The President's Higher Education Community Service Honor Roll is an initiative of the Corporation for National and Community Service (CNCS). The President's Honor Roll is the highest federal recognition an institution of higher education can receive for its community service work. CNCS has administered the award since 2006 in collaboration with the U.S. Department of Education and the U.S. Department of Housing and Urban Development, as well as the American Council on Education, Campus Compact, and the Interfaith Youth Core. CNCS is a federal agency that engages more than 5 million Americans in service through AmeriCorps, Senior Corps, the Social Innovation Fund, and the Volunteer Generation Fund, and leads the President's national call to service initiative, *United We Serve*.
