

North Carolina FY2015 AmeriCorps State & National Grant Coversheet

Below is a breakdown of the funding being awarded to North Carolina. The state competitive funding and state formula funding will be granted to the North Carolina Commission on Volunteerism and Community Service, the governor-appointed State Service Commission. The Commission will, in turn, award grants to nonprofit organizations and/or public agencies responding to local needs across the state. In addition, funding is also being awarded to one or more national direct grantees, which are organizations headquartered in North Carolina that support AmeriCorps members serving in more than one state.
