

2017 September 11th Day of Service and Remembrance Competition

September 11th Day of Service and Remembrance grants are awarded to eligible organizations including Indian tribes, institutions of higher education, local governments, nonprofit organizations, and states. The purpose of September 11th Day of Service and Remembrance grants are to mobilize more Americans to engage in service activities that meet vital community needs and honor the sacrifice of those who lost their lives on September 11, 2001, or who rose in service as a result of that tragedy.

For September 11th, CNCS will give priority consideration to applications that include a central focus on:

- engaging and supporting Veterans and Military Families in September 11th National Day of Service and Remembrance activities
- developing educational materials or curriculum for youth, including a plan for curriculum distribution and educating youth about service to honor September 11th National Day of Service and Remembrance

CNCS will give priority consideration to applications that feature major activities occurring on September 11th or MLK Day as applicable or within approximately one week of the actual Day.
