

NSCHC Disallowance Calculator

This calculator is a tool and is not sufficient legal documentation to support a debt.

Scoping Information	
Total Files Reviewed	
Total Grant Amount (CNCS Fed Share Only)	
Was this a self-reported case?	

Disallowance Calculations (Autocalculated)				
	High Mitigation	Moderate Mitigation	Low Mitigation	Explanatory Notes
Individual Files with Mitigation				Enter the number of files at each mitigation level here.
Self Reported Disallowance	\$0	\$0	\$0	Autocalculated as the product of the number of files in each mitigation rating and the applicable disallowance amount.
Standard Disallowance	\$0	\$0	\$0	Autocalculated as the product of the number of files in each mitigation rating and the applicable disallowance amount.
Raw Disallowance			FALSE	Autocalculated as the sum of the row above.
Disallowance Cap			\$0	Autocalculated as 25% of the Total Grant Amount
Total Disallowance				Monitoring Officials can choose to enforce the total disallowance, even if it exceeds the 25% cap.
