

New Mexico FY2017 AmeriCorps Grant Awards

Corporation for National and Community Service

Below is the FY2017 AmeriCorps grant funding breakdown for New Mexico. State formula and state competitive funding will be awarded to the New Mexico Commission for Community Volunteerism, the Governor-appointed State Service Commission. New Mexico AmeriCorps members will also receive post-service Segal AmeriCorps Education Awards to help pay for post-secondary education or pay down student loans. These funding streams all factor into the total award received, shown here:

Funding Type	Amount
State Formula	\$1,275,502
State Competitive	\$1,088,841
Education Awards	\$797,240
Total CNCS Funding Awarded to New Mexico	\$3,161,583

In addition to the federal funding from CNCS, these AmeriCorps grantees will leverage an additional **\$4,474,706** in matching support and other resources. Together, they will engage a total of **296** AmeriCorps members in national service.

The following table outlines the successful AmeriCorps grantees in New Mexico. Details include the name and location of the program, funding amounts, and number of AmeriCorps members serving.
