Below is a breakdown of the funding being awarded to Florida. The state competitive funding and state formula funding will be granted to Volunteer Florida, the governor-appointed State Service Commission. The Commission will, in turn, award grants to nonprofit organizations and/or public agencies responding to local needs across the state. In addition, funding is also being awarded to one or more national direct grantees, which are organizations headquartered in Florida that support AmeriCorps members serving in more than one state.

Funding Type	Amount
State Formula Funding Awarded to Volunteer Florida	\$6,050,081
State Competitive Funding Awarded to Volunteer Florida	\$3,632,406
Total Funding Awarded to Florida	\$9,682,487

In addition to the grant funding awarded to organizations, individual AmeriCorps members who complete at least 1,700 hours of service will earn Segal AmeriCorps Education Awards valued at \$5,730. These awards may be used to pay for college or vocational training or to pay back student loans.
