AmeriCorps Application Instructions for review and approval in accordance with the Paperwork Reduction Act of 1995, Public Law 104–13, (44 U.S.C. Chapter 35). Copies of this ICR, with applicable supporting documentation, may be obtained by calling the Corporation for National and Community Service, Jennifer Bastress Tahmasebi, at 202–606–6667 or email to [jbastresstahmasebi@cns.gov](mailto:jbastresstahmasebi@cns.gov). Individuals who use a telecommunications device for the deaf (TTY–TDD) may call 1–800–833–3722 between 8:00 a.m. and 8:00 p.m. Eastern Time, Monday through Friday.

**ADDRESSES:** Comments may be submitted, identified by the title of the information collection activity, to the Office of Information and Regulatory Affairs, Attn: Ms. Jasmeet Seehra, OMB Desk Officer for the Corporation for National and Community Service, by any of the following two methods within 30 days from the date of publication in the **Federal Register**:

- (1) By fax to: 202–395–6974, Attention: Ms. Jasmeet Seehra, OMB Desk Officer for the Corporation for National and Community Service; or
- (2) By email to: [Jasmeet\\_K\\_Seehra@omb.eop.gov](mailto:Jasmeet_K_Seehra@omb.eop.gov).

### Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on 8/19/2013. This comment period ended 10/18/2013. Six entities provided comments. Many of the comments addressed the content of the FY2013 AmeriCorps State and National Notice of Funding Opportunity. CNCS will address these comments through a

different forum. The comments related to the Application Instructions are addressed below.

Two commenters asked that if CNCS releases multiple versions of the Application Instructions that they be dated. CNCS will date all versions of the Applications Instructions moving forward.

Three commenters asked that CNCS raise the applicant burden to 80 hours to account for both the initial application preparation as well as the reworking of the application based on State Commission review and feedback. In response to the comments, CNCS will raise the applicant burden to 80 hours to ensure that the burden estimate provides the public, especially new applicants, with adequate notice of the time required to prepare an application. We expect that many applicants will be able to complete the application in less than 80 hours, but support providing notice to applicants that will allow them to budget time effectively.

Two commenters asked if the fields "Total Private Match" and "Total Local, State, and Federal Government Match" will be populated by the "Total Match" amount captured in the budget. No. The "Total Match" amount captured in the budget is a combination of private and government match. CNCS is interested in breaking out the match into two categories.

Two commenters asked the purpose of requesting "Leveraged funds," if there was a requirement to track those funds, and what repercussions would there be if an applicant raised leverage funds that were either above or below the expected amount. The collection of "Leveraged funds" enables CNCS to better understand the total cost of running an AmeriCorps program. For cost reimbursement applicants, funding in addition to the CNCS share and the required match may be required to run an AmeriCorps program. For fixed amount applicants, funding in addition to the CNCS share is required to run an AmeriCorps program. There is no requirement to track leveraged funds as long as successful applicants have adequate resources to sustain program operations. If there are sufficient funds to operate successfully, there are no repercussions should the applicant raise more or less of the anticipated "Leveraged Funds" amount.

One commenter asked for definitions for "episodic" and "ongoing" volunteers. CNCS has provided those definitions in the FY2013 AmeriCorps State and National Notice of Funding Opportunity.

One commenter asked if the operating sites chart will be provided to State

Commissions as part of the consultative process that takes place between National Direct applicants and State Commissions. CNCS plans to incorporate the operating site data into the state profiles, which are updated annually and available for Commission use. At this time, CNCS does not have plans to share this information with state commissions to facilitate the National Direct—State Commission consultative process, largely due to egrants system limitations.
