

Schools of National Service

The Schools of National Service initiative recognizes that individuals who served in AmeriCorps bring tremendous value to the higher education or other post-secondary experience that benefit the institution, other students, and their community. AmeriCorps' members experience, leadership skills, problem-solving ability, and commitment to civic engagement are a welcome addition to any learning environment.

In recognition of the value of their service, Schools of National Service provide incentives and awards that encourage AmeriCorps alumni to attend their institution. By participating in the program, colleges, universities, and other post-secondary institutions benefit.

About the Segal AmeriCorps Education Award

The Segal AmeriCorps Education Award is a post-service benefit earned by individuals who complete an approved term of national service in AmeriCorps programs. The award is named after Eli Segal, a pioneer of national service and the first CEO of the agency now known as AmeriCorps.

The award may be used to pay educational expenses at eligible post-secondary institutions, including many technical schools and G.I. Bill-approved programs or to repay qualified student loans. The dollar amount of the education award is equal to the maximum amount of the U.S. Department of Education Pell Grant and may change year to year.

What is AmeriCorps?

AmeriCorps is the only federal agency tasked with elevating service and volunteerism in America. We provide opportunities for people of all ages and backgrounds to give their time and talent to strengthen communities across our country.

In 25 years, nearly **1.2 million AmeriCorps members have earned over \$4 billion in Segal AmeriCorps Education Awards**, \$1 billion of which has been used to pay back student loan debt – making college more accessible and affordable for those who serve.
