advisory committee’s report before finally setting or adjusting the fees. Further, Congress requires the USPTO to publish its proposed fees and supporting rationale in the Federal Register and give the public not less than 45 days in which to submit comments on the proposed change in fees. Finally, Congress requires the USPTO to publish its final rule setting or adjusting fees also in the Federal Register.

Presently, the USPTO is planning to exercise its fee-setting authority to set or adjust trademark fees. The USPTO will publish a proposed trademark fee schedule and related supplementary information for public viewing on or about September 9, 2019, on the USPTO internet website (address: www.uspto.gov/about-us/performance-and-planning/fee-setting-and-adjusting). In turn, the TPAC will hold a public hearing about the proposed trademark fee schedule on the date indicated herein. The USPTO will assist the TPAC in holding the hearing by providing resources to organize the hearing and by notifying the public about the hearing, such as through this notice.

Following the TPAC public hearing, the USPTO will publish a Notice of Proposed Rulemaking in the Federal Register, setting forth its proposed trademark fees. The publication of that Notice will open a comment window through which the public may provide written comments directly to the USPTO. Additional information about public comment to the USPTO will be provided in the USPTO’s Notice of Proposed Rulemaking.

Requests To Present Oral Testimony

Interested members of the public are invited to testify at the TPAC hearing about the proposed trademark fees. Requests to testify should indicate the following: (1) The name of the person wishing to testify; (2) the person’s contact information (telephone number and email address); (3) the organization(s) the person represents, if any; and (4) an indication of the amount of time needed for the testimony. Requests to testify must be submitted by email to Anastasia Johnson at anastasia.johnson@uspto.gov. Based upon the requests received, an agenda for witness testimony will be sent to testifying requesters and posted on the USPTO internet website (address: www.uspto.gov/about-us/performance-and-planning/fee-setting-and-adjusting). If time permits, the TPAC may permit unscheduled testimony as well.

OMB Control Number: 3045–0180.
Type of Review: Renewal.
Respondents/Affected Public: Nonprofit Organizations.
Total Estimated Number of Annual Responses: 70.
Total Estimated Number of Annual Burden Hours: 1,400.

Abstract: This information collection seeks feedback on CNCS’s Day of Service Application Instructions for future Day of Service grant competitions after the expiration of the current Application Instructions. CNCS also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on December 31, 2019.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on regulations.gov.
