Volunteers in New York

New York Volunteer Rate

Trends and Highlights

- In 2006, 2.78 million New York volunteers dedicated 380.5 million hours of service.
- Between 1989 and the present, New York's volunteer rate increased by 6.9 percentage points.
- Participation with education or youth-service organizations almost doubled from a rate of 16.5% in 1989 to 31.6% in 2006, making this the most popular type of organization for New York volunteers.
- New York was one of 17 states in the nation in which providing professional services was one of the top four activities for volunteers.
- In addition to the 2.78 million New York volunteers in 2006, more than 226,000 people participated informally by working with their neighbors to improve the community.
- Overall, 21.9% of people in New York engaged in civic life by volunteering, working with their neighbors, or attending public meetings.
