

2015 FOSTER GRANDPARENT GRANT OPPORTUNITY

Corporation for National and Community Service

About the Funding Opportunity

The Corporation for National and Community Service (CNCS) Kentucky State Office announces a grant funding opportunity for eligible organizations to apply to operate and manage a Foster Grandparent Program local project in the geographic area indicated below. More information about this opportunity can be found at: [www.nationalservice.gov/SeniorCorps Replacement Grants](http://www.nationalservice.gov/SeniorCorps_Replacement_Grants).

About the Foster Grandparent Program (FGP)

Created in 1965, FGP provides a way for volunteers age 55 and over to stay active by serving children and youth in their communities. Foster Grandparents are role models, mentors, and friends to children with exceptional needs. Foster Grandparents serve from 15 to 40 hours per week in locations including schools, hospitals, juvenile correctional institutions, daycare facilities, or Head Start centers.

Foster Grandparents receive pre-service orientation, training from the organization where they will serve, supplemental accident and liability insurance, and meals while on duty. Volunteers who meet certain income guidelines also receive a small stipend. FGP projects may use FGP grant funds to conduct volunteer recruitment and recognition, reimburse volunteers for service related travel and other service expenses, and provide stipends to volunteers and other grant expenses as described in 45 CFR Part 2552.

What Organizations are Eligible?

Eligible organizations include faith-based and secular non-profit organizations, institutions of higher education, state education agencies, Indian tribes, and local government entities.
