Office of the Secretary

[Docket ID: DoD-2013-OS-0228]

Proposed Collection; Comment Request

AGENCY: National Geospatial-Intelligence Agency, DoD.

ACTION: Notice.

SUMMARY: In compliance with Section 3506(c)(2)(A) of the *Paperwork Reduction Act of 1995*, the National Geospatial-Intelligence Agency announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by February 14, 2014.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.
- *Mail:* Federal Docket Management System Office, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350-3100.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information. Any associated form(s) for this collection may be located within this same electronic docket and downloaded for review/testing. Follow the instructions at <http://www.regulations.gov> for submitting comments. Please submit comments on any given form identified by docket number, form number, and title.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Psychological Services Branch, National Geospatial-Intelligence Agency, Springfield, VA 22150.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Psychological Services Records; OMB Control Number 0704-XXXX.

Needs and Uses: The information collection requirement is necessary for the formulation of recommendations rendered as part of the Agency's psychological screening, selection, and evaluation initiatives for pre-employment of NGA police officer candidates.

Affected Public: Individuals or Households.

Annual Burden Hours: 100.
Number of Respondents: 50.
Responses per Respondent: 1.
Average Burden per Response: 120 minutes.

Frequency: On occasion.
Respondents are applicants who are applying for NGA police officer positions. NGA psychologists who interview and assess the mental health

qualifications of the applicants record a summary of the assessments in Psychological Records Services system as part of the evaluation process to determine employment eligibility. Having qualified professionals provide psychological assessments is an essential element in the interview process and helps to ensure that qualified candidates are selected to fill the position of NGA police.

Dated: December 11, 2013.
