Volunteers in Arizona

Arizona Volunteer Rate

Trends and Highlights

- In 2006, 1.12 million Arizona volunteers dedicated 182.9 million hours of service.
- Tutoring or teaching was the most popular activity in Arizona, ranking first among about one of every four Arizona volunteers. Arizona was one of only five states in the nation in which tutoring or teaching was the most popular activity for volunteers.
- Participation with education or youth-service organizations more than doubled from a rate of 11.1% in 1989 to 25.8% in 2006.
- In addition to the 1.12 million Arizona volunteers in 2006, almost 114,000 people participated informally by working with their neighbors to improve the community.
- Overall, 29.4% of people in Arizona engaged in civic life by volunteering, working with their neighbors, or attending public meetings.
