

**AMERICORPS STATE AND NATIONAL
GRANTEE TRAINING CALENDAR—FOR POSTING**

The items below represent the in-person and web-based training opportunities for staff of State Service Commissions, national programs, and tribal programs. In some cases, the trainings are designed for all types of AmeriCorps State and National grantees; other trainings will be targeted to particular types of grantees during the year (e.g., new programs). The audience for each session is identified, and the sessions are optional unless otherwise stated.

*Materials and recordings of the web-based trainings will be posted throughout the year on the AmeriCorps page of the National Service Knowledge Network:
www.nationalservice.gov/resources/amicorps.*

This calendar is a work in progress, and dates and topics may change. Please check back often to see what is available for you. You may also contact Barbara Ellen Reynolds, AmeriCorps State and National Training Specialist, at breyolds@cns.gov, for additional information.
