

Missouri FY2015 AmeriCorps State & National Grant Coversheet

Below is a breakdown of the funding being awarded to Missouri. The state competitive funding and state formula funding will be granted to the Missouri Community Service Commission, the governor-appointed State Service Commission. The Commission will, in turn, award grants to nonprofit organizations and/or public agencies responding to local needs across the state. In addition, funding is also being awarded to one or more national direct grantees, which are organizations headquartered in Missouri that support AmeriCorps members serving in more than one state.

Funding Type	Amount
State Formula Funding Awarded to the Missouri Community Service Commission	\$2,261,215
State Competitive Funding Awarded to the Missouri Community Service Commission	\$1,834,222
Funding Awarded to National Direct Grantees headquartered in Missouri	\$589,067
Total Funding Awarded to Missouri	\$4,684,504

In addition to the grant funding awarded to organizations, individual AmeriCorps members who complete at least 1,700 hours of service will earn Segal AmeriCorps Education Awards valued at \$5,730. These awards may be used to pay for college or vocational training or to pay back student loans. Through the state competitive grants alone, AmeriCorps members in Missouri are projected to earn \$1,124,123 in Education Awards to support their pursuit of higher education.
