**AmeriCorps Member Enrollment Form:**

Privacy Statement -- In compliance with the Privacy Act of 1974, the following information is provided:  
The primary purpose of the information is to successfully enroll a member in a term of service and the education award program. The evaluative information will help CNCS improve its programming and services to members. Information may be shared with other agencies, such as the Social Security Administration, through computer matching agreements for the purpose of verifying identity and citizenship status information provided by you in this document, as well as other matching and data sharing agreements with federal agencies, agency contractors, and other non-federal entities to assist the agency in its research and statistical evaluation missions. Your Social Security Number (SSN) is solicited under the authority of the Internal Revenue Code (26 U.S.C. 6011(b) and 6109) for use as a taxpayer identification number. While disclosure of your SSN is voluntary, failure to disclose your SSN may result in a denial of your receiving an education award. All information obtained will be used only for official purposes, treated confidentially, and will not be disclosed outside the agency unless there is a specific official need for the recipient to know the information, there exists a data sharing agreement referenced above, or release of the information falls within one of the exemptions of the Privacy Act.

**AmeriCorps Member Exit Form:**

Privacy Statement -- In compliance with the Privacy Act of 1974, the following information is provided:  
The primary purpose of the information is to successfully exit a member from a term of service and enable him or her to receive the education award. The evaluative information will help CNCS improve its programming and services to members. Information may be shared with other agencies, such as the Social Security Administration, through computer matching agreements for the purpose of verifying identity and citizenship status information provided by you in this document, as well as other matching and data sharing agreements with federal agencies, agency contractors, and other non-federal entities to assist the agency in its research and statistical evaluation missions.
