

New York FY2015 AmeriCorps State & National Grant Coversheet

Below is a breakdown of the funding being awarded to New York. The state competitive funding and state formula funding will be granted to the New York Commission for National & Community Service, the governor-appointed State Service Commission. The Commission will, in turn, award grants to nonprofit organizations and/or public agencies responding to local needs across the state. In addition, funding is also being awarded to one or more national direct grantees, which are organizations headquartered in New York that support AmeriCorps members serving in more than one state.

Funding Type	Amount
State Formula Funding Awarded to the New York Commission for National & Community Service	\$6,009,789
State Competitive Funding Awarded to the New York Commission for National & Community Service	\$10,742,452
Funding Awarded to National Direct Grantees headquartered in New York	\$7,171,407
Total Funding Awarded to New York	\$23,924,648

In addition to the grant funding awarded to organizations, individual AmeriCorps members who complete at least 1,700 hours of service will earn Segal AmeriCorps Education Awards valued at \$5,730. These awards may be used to pay for college or vocational training or to pay back student loans. Through the state competitive grants alone, AmeriCorps members in New York are projected to earn \$37,627,166 in Education Awards to support their pursuit of higher education.

Other Revenue**: \$56,000.00

*Budgeted Match amount refers to total proposed match amounts from all sources including private sector and government sources.

** Other Revenue refers to funds that the program reports as being used to run the program that are not CNCS share or match.

NOTE: Some applicants are receiving "fixed amount grants" which do not require reporting on matching funds.

Program Summary

AmeriCorps members will tutor elementary school students after school, leading to increased scores on state standardized tests. AmeriCorps members will also place economically disadvantaged households into permanent housing and new jobs. The program will serve low-income individuals in New York State.

Annual Statistical Highlights

- Engages more than 75,000 members annually
- Members serve at 15,000 locations across the country
