Program Summary

Catholic Charities USA AmeriCorps members, who will be recruited from veterans and families of veterans and active duty service members, will provide Peer Navigation Case Management to veterans of any era and active military service members and their families hosted by nine agencies in seven states: GA, MA, MO, NJ, PA, TX, and VA. At the end of the first program year, the AmeriCorps members will be responsible for having assisted 1,000 veterans and 125 military family members with accessing their benefits and meeting other health, mental health, educational, and social service needs. In addition, the AmeriCorps members will leverage an additional 120 volunteers who will be engaged in assisting with the follow-up to the case management or in a variety of community based projects. This program will focus on the CNCS focus area of Veterans and Military Families.
