CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Privacy Act of 1974; System of Records

AGENCY: Corporation for National and Community Service.

ACTION: Recission of two system of records notices.

SUMMARY: The Corporation for National and Community Service (CNCS) is rescinding two systems of records named Travel Files—Corporation-7 and Travel Authorization Files—Corporation-16. These two systems of records were used to manage information about employees and invitational travelers who traveled on official CNCS business. CNCS now participates in the General Services Administration (GSA) E-Gov Travel Service described at http://www.gsa.gov/egovtravel. The records that were handled according to Travel Files—Corporation-7 and Travel Authorization Files—Corporation-16 are now handled according to GSA’s government-wide SORN, GSA/GOVT–4, Contracted Travel Services Program (74 FR 26700, July 6, 2009). As such, CNCS is rescinding the Travel Files—Corporation-7 and Travel Authorization Files—Corporation-16 system of records.

SUPPLEMENTARY INFORMATION: The U.S. Department of Labor (DOL) Office of Workers’ Compensation Programs administers the Federal workers’ compensation program established by FECA. However, each agency must complete certain tasks when a claim is filed against that agency. CNCS previously established and maintained Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6 to manage the records that CNCS collected to complete those tasks. After DOL published a government-wide SORN titled DOL/GOVT–1, Office of Workers’ Compensation Programs, Federal Employees’ Compensation Act File (81 FR 25765, 25776, April 29, 2016), CNCS began using that SORN to handle the records. This makes Employee/Member Occupational Injury/Illness Reports and Claim Files—Corporation-6 redundant, so CNCS is rescinding it.
