Assess the extent to which the applicant addresses each of the elements of the application. Select a Rating for each element; provide comments for each Rating. All comments should address the significant strengths and weaknesses identified in your assessment that justify your Rating.

### 9. DESCRIPTION OF ACTIVITIES: PROPOSAL FOR EVALUATION

Assess the extent to which the applicant:
- Describes a reasonable evaluation strategy to ensure that funded program models will achieve at least moderate levels of evidence over their three to five year grant period.
- Explains how they will assess needs for and provide technical assistance to subgrantees as they design, implement, and monitor evaluations of their program models.
- If addressed, describes how they will work with an evaluation partner and what activities this partner will do to support the Social Innovation Fund portfolio. If not, describes the capacity and expertise of staff to successfully support the SIF portfolio.
- Describes an appropriate and detailed budget to support the cost of reasonable evaluation activities that will meet Social Innovation Fund evaluation requirements.

**In addition:**
For applicants with a pre-identified intervention, assess the extent to which the applicant:
- Demonstrates that their targeted innovations have at least preliminary evidence of results.
- Describes a program model(s) that has the potential to achieve at least a moderate level of evidence of effectiveness during the Social Innovation Fund grant period of three to five years.

For applicants without a pre-identified intervention, assess the extent to which the applicant:
- Describes examples of program models that will be evaluated, and whether these models have the potential to achieve at least moderate levels of evidence of effectiveness during their Social Innovation Fund grant period of three to five years.
