

AmeriCorps Child Care Benefits Program

The AmeriCorps Child Care Benefit Program is available for qualified, active, full-time AmeriCorps State and National, VISTA, NCCC, and FEMA Corps Members who need the benefit to serve; eligibility requirements are listed below for each AmeriCorps program. Child care benefits are paid directly to qualified child care providers for all or of part of the member's child care costs during their active time of service; child care benefit payments cannot be paid directly to AmeriCorps members. Child care benefits may not exceed applicable payment rates as established in the state in which the child care is provided under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

AmeriCorps Child Care Benefits Administration
