For the purpose of enhancing our programs by improving the quality and quantity of applications to the Corporation for National and Community Service (CNCS), we are providing specific feedback regarding the strengths and weaknesses of this application. These comments are not meant to represent a comprehensive assessment; rather the analysis represents those elements that had the greatest bearing on the rating of the application. Please note that this feedback consists of summary comments from only the external reviewer on the blended panel. Comments are not representative of all of the information used in the final funding decision.

External Reviewer's Summary Comments:

Strengths:

The city of San Juan provides the non-federal match and has committed to the continuation of the matching funds for the upcoming grant period.

Weaknesses:

The applicant does not budget for background checks nor are they addressed.

The applicant does not specifically address how project staff will be sustained in the future.

The applicant does not provide specifics as to how they will measure outputs and outcomes.

Although the applicant mentions surveys and applicant questionnaires, there is no mention of how they will use the data collected.

The applicant does not address whether stations will be graduated or how they will train new stations if they are developed.
