

**AMERICORPS STATE AND NATIONAL
GRANTEE TRAINING CALENDAR—FOR POSTING**

The items below represent the in-person and web-based training opportunities for staff of State Service Commissions, national programs, and tribal programs. In some cases, the trainings are open for all types of AmeriCorps State and National grantees; other trainings will be targeted to particular types of grantees during the year. The audience for each session is identified, and the sessions are optional unless otherwise identified.

This calendar is a work in progress. Materials and recordings will be posted throughout the year on the AmeriCorps page of the National Service Knowledge Network: www.nationalservice.gov/resources/ Americorps. Please check back often to see what is available for you. You may also contact Barbara Ellen Reynolds, AmeriCorps State and National Training Specialist, at breynolds@cns.gov for additional information.
