FULL TEXT OF THE NOTICE

A. PROGRAM DESCRIPTION

1. Purpose of Day of Service Funding
The mission of CNCS is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. Through AmeriCorps, Senior Corps, and the Volunteer Generation Fund, CNCS has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

The Day of Service grant competition includes funding for both September 11th Day of Service and Remembrance (September 11th) and Martin Luther King Jr. Day of Service (MLK). Applicant organizations may apply for either September 11th, MLK, or both. Applicants must submit a separate application for each Day of Service. Applicants may not submit more than one application for each Day of Service.

The purpose of the September 11th grant funding is to mobilize more Americans to engage in service and remembrance activities that meet community needs and honor the sacrifice of those who lost their lives or family members on September 11, 2001, or who rose in service because of that tragedy.

The purpose of the MLK grant funding is to mobilize more Americans to observe the Martin Luther King Jr. federal holiday as a day of service in communities, to encourage those who serve on this holiday to make a long-term commitment to community service, and to bring people together to focus on service to others.
2. Funding Priorities

CNCS is looking for applications that feature major activities occurring on September 11th or MLK Day in 2021 as applicable or within approximately one week of the actual Day, and engage a significant number of volunteers. In order to carry out Congress’s intent and to maximize the impact of investment in national service, this Day of Service Notice prioritizes grant funding in distinct areas for September 11th and MLK.

For September 11th, CNCS will give priority consideration to applications that include a central focus on:
- engaging and supporting Veterans and Military Families in September 11th National Day of Service and Remembrance activities
- developing educational materials, educating and engaging youth in service to honor September 11th National Day of Service and Remembrance
- training volunteers who make a commitment for future service
- preparing communities for disasters.

For MLK, CNCS will give priority consideration to applications that include a central focus on:
- providing support and/or facilitating access to services and resources for economically disadvantaged people
- training volunteers who make a commitment for future service.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes, and must include a high-quality program design.

Please note that priority consideration does not guarantee funding.

3. Performance Measures

All recipients will be required to provide data on the following indicators in annual Progress Reports:

- Number of volunteers recruited, trained, and committed to one or more future service activities
- Number of organizations engaged and committed to one or more future service activities that honor and reflect MLK or September 11th.

Additionally, recipients must report values for all indicators that are relevant to the activities described in the approved grant application in annual progress reports. CNCS expects the reported values to be reasonably ambitious and to correspond to the activities proposed by the recipient in the application.

4. Program Authority

Awards under this Notice are authorized by statute. For September 11th, Section 198(k) of the National and Community Service Act, (42 U.S.C. § 12653(k)). For MLK, Section 198(i) of the National and Community Service Act, (42 U.S.C. § 12653(i)).
B. FEDERAL AWARD INFORMATION

1. Estimated Available Funds
CNCS anticipates approximately **$3,200,000** for Day of Service awards. The actual level of funding is subject to the availability of annual appropriations. CNCS may prioritize continuations over new and recompete applications.

2. Estimated Award Amount
Award amounts will vary, as determined by the scope of the projects. CNCS encourages funding requests in the range of $20,000 to $200,000, but there is no minimum or maximum amount under this Notice. CNCS reserves the right to fund requests, in full or part, and may fund either MLK or September 11th applications, or may fund both MLK and September 11th applications from individual applicants. Specifics will be resolved through the clarification process as applicable.

3. Project Period
CNCS anticipates making three-year grant awards. CNCS generally makes an initial award for the first year of operation, based on a one-year project period. Continuation awards for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

4. Type of Award
Day of Service grants will be awarded on a cost reimbursement basis. This Notice allows applicants to act as pass-through entities, subgranting organizations, partnership coordinators, or as the sole entity implementing Day of Service activities.

Pass-through entities must select subrecipients on a competitive basis through a subgrant. Acting as a pass-through entity (subawarding) is not required. Pass-through applicants should clearly describe their plan for subawarding in their application narrative.

Subawards are to be made in annual amounts of $1,000 or more per year. CNCS encourages Day of Service grant recipients that intend to award larger subawards, to do so to subrecipients that show higher levels of impact and effectiveness.

Recipients should provide sufficient public notice of the availability of Day of Service subawards to organizations within their network and out of their network community. Pass-through entities and subgranting organizations will ensure that the following information is available to all potential applicants:

- the types of organizations that are eligible for funding
- how to obtain and submit an application to the subawarding organization (subapplicants should apply to the Day of Service recipient and not to CNCS)
- the criteria (including appropriate subcriteria) that will be considered in reviewing applications
- any relative percentages, weights, or other means that will be used to distinguish applications
- reporting requirements of subrecipients.
Applicants may also apply to this Notice with a partner organization(s) and a partnership plan. Partners must be named in the application in the Organizational Capability narrative section at the time the application is submitted to CNCS, and the partnership plan should clearly identify how the partnership is structured to carry out the project and grant requirements.

C. ELIGIBILITY INFORMATION

1. Eligible Applicants
The following non-federal entities (as defined in 2 CFR §200.69) are eligible to apply:
- Indian tribes (2 CFR §200.54)
- institutions of higher education (2 CFR §200.55)
- local governments (2 CFR §200.64)
- nonprofit organizations (2 CFR §200.70)
- states (2 CFR §200.90),

In addition to Indian tribes as defined in 2 CFR 200.54, tribal organizations that are controlled, sanctioned, or chartered by federally recognized Indian tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian tribes, the organization must provide copies of, or links to, documentation which demonstrates that the organization is controlled or chartered by a federally recognized Indian tribe. If an entity applies as an organization sanctioned by a federally recognized tribe, or multiple specific federally recognized tribes, it must submit a sanctioning resolution, adopted by the Tribal Council (or comparable tribal governing body) of each Indian tribe. The resolution(s) must identify the entity applying for a CNCS award by name as a tribal organization that is sanctioned, the Indian tribe(s) for the purpose of applying for CNCS funding (or federal grant funds generally).

New Applicants
CNCS encourages organizations that have not received prior funding from CNCS to apply.

2. Cost Sharing or Matching
For MLK projects only, federal grant funds requested may not exceed 30 percent of the total program budget. Applicants are required to match funds equal to 70 percent of the total program budget. The applicant’s match can be cash and/or in-kind contributions matching funds. See section D.6. Funding Restrictions for more information.

For example, if an MLK applicant requests $60,000 in federal grant funds, then the applicant is required to provide $140,000 in matching funds for a total program budget of $200,000.

For September 11th, there is no requirement that the grant applicant provide matching funds.

3. Other Eligibility Requirements
Activities that are prohibited under CNCS’s statutes, regulations, or the terms and conditions will not be selected to receive CNCS funding.
Note that under appropriations provisions annually enacted by Congress, if CNCS is aware that any corporation has any unpaid federal tax liability—

- that has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability—

that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation which a federal agency has considered for suspension or debarment and has made a determination that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the Internal Revenue Code of 1986, 26 U.S.C. 501 (c)(4) that engages in lobbying activities is not eligible to apply for CNCS funding.

2. Content and Form of Application Submission

a. Application Content

Complete applications must include the following elements:

- Narrative Sections:
  - Executive Summary: This is a brief description of the proposed program.
  - Program Design
  - Organizational Capability
  - Cost-Effectiveness & Budget Adequacy
- Standard Form 424A Budget

b. Page Limits

Applications may not exceed ten double-spaced pages as the pages print out from eGrants. The application sections that count towards the page limit are the:

- SF-424 Face Sheet
- Executive Summary
- Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.
The application page limit does not include the Budget, Performance Measures, or any required additional documents.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. **CNCS strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

CNCS will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

### 3. Dun and Bradstreet Universal Numbering System (DUNS) and System for Award Management (SAM)

Applications must include a DUNS number and an Employer Identification Number. The DUNS number does not replace an Employer Identification Number. Applicants can obtain a DUNS number at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online at the [DUNS Request Service](https://www.duns.number). CNCS recommends registering at least 30 days before the application due date.

After obtaining a DUNS number, all applicants **must** register with the System for Award Management (SAM) at [https://www.sam.gov/SAM/](https://www.sam.gov/SAM/) and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. Please note SAM.gov has a new login process. Please go to the General Services Administration (GSA) [SAM Update](https://www.sam.gov/SAM/) page for more information:

SAM registration must be renewed annually. CNCS suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and address on all grant applications to CNCS.**

### 4. Submission Dates and Times

#### a. Application Submission Deadline

Applications are due **March 25, 2020 by 5:00 p.m. Eastern Time.**

CNCS will not consider applications submitted after the deadline, except as noted in Section **D.4.c. Late Applications.** CNCS reserves the right to extend the submission deadline. CNCS will post a notification in the event of an extended deadline on CNCS’s website.
b. Additional Documents Deadline
Additional documents are due by the application submission deadline. See Sections D.4.a. Application Submission Deadline and D.7.b. Submission of Additional Documents for more information.

c. Late Applications
All applications received after the submission deadline published in this Notice are presumed to be non-compliant. In order to provide administrative relief to applicants affected by the loss of operational capacity and increased costs due to the COVID-19 crisis, these applicants will overcome the presumption of non-compliance due to lateness if they:

- submit their application by Wednesday, April 1, 2020, by 5:00 p.m. Eastern Time in eGrants AND
- submit to LateApplications@cns.gov in no more than 200 words a compelling written explanation or justification of the extenuating circumstance(s) that caused the delay, including a description of the loss of operational capacity and increased costs due to the COVID-19 crisis.

Applicants submitted late for other reasons than the above are also presumed to be non-compliant. To overcome this presumption, the applicant must:

- submit a written explanation or justification of the extenuating circumstance(s) that caused the delay, including:
  - the timing and specific cause(s) of the delay
  - the ticket number if a request for assistance was submitted to the National Service Hotline
  - any information provided to the applicant by the National Service Hotline
  - any other documentation or evidence that supports the justification
- ensure that CNCS receives the written explanation or justification and any other evidence that substantiates the claimed extenuating circumstance(s), via email to LateApplications@cns.gov no later than 24 hours after the application deadline stated in the Notice.

Communication with CNCS staff, including an applicant’s program officer/portfolio manager, is not a substitute for a written explanation or justification of the extenuating circumstance that caused the delay as outlined above. Applicants are required to continue working in eGrants, CNCS’s web-based application system and with the National Service Hotline to submit the application. CNCS will determine whether or not to accept a late application on a case-by-case basis.

Applicants that do not meet the application submission deadline, and do not submit a written explanation or justification or any other evidence to overcome the presumption of non-compliance within the published timeframe, will not be reviewed or selected for award.

Please note: CNCS will not consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.
5. Intergovernmental Review
This Notice is not subject to Executive Order 12372, “Intergovernmental Review of Federal Programs.”

6. Funding Restrictions
a. Award Funding Requirements
MLK awards under this Notice are subject to cost share or matching requirements. For MLK, the amount of federal funding provided under awards will be limited to 30 percent of the total allowable costs for the funded activity, as determined under 2 CFR Part 200, Subpart E-Cost Principles.

There are no cost share or matching requirements for September 11th awards.
There are also limitations on the use of federal funds to recover indirect costs. As provided in 2 CFR 200.306(c), unrecovered indirect costs may be included as part of an applicant’s cost sharing or matching requirements.

Applicants who will be pass-through entities must include in their subawards terms and conditions that will ensure that the pass-through entity’s award under this Notice will comply with the cost share and matching requirements. See 2 CFR 200.331(a)(2)-(4) and 2 CFR 200.74.

b. Indirect Costs
Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a federally-approved indirect cost rate, a 10 percent de minimis rate of modified total direct costs, or may claim certain costs directly, as outlined in 2 CFR § 200.413. States, local governments, and Indian tribes may use previously-approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent de minimis rate must enter that information in the Organization section in eGrants.

The instructions for how to enter the organization’s indirect cost rate can be located here: eGrants Indirect Cost Rate User Instructions.

Please note: If CNCS serves as the cognizant agency, the applicant must file a request. To file a request, send an email to IndirectCostRate@cns.gov.

c. Pre-Award Costs
Pre-award costs, where authorized, are allowed after receiving written approval from the Office of Grant Administration.

7. Other Submission Requirements

a. Electronic Application Submission in eGrants
Applicants must submit applications electronically via eGrants, CNCS’s web-based application system. CNCS recommends that applicants create an eGrants account and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word
document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

The applicant’s authorized representative must be the person who submits the application. The authorized representative must use their own eGrants account to sign and submit the application. A copy of the governing body’s authorization for this official representative to sign must be on file in the applicant’s office.

Applicants should contact the National Service Hotline at (800) 942-2677 or via eGrants Questions if they have a problem when they create an account, prepare, or submit the application. National Service Hotline hours are
- Mon - Fri, 9 am – 7 pm ET (Jan)
- Mon - Thu, 9 am – 7 pm ET (Feb and Mar).

Be prepared to provide the application ID, organization’s name, and the competition to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the National Service Hotline to submit via eGrants.

If circumstances make it impossible for an applicant to submit in eGrants, applicants may send a paper copy of the application via overnight carrier below. Applicants must include a written explanation and any other documentation or evidence that support their inability to submit their application electronically.

Corporation for National and Community Service  
ATTN: Office of Grant Administration (OGA)/Day of Service Application  
250 E Street, SW, Suite 300

Please use a non-U.S. Postal Service carrier to avoid security-related delays. All deadlines and requirements in this Notice also apply to paper applications. CNCS does not accept applications submitted via fax or email.

b. Submission of Additional Documents

The Operational and Financial Management Survey (OFMS) is required to be submitted by applicants submitting a New and/or Recompete application requesting over $75,000. If the applicant is new to CNCS grant programs, regardless of funding level, then they are required to submit an Operational and Financial Management Survey (OFMS) and supporting documents located at http://www.nationalservice.gov/resources/financial-management. Select the link for the Operational and Financial Management Survey under the Application Certification Forms section and download the electronic form.

Failure to submit the required additional documents by the deadline will have a negative effect on the assessment of your application.

Additional documents must be emailed to AdditionalDocuments@cns.gov with the following subject line: “Legal Applicant Name” – “Application ID Number.” Emails should include:
- the legal applicant name and its point of contact information
• the application ID number
• a list of documents that are attached to the email
• individually attached files that are clearly labeled, and that include the legal applicant name and application ID number within the heading of each document.

Do not submit any items that are not requested in this Notice. CNCS will not review or return them.

E. APPLICATION REVIEW INFORMATION

1. Review Criteria
Applications should include a well-designed plan with clear and compelling justifications for receiving the requested funds. b. Program Design (60 percent): Please note that each bulleted item within the components below are weighted equally:

Goals and Objectives (30 percent):
Reviewers will assess the following:
• at least ten clearly identified sites for each Day of Service: target communities, states, or regions that will be served
• a program design that supports and engages individuals in activities reflecting on one or both as applicable:
  o the sacrifice of those who lost their lives or family members on September 11, 2001 and in honor of those who rose in service and continue to serve as a result of that tragedy
  o the life and teachings of Martin Luther King, Jr.
• a reasonable and feasible timeline for major activities under the grant ensuring that activities occur either on September 11th or MLK Day as applicable or in close proximity to that date
• utilizes existing community resources, such as other service organizations and community volunteers, to implement goals and objectives and bring additional beneficial resources to the community
• a clear and comprehensive plan for carrying out partner engagement or subgrantee selection or a comprehensive plan for implementing projects directly.

Performance Measures (15 percent):
Reviewers will assess the following:
• the number of grant-supported activities that focus on the Martin Luther King, Jr. holiday or September 11th and provides opportunities to connect to service beyond the Day of Service
• measurable outputs are identified that result from delivering the intervention including specific identified targets for each year of the award

• a sound organizational structure including experience managing federal grants, staffing, and management structure to plan and implement the proposed program
• a description of the relevant background and experience of key staff members and their respective roles, or the applicant’s plans to recruit, select, train, and support additional staff, and their proposed roles
• the experience or the capacity to successfully implement their proposed partner engagement or subgranting plan including monitoring plans*
• a plan to oversee and provide technical assistance and support for multiple programs at different locations
• robust financial management systems and that will ensure compliance with federal regulations.
*This criterion will only be assessed if using a subgranting, pass-through entity, or partner engagement process. If the applicant does not propose any of these three plans, six points from this criterion will be allocated to other organizational capability criteria.

d. Cost-Effectiveness and Budget Adequacy (10 percent): Reviewers will assess the following:
   • clarity and completeness of the budget and budget narrative to support the program design
   • the extent to which the applicant demonstrates diverse non-federal resources for program implementation and sustainability**.

**This criterion is for MLK applications only. September 11th applications will be assessed only on the other criterion for cost-effectiveness and budget adequacy.

2. Review and Selection Process
CNCS will engage External and Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection process is intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The stages of the review and selection process follow:

a. Compliance and Eligibility Review
CNCS will conduct a Compliance Review to determine if an application meets the compliance requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:
   • is an eligible organization
   • submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

b. Application Review
Panels of Blended Reviewers (a combination of External Reviewers and CNCS Staff Reviewers) will assess applications based on the Program Design, Organizational Capability, and Cost-Effectiveness and Budget Adequacy Selection Criteria. CNCS will recruit and select reviewers on the basis of demonstrated expertise in Day of Service programming and/or the Focus Areas, as well as experience assessing applications. All reviewers will be screened for conflicts of interest.

c. Post-Review Quality Control
After the initial review process is complete, CNCS staff will review the initial results for fairness and consistency. Some applications may be selected for a Post-Review Quality Control assessment. This additional level of review will be used to ensure fairness and provide assurances that an application was not disadvantaged in the original review.
d. Applicant Clarification
CNCS may ask an applicant for clarifying information, including requested funding amounts for MLK and/or September 11th. CNCS staff will use this information to make funding recommendations. A request for clarification does not guarantee an award. Applicants may be recommended for funding even if they are not asked for clarifying information. An applicant’s failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from consideration. CNCS staff may conduct a site visit inspection as part of the clarification process, as appropriate.

e. Risk Assessment
CNCS staff will evaluate the risks to the program posed by each applicant, including conducting due diligence to ensure an applicant’s ability to manage federal funds. This evaluation is in addition to the assessment of the applicant’s eligibility and the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If CNCS determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if CNCS concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In evaluating risks, CNCS may consider some of the following criteria:
- financial stability
- financial capacity to manage Federal funds
- quality of management systems and ability to meet the management standards prescribed in applicable OMB Guidance
- applicant’s record in managing previous CNCS awards, cooperative agreements, or procurement awards, including:
  - timeliness of compliance with applicable reporting requirements
  - accuracy of data reported
  - validity of performance measure data reported
  - conformance to the terms and conditions of previous federal awards
  - meeting matching requirements
  - the extent to which any previously awarded amounts will be expended prior to future awards
- information available through OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as:
  - Federal Awardee Performance and Integrity Information System (FAPIIS)
  - U.S. Treasury Bureau of Fiscal Services
  - Dun and Bradstreet
  - SAM
  - “Do Not Pay”
- reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
- IRS Tax Form 990
- applicant organization’s annual report
- publicly available information, including information from the applicant organization's website
• applicant’s ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
• responses to the Applicant Operational and Financial Management Survey and supporting documentation.

f. Consideration of Integrity and Performance System Information
Prior to making any award that exceeds $150,000, CNCS is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM and FAPIIS (see 41 U.S.C. 2313). Additionally, CNCS may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under $150,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

CNCS may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

g. Selection for Funding
The review and selection process is designed to:
• identify how well eligible applications are aligned with the application review criteria
• build a diversified portfolio based on the following strategic considerations:
  o CNCS Funding Priorities (See Section A.2. Funding Priorities)
  o meaningful representation of
    ▪ geographic diversity
    ▪ rural communities
    ▪ small and medium programs
    ▪ faith-based organizations
    ▪ Focus Areas
    ▪ high ratio of match and/or other revenue to CNCS investment.

Based on the evaluation of these strategic considerations, applications may be selected for funding over applications with a greater degree of alignment with the review criteria. In selecting applicants to receive awards under this Notice, the Chief Executive Officer will endeavor to include a diverse portfolio of applications based on staff recommendations and strategic considerations.

CNCS reserves the right to prioritize funding existing awards over making new awards.

CNCS reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.
CNCS reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria that will be used to assess applications.

3. Feedback to Applicants
Following awards, applicants will receive summary comments from the Blended Review of their compliant applications. This feedback will be based on the review of the original application and will not reflect information provided during clarification.

4. Transparency in Grant-making
CNCS is committed to transparency in grant-making. The following information for new and re-competing applications will be published on CNCS Results of Grant Competitions within 90 business days after all grants are awarded:

- a list of all compliant applications submitted
- data extracted from the SF-424 Face Sheet
- a list of all external reviewers who completed the review process.

Submitted program narratives for successful applications will be available upon request.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

1. Federal Award Notices
CNCS will make awards following the grant selection announcement. CNCS anticipates announcing the results of this competition in June contingent on the availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin grant activities. The Notice of Grant Award signed by the grant officer is the authorizing document for grant activities. An awardee may not expend federal funds until the start of the Project Period identified on the Notice of Grant Award.

2. Administrative and National Policy Requirements

a. Uniform Guidance
All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in 2 CFR Parts 200 and 2205.

b. Requests for Improper Payment Information
CNCS may, from time to time, request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended. Failure to make timely responses to these requests may result in award funds being placed on temporary manual hold, reimbursement only status, or other remedies may be applied as appropriate.
c. CNCS Terms and Conditions
All awards made under this Notice will be subject to the 2020 CNCS General Terms and Conditions, and the 2020 Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the CNCS General and Specific Terms and Conditions for each of its programs is available at https://www.nationalservice.gov/resources/terms-and-conditions-cncs-grants.

d. National Service Criminal History Check Requirements
The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. The law requires grantees to conduct and document NSCHCs on persons (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving CNCS funds. This includes staff that receive part of their salary through a subgrant. An individual is ineligible to serve in a position that receives such CNCS funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award. Grantees should utilize two vendors CNCS has engaged to conduct the required NSCHCs. Failure to conduct an NSCHC may result in significant disallowed costs.

Unless CNCS has provided a grant recipient with a written exemption or written approval of an alternative search procedure, recipients must perform the following checks:

All award-funded staff and national service participants must undergo NSCHCs that include:

- A nationwide name-based search of the National Sex Offender Public Website (NSOPW); and
- Either
  - A name- or finger-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work or
  - A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers with recurring access to vulnerable populations (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

- A nationwide name-based check of the NSOPW; and
- Both
  - A name- or fingerprint-based search of the statewide criminal history registry in the person’s state of residence and in the state where the person will serve/work; and
  - A fingerprint-based FBI criminal history check.

See 45 CFR § 2540.200–§ 2540.207 and CNCS Criminal History Check Resources for complete information and FAQs.

As of December 31, 2019, many pre-approved Alternative Search Procedures (ASPs) and any
existing, individual ASP/Exemption requests will expire and will no longer be available for use.

3. Use of Material
To ensure that materials generated with CNCS funding are available to the public and readily accessible to recipients and non-recipients, CNCS reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315).

4. Reporting
Recipients are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Recipients are required to provide annual progress reports and semi-annual financial reports through eGrants, CNCS’s web-based grants management system. All recipients must provide quarterly financial reports through the Payment Management System (PMS) at the U.S. Department of Health and Human Services.

In addition, at the end of the award period, recipients must submit final financial and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 90 days after the end of the agreement.

Award recipients will be required to report at www.FSRS.gov on all subawards over $25,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients and subrecipients must have the necessary systems in place to collect and report this information. See 2 CFR Part 170 for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies, processes, and practices that provide reasonable assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- the data measures what it intends to measure
- the data reported is complete
- the recipient collects data in a consistent manner
- the recipient takes steps to correct data errors
- the recipient actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient’s ability to secure future CNCS funding.

For further guidance and training resources see: Resources: Data Collection and Instruments.

5. Continuation Funding Information and Requirements
Organizations that have current Day of Service awards and would like to request funding for year 2 or year 3 of funding (referred to as Continuation Applicants) must submit an application in order to be eligible to receive funding. Please see the Application Instructions. Requests by existing continuation applicants for increases in the level of funding will be assessed using the review criteria published in this Notice.

The review will also be based on grantee performance to date, the federal financial report, and CNCS staff’s knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

CNCS reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.
