Comments submitted in response to
this notice will be summarized and/or
included in the request for OMB
approval. Comments are invited on: (a)
Whether the collection of information is
necessary for the proper performance of
the functions of the agency, including
whether the information shall have
practical utility; (b) the accuracy of the
agency’s estimate of the burden of the
collection of information; (c) ways to
enhance the quality, utility, and clarity
of the information to be collected; (d)
ways to minimize the burden of the
collection of information on
respondents, including through the use
of automated collection techniques or
other forms of information technology;
and (e) estimates of capital or start-up
costs and costs of operation,
maintenance, and purchase of services
to provide information. Burden means
the total time, effort, or financial
resources expended by persons to
generate, maintain, retain, disclose or
provide information to or for a Federal
doj.gov. This includes the time needed
to review instructions; to develop,
acquire, install and utilize technology
and systems for the purpose of
acquiring, installing and utilizing
technology and systems for the purpose
of collecting, validating and verifying
information, processing and
maintaining information, and disclosing
and providing information; to train
personnel and to be able to respond to
a collection of information, to search
data sources, to complete and review
the collection of information; and to
transmit or otherwise disclose the
information. All written comments will
be available for public inspection on
regulations.gov.

main components of NCCC:
1. The impact of NCCC on developing
leaders
2. The impact of NCCC on strengthening
communities
3. Retention at the different phases of
the program, from application to
completion

The studies will investigate:

(a) The impact of NCCC on developing
leaders:
1. The extent that NCCC has
impacted the development of
leaders.
2. The extent that NCCC has
paid back the investment
in leaders.
3. The extent that NCCC has
improved the skills of
leaders.
(b) The impact of NCCC on
strengthening communities:
1. The extent that NCCC has
strengthened communities.
2. The extent that NCCC has
paid back the investment
in communities.
3. The extent that NCCC has
improved the conditions
of communities.
(c) Retention at the different phases of
the program, from application to
completion:
1. The extent that NCCC has
improved the retention rates
by phase of the program.
2. The extent that NCCC has
improved the retention rates
by demographic.
3. The extent that NCCC has
improved the retention rates
by program.
