

New York FY2016 AmeriCorps State & National Grant Coversheet

Below is a breakdown of the funding being awarded to New York. The state competitive funding and state formula funding will be granted to the New York Commission for National & Community Service, the governor-appointed State Service Commission. The Commission will, in turn, award grants to nonprofit organizations and/or public agencies responding to local needs across the state. In addition, funding is also being awarded to one or more national direct grantees, which are organizations headquartered in New York that support AmeriCorps members serving in more than one state.

Funding Type	Amount
State Formula Funding Awarded to the New York Commission for National & Community Service	\$6,775,914
State Competitive Funding Awarded to the New York Commission for National & Community Service	\$8,856,155
Competitive Funding Awarded to National Direct Grantees headquartered in New York	\$10,191,449
Total Funding Awarded to New York	\$25,823,518

In addition to the grant funding awarded to organizations, individual AmeriCorps members who complete at least 1,700 hours of service will earn Segal AmeriCorps Education Awards valued at \$5,775. These awards may be used to pay for college or vocational training or to pay back student loans. Through the state competitive grants alone, AmeriCorps members in New York are projected to earn \$34,674,434 in Education Awards to support their pursuit of higher education.

** Other Revenue refers to funds that the program reports as being used to run the program that are not CNCS share or match.

NOTE: Some applicants are receiving “fixed amount grants” which do not require reporting on matching funds.

Program Summary

Blue Engine proposes to have 96 AmeriCorps members who will partner with classroom teachers to lead in-class, small group instruction, and provide one-on-one tutoring in 7-10 New York City public high schools serving low-income communities. At the end of the 2016-17 school year, we estimate that 96 Corp Members will serve 1680 students, of whom 1,428 will complete the school year in a class supported by Corp Members. Blue Engine respectfully proposes a cost to CNCS per member of \$9,900, thereby qualifying us for the Next Gen priority. The Corporation investment of \$950,400 will be matched with \$2,378,895, of which \$1,344,000 will come from local public funding from schools in the form of fee-for-service and \$1,034,895 from private funding.

Program Summary

As part of the AmeriCorps Partnership Challenge, the International Rescue Committee, Inc. (IRC) proposes to have 16 AmeriCorps members who will support intensive case management activities; help scale up an innovative Community Health Promoter model with the potential to improve health outcomes among special needs populations; and pilot a participatory assessment tool to ensure that intensive case management methodologies reflect client priorities and input, in the following locations: Abilene, TX; Atlanta, GA; Baltimore, MD; Boise, ID; Charlottesville, VA; Dallas, TX; Elizabeth, NJ; Miami, FL; New York, NY; Oakland, CA; Phoenix, AZ; Sacramento, CA; Seattle, WA; Silver Spring, MD; Tucson, AZ; and Wichita, KS. At the end of the first program year, the AmeriCorps members will be responsible for expanded and improved intensive case management services that reach at least 1,350 clients. In addition, the AmeriCorps members will leverage an additional 200 volunteers, at a minimum, who will be engaged in support to activities such as family mentorship, ESL instruction, and cultural orientation.

Program Summary

NYC Service's mission is to promote volunteerism, engage New Yorkers in service, build volunteer capacity and mobilize the power of volunteers and service year members to impact New York City's (NYC) greatest needs. NYC Service proposes to have 150 AmeriCorps members who will engage in high-impact programs that address key Mayoral and City agency priorities in New York City. At the end of the first program year, the AmeriCorps members will be responsible for providing service learning-based community service within a range of newly-created Program Corps at City agencies. At the end of the first program year, the AmeriCorps members will have provided assistance to a variety of comprehensive programmatic initiatives across City agency sectors designed to address the pervasive economic and educational inequities within underserved communities in NYC. The program will operate in the CNCS focus areas of Education and Economic Opportunity.

Program Summary

Up2Us Sports, through our nationally renowned AmeriCorps Coach Across America (ACAA) Program, proposes to have 176 AmeriCorps members, forty of whom will be returning veterans, and most of whom will be identified from their local communities, serve as coaches and mentors to economically disadvantaged youth in Boston, Chicago, Cleveland, Denver, Flint, Los Angeles, Minneapolis, New Orleans, New York, Oakland, Philadelphia, San Francisco, Seattle, and Washington DC. At the end of the first program year, the AmeriCorps members will be responsible for engaging these youth in sports-based youth development programming that leads to reductions in childhood obesity and increases in positive behaviors (avoiding violence and staying in school). In addition, the AmeriCorps members will leverage an additional 2,000 volunteers who will be engaged in roles ranging from assistant coach to referee to event planner. This program will focus on the CNCS focus area(s) of Healthy Futures (by using physical activity to prevent childhood obesity); Economic Opportunity (through our proven track record of recruiting young adults from economically disadvantaged backgrounds to be AmeriCorps members); and Veterans and Military Families (through our proven track record of recruiting returning military veterans to be coaches). The CNCS investment of \$1,234,376 will be matched with \$1,584,906.
