

ANNOUNCEMENT OF FEDERAL FUNDING OPPORTUNITY

Federal Agency Name: Corporation for National and Community Service
Funding Opportunity Title: AmeriCorps State and National Grants FY 2015
Announcement Type: Initial Announcement
CFDA Number: 94.006

Key Dates

Submission of a Notice of Intent to Apply is required to be eligible for this competition and is due **Wednesday, December 10, 2014 at 5:00 p.m. Eastern Time**. State applicants should not provide this information directly to CNCS, but rather to the Commission in the state the applicant intends to operate the program. The State Commissions' deadlines are earlier than this deadline.

Applications are due **Wednesday, January 21, 2015 at 5:00 p.m. Eastern Time** to CNCS. State Commissions and Territory deadlines may be significantly before the CNCS deadlines, so prospective state applicants are encouraged to contact with the commission in the state or territory where they intend to apply as soon as possible.

A. PROGRAM DESCRIPTION

The mission of the Corporation for National and Community Service (CNCS) is to improve lives, strengthen communities, and foster civic participation through service and volunteering. CNCS -- through AmeriCorps, Senior Corps, the Social Innovation Fund, and the Volunteer Generation Fund -- has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

Through all its programs, CNCS seeks to expand economic opportunity – helping Americans acquire the skills, education, and training they need for productive employment. By helping more Americans graduate, pursue higher education, and find work, national service can provide immediate and long term benefits by expanding individual opportunity, building family stability, and creating more sustainable, resilient communities.

Publication of this Announcement of Federal Funding Opportunity (*Notice*) does not obligate CNCS to award any specific number of grants or to obligate the entire amount of funding available.

Purpose of AmeriCorps Funding

AmeriCorps grants are awarded to eligible organizations proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members earn a Segal AmeriCorps Education Award from the National Service Trust that members can use to pay for higher education expenses or apply to qualified student loans.

CNCS may award a Cost Reimbursement or an Education Award Program grant to any successful applicant, but the availability of a Fixed Amount grant is limited to certain applicants. See Section II and Glossary for more information. In addition to the funding allocated for competitive distribution under this *Notice*, CNCS provides funding based on the population directly to Governor-appointed State Service Commissions which they, in turn, award through a process they administer according to state priorities.

This *Notice* should be read together with the AmeriCorps Regulations, 45 CFR §§ 2520–2550, the *Notice* Glossary, Application Instructions, and the Performance Measure Instructions which are incorporated by reference. The documents can be found at <http://www.nationalservice.gov/build-your->

[capacity/grants/funding-opportunities](#). The full regulations are available online at www.ecfr.gov. The TTY number is 800-833-3722. For a printed copy of related material, call 202-606-7508.

CNCS Focus Areas

In order to carry out Congress' intent and to maximize the impact of investment in national service, CNCS has the following focus areas:

Disaster Services

Grant activities will provide support to increase the preparedness of individuals for disasters, improve individuals' readiness to respond to disasters, help individuals recover from disasters, and/or help individuals mitigate disasters. Grantees also have the ability to respond to national disasters under CNCS cooperative agreements and FEMA mission assignments.

Economic Opportunity

Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people; help economically disadvantaged people, including youth identified in My Brother's Keeper to have improved access to services that enhance financial literacy; transition into or remain in safe, healthy, affordable housing; and/or have improved employability leading to increased success in becoming employed.

Education

Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged children; improved school readiness for economically disadvantaged young children; improved educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools; and/or support economically disadvantaged students prepare for success in post-secondary educational institutions.

Environmental Stewardship

Grants will provide support for increased individual behavioral change leading to increased energy efficiency, renewable energy use, and ecosystem improvements particularly for economically disadvantaged households and communities. Grant activities will decrease energy and water consumption; improve at-risk ecosystems; increase behavioral changes that lead directly to decreased energy and water consumption or improved at-risk ecosystems; and/or increase green training opportunities that may lead to decreased energy and water consumption or improved at-risk ecosystems.

Healthy Futures

Grants will provide support for activities that will improve access to primary and preventive health care for communities served by CNCS-supported programs; increase seniors' ability to remain in their own homes with the same or improved quality of life for as long as possible; and/or increase physical activity and improve nutrition in youth with the purpose of reducing childhood obesity.

Veterans and Military Families

Grants will positively impact the quality of life of veterans and improve military family strength; increase the number of veterans, military service members, and their families served by CNCS-supported programs; and/or increase the number of veterans and military family members engaged in service through CNCS-supported programs.

2015 AmeriCorps Funding Priorities

CNCS seeks to prioritize the investment of national service resources in:

- Disaster Services -- improving community resiliency through disaster preparation, response, recovery, and mitigation
- Economic Opportunity -- increasing economic opportunities for communities, specifically opportunity youth (see Glossary), both as the population served and as AmeriCorps members.
- Education -- improving student academic performance including STEM
- Environment -- 21st Century Service Corps (see Glossary)
- Veterans and Military Families -- positively impacting the quality of life of veterans and improving military family strength
- Governor and Mayor Initiatives (see Glossary)
- Programing that supports My Brother's Keeper (see Glossary)
- Multi-focus intermediaries that demonstrate measureable impact and primarily serve communities with limited resources and organizational infrastructure. i.e. rural and other underserved communities. (See Glossary)

In order to receive priority consideration, applicants must demonstrate that the priority area is a significant part of the program focus and intended outcomes and must include a high quality program design. Responses that propose programs for the purpose of receiving priority consideration are not guaranteed funding.

National Performance Measures

The Serve America Act (SAA) emphasizes measuring the impact of service and focusing on a core set of issue areas. CNCS' five-year Strategic Plan establishes an ambitious set of objectives that guided the development of 16 agency-wide Priority Performance Measures. CNCS expects organizations to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from its work as well as make tactical and strategic adjustments to achieve its goals. For more information, please refer to the National Performance Measure Instructions.

B. FEDERAL AWARD INFORMATION

CNCS expects a highly competitive AmeriCorps FY 2015 grant competition. The actual level of funding will be subject to the availability of annual appropriations, which have not yet been made. Grant awards have two components: operating funds and AmeriCorps member positions. Grant award amounts vary – both in the level of operating funds and in the type and amount of AmeriCorps Member positions.

Award Period

Unless otherwise specified, the grant generally covers a three-year project period. In approving a multi-year project period, CNCS generally makes an initial award for the first year of operation. In most cases, the application is submitted with a one-year budget. Continuation funding is not guaranteed. Factors considered in awarding continuation grants include satisfactory performance, demonstrated capacity to manage the grant, compliance with grant requirements, agency priorities, and the availability of appropriated funds. CNCS reserves the right to adjust the amount of a grant or elect not to continue funding for subsequent years.

Project/Award Period

The project start date is proposed by the applicant and is generally one year. The project start date may not occur prior to the date CNCS awards the grant. AmeriCorps members may not enroll prior to the start date of the award. AmeriCorps members may not begin service prior to the beginning of the member enrollment period as designated in the grant award. A program may not certify any hours a member performs prior to the beginning of the member enrollment period.

C. ELIGIBILITY INFORMATION

1. Eligible Applicants

The following entities are eligible to apply: public or private nonprofit organizations, including faith-based and other community organizations; institutions of higher education; government entities within states or territories (e.g., cities, counties); labor organizations; partnerships and consortia; and Indian Tribes. Receiving funding previously from CNCS or another Federal agency is not a prerequisite to applying under this *Notice*.

In addition to being eligible to apply under this *Notice*, federally recognized Indian Tribes will also be eligible to apply under a separate Notice of Federal Funding Opportunity for Indian Tribes for operating or planning grants released later in the fall with an application deadline of spring 2015.

Organizations that have been convicted of a federal crime are disqualified from receiving the assistance described in this *Notice*. Pursuant to the Lobbying Disclosure Act of 1995, an organization described in Section 501 (c)(4) of the Internal Revenue code of 1986, 26 U.S.C. § 501 (c)(4), that engages in lobbying activities is not eligible to apply.

New Applicants

CNCS encourages organizations that have never received funding from CNCS to apply. The general practice is to award no more than 50 member positions to organizations receiving an AmeriCorps grant for the first time.

New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grants but not eligible to apply for Fixed Amount grants. Existing subgrantees/operating sites of Fixed Amount grantees that can demonstrate a track record and capacity to manage a Fixed Amount grant are considered to have AmeriCorps experience and therefore can apply for Fixed Amount grants.

Continuation applicants

Organizations that have current AmeriCorps awards that do not end in FY15 must submit an application in order to be eligible to receive funding for the following year. Please see the Application Instructions. Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the criteria under this *Notice*.

Type of Applicants

State Applicants

Organizations that propose to operate in only one state must apply through the Governor-appointed State or Territory Commissions. Each state and territory administers its own selection process and puts forward to CNCS the applicants it selects to compete for funding. State applicants must contact their State Commissions to learn about their state or territory processes and deadlines which may be significantly before the CNCS deadlines and may have additional requirements. The list of State and Territory Commissions can be found here: <http://www.nationalservice.gov/about/contact-us/state-service-commissions>

National Direct Applicants

Multi-state: Organizations that propose to operate AmeriCorps programs in more than one state or territory apply directly to CNCS.

Federally-recognized Indian Tribes: An Indian Tribe is defined as a federally recognized Indian Tribe, band, nation, or other organized group or community, including any Native village, Regional Corporation, or Village Corporation, as defined under the Alaska Native Claims Settlement Act (43 U.S.C. § 1602), that the United States Government determines is eligible for special programs and services provided

under federal law to Indians because of their status as Indians. Indian Tribes also include tribal organizations controlled, sanctioned, or chartered by one of the entities described above.

Territories without Commissions: Applicants in American Samoa, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands apply directly to CNCS because these Territories have not established a State Commission.

2. Cost Sharing or Matching

Fixed Amount Grants and Education Award Program Grants

There is no specific match requirement for Fixed Amount and Education Award Program grants, but CNCS does not provide all the funds necessary to operate the program. Organizations must raise the additional revenue required to operate the program.

Cost Reimbursement Grants

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR §2521.60 and Pub. L. 113-76, Division H, Title IV, § 402 <https://beta.congress.gov/113/plaws/publ76/PLAW-113publ76.htm>

Section 121(e)(5) of the National and Community Service Act of 1990, as amended, requires programs that use other federal funds as match for an AmeriCorps grant to report the amount and source of these funds to CNCS on a Federal Financial Report. Grantees must track and be prepared to report on that match separately each year and at closeout.

The living allowance or salary provided to AmeriCorps members in Professional Corps programs (see Glossary) does not count toward the matching requirement.

Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations at 45 CFR §2521.60(b). To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants that plan to request an alternative match schedule must submit a request by January 5, 2015. State programs submit requests for alternative match to the State Commission. State Commissions submit on behalf of their state applicants and National Directs submit their requests directly to ACAAlternateMatchScheduleRequests@cns.gov.

D. APPLICATION AND SUBMISSION INFORMATION

1. Address to Request Application Package

Organizations should refer to the CNCS website to obtain the necessary information to apply.

2. Content and Form of Application Submission

What are the steps that organizations need to take to apply?

- Determine whether you apply directly to CNCS or through a State Commission
- Submit a request for an alternative match schedule, if applicable
- Submit a Notice of Intent
- Get a DUNS number
- Establish an eGrants account
- Coordinate with either State Commission or National Direct applicant
- Write a high quality application responsive to the *Notice*
- Provide required supplemental materials via email, if applicable
- Submit the application via eGrants by the deadline

Please note that state applicants that apply to a State Commission may have different deadlines (likely earlier than those listed in this *Notice*), may have additional narrative questions and/or supplemental materials to submit as determined by the State Commission, and may have different directions and/or systems in which to submit their applications.

Coordination among State Commissions and National Direct Applicants

CNCS expects State Commissions and National Direct applicants to consult and coordinate activities at the local level, as specified in Section 131 of the NCSA [42 U.S.C. § 12583]. This consultation is designed to ensure the most effective use of national service resources and lead to enhanced coordination. The list of State and Territory Commissions can be found here:

<http://www.nationalservice.gov/about/contact-us/state-service-commissions>. To ensure coordination:

National Direct applicants, except federally-recognized Indian Tribes, must:

Before application submission:

- Consult with the State/Territory Commission of each state and/or Territory in which the organization knows it will operate and describe this consultation in their applications. Contact the State/Territory Commissions for details about the consultation process. Provide information that connects the proposed activities to the current State/Territory Service plan and/or State logic model.

After Award:

- Provide the State/Territory Commission with contact information for National Direct programs in the state and/or Territory and update these lists on an annual basis.
- Participate in the State/Territory Commission's annual needs assessment and training plan development activities, and in the development of its state/territory service plan, as well as appropriate training and other events.
- Include the State/Territory Commission on the National Direct's mailing list and invite it to appropriate training and other events.

State/Territory Commissions must:

Before application submission:

- Consult in a timely manner with the National Direct applicants, except Indian Tribes, that contact them prior to application submission.

After Award:

- Consider the schedules and needs of National Direct applicants, including Indian Tribes, operating in their states when planning annual events and technical assistance activities.
- Include National Direct programs, including Indian Tribes, in their annual needs assessment and training plan development activities, and in the development of their state/territory service plan.
- Add staff of multi-state programs in their state/territory to their mailing/email distribution list and invite them to appropriate training and other events.

CNCS will solicit State/Territory Commission input on National Direct applicants, except Indian Tribes, proposing to operate in their state/territory. Via egrants, Commissions have the opportunity to select support, do not support, or neutral and provide comments. Participation by State/Territory Commissions in providing this input is strongly encouraged.

How to Submit an Application in eGrants

Applicants must submit their applications electronically via the CNCS web-based system, eGrants.

Because it is a unique system, it is recommended that applicants create an eGrants account and begin the application creation process at least three weeks before the deadline. Applicants should draft the

application as a word document and copy and paste the document into the appropriate eGrants fields no later than 10 days before the deadline. Please note the length of a document in word processing software may be different than what will print out in eGrants.

Contact the National Service Hotline at 800-942-2677 or <https://questions.nationalservice.gov/app/ask> if a problem arises while creating an account or while preparing or submitting an application in eGrants.

National Service Hotline hours are Monday through Thursday 9:00 a.m. to 7:00 p.m. ET. The two Fridays and weekends prior to the application deadline (January 9-11 and 16-19) the Hotline will be open from 10:00 a.m. – 7:00 p.m. ET to assist applicants. If you contact the Hotline, be prepared to provide the application ID, organization name, and the *Notice* to which your organization is applying.

If technical issues prevent an applicant from submitting an application on time, please contact the National Service Hotline prior to the deadline to explain the technical issue and receive a ticket number. If the issue cannot be resolved by the deadline, the applicant must continue working with the National Service Hotline to submit via eGrants.

An application is only complete if it includes all required documentation and is received by the application due date. Incomplete applications will not be considered. All additional required documents should include the applicant organization name and Application ID number at the top of the page and are due by the application deadline at AdditionalDocuments@cns.gov. Emails should include in the Subject line, the applicant organization name and Application ID number. State/territory applicants should check the state or territory's application information to determine the process for submission of documents.

Additional documents may include (if applicable): letter(s) of support for the Governor/Mayor Initiative, evaluation reports, letters from the consortium members for Multi-focused intermediaries, and up to two evaluation briefs, reports, and/or peer reviewed articles if the applicant has a moderate or strong evidence base.

If extenuating circumstances make the use of eGrants impossible, applicants may send a hard copy of the application and include a cover letter detailing the circumstances that make it impossible to submit via eGrants to the address provided in Section IX. Agency Contacts, via overnight carrier. Applicants must use a non-U.S. Postal Service carrier because of security-related delays in receiving mail from the U.S. Postal Service. All deadlines and requirements in this *Notice* apply to hard copy applications. CNCS does not accept applications submitted via fax or email.

Application Fields and Page Limits

In eGrants, applicants will enter text in the following fields

- Executive Summary
- Program Design
- Organizational Capability
- Cost Effectiveness and Budget Adequacy
- Evaluation Plan

Applications may not exceed 15 pages for the Narratives (18 pages for Multi-Focus Intermediaries), including the Executive Summary and SF 424 Facesheet, as the pages print out from eGrants. CNCS strongly encourages applicants to print out the application from the "Review and Submit" page prior to submission to check that the application does not exceed the page limit. This limit does not include the narrative portion of the evaluation plan or the logic model, budget, performance measures, or the supplementary materials, if applicable.

Reviewers will not consider submitted material that is over the page limit in the printed report, even if eGrants allows an applicant to enter and submit text over the limit. Do not submit other items not requested in the *Notice* or Application Instructions. CNCS will not review or return them.

Assessment Criteria

Each applicant must clearly describe a project that will deploy AmeriCorps members effectively to solve a significant community problem. CNCS urges applicants to submit high quality applications that carefully follow the guidance in this *Notice* and in the Application Instructions. The quality of an application will be an important factor in determining whether an organization will receive funding.

Threshold Issues

Applications should reflect that they meet the threshold requirements for the grant type for which they are applying. For example: If an applicant is applying for a Professional Corps grant, its application should demonstrate that the community in which it will place professionals has an inadequate number of said professionals. If an applicant is applying for a Fixed Amount grant, the application should reflect that only full-time or less than full-time positions serving in a full-time capacity will be permitted. An application for the Governor and Mayor Initiative should clearly reflect that the application is from one Governor, one Mayor, and a minimum of two nonprofits. If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: 45 CFR §2522.910-.940), the applicant must clearly describe how the program will meet these requirements.

CNCS will assess an applicant's strategic considerations. Applicants must check the relevant boxes in the Performance Measure tab in eGrants in order to be considered for CNCS' assessment of the strategic considerations. Applicants should only check the boxes if the strategic consideration is an intentional part of their program design and they have implementation strategies described in the application.

Application Fields

A. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary.

The [Name of the organization] proposes to have [Number of] AmeriCorps members who will [what the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage an additional [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing.]

This program will focus on the CNCS focus area(s) of [Focus Area(s)].* The CNCS investment of \$[amount of request] will be matched with \$[amount of projected match], \$[amount of local, state, and federal funds] in public funding and \$[amount of non-governmental funds] in private funding.

*If the program is not operating in a CNCS' focus area, omit this sentence.

Fixed Amount grant applicants should list their leveraged resources (see Glossary) because they are not required to provide a specific amount of match, but still must raise significant additional resources to operate the program. CNCS will post all Executive Summaries of awarded grant applications on www.nationalservice.gov in the interest of transparency and Open Government.

B. Program Design (50 percent)

Reviewers will consider the quality of the application's response to the criteria below. Do not assume all sub-criteria are of equal value.

1. Problem/Need (9 points)

- The applicant clearly describes how the community problem/need will be addressed by the program.
- The applicant clearly describes how the community need/problem is prevalent and severe in communities where members will serve and the need has been well documented with relevant data.

2. Theory of Change and Logic Model (17 points)

- The applicant clearly describes the proposed intervention including the roles of AmeriCorps members and (if applicable) the roles of leveraged volunteers.
- The applicant clearly describes how the intervention is likely to lead to the outcomes identified in the applicant's theory of change.
- The applicant clearly describes how the AmeriCorps members will produce significant and unique contributions to existing efforts to address the stated problem.
- All elements of the logic model are logically aligned.

The logic model shall depict:

- A summary of the community problem outlined in the narrative.
- The inputs or resources that are necessary to deliver the intervention, including:
 - Number of locations or sites in which members will provide services
 - Number of AmeriCorps members that will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - The duration of the intervention (e.g., the total number of weeks, sessions or months of the intervention).
 - The dosage of the intervention (e.g., the number of hours per session or sessions per week.)
 - The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level).
- The measurable outputs that result from delivering the intervention (i.e. number of beneficiaries served.) Identify which National Performance Measures will be used as output indicators.
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention.

The logic model shall be no more than three pages in length.

Programs may include short, medium, or long-term outcomes in the logic model. While performance measure outcomes should be consistent with the program's theory of change, programs are not required to measure all outcomes that are included in the logic model. The Logic Model should identify which National Performance Measures will be used as outcome indicators.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention.

3. Evidence Base (8 points)

Applicants will be awarded up to 8 points for providing evidence that their proposed intervention will lead to the outcomes identified in the theory of change. Applicants shall provide a description of the studies and evaluations conducted that provide evidence that the proposed intervention is effective for the proposed population and community challenge, and should describe how this evidence places them in one of the five evidence levels listed below. Applicants must fully describe how they meet the requirement of that level, using results from studies and evaluations. Applicants are strongly encouraged to describe the

evidence that supports the strongest evidence tier, and all relevant evidence presented must be included in this section. This section must include specific citations of studies and/or evaluation and research reports. Applicants classifying their evidence as Moderate or Strong must submit up to two studies, evaluation reports, briefs, or peer-reviewed articles cited in this section as separate attachments. Studies should be sent to AdditionalDocuments@cns.gov by the application deadline and include in the subject line the application ID and “evaluation studies.”

For each report cited, include the date of the report, a description that shows its relevancy to the proposed program model, the methodology used in the study, and the strength of the findings (e.g. confidence level.)

For current grantees that are required to submit an evaluation report: The evaluation report will be considered as part of the evidence base of the program. Grantees may opt to include that evaluation report as one of the two studies, or submit two separate studies in addition to the evaluation report. In the latter case, all three studies will be reviewed against this criterion.

The five tiered evidence levels are:

No evidence (0 points) means that the applicant has not provided evidence that they have collected any qualitative or quantitative data to date.

Pre-preliminary evidence (1 point) means the applicant presents evidence that it has collected quantitative or qualitative data from program staff, program participants, or beneficiaries that have been used for program improvement, performance measurement reporting, and/or tracking. An example could be gathering feedback from program participants following their receipt of the intervention.

Preliminary evidence (2 points) means the applicant presents an initial evidence base that can support conclusions about the program’s contribution to observed outcomes. The evidence base consists of at least one non-experimental study conducted on the proposed program (or another similar program that uses a comparable intervention). A study that demonstrates improvement in program beneficiaries over time on one or more intended outcomes OR an implementation (process evaluation) study used to learn and improve program operations would constitute preliminary evidence. Examples of research that meet the standards include: 1) outcome studies that track program beneficiaries through a service pipeline and measure beneficiaries’ responses at the end of the program; and 2) pre- and post-test research that determines whether beneficiaries have improved on an intended outcome.

Moderate evidence (4 points) means the applicant presents a reasonably developed evidence base that can support causal conclusions for the specific program proposed by the applicant with moderate confidence. The evidence base consists of one or more quasi-experimental studies conducted on the proposed program (or another similar program that uses a comparable intervention) with positive findings on one or more intended outcomes OR two or more non-experimental studies conducted on the proposed program with positive findings on one or more intended outcomes OR one or more experimental studies of another relevant program that uses a similar intervention. Examples of research that meet the standards include: well-designed and well-implemented quasi-experimental studies that compare outcomes between the group receiving the intervention and a matched comparison group (i.e. a similar population that does not receive the intervention).

Strong evidence (8 points) means the applicant presents an evidence base that can support causal conclusions for the specific program proposed by the applicant with the highest level of confidence. This consists of one or more well-designed and well-implemented experimental studies conducted on the proposed program with positive findings on one or more intended outcomes.

The description of evidence in this section should include as much detailed information as possible. Applicants are advised to focus on presenting high-quality evidence from their strongest studies rather than only cursory descriptions of many studies. Reviewers will examine criteria that may include: a) how closely the program model evaluated in the studies matches the one proposed by the applicant; b) the methodological quality of the studies presented (e.g., statistical power, internal and/or external validity, sample size, etc.); c) the recency of the studies, with a preference towards studies that have been conducted within the last six years; and d) strength of the findings, with preference given to findings that show a large and persistent positive effect on participants demonstrated with confidence levels.

4. Notice Priority (3 points)

- The applicant clearly describes how its proposed program is within one or more of the 2015 AmeriCorps funding priorities as outlined on page 3 and more fully described in the Glossary.
- The applicant clearly describes how the proposed program meets all of the requirements detailed on page 3 and in the Glossary.

5. Member Training (4 points)

- The applicant clearly describes how members will receive high quality training to provide effective service.
- The applicant clearly describes how members and volunteers will be aware of, and will adhere to, the rules including prohibited activities.

6. Member Supervision (3 points)

- The applicant clearly describes how members will receive high quality guidance and support from their supervisor to provide effective service.
- The applicant clearly describes how supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.
- The applicant clearly describes how supervisors will provide members with excellent guidance and support throughout their service.

7. Member Experience (3 points)

- AmeriCorps members will gain skills and experience as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.
- The applicant clearly describes how AmeriCorps members will have access to meaningful service experiences and opportunities for reflection.
- The applicant clearly describes how AmeriCorps members will have opportunities to establish connections with each other and the broader National Service network to build esprit de corps.
- The applicant clearly describes how AmeriCorps members will develop an ethic of and skills for active and productive citizenship and will be encouraged to continue to engage in public and community service after their AmeriCorps term.
- The applicant clearly describes how the program will recruit AmeriCorps members from the communities in which the programs operate.

8. Commitment to AmeriCorps Identification (3 points)

- The applicant clearly describes how members will know they are AmeriCorps members.
- The applicant clearly describes how the staff and community members where the members are serving will know they are AmeriCorps members.
- The applicant clearly describes how AmeriCorps members will be provided with and will wear service gear that prominently displays the AmeriCorps logo daily.

C. Organizational Capability (25 percent)

Reviewers will consider the quality of the application's response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Organizational Background and Staffing (7 points/10 points for new applicants)

- The applicant clearly describes how the organization has the experience, staffing, and management structure to plan and implement the proposed program.
- The applicant clearly describes how the organization has adequate experience administering AmeriCorps grants or other federal grants.
- The applicant clearly describes how the organization has sufficiently engaged community members and partner organizations in planning and implementing its intervention.

As documentation of community support and commitment to the program; please procure, keep on file, but do not submit to CNCS, letter(s) from the applicant's most significant community partner(s). The letter(s) should include what the partner(s) see as the benefit to the community provided by the applicant's AmeriCorps members and what activities would not happen without the AmeriCorps members.

2. Compliance and Accountability (11 points/15 points for new applicants)

- The applicant clearly describes how the applicant's organization, in implementation and management of its AmeriCorps program, will prevent and detect compliance issues.
- The applicant clearly describes how the applicant will hold itself, subgrantees, and service site locations (if applicable) accountable if instances of risk or noncompliance are identified.
- The applicant clearly describes how the organization will comply with AmeriCorps rules and regulations including those related to prohibited and unallowable activities at the grantee, subgrantee, and service site locations (if applicable).

3. Past Performance for Current Grantees and Former Grantees Only (7 points for recompeting applicants and formula Grantees) Any applicant that has received competitive or formula funding for the same project in any of the past three years must address this criteria.

- The applicant clearly describes how it has met performance measurement targets during the last three years of program operations, or, if not, has an adequate corrective action plan in place.
- The applicant clearly describes how it achieved 100% member enrollment, in the most recent full year of program operations, or if not, has an adequate corrective action plan in place.
- The applicant clearly describes how it achieved 100% member retention, in the most recent full year of program operations, or, if not, has an adequate corrective action plan in place.
- The applicant clearly describes any compliance issues or areas of weakness/risk identified during the last three years of program operations (if applicable) and describes an effective corrective action plan that was implemented.

D. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will consider the quality of the application's response to the following criteria below. Do not assume all sub-criteria are of equal value.

1. Cost Effectiveness (18 points)

- The budget is sufficient to carry out the program effectively.
- The budget aligns with the applicant's narrative.
- The program design is cost effective and the benefits justify the cost.
- The applicant has raised or describes an adequate plan to raise non-CNCS resources to fully support the program. This applies to Fixed Amount, EAP, and Cost Reimbursement grants.

- The applicant, if recompeting, has a lower cost per Member Service Year (MSY – see Glossary) than approved in previous grants, or provides a compelling rationale for the same or increased cost including why this increase could not be covered by the grantee share.

Having a low Cost Per Member Service year (MSY) is a competitive advantage. New applicants that submit with a low cost per MSY and recompeting applicants that submit with a lower cost per MSY than previously funded may receive higher priority for funding. Applicants requesting a higher cost per MSY than in previous years must justify their requests. If an applicant requests above the maximum cost per MSY (see Section 5.C.), it must justify its request. Please note that such requests are rarely approved.

2. Budget Adequacy (7 points)

- Budget is submitted without mathematical errors.
- Budget is submitted with adequate information to assess how each line item is calculated.
- Budget is in compliance with the budget instructions.

Applicants must fill out the budget and ensure the following information is in the budget narrative (requested information in the budget screens):

- Identify the non-CNCS funding and resources necessary to support the project.
- Indicate the amount of non-CNCS resource commitments, type of commitments (in-kind and/or cash) and the sources of these commitments.

E. Evaluation Plan (Required for recompeting grantees - 0 percent)

If the applicant is competing for the first time, please enter N/A in the Evaluation Plan field since it pertains only to recompeting grantees. If the applicant is recompeting for AmeriCorps funds for the first time (see definition of “recompeting” below) the program must submit its evaluation plan in the Evaluation Plan field in eGrants. If the applicant is recompeting for a subsequent time, the program must submit its evaluation report via email to AdditionalDocuments@cns.gov by the application deadline, as well as an evaluation plan for the next three-year period in the Evaluation Plan field in eGrants.

Evaluation plans must include the following:

- A description of the theory of change, or why the proposed intervention is expected to produce the proposed results;
- Clear and measurable outcomes that are aligned with the theory of change and will be assessed during the evaluation;
- Concrete research questions (or hypotheses) that are clearly connected to the outcomes;
- A proposed research design for the evaluation;
- Qualifications needed for the evaluator; and
- The estimated budget.

The evaluation requirements differ depending on the amount of the grant, as described in 45 CFR §2522.710:

- If the applicant is are a State/Territory subgrantee and/or National Direct Grantee (other than an Education Award Program grantee), and its average annual CNCS program grant is \$500,000 or more, it must arrange for an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in §2522.730 of this subpart.
- If the applicant is are a State/Territory subgrantee and/or National Direct Grantee whose average annual CNCS program grant is less than \$500,000, or an Education Award Program Grantee, it must conduct an internal or an external evaluation of the program, and it must submit the evaluation with any subsequent application to CNCS for competitive funds as required in §2522.730 of this subpart.

A program will be considered a recompeting application if it satisfies the CNCS definition of “same project” (see Glossary) and has been funded competitively for at least one complete three-year cycle. If the project satisfies the definition of same project and the applicant has completed one three-year cycle, it will be required to submit an evaluation plan. If the project satisfied the definition of same project and the applicant has completed two or more three-year cycles, the applicant will be required to submit an evaluation report as well as an evaluation plan. If the project does not satisfy the definition of recompeting, it will not be required to submit an evaluation plan, summary, or completed evaluation.

The Evaluation Plan field of eGrants does not count towards the page limit of the application; however, it does have a set character limit. Applicants should print out the report to ensure the narrative is not cut off.

State/Territory subgrantees and/or National Direct Grantees with an average annual CNCS program grant of \$500,000 or more that are recompeting for funds are eligible to apply for approval of an alternative evaluation approach. Grantees requesting approval of an alternative evaluation approach should submit a request for approval of an alternative evaluation approach along with their evaluation plan in the Evaluation Summary or Plan field in eGrants. The request should clearly explain: (a) the evaluation constraints faced by the program, (b) why the proposed approach is the most rigorous option feasible, and (c) how the proposed alternative approach will help the grantee build their evidence base. Evaluation plans should include, at a minimum, the required elements listed in this Notice. The evaluation plan must be consistent with the information submitted in the competitive funding application and in the request for approval of an alternative evaluation approach. More information on alternative evaluation approaches can be found at:

https://www.nationalservicerresources.gov/files/guidance_for_grantees_approval_of_alternative_evaluation_approach.pdf.

F. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

G. Clarification Information (0 percent)

Enter N/A. This field will be used to enter information that requires clarification in the post-review period.

H. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

3. Dun and Bradstreet University Numbering System (DUNS) Number and System for Award Management (SAM)

Applications must include a DUNS number and an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. DUNS numbers may be obtained at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online:

<http://fedgov.dnb.com/webform>. The website indicates a 48-hour e-mail turnaround time on requests for DUNS numbers; however, CNCS suggests registering at least 30 days in advance of the application due date. After obtaining a DUNS number, all applicants must be registered with the Systems for Award Management (SAM) at <https://www.sam.gov/portal/public/SAM/>.

SAM collects, validates, stores, and disseminates data in support of Federal agency contracts, grant awards, cooperative agreements, and other forms of federal assistance. All grant recipients are required to maintain a valid SAM registration, which must be renewed annually. Applicants that are not already registered with SAM are urged to begin the registration process immediately in order to avoid any delays in submitting applications. Applicants must have a DUNS number in order to register with SAM. To register online go to <https://www.sam.gov/portal/pulbic/SAM/>.

4. Submission Dates and Times

Notice of Intent to Apply

Submission of a Notice of Intent to Apply is required to be eligible for this competition and is due **Wednesday, December 10, 2014 at 5:00 p.m. Eastern Time**. Please send the intent by using this link: <https://www.surveymonkey.com/s/CNCSIntentToApply2015AmeriCorps>. State/Territory applicants should not provide this information directly to CNCS, but rather to the Commission in the state and/or Territory in which the applicant intends to operate. The State/Territory Commissions' deadlines are earlier than this deadline.

National Direct Applicants: The Notice of Intent to Apply must include contact information (name of the applicant organization, address, contact person, email address, and phone number) and the focus area(s) the anticipated application will address.

State/Territory Commissions: The Notice of Intent to Apply submitted by each Commission must include an estimate of the number of applications planned for submission by focus area. The number of full applications submitted cannot exceed the estimate provided in the Intent to Apply.

CNCS will not consider notifications received after the deadline. Failure to submit a Notice of Intent to Apply will render an applicant ineligible to apply. All Notices of Intent to Apply will receive an email response acknowledging receipt.

Continuation grantees that are only submitting continuation applications should not submit a Notice of Intent to Apply nor should State/Territory Commissions include them in their estimate of anticipated applications.

Application Submission Deadline

Applications are **due Wednesday, January 21, 2015 at 5:00 p.m. Eastern Time** to CNCS. State Commissions and Territory deadlines may be significantly before the CNCS deadlines, so prospective state applicants are encouraged to check with the Commission in the state or territory where they intend to apply as soon as possible.

CNCS will not consider applications received after the deadline, except when noted below. CNCS reserves the right to extend the submission deadline and any notice of such extended deadline will be posted. This deadline applies to new, re-competing, and continuation applicants.

Late Applications

CNCS may, at its discretion, consider an application received after the deadline, but only if the applicant submits a letter to LateApplications@cns.gov explaining the extenuating circumstance that caused the delay. Communication with CNCS staff, including the program officer of a current grantee, is not a substitution for the above protocol. The letter must be received no later than one business day after the application deadline. If the applicant experiences technical difficulties with eGrants that are unresolved, the correspondence must include the National Service Hotline ticket number. CNCS determines whether or not to accept a late application for review on a case-by-case basis.

If extenuating circumstances make the use of eGrants impossible, applicants may send a hard copy of the application and include a cover letter detailing the circumstances that make it impossible to submit via eGrants to the address provided in Section G. Agency Contacts, via overnight carrier. Applicants must use a non-U.S. Postal Service carrier because of security-related delays in receiving mail from the U.S. Postal Service. All deadlines and requirements in this *Notice* apply to hard copy applications. CNCS does not accept applications submitted via fax or email.

5. Funding Restrictions

A. Types of Grants

AmeriCorps grants can be awarded on a cost reimbursement or fixed amount basis. CNCS will not provide both types of grants for the same project in one fiscal year. See Glossary.

General Summary

| Grant Types | Cost Reimbursement | | Fixed Amount | | |
|---|--------------------|--|--|-------|--|
| | Traditional | Professional Corps | Full-Time/Less than FT serving in a full time capacity | EAP | Professional Corps |
| Maximum Cost per MSY | \$13,730 | Up to \$1,000* | \$13,430 | \$800 | Up to \$1,000* |
| Type of Slots in the National Service Trust | All | All | Full-Time or Less than Full-Time serving in a full time capacity Only | All | Full-Time Only |
| Budget Submission Required | Yes | | No | | Yes, if requesting operating funds |
| Availability of Funds linked to enrollment and retention of awarded MSY | No | | Yes | | |
| Special Requirements | N/A | Must place qualified professionals in communities with an inadequate number of such professionals. Member salaries must be paid entirely by organization where member serves and not included in the budget. | N/A | N/A | Must place qualified professionals in communities with an inadequate number of such professionals. No CNCS funds may be used to pay member living allowance or salary. |
| Match Requirements | Yes | Yes; Living allowance or salary paid to members may not be counted toward the match requirement. | No, but organizations must raise the additional revenue required to operate the program. | | |
| Financial Tracking Requirements | Yes | | No | | |
| Available to New Applicants | Yes | | No | Yes | Yes |

*CNCS' assumption is that Professional Corps will be covering the operating expenses associated with the AmeriCorps program through non CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non CNCS resources.

B. Member Living Allowance

The proposed budget must include a living allowance for full-time members that is between \$12,530 (minimum) and \$25,060 (maximum) per member except as noted below. A living allowance is not considered a salary or a wage.

Cost reimbursement programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in Table 1 below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either CNCS or grantee share. (EXCEPTION: as noted in Section B.1. and B.3.)

While Fixed Amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance that complies with the minimum and maximum requirements to members (EXCEPTION: as noted in section B.2. and B.3.) Most Fixed Amount grant applicants are not required to indicate that amount in the application and should request those positions as “without living allowance” in the budget.

Table 1: Minimum and Maximum Living Allowance

| Service Term | Minimum # of Hours | Minimum Living Allowance | Maximum Total Living Allowance |
|---------------------|---------------------------|---------------------------------|---------------------------------------|
| Full-time | 1700 | \$12,530 | \$25,060 |
| One-year Half-time | 900 | n/a | \$13,265 |
| Reduced Half-time | 675 | n/a | \$9,950 |
| Quarter-time | 450 | n/a | \$6,635 |
| Minimum-time | 300 | n/a | \$4,420 |

1. Exceptions to the Living Allowance Requirements (for programs existing prior to September 21, 1993)

If a program existed prior to September 21, 1993, a living allowance is not required. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement of \$12,530, but not the maximum requirement of \$25,060.

2. EAP Grantees are not required to provide a living allowance, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance Table above.

3. Professional Corps Grantees must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries are paid entirely by the organizations with which the members serve, and are not included in the budget. School Turnaround AmeriCorps Continuation EAPs may exceed the maximum living allowance consistent with their existing grant terms.

C. Maximum Cost per Member Service Year (MSY)

Maximum Costs per MSY are set forth in Table 2 below. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested. It does not include child care or the value of the education award a member may earn. The maximum amount an applicant may request from CNCS per MSY is determined on an annual basis.

New and re-competing State Commission sub-grantees/applicants will be held to the maximum cost per MSY for their grant type.

Table 2: 2015 Maximum Cost per MSY

| Grant Program | Maximum |
|---|----------------|
| Individual Competitive State/Territory Program (cost reimbursement) | \$13,730 |
| Multi-state (cost reimbursement) | \$13,730 |
| Professional Corps Grant (Cost Reimbursement) | Up to \$1,000* |
| Professional Corps Fixed Amount Grant | Up to \$1,000* |
| Education Award Program Fixed Amount Grant | \$800 |
| Fulltime Fixed Amount Grant | \$13,430 |
| State/Territory Commission Formula Prime | \$18,000 |
| Individual State/Territory Formula Program | \$20,000 |
| State/Territory Commission Average (of all its subgrants) | \$13,730 |

*CNCS' assumption is that Professional Corps will be covering the operating expenses associated with the AmeriCorps program through non CNCS funds and thus will not be requesting operating funds as part of their applications. CNCS will consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate in its narrative and supporting budget materials significant organizational financial need and substantial challenges to raising non CNCS resources.

Programs operating in rural communities (as defined in the Glossary) and programs that recruit opportunity youth as AmeriCorps members may request up to \$13,930 cost per MSY for the AmeriCorps members that will be serving in rural areas or who are opportunity youth. The applicant must include a compelling case as to why the applicant's cost per MSY must be higher.

D. Amount of the Segal AmeriCorps Education Award for FY 2015

AmeriCorps members serving in programs funded with FY 2015 dollars who successfully complete a term of service will receive an Education Award from the National Service Trust of \$5,730 for a year of full-time service, with correspondingly smaller awards for less than full-time service. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven years after his or her term of service to use the Education Award.

Table 3: Term of Service and FY15 Education Award

| Term of Service | Minimum # of Hours | FY15 Education Award |
|------------------------|---------------------------|-----------------------------|
| Full Time | 1700 | \$5,730.00 |
| One-Year Half Time | 900 | \$2,865.00 |
| Reduced Half Time | 675 | \$2,182.78 |
| Quarter Time | 450 | \$1,515.55 |
| Minimum Time | 300 | \$1,212.44 |

E. APPLICATION REVIEW INFORMATION

1. Criteria

The assessment of applications involves a wide range of factors and considerations. CNCS will engage external reviewers to provide insight and input with respect to eligible applications. In addition, CNCS staff will apply their experience and expertise in evaluating applications. In the end, the review and selection process will produce a diversified set of high-quality programs that represent the priorities and selection factors described in this *Notice*.

Specifically, the review and selection process will:

A. Identify eligible applications that satisfy the following considerations:

- High alignment with narrative assessment criteria
- High alignment with priorities outlined in the *Notice*, including priority-specific requirements as detailed in the Glossary
- Relative risk and opportunity

B. Consider:

- State/Territory Commission rank and recommendations on state applicants
- State/Territory Commission input on National Direct applications, except federally-recognized Indian Tribes

C. Yield a diversified portfolio based on the following strategic considerations:

- Meaningful representation of
 - Geographic diversity
 - Rural communities (see definition in Glossary)
 - Small and medium programs
 - Single and multi-state programs
 - Faith- and community-based organizations
- Focus area representation
- Organizations and/or program models that recruit and engage traditionally underrepresented populations as AmeriCorps members and expand opportunities to serve as AmeriCorps members

2. Review and Selection Process

A. Compliance Review

CNCS staff will review all applications submitted to CNCS to determine compliance with eligibility, deadline, and completeness requirements. In order to be compliant and advance to External Review, an applicant must satisfy all the following requirements:

- Submit a Notice of Intent to Apply by the deadline.
- Submit an application and all required additional documents by the application submission deadline.
- Submit an application that is complete, in that it contains all required elements and additional documents and follows the instructions provided in this *Notice*.

B. External Review

Each application will be reviewed by external reviewers. External reviewers will assess applications based on the Program Design and Past Performance criteria. External reviewers will be recruited and selected on the basis of demonstrated knowledge of AmeriCorps programming, and/or the selection criteria and focus areas. All external reviewers will be screened for conflicts of interest.

C. Post Review Quality Control (Quality Control)

After the external reviewers complete their assessment, staff will review the results for fairness and consistency. Some applications may be selected for a Quality Control assessment and review. This additional level of review may be used to assess:

- Applications ranked first by a State/Territory Commission that received low scores in External Review.
- Applications for which there were significant panel anomalies.
- Applications submitted by high-performing current grantees that received a low score in External Review.

D. Selection of Applications for Internal Review

Applications will advance to Internal Review based on the results of the External Review and Quality Control, as well as consideration of the priorities and the strategic considerations outlined in the *Notice*. Those applications that do not advance to Internal Review will not be recommended for funding.

E. Internal Review

CNCS staff will assess the entire application. Some applicants may receive requests to provide clarifying information and/or make changes to their application including changes to the budget. This information is used by CNCS staff in making final recommendations. Applications may be recommended for funding even if they are not asked clarification questions. A request for clarification does not guarantee a grant award. Failure to respond to requests for additional information in a timely fashion will result in the removal of applications from consideration.

CNCS staff will determine which applications to recommend for selection based on their assessment of the applicants that move from External Review and Quality Control into Internal Review, and Clarification in light of the *Notice*'s priorities and strategic considerations.

F. Risk Assessment Evaluation

CNCS staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant's ability to manage federal funds. This evaluation is in addition to the evaluation of the applicant's eligibility for funding or the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If CNCS determines that an award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award. In evaluating risks, CNCS may consider the following:

- Financial stability;
- Quality of financial management systems and ability to meet the administrative standards prescribed in applicable OMB Guidance;
- History of performance as reflected in the applicant's record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
 - Timeliness of compliance with applicable reporting requirements, and
 - If applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- Information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as—
 - Federal Awardee Performance and Integrity Information System (FAPIIS),
 - Dun and Bradstreet, or
 - "Do Not Pay";
- Reports and findings from single audits performed under OMB Circular A-133 and findings of any other available audits;
- IRS Tax Form 990;
- An applicant organization's annual report;
- Publicly available information including information from an applicant organization's website; and
- The applicant's ability to effectively implement statutory, regulatory, or other requirements.

G. Selection for Funding

With the goal of a diversified portfolio based on the *Notice* priorities and strategic considerations, the staff will a recommended portfolio for consideration by the Chief Executive Officer (CEO.) The CEO will select the final portfolio from the applicants that advanced to Internal Review.

H. Feedback to Applicants

Following grant awards, each applicant will receive the results of External and, if applicable, Internal Review pertaining to their application. Feedback will be based on the review of the original application

and will not reflect any information that may have been provided in response to clarification questions, if any.

CNCS is committed to transparency in grantmaking. The following information pertaining to this competition for new and re-competing applications will be published on the CNCS website (<http://www.nationalservice.gov/about/open-government-initiative/transparency/results-grants-competition>), within 90 business days after all grants are awarded:

- A blank template of the external review form.
- A list of all compliant applications submitted.
- Executive summaries of all compliant applications submitted by the applicants as part of the application.
- Data extracted from the Standard Form 424 Face Sheet (SF424) and Program Narrative submitted by applicants for successful applications.
- Summaries of external reviewers' comments for successful applications.
- A list of external reviewers who completed the review process.

3. Anticipated Announcement and Federal Award Dates

CNCS will award grants following the grant selection announcement. We anticipate announcing the results of this competition depending on the availability of appropriations. CNCS expects that successful State and Territory Commissions and National Directs will be notified **no later than May 8, 2015**, contingent on timely full year appropriations.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

1. Federal Award Notices

Applicants will be notified via email as to funding decisions. This notification is not an authorization to begin grant activities. The Notice of Grant Award signed by the grant officer is the authorizing document for grant activities.

2. Administrative and National Policy Requirements

Documents that Govern the Grant

The Notice of Grant Award incorporates the approved application as part of a binding commitment under the grant as well as the AmeriCorps regulations and grant provisions.

Uniform Administrative Requirements, Cost Principles, and Audit Requirements, Cost Principles, and Audit Requirements for Federal Awards

Grants under this program are subject to 2 CFR 200 and CNCS regulations issued to implement the part. This final guidance, published on Dec. 26, 2013, supersedes and streamlines requirements from OMB Circulars A-21, A-87, A-110, and A-122 (which have been placed in OMB guidances); Circulars A-89, A-102, and A-133; and the guidance in Circular A-50 on Single Audit Act follow-up.

Use of Material

To ensure that materials generated with CNCS funding are available to the public and readily accessible to grantees and non-grantees, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so. 45 CFR § 2543.36; 2541.30

3. Reporting

Cost reimbursement grantees are required to provide mid-year and end of year progress reports, semi-annual financial reports, and an internal or external evaluation report as required by the AmeriCorps regulations §§2522.500-2522.540 and §§2522.700-2522.740.

Fixed Amount grantees are required to provide mid-year and end of year progress reports and an internal or external evaluation report. All grantees, including Fixed Amount grantees, submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

If you receive an award directly from CNCS, you will be required to report at www.FSRS.gov on all subawards over \$25,000 and may be required to report on executive compensation for your organization and for your subgrantees. You must have the necessary systems in place to collect and report this information. See 2 CFR. Part 170 for more information and to determine how these requirements apply.

While applications will not be evaluated on these criteria, grantees will be expected to have data collection and data management policies and practices that provide reasonable assurance that they are providing CNCS with high quality performance measure data. At a minimum, grantees should have policies and practices which address the following five aspects of data quality:

- The data measures what it intends to measure;
- The grantee collects data in a consistent manner;
- The grantee takes steps to correct data errors;
- The grantee ensures that the data reported is complete; and
- The grantee actively reviews data prior to submission.

Progress Report Data

In addition to semi-annual reporting outcomes and progress toward the grant approved performance measures, additional data must be reported annually (as applicable).

Re-Focusing of Funding

CNCS reserves the right to re-focus funding in the event of disaster or other compelling need for service.
