

**2010 Social Innovation Fund Competition
List of Expert Reviewers**

The Corporation for National and Community Service (CNCS) engaged the external expertise of 63 reviewers with extensive practical experience in and deep knowledge of nonprofit leadership, social innovation, evaluation, urban and rural programs, and the priority issue areas of the Social Innovation Fund. The reviewers, all of whom consented to the release of their names, were representative of multiple sectors: government, nonprofits, philanthropic groups, strategic consulting firms, universities, and venture capital.
