian tribe, band, nation, or other organized group or community, including—

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the “Indian Reorganization Act”; 48 Stat. 984, chapter 576; 25 U.S.C. 461 et seq.); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) *Older adult.* An individual 55 years of age or older.

(i) *Service-learning.* A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational

components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

(j) *Service learning programs.* The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) *State.* As used in this part, the term State refers to each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(l) *State Commission.* A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15–25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) *State Educational Agency.* The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) *State entity.* A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

### **§ 2550.30 How does a State decide whether to establish a State commission or an alternative administrative entity?**

(a) Although each State's chief executive officer has the authority to select an administrative option, the Corporation strongly encourages States to establish State Commissions which meet the requirements in this part as quickly as possible. The requirements for State Commissions were established to try to create informed and effective entities.

(b) The Corporation recognizes that some States, for legal or other legitimate reasons, may not be able to meet all of the requirements of the State Commissions. The AAE is essentially the same as a State Commission; however, it may be exempt from some of the State Commission requirements. A State that cannot meet one of the waivable requirements of the State Commission (as explained in § 2550.60), and which can demonstrate this to the Corporation, should seek to establish an AAE.

(c) Regardless of which entity a State employs, each State is required to solicit broad-based, local input in an open, inclusive, non-political planning process.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

**§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?**

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.) Once the entity is established, the State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make, and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§ 2250.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of resubmission.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

**§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?**

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) *Size of the State Commission and terms of State Commission members.* The chief executive officer of a State must appoint 15–25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) *Required voting members on a State Commission.* A member may represent none, one, or more than one category, but each of the following categories must be represented:

(1) A representative of a community-based agency or organization in the State;

- (2) The head of the State education agency or his or her designee;
- (3) A representative of local government in the State;
- (4) A representative of local labor organizations in the State;
- (5) A representative of business;
- (6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;
- (7) A representative of a national service program;
- (8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth;
- (9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism; and
- (10) A representative of the volunteer sector.

(c) *Appointment of other voting members of a State Commission.* Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the State; however, although this list should not be construed as exhaustive, the Corporation suggests the following types of individuals:

- (1) Educators, including representatives from institutions of higher education and local education agencies;
- (2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;
- (3) Representatives of Indian tribes;
- (4) Out-of-school or at-risk youth; and
- (5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 et seq.).

(d) *Appointment of ex officio, non-voting members of a State Commission.* The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) *Other composition requirements.* To the extent practicable, the chief executive officer of a State shall ensure that the membership for the State commission is diverse with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50 percent plus one of the voting members of a State commission may be from the same political party. In addition, the number of voting members of a State commission who are officers or employees of the State may not exceed 25% of the total membership of that State commission.

(f) *Selection of Chairperson.* The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) *Vacancies.* If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.

(h) *Compensation of State Commission members.* A member of a State Commission may not receive compensation for his or her services, but may be reimbursed (at the discretion of the State) for travel and daily expenses in the same manner as employees intermittently serving the State.

(i) *The role of the Corporation representative.* The Corporation will designate one of its employees to serve as a representative to each State or group of States. This individual must be included as an ex officio non-voting member on the State Commission. In general, the Corporation representative will be responsible for assisting States in carrying out national service activities.

[58 FR 60981, Nov. 18, 1993, as amended at 73 FR 53752, Sept. 17, 2008]

#### **§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?**

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that State entity is, de facto, an AAE. The three criteria which may be waived for an AAE are as follows:

(1) *The requirement that a State's chief executive officer appoint the members of a State Commission.* If a State can offer a compelling reason why some or all of the State Commission members should be appointed by the State legislature or by some other appropriate means, the Corporation may grant a waiver.

(2) *The requirement that a State Commission have 15–25 members.* If a State compellingly demonstrates why its commission should have a larger number of members, the Corporation may grant a waiver.

(3) *The requirement that not more than 50% plus one of the State Commission's voting members be from the same political party.* This requirement was established to prevent State Commissions from being politically motivated or controlled; however, in some States it is illegal to require prospective members to provide information about political party affiliation. For this or another compelling reason, the Corporation may grant a waiver.

(b) Again, any time the Corporation grants one or more of these waivers for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

#### **§ 2550.70 [Reserved]**

#### **§ 2550.80 What are the duties of the State entities?**

Both State commissions and AAEs have the same duties. This section lists the duties that apply to both State commissions and AAEs—collectively referred to as State entities. Functions described in paragraphs (e) through (j) of this section are non-policymaking and may be delegated to another State agency or nonprofit organization. The duties are as follows:

(a) *Development of a three-year, comprehensive national and community service plan and establishment of State priorities.* The State entity must develop and annually update a Statewide plan for national service covering a three-year period, the beginning of which may be set by the State, that is consistent with the Corporation's broad goals of meeting human, educational, environmental, and public safety needs and meets the following minimum requirements:

(1) The plan must be developed through an open and public process (such as through regional forums or hearings) that provides for the maximum participation and input from a broad cross-section of individuals and organizations, including national service programs within the State, community-based agencies, organizations with a demonstrated record of providing educational, public safety, human, or environmental services, residents of the State, including youth and other prospective participants, State Educational Agencies, traditional service organizations, labor unions, and other interested members of the public.

(2) The plan must ensure outreach to diverse, broad-based community organizations that serve underrepresented populations by creating State networks and registries or by utilizing existing ones.

(3) The plan must set forth the State's goals, priorities, and strategies for promoting national and community service and strengthening its service infrastructure, including how Corporation-funded programs fit into the plan.

(4) The plan may contain such other information as the State commission considers appropriate and must contain such other information as the Corporation may require.

(5) The plan must ensure outreach to, and coordination with, municipalities and county governments regarding the national service laws.

[73 FR 53752, Sept. 17, 2008]

**§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?**

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:

(a) *General restriction.* Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

- (1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) *Exception to achieve a quorum.* If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstances, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) *Rule of construction.* Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

#### **§ 2550.100 Do State entities or their members incur any risk of liability?**

(a) *State liability.* Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) *Individual liability.* A member of the State Commission or AAE shall have no personal liability with respect to any claim arising out of or resulting from any act or omission by that member, within the scope of the service of that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this

part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

**§ 2550.110 What grants will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?**

(a) *Administrative Grants.* The Corporation may make administrative grants to States in an amount no less than \$250,000 and up to \$1 million for the purpose of establishing or operating a State Commission or AAE; these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) *Limitation on Federal share.* Except as provided in paragraph (c), the amount of a grant that may be provided to a State under this subsection, together with other Federal funds available to establish or operate the State Commission or AAE, may not exceed 50 percent of the total cost to establish or operate the State Commission or AAE.

(c) *Alternative Match Schedule.* The Corporation may permit a State that demonstrates hardship or a new State Commission to meet alternative matching requirements for such a grant as follows:

GRANT AMOUNT	MATCH REQUIREMENT
(1) First \$100,000 ...	No match requirement
(2) Amounts above \$100,000 but less than \$250,000....	\$1 of non-Federal funds for every \$2 provided by the Corporation in excess of \$100,000
(3) Amounts greater than \$250,000...	\$1 of non-Federal funds for every \$1 provided by the Corporation in excess of \$250,000
