Comments

A 60-day Notice requesting public comment was published in the Federal Register on June 27, 2014. This comment period ended August 26, 2014. No public comments were received from this Notice.

Description: The national evaluation of School Turnaround AmeriCorps will use a quasi-experimental design that compares schools affected by School Turnaround AmeriCorps (i.e., the treatment group) to a matched comparison group of low performing schools without the School Turnaround AmeriCorps initiative (i.e., the comparison group). This research design will attempt to isolate the effects of AmeriCorps members’ service.

This is a new information collection request. Information will be collected from AmeriCorps grantees, AmeriCorps members, school leaders, teachers, and parents using online surveys and semi-structured interviews and focus groups conducted by telephone, online, and in person.

Type of Review: New.
