SEC. 2. [42 U.S.C. 12501] FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds the following:

(1) Throughout the United States, there are pressing unmet human, educational, environmental, and public safety needs.

(2) Americans desire to affirm common responsibilities and shared values, and join together in positive experiences, that transcend race, religion, gender, age, disability, region, income, and education.

(3) The rising costs of postsecondary education are putting higher education out of reach for an increasing number of citizens.

(4) Americans of all ages can improve their communities and become better citizens through service to the United States.

(5) Nonprofit organizations, local governments, States, and the Federal Government are already supporting a wide variety of national service programs that deliver needed services in a cost-effective manner.

(6) Residents of low-income communities, especially youth and young adults, can be empowered through their service, and can help provide future community leadership.

(b) PURPOSE.—It is the purpose of this Act to—

(1) meet the unmet human, educational, environmental, and public safety needs of the United States, without displacing existing workers;

(2) renew the ethic of civic responsibility and the spirit of community and service throughout the varied and diverse communities of the United States;

(3) expand educational opportunity by rewarding individuals who participate in national service with an increased ability to pursue higher education or job training;

¹ Section 1301(b) of Public Law 107–117 (115 Stat. 2339) amended this Act by inserting before title V a new title IV without making a conforming amendment to the table of sections.

(4) encourage citizens of the United States, regardless of age, income, geographic location, or disability, to engage in full-time or part-time national service;

(5) reinvent government to eliminate duplication, support locally established initiatives, require measurable goals for performance, and offer flexibility in meeting those goals;

(6) expand and strengthen existing national service programs with demonstrated experience in providing structured service opportunities with visible benefits to the participants and community;

(7) build on the existing organizational service infrastructure of Federal, State, and local programs, agencies, and communities to expand full-time and part-time service opportunities for all citizens;

(8) provide tangible benefits to the communities in which national service is performed;

(9) expand and strengthen service-learning programs through year-round opportunities, including opportunities during the summer months, to improve the education of children and youth and to maximize the benefits of national and community service, in order to renew the ethic of civic responsibility and the spirit of community for children and youth throughout the United States;

(10) assist in coordinating and strengthening Federal and other service opportunities, including opportunities for participation in emergency and disaster preparedness, relief, and recovery;

(11) increase service opportunities for the Nation's retiring professionals, including such opportunities for those retiring from the science, technical, engineering, and mathematics professions, to improve the education of the Nation's youth and keep America competitive in the global knowledge economy, and to further utilize the experience, knowledge, and skills of older individuals;

(12) encourage the continued service of the alumni of the national service programs, including service in times of national need;

(13) encourage individuals age 55 or older to partake of service opportunities;

(14) focus national service on the areas of national need such service has the capacity to address, such as improving education, increasing energy conservation, improving the health status of economically disadvantaged individuals, and improving economic opportunity for economically disadvantaged individuals;

(15) recognize and increase the impact of social entrepreneurs and other nonprofit community organizations in addressing national and local challenges;

(16) increase public and private investment in nonprofit community organizations that are effectively addressing national and local challenges and encourage such organizations to replicate and expand successful initiatives;

(17) leverage Federal investments to increase State, local, business, and philanthropic resources to address national and local challenges;

(18) support institutions of higher education that engage students in community service activities and provide high-quality service-learning opportunities; and

(19) recognize the expertise veterans can offer to national service programs, expand the participation of the veterans in the national service programs, and assist the families of veterans and members of the Armed Forces on active duty.

(ii) to report on the program's performance on standardized measures and performance levels established by the Corporation;

(iii) to cooperate with any evaluation activities undertaken by the Corporation; and

(4) OTHER REQUIREMENTS NOT APPLICABLE.—Limitations on administrative costs and matching fund documentation requirements shall not apply to fixed-amount grants provided in accordance with this subsection.

(5) RULE OF CONSTRUCTION.—Nothing in this subsection shall relieve a grant recipient of the responsibility to comply with the requirements of chapter 75 of title 31, United States Code, or other requirements of Office of Management and Budget Circular A-133.

§ 2505.2 Definitions.

The public is invited to attend all meetings of the Board that are open to the public but may not participate in the Board's deliberations at such meetings or record any meeting by means of electronic, photographic, or other device.

§ 2505.4 On what grounds may the Board close a meeting or withhold information?

The Board may close a meeting or withhold information that otherwise would be required to be disclosed under §§ 2505.5, 2505.6 and 2505.7 if it properly determines that an open meeting or disclosure is likely to—

(a) Disclose matters that are—

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy; and

(2) In fact properly classified pursuant to such Executive order;

(b) Relate solely to the internal personnel rules and practices of the Corporation;

(c) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552), provided that such statute—

(1) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

45 CFR Ch. XXV (10–1–12 Edition)

(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which, if written, would be contained in such records, but only to the extent that the production of such records or information would—

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(5) Disclose investigative techniques and procedures; or

(h) Disclose information contained in or related to examination, operating or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institution;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Corporation, except that this provision shall not apply in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final action; or

(j) Specifically concerning the Corporation's issuance of a subpoena or

Corporation for National and Community Service

§ 2505.5

the Corporation's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Corporation of a particular case of formal adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

§ 2505.5 What are the procedures for closing a meeting, withholding information, and responding to requests by affected persons to close a meeting?

(a) The Board may vote to close a meeting or withhold information pertaining to a meeting. Such action may be taken only when a majority of the entire membership of the Board votes to take such action. A separate vote shall be taken with respect to each action under §2505.4. The Board may act by taking a single vote with respect to a series of meetings which are proposed to be closed to the public, or with respect to any information concerning a series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. Each Member's vote under this paragraph shall be recorded and no proxies shall be allowed.

(b) If your interests may be directly affected if a meeting is open you may request that the Board close the meeting on one of the grounds referred to in §2505.4(e), (f), or (g). You should submit your request to the Office of the General Counsel, Corporation for National and Community Service, 1201 New York Avenue NW, Washington, D.C. 20525. The Board shall, upon the request of any one of its members, determine by recorded vote whether to grant your request.

(c) Within one working day of any vote taken pursuant to this section, the Board shall make publicly available a written copy of such vote reflecting the vote of each Member on the question. If a meeting is to be closed to the public, the Board shall, within one working day, make available a full written explanation of its action closing the meeting and a list of

all persons expected to attend the meeting and their affiliation.

(d) For each closed meeting, the General Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemption relied upon. A copy of the certification shall be available for public inspection.

(e) For each closed meeting, the Board shall issue a statement setting forth the time, place, and persons present. A copy of such statement shall be available for public inspection.

(f)(1) For each closed meeting, with the exception of a meeting closed pursuant to §2505.4(h) or (j), the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting.

(2) For meetings that are closed pursuant to §2505.4(h) or (j), the Board may maintain a set of minutes in lieu of a transcript or recording. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any vote. All documents considered in connection with any action shall be identified in such minutes.

(3) The Corporation shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Corporation determines to contain information which may be properly withheld. Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Corporation shall maintain the transcript, recording, or minutes for each closed meeting for at least two years or at least one year after the conclusion of any Corporation business acted upon at the meeting, whichever occurs later.

§ 2505.6

§ 2505.6 What are the procedures for making a public announcement of a meeting?

(a) For each meeting, the Board shall make a public announcement, at least one week before the meeting, of—

- (1) The meeting's time and place;
- (2) The matters to be considered;
- (3) Whether the meeting is to be open or closed; and

(4) The name and business telephone number of the official designated by the Board to respond to requests for information about the meeting.

(b) The one week advance notice required by paragraph (a) of this section may be reduced only if—

(1) The Board determines by recorded vote that Board business requires that the meeting be scheduled in less than seven days; and

(2) The public announcement required by paragraph (a) of this section is made at the earliest practicable time and posted on the Corporation's home page.

(c) Immediately following a public announcement required by paragraph (a) of this section, the Corporation will submit for publication in the FEDERAL REGISTER a notice of the time, place, and subject matter of the meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the official designated by the agency to respond to requests for information about the meeting.

§ 2505.7 What are the procedures for changing the time or place of a meeting following the public announcement?

(a) After there has been a public announcement of a meeting, the time or place of the meeting may be changed only if the Board publicly announces the change at the earliest practicable time. Such a change need not be determined by recorded vote.

(b) After there has been a public announcement of a meeting, the subject-matter of the meeting, or the determination of the Board to open or to close a meeting may be changed only when—

(1) The Board determines, by recorded vote, that Board business so re-

45 CFR Ch. XXV (10–1–12 Edition)

quires and that no earlier announcement of the change was possible; and

(2) The Board publicly announces the change and the vote of each Member at the earliest practicable time.

(c) The deletion of any subject-matter previously announced for a meeting is not a change requiring the approval of the Board under paragraph (b) of this section.

§ 2506.7 Why does the Corporation have to collect debts?

Federal agencies are required to try to collect claims or debts of the Federal Government for money, funds, or property arising out of the agency's activities.

§ 2506.8 What action might the Corporation take to collect debts?

(a) There are a number of actions that the Corporation is permitted to take when attempting to collect debts. These actions include:

(1) Salary, tax refund or administrative offset, or administrative wage garnishment (see subparts C, D, E, and F of this part respectively); or

(2) Using the services of private collection contractors.

(b) In certain instances, usually after collection efforts have proven unsuccessful, the Corporation transfers debts to the Treasury for collection or refers them to the DOJ for litigation (see §§ 2506.10 and 2506.11).

§ 2506.9 What rights do I have as a debtor?

As a debtor you have several basic rights. You have a right to:

(a) Notice as set forth in these regulations (see § 2506.14);

(b) Inspect the records that the Corporation has used to determine that you owe a debt (see § 2506.14);

(c) Request review of the debt and possible payment options (see § 2506.17);

(d) Propose a voluntary repayment agreement (see § 2506.19); and/or

45 CFR Ch. XXV (10–1–12 Edition)

(e) Question if the debt is excluded from these regulations (see § 2506.5(b)).

Subpart B—General Provisions

§ 2506.10 Will the Corporation use its cross-servicing agreement with Treasury to collect its debts?

(a) The Corporation entered into a cross-servicing agreement on March 26, 1999, with Treasury Financial Management Services (FMS) that authorizes the Treasury to take the collection actions described in this part on behalf of the Corporation (see § 2506.3). The Corporation will refer debts or groups of debts to FMS for collection action. The debt collection procedures that the Treasury FMS uses are based on 31 U.S.C. chapter 37 and this part.

(b) The Corporation must transfer to the Treasury any debt that has been delinquent for a period of 180 days or more, so that the Secretary of the Treasury may take appropriate action to collect the debt or terminate collection action. This is pursuant to § 901.3 of the FCCS.

(c) Paragraph (b) of this section will not apply to any debt or claim that:

(1) Is in litigation or foreclosure;

(2) Will be disposed of under an approved asset sales program;

(3) Has been referred to a private collection contractor for collection for a period of time acceptable to the Secretary of the Treasury;

(4) Is at a debt collection center for a period of time acceptable to the Secretary of the Treasury;

(5) Will be collected under internal offset procedures within 3 years after the date the debt or claim is first delinquent; or

(6) Is exempt from this requirement based on a determination by the Secretary of the Treasury.

§ 2506.11 Will the Corporation refer debts to the Department of Justice?

The Corporation will refer to DOJ for litigation debts on which aggressive collection actions have been taken, but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Corporation collection action, and within

Corporation for National and Community Service

§ 2506.14

the period for bringing a timely suit against the debtor.

§ 2506.12 Will the Corporation provide information to credit reporting agencies?

(a) The Corporation will report certain delinquent debts to appropriate consumer credit reporting agencies by providing the following information:

(1) A statement that the debt is valid and overdue;

(2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;

(3) The amount, status, and history of the debt; and

(4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Corporation:

(1) Takes reasonable action to locate the debtor if a current address is not available;

(2) Provides the notice required under § 2506.14(a) if a current address is available; and

(3) Obtains satisfactory assurances from the credit reporting agency that it complies with the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*) and other Federal laws governing the provision of credit information.

(c) At the time debt information is submitted to a credit reporting agency, the Corporation provides a written statement to the reporting agency that all required actions have been taken. In addition, the Corporation thereafter ensures that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verifies or corrects information relevant to the debt.

(d) If a debtor disputes the validity of the debt, the credit reporting agency refers the matter to the appropriate Corporation official. The credit reporting agency excludes the debt from its reports until the Corporation certifies in writing that the debt is valid.

(e) The Corporation may disclose to a commercial credit bureau information concerning a commercial debt, including the following:

(1) Information necessary to establish the name, address, and employer identification number of the commercial debtor;

(2) The amount, status, and history of the debt; and

(3) The program or pertinent activity under which the debt arose.

§ 2506.13 How will the Corporation contract for private collection services?

The Corporation uses the services of a private collection contractor when it determines that such use is in the Corporation's best interest. When the Corporation determines that there is a need to contract for private collection services, the Corporation:

(a) Retains sole authority to:

(1) Resolve any dispute with the debtor regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the DOJ for litigation; and

(5) Take any other action under this part;

(b) Requires the contractor to comply with the:

(1) Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m);

(2) Fair Debt Collection Practices Act (15 U.S.C. 1692-1692o); and

(3) Other applicable Federal and State laws pertaining to debt collection practices and applicable regulations of the Corporation in this part;

(c) Requires the contractor to account accurately and fully for all amounts collected; and

(d) Requires the contractor to provide to the Corporation, upon request, all data and reports contained in its files related to its collection actions on a debt.

§ 2506.14 What should I expect to receive from the Corporation if I owe a debt to the Corporation?

(a) The Corporation will send you a written notice when we determine that you owe a debt to the Corporation. The notice will be hand-delivered or sent to you at the most current address known to the Corporation. The notice will inform you of the following:

§ 2506.15

(1) The amount, nature, and basis of the debt;

(2) That a designated Corporation official has reviewed the debt and determined that it is valid;

(3) That payment of the debt is due as of the date of the notice, and that the debt will be considered delinquent if you do not pay it within 30 days of the date of the notice;

(4) The Corporation's policy concerning interest, penalty charges, and administrative costs (see §2506.18), including a statement that such assessments must be made against you unless excused in accordance with the FCCS and this part;

(5) That you have the right to inspect and copy disclosable Corporation records pertaining to your debt, or to receive copies of those records if personal inspection is impractical;

(6) That you have the opportunity to enter into an agreement, in writing and signed by both you and the designated Corporation official, for voluntary repayment of the debt (see §2506.19);

(7) The address, telephone number, and name of the Corporation official available to discuss the debt;

(8) Possible collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice (see §2506.15 for a fuller description of possible actions);

(9) That the Corporation may suspend or revoke any licenses, permits, or other privileges for failure to pay a debt; and

(10) Information on your opportunity to obtain a review concerning the existence or amount of the debt, or the proposed schedule for offset of Federal employee salary payments (see §2506.16).

(b) The Corporation will respond promptly to communications from you.

(c) Exception to entitlement to notice, hearing, written responses, and final decisions. With respect to the regulations covering internal salary offset collections (see §2506.32), the Corporation excepts from the provisions of paragraph (a) of this section—

(1) Any adjustment to pay arising out of an employee's election of coverage

45 CFR Ch. XXV (10–1–12 Edition)

or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over 4 pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to \$50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

§ 2506.15 What will the notice tell me regarding collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice?

The notice provided under §2506.14 will advise you that, within 60 days of the date of the notice, your debt (including any interest, penalty charges, and administrative costs) must be paid or you must enter into a voluntary repayment agreement. If you do not pay the debt or enter into the agreement within that deadline, the Corporation may enforce collection of the debt by any or all of the following methods:

(a) By transferring the debt to the Treasury for collection, including under a cross-servicing agreement with the Treasury (see §2506.10);

(b) By referral to a credit reporting agency (see §2506.12), private collection contractor (see §2506.13), or the DOJ (see §2506.11);

(c) If you are a Corporation employee, by deducting money from your disposable pay account until the debt (and all accumulated interest, penalty charges, and administrative costs) is paid in full (see subpart C of this part). The Corporation will specify the

Corporation for National and Community Service

§ 2506.17

amount, frequency, approximate beginning date, and duration of the deduction. 5 U.S.C. 5514 and 31 U.S.C. 3716 govern such proceedings;

(d) If you are an employee of a Federal agency other than the Corporation, by initiating certification procedures to implement a salary offset by that Federal agency (*see* subpart C of this part). 5 U.S.C. 5514 governs such proceedings;

(e) By referring the debt to the Treasury for offset against any refund of overpayment of tax (*see* subpart D of this part);

(f) By administrative offset (*see* subpart E of this part);

(g) By administrative wage garnishment (*see* subpart F of this part); or

(h) By liquidation of security or collateral. The Corporation has the right to hold security or collateral, liquidate it, and apply the proceeds to your debt through the exercise of a power of sale in the security instrument or a foreclosure. The Corporation will not follow the procedures in this paragraph (h) if the cost of disposing of the collateral will be disproportionate to its value.

§ 2506.16 What will the notice tell me about my opportunity for review of my debt?

The notice provided by the Corporation under §§ 2506.14 and 2506.15 will also advise you of the opportunity to obtain a review within the Corporation concerning the existence or amount of the debt or the proposed schedule for offset of Federal employee salary payments. The notice will also advise you of the following:

(a) The name, address, and telephone number of a Corporation official whom you may contact concerning procedures for requesting a review;

(b) The method and time period for requesting a review;

(c) That the filing of a request for a review on or before the 60th day following the date of the notice will stay the commencement of collection proceedings;

(d) The name and address of the Corporation official to whom you should send the request for a review;

(e) That a final decision on the review (if one is requested) will be issued

in writing at the earliest practical date, but not later than 60 days after the receipt of the request for a review, unless you request, and the review official grants, a delay in the proceedings;

(f) That any knowingly false or frivolous statements, representations, or evidence may subject you to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(2) Penalties under the False Claims Act (31 U.S.C. 3729-3733) or any other applicable statutory authority; and

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority;

(g) Any other rights available to you to dispute the validity of the debt or to have recovery of the debt waived, or remedies available to you under statutes or regulations governing the program for which the collection is being made; and

(h) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt that are later waived or found not owed will be promptly refunded to you.

§ 2506.17 What must I do to obtain a review of my debt, and how will the review process work?

(a) *Request for review.* (1) You have the right to request a review by the Corporation of the existence or the amount of your debt, the proposed schedule for offset of Federal employee salary payments, or whether the debt is past due or legally enforceable. If you want a review, you must send a written request to the Corporation official designated in the notice (*see* § 2506.16(d)).

(2) You must sign your request for review and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses that support your position. Your request for review should be accompanied by available evidence to support your contentions.

(3) Your request for review must be received by the designated officer or employee of the Corporation on or before the 60th calendar day following the date of the notice. Timely filing

§ 2506.17

will stay the commencement of collection procedures. The Corporation may consider requests filed after the 60-day period provided for in this section if you:

(i) Can show that the delay was the result of circumstances beyond your control; or

(ii) Did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) *Inspection of the Corporation records related to the debt.* (1) If you want to inspect or copy the Corporation records related to the debt (see §2506.14(a)(5)), you must send a letter to the Corporation official designated in the notice. Your letter must be received within 30 days of the date of the notice.

(2) In response to the timely request described in paragraph (b)(1) of this section, the designated Corporation official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection of the Corporation records related to the debt is impractical, reasonable arrangements will be made to send you copies of those records.

(c) *Review official.* (1) When required by Federal law or regulation, such as in a salary offset situation, the Corporation will request an administrative law judge, or hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's final decision (see paragraph (f) of this section for content of the review decision).

(2) When Federal law or regulation does not require the Corporation to have the review conducted by an administrative law judge, or by a hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, the Corporation has the right to appoint a hearing official to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's

45 CFR Ch. XXV (10–1–12 Edition)

final decision (see paragraph (f) of this section for the content of the review decision).

(d) *Review procedure.* If you request a review, the review official will notify you of the form of the review to be provided. The review official will determine whether an oral hearing is required, or if a review of the written record is sufficient, in accordance with the FCCS. Although you may request an oral hearing, such a hearing is required only when a review of the documentary evidence cannot determine the question of indebtedness, such as when the validity of the debt turns on an issue of credibility or truthfulness. In either case, the review official will conduct the review in accordance with the FCCS. If the review will include an oral hearing, the notice sent to you by the review official will set forth the date, time, and location of the hearing.

(e) *Date of decision.* (1) The review official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing. This decision will be issued as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request, and the review official grants, a delay in the proceedings.

(2) If the Corporation is unable to issue a decision within 60 days after the receipt of the request for a hearing:

(i) The Corporation may not issue a withholding order or take other action until the review (in whatever form) is held and a decision is rendered; and

(ii) If the Corporation previously issued a withholding order to the debtor's employer, the Corporation must suspend the withholding order beginning on the 61st day after the receipt of the review request and continuing until a review (in whatever form) is held and a decision is rendered.

(f) *Content of review decision.* The review official will prepare a written decision that includes:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The review official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedule, if applicable.

Corporation for National and Community Service

§ 2506.19

(g) *Interest, penalty charge, and administrative cost accrual during review period.* Interest, penalty charges, and administrative costs authorized by law will continue to accrue during the review period.

§ 2506.18 What interest, penalty charges, and administrative costs will I have to pay on a debt owed to the Corporation?

(a) *Interest.* (1) The Corporation will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Corporation will not recover interest if you pay the debt within 30 days of the date on which interest begins to accrue. The Corporation will assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717, unless a different rate is either necessary to protect the interests of the Corporation or established by a contract, repayment agreement, or statute. The Corporation will notify you of the basis for its finding when a different rate is necessary to protect the interests of the Corporation.

(3) The Chief Executive Officer may extend the 30-day period for payment without interest when he or she determines that such action is in the best interest of the Corporation. A decision to extend or not to extend the payment period is final and is not subject to further review.

(b) *Penalty.* The Corporation will assess a penalty charge of 6 percent a year on any portion of a debt that is delinquent for more than 90 days.

(c) *Administrative costs.* The Corporation will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Corporation.

(d) *Allocation of payments.* A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(e) *Additional authority.* The Corporation may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(f) *Waiver.* (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty charges, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, and unless otherwise stated in these regulations, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer's decision to waive or not waive collection of these charges is final and is not subject to further review.

§ 2506.19 How can I resolve my debt through voluntary repayment?

(a) In response to a notice of debt, you may propose to the Corporation that you be allowed to repay the debt through a voluntary repayment agreement in lieu of the Corporation taking other collection actions under this part.

(b) Your request to enter into a voluntary repayment agreement must:

- (1) Be in writing;
- (2) Admit the existence of the debt; and
- (3) Either propose payment of the debt (together with interest, penalty charges, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(c) The Corporation will collect debts in one lump sum whenever feasible. However, if you are unable to pay your debt in one lump sum, the Corporation

§ 2506.20

may accept payment in regular installments that bear a reasonable relationship to the size of the debt and your ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the debt in three years or less.

(d) The Corporation will consider a request to enter into a voluntary repayment agreement in accordance with the FCCS. The Chief Executive Officer may request additional information from you, including financial statements if you request to make payments in installments, in order to determine whether to accept a voluntary repayment agreement. It is within the Chief Executive Officer's discretion to accept a repayment agreement instead of proceeding with other collection actions under this part, and to set the necessary terms of any voluntary repayment agreement. No repayment agreement will be binding on the Corporation unless it is in writing and signed by both you and the Chief Executive Officer. At the Corporation's option, you may be required to provide security as part of the agreement to make payments in installments. Notwithstanding the provisions of this section, 31 U.S.C. 3711 will govern any reduction or compromise of a debt.

§ 2506.20 What is the extent of the Chief Executive Officer's authority to compromise debts owed to the Corporation, or to suspend or terminate collection action on such debts?

(a) The Chief Executive Officer may compromise, suspend, or terminate collection action on those debts owed to the Corporation that do not exceed \$100,000 excluding interest, in conformity with the Federal Claims Collection Act of 1966, as amended. The Corporation will follow the policies in § 902.2 of the FCCS.

(b) The uncollected portion of a debt owed to the Corporation that is not recovered as the result of a compromise will be reported to the Internal Revenue Service (IRS) as income to the debtor in accordance with IRS procedures if this uncollected amount is at least \$600.00.

45 CFR Ch. XXV (10–1–12 Edition)

§ 2506.21 May the Corporation's failure to comply with these regulations be used as a defense to a debt?

No, the failure of the Corporation to comply with any standard in the FCCS or these regulations will not be available to any debtor as a defense.

Subpart C—Salary Offset

§ 2506.30 What debts are included or excluded from coverage of these regulations on salary offset?

(a) The regulations in this subpart provide the Corporation procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Corporation or to other Federal agencies.

(b) The regulations in this subpart do not apply to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the Federal Claims Collection Act of 1966, as amended, or the FCCS.

(d) A levy imposed under the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

§ 2506.31 May I ask the Corporation to waive an overpayment that otherwise would be collected by offsetting my salary as a Federal employee?

Yes, the regulations in this subpart do not preclude you from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory provisions pertaining to the particular debts being collected.

§ 2506.32 What are the Corporation's procedures for salary offset?

(a) The Corporation will coordinate salary deductions under this subpart as appropriate.

(b) If you are a Corporation employee who owes a debt to the Corporation, the Corporation's payroll office in Human Resources will determine the amount of your disposable pay and will implement the salary offset.

Corporation for National and Community Service

§ 2506.33

(c) Deductions will begin within three official pay periods following receipt by the Corporation's payroll office of certification of debt from the creditor agency.

(d) The Notice provisions of these regulations do not apply to certain debts arising under this section (see § 2506.14(c)).

(e) Types of collection. (1) *Lump-sum offset*. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions*. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and your ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless you have agreed in writing to the deduction of a greater amount. If possible, installment payments will be sufficient in size and frequency to liquidate the debt in three years or less.

(3) *Deductions from final check*. A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the FCCS in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources*. If an employee subject to salary offset is separated from the Corporation and the balance of the debt cannot be liquidated by offset of the final salary check, the Corporation may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the FCCS.

(f) *Multiple debts*. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Corporation's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

§ 2506.33 How will the Corporation coordinate salary offsets with other agencies?

(a) *Responsibilities of the Corporation as the creditor agency (i.e. when the debtor owes a debt to the Corporation and is an employee of another agency)*. Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514 and 31 U.S.C. 3716, the Corporation must submit a claim to a paying agency or disbursing official.

(1) In its claim, the Corporation must certify, in writing, the following:

- (i) That the employee owes the debt;
- (ii) The amount and basis of the debt;
- (iii) The date the Corporation's right to collect the debt first accrued;
- (iv) That the Corporation's regulations in this subpart have been approved by OPM under 5 CFR part 550, subpart K; and

(v) That the Corporation has met the certification requirements of the paying agency.

(2) If the collection must be made in installments, the Corporation's claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Corporation may also advise the paying agency of the number of installments to be collected and the date of the first installment, if that date is other than the next officially established pay period.

(3) The Corporation will also include in its claim:

- (i) The employee's written consent to the salary offset;
- (ii) The employee's signed statement acknowledging receipt of the procedures required by 5 U.S.C. 5514; or
- (iii) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the actions taken and the dates of those actions.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Corporation must submit its claim to the paying agency or disbursing official for collection under 31 U.S.C. 3716. The paying agency will (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), certify the total amount of its collection on the debt and notify the employee and the

§ 2506.34

Corporation. If the paying agency's collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal government sources, then (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim under this paragraph (a)(4) to the agency responsible for making the other payments before the collection can be made.

(5) If the employee is already separated and all payments due from his or her former paying agency have been paid, the Corporation may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be administratively offset to collect the debt.

(6) *Employee transfer.* When an employee transfers from one paying agency to another paying agency, the Corporation will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Corporation will submit a properly certified claim to the new paying agency and will subsequently review the debt to ensure that the collection is resumed by the new paying agency.

(b) *Responsibilities of the Corporation as the paying agency (i.e., when the debtor owes a debt to another agency and is an employee of the Corporation).* (1) Complete claim. When the Corporation receives a certified claim from a creditor agency (under the creditor agency's regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin,

45 CFR Ch. XXV (10-1-12 Edition)

the Corporation sends the employee a written notice containing:

(i) A statement that the Corporation has received a certified claim from the creditor agency;

(ii) The amount of the debt;

(iii) The date salary offset deductions will begin; and

(iv) The amount of such deductions.

(2) Incomplete claim. When the Corporation receives an incomplete certification of debt from a creditor agency, the Corporation will return the claim with a notice that the creditor agency must:

(i) Comply with the procedures required under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and

(ii) Properly certify a claim to the Corporation before the Corporation will take action to collect from the employee's current pay account.

(3) The Corporation is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from the Corporation to another paying agency. If, after the creditor agency has submitted the claim to the Corporation, the employee transfers from the Corporation to a different paying agency before the debt is collected in full, the Corporation will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 2506.34 Under what conditions will the Corporation make a refund of amounts collected by salary offset?

(a) If the Corporation is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed (unless expressly prohibited by statute or regulation); or

(2) An administrative or judicial order directs the Corporation to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.

Corporation for National and Community Service

§ 2506.41

§ 2506.35 Will the collection of a debt by salary offset act as a waiver of my rights to dispute the claimed debt?

No, your involuntary payment of all or any portion of a debt under this subpart will not be construed as a waiver of any rights that you may have under 5 U.S.C. 5514 or other provisions of a law or written contract, unless there are statutory or contractual provisions to the contrary.

Subpart D—Tax Refund Offset

§ 2506.40 Which debts can the Corporation refer to Treasury for collection by offsetting tax refunds?

(a) The regulations in this subpart implement 31 U.S.C. 3720A, which authorizes the Treasury to reduce a tax refund by the amount of a past-due, legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due, legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation and:

- (1) Is at least \$25.00;
- (2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;
- (3) With respect to which the Corporation has:
 - (i) Given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable;
 - (ii) Considered evidence presented by the debtor; and
 - (iii) Determined that an amount of the debt is past due and legally enforceable;
- (4) With respect to which the Corporation has notified or has made a reasonable attempt to notify the debtor that:
 - (i) The debt is past due, and
 - (ii) Unless repaid within 60 days of the date of the notice, the debt may be referred to the Treasury for offset against any refund of overpayment of tax; and
 - (5) All other requirements of 31 U.S.C. 3720A and the Treasury regulations relating to the eligibility of a

debt for tax return offset (31 CFR 285.2) have been satisfied.

§ 2506.41 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Corporation's Accounting and Financial Management Services Division will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit to the Treasury a notification of a taxpayer's liability for past-due legally enforceable debt. This notification will contain the following:

- (1) The name and taxpayer identification number of the debtor;
- (2) The amount of the past-due and legally enforceable debt;
- (3) The date on which the original debt became past due;
- (4) A statement certifying that, with respect to each debt reported, all of the requirements of § 2506.40(b) have been satisfied; and
- (5) Any other information as prescribed by Treasury.

(d) For purposes of this section, notice that collection of the debt is stayed by a bankruptcy proceeding involving the debtor will bar referral of the debt to the Treasury.

(e) The Corporation will promptly notify the Treasury to correct data when the Corporation:

- (1) Determines that an error has been made with respect to a debt that has been referred;
- (2) Receives or credits a payment on the debt; or
- (3) Receives notice that the person owing the debt has filed for bankruptcy under title 11 of the United States Code and the automatic stay is in effect or has been adjudicated bankrupt and the debt has been discharged.

(f) When advising debtors of the Corporation's intent to refer a debt to the Treasury for offset, the Corporation will also advise debtors of remedial actions (*see* §§ 2506.9 and 2506.14 through 2506.16 of this part) available to defer

§ 2506.50

the offset or prevent it from taking place.

Subpart E—Administrative Offset

§ 2506.50 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other Federal agency) by offsetting the debt against payments that the Corporation (or some other Federal agency) owes me?

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another Federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation will carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards. The regulations in this subpart are intended only to supplement the provisions of the FCCS.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset only after giving you:

(1) Written notice of the type and amount of the debt, the intention of the Chief Executive Officer to collect the debt by administrative offset, and an explanation of the rights of the debtor;

(2) An opportunity to inspect and copy the records of the Corporation related to the debt;

(3) An opportunity for a review within the Corporation of the decision of the Corporation related to the debt; and

(4) An opportunity to make a written agreement with the Chief Executive Officer to repay the amount of the debt.

(c) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years, unless facts material to the Corporation's or the requesting Federal agency's right to collect the debt were not known, and reasonably could not

45 CFR Ch. XXV (10–1–12 Edition)

have been known, by the official or officials responsible for discovering and collecting the debt.

(d) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly prohibited by statute; or

(2) Debts owed to the Corporation by Federal agencies.

§ 2506.51 How will the Corporation request that my debt to the Corporation be collected by offset against some payment that another Federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another Federal agency instead be paid to the Corporation to satisfy a debt you owe to the Corporation. The Corporation will refer debts to the Treasury for centralized administrative offset in accordance with the FCCS and the procedures established by the Treasury. Where centralized offset is not available or appropriate, the Corporation may request offset directly from the Federal agency that is holding funds for you. In requesting administrative offset, the Corporation will certify in writing to the Federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, the applicable administrative offset regulations of the agency holding the funds, and the applicable provisions of the FCCS with respect to providing you with due process.

§ 2506.52 What procedures will the Corporation use to collect amounts I owe to a Federal agency by offsetting a payment that the Corporation would otherwise make to me?

(a) Any Federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency stating:

(i) That you owe the debt;

Corporation for National and Community Service

Pt. 2507

(ii) The amount and basis of the debt;
(iii) That the agency has prescribed regulations for the exercise of administrative offset; and

(iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of the FCCS, including providing you with any required hearing or review; and

(2) A determination by the Chief Executive Officer that offsetting funds payable to you by the Corporation in order to collect a debt owed by you would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

(b) *Multiple debts.* In instances where two or more creditor agencies are seeking administrative offsets, or where two or more debts are owed to a single creditor agency, the Corporation may, in its discretion, allocate the amount it owes to you to the creditor agencies in accordance with the best interest of the United States as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 2506.53 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.51 and 2506.52 if failure to take the offset would substantially jeopardize the Corporation's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be followed promptly by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the United States, will be promptly refunded.

§ 2506.54 Can a judgment I have obtained against the United States be used to satisfy a debt that I owe to the Corporation?

Yes. Collection by offset against a judgment obtained by a debtor against the United States will be accomplished

in accordance with 31 U.S.C. 3728 and 31 U.S.C. 3716.

Subpart F—Administrative Wage Garnishment

§ 2506.55 How will the Corporation collect debts through Administrative Wage Garnishment?

The Corporation will collect debts through Administrative Wage Garnishment in accordance with the Administrative Wage Garnishment regulations issued by the Treasury. The Corporation adopts, for purposes of this subpart, the Treasury's Administrative Wage Garnishment regulations in 31 CFR 285.11. This procedure allows the Corporation to garnish the disposable pay of a debtor without first obtaining a court order.

§ 2507.1

45 CFR Ch. XXV (10–1–12 Edition)

§ 2507.1 Definitions.

As used in this part, the following definitions shall apply:

(a) *Act* means section 552 of Title 5, United States Code, sometimes referred to as the “Freedom of Information Act”, and Pub. L. 104–231, 110 Stat. 3048, sometimes referred to as the “Electronic Freedom of Information Act Amendments of 1996.”

(b) *Agency* means any executive department, military department, government corporation, or other establishment in the executive branch of the Federal Government, or any independent regulatory agency. Thus, the Corporation is a Federal agency.

(c) *Commercial use request* means a request from, or on behalf of, a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The use to which the requester will put the records sought will be considered in determining whether the request is a commercial use request.

(d) *Corporation* means the Corporation for National and Community Service.

(e) *Educational institution* means a pre-school, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education, which operates a program of scholarly research.

(f) *Electronic data* means records and information (including e-mail) which are created, stored, and retrievable by electronic means.

(g) *Freedom of Information Act Officer (FOIA Officer)* means the Corporation official who has been delegated the authority to make the initial determination on whether to release or withhold records, and to assess, waive, or reduce fees in response to FOIA requests.

(h) *Non-commercial scientific institution* means an institution that is not operated substantially for purposes of furthering its own or someone else’s business trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry.

(i) *Public interest* means the interest in obtaining official information that sheds light on an agency’s performance of its statutory duties because the information falls within the statutory purpose of the FOIA to inform citizens about what their government is doing.

(j) *Record* includes books, brochures, electronic mail messages, punch cards, magnetic tapes, cards, discs, paper tapes, audio or video recordings, maps, pamphlets, photographs, slides, microfilm, and motion pictures, or other documentary materials, regardless of physical form or characteristics, made or received by the Corporation pursuant to Federal law or in connection with the transaction of public business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, programs, or other activities. Record does not include objects or articles such as tangible exhibits, models, equipment, or processing materials; or formulas, designs, drawings, or other items of valuable property. Record does not include books, magazines, pamphlets or other materials acquired solely for reference purposes. Record does not include personal records of an individual not subject to agency creation or retention requirements, created and maintained primarily for the convenience of an agency employee, and not distributed to other agency employees for their official use. Record does not include information stored within a computer for which there is no existing computer program for retrieval of the requested information. A record must exist and be in the possession and control of the Corporation at the time of the request to be considered subject to this part and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request. See § 2507.5(d) with respect to creating a record in the electronic environment.

(k) *Representative of the news media* means a person who is actively gathering information for an entity organized to publish, broadcast or otherwise disseminate news to the public. News media entities include television and radio broadcasters, publishers of periodicals who distribute their products to the general public or who make their products available for purchase or

Corporation for National and Community Service

§ 2507.3

subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). Freelance journalists will be treated as representatives of a new media entity if they can show a likelihood of publication through such an entity. A publication contract would be the clearest proof, but the Corporation may also look to the past publication record of a requester in making this determination.

(l) *FOIA request* means a written request for Corporation records, made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business, but not including a Federal agency, an order from a court, or a fugitive from the law, that either explicitly or implicitly involves the FOIA, or this part. Written requests may be received by postal service or by facsimile.

(m) *Review* means the process of examining records located in response to a request to determine whether any record or portion of a record is permitted to be withheld. It also includes processing records for disclosure (i.e., excising portions not subject to disclosure under the Act and otherwise preparing them for release). Review does not include time spent resolving legal or policy issues regarding the application of exemptions under the Act.

(n) *Search* means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also page-by-page and line-by-line examination to identify responsive portions of a document. However, it does not include line-by-line examination where merely duplicating the entire page would be a less expensive and quicker way to comply with the request.

§ 2507.2 What is the purpose of this part?

The purpose of this part is to prescribe rules for the inspection and release of records of the Corporation for National and Community Service pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, as amended. Information customarily furnished to the public in the regular course of the Corporation's official business, whether hard copy or electronic records which

are available to the public through an established distribution system, or through the FEDERAL REGISTER, the National Technical Information Service, or the Internet, may continue to be furnished without processing under the provisions of the FOIA or complying with this part.

§ 2507.3 What types of records are available for disclosure to the public?

(a) (1) The Corporation will make available to any member of the public who requests them, the following Corporation records:

(i) All publications and other documents provided by the Corporation to the public in the normal course of agency business will continue to be made available upon request to the Corporation;

(ii) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases;

(iii) Statements of policy and interpretation adopted by the agency and not published in the FEDERAL REGISTER;

(iv) Administrative staff manuals and instructions to the staff that affect a member of the public; and

(v) Copies of all records, regardless of form or format, which, because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records.

(2) Copies of a current index of the materials in paragraphs (a)(1)(i) through (v) of this section that are maintained by the Corporation, or any portion thereof, will be furnished or made available for inspection upon request.

(b) To the extent necessary to prevent a clearly unwarranted invasion of personal privacy, the Corporation may delete identifying details from materials furnished under this part.

(c) Brochures, leaflets, and other similar published materials shall be furnished to the public on request to the extent they are available. Copies of any such materials which are out of print shall be furnished to the public at

§ 2507.4

the cost of duplication, provided, however, that, in the event no copy exists, the Corporation shall not be responsible for reprinting the document.

(d) All records of the Corporation which are requested by a member of the public in accordance with the procedures established in this part shall be duplicated for the requester, except to the extent that the Corporation determines that such records are exempt from disclosure under the Act.

(e) The Corporation will not be required to create new records, compile lists of selected items from its files, or provide a requester with statistical or other data (unless such data has been compiled previously and is available in the form of a record.)

(f) These records will be made available for public inspection and copying in the Corporation's reading room located at the Corporation for National and Community Service, 1201 New York Avenue, NW., Room 8200, Washington, D.C. 20525, during the hours of 9:30 a.m. to 4:00 p.m., Monday through Friday, except on official holidays.

(g) Corporation records will be made available to the public unless it is determined that such records should be withheld from disclosure under subsection 552(b) of the Act and or in accordance with this part.

§ 2507.4 How are requests for records made?

(a) *How made and addressed.* (1) Requests for Corporation records under the Act must be made in writing, and can be mailed, hand-delivered, or received by facsimile, to the FOIA Officer, Corporation for National and Community Service, Office of the General Counsel, 1201 New York Avenue, N.W., Room 8200, Washington, D.C. 20525. (See Appendix A for an example of a FOIA request.) All such requests, and the envelopes in which they are sent, must be plainly marked "FOIA Request". Hand-delivered requests will be received between 9 a.m. and 4 p.m., Monday through Friday, except on official holidays. Although the Corporation maintains offices throughout the continental United States, all FOIA requests must be submitted to the Corporation's Headquarters office in Washington, DC.

45 CFR Ch. XXV (10-1-12 Edition)

(2) Corporation records that are available in the Corporation's reading room will also be made available for public access through the Corporation's "electronic reading room" internet site under "Resource Links". The following address is the Corporation's Internet Web site: <http://www.nationalservice.org>.

(b) *Request must adequately describe the records sought.* A request must describe the records sought in sufficient detail to enable Corporation personnel to locate the records with reasonable effort, and without unreasonable burden to or disruption of Corporation operations. Among the kinds of identifying information which a requester may provide are the following:

(1) The name of the specific program within the Corporation which may have produced or may have custody of the record (e.g., AmeriCorps*State/National Direct, AmeriCorps*NCCC (National Civilian Community Corps), AmeriCorps*VISTA (Volunteers In Service To America), Learn and Serve America, National Senior Service Corps (NSSC), Retired and Senior Volunteer Program (RSVP), Foster Grandparent Program (FGP), Senior Companion Program (SCP), and HUD Hope VI);

(2) The specific event or action, if any, to which the record pertains;

(3) The date of the record, or an approximate time period to which it refers or relates;

(4) The type of record (e.g. contract, grant or report);

(5) The name(s) of Corporation personnel who may have prepared or been referenced in the record; and

(6) Citation to newspapers or other publications which refer to the record.

(c) *Agreement to pay fees.* The filing of a request under this section shall be deemed to constitute an agreement by the requester to pay all applicable fees, up to \$25.00, unless a waiver of fees is sought in the request letter. When filing a request, a requester may agree to pay a greater amount, if applicable. (See § 2507.8 for further information on fees.)

Corporation for National and Community Service

§ 2507.5

§ 2507.5 How does the Corporation process requests for records?

(a) *Initial processing.* Upon receipt of a request for agency records, the FOIA Officer will make an initial determination as to whether the requester has reasonably described the records being sought with sufficient specificity to determine which Corporation office may have possession of the requested records. The office head or his or her designees shall determine whether the description of the record(s) requested is sufficient to permit a determination as to existence, identification, and location. It is the responsibility of the FOIA Officer to provide guidance and assistance to the Corporation staff regarding all FOIA policies and procedures. All requests for records under the control and jurisdiction of the Office of the Inspector General will be forwarded to the Inspector General, through the FOIA Officer, for the Corporation's initial determination and reply to the requester.

(b) *Insufficiently identified records.* On making a determination that the description contained in the request does not reasonably describe the records being sought, the FOIA Officer shall promptly advise the requester in writing or by telephone if possible. The FOIA Officer shall provide the requester with appropriate assistance to help the requester provide any additional information which would better identify the record. The requester may submit an amended request providing the necessary additional identifying information. Receipt of an amended request shall start a new 20 day period in which the Corporation will respond to the request.

(c) *Furnishing records.* The Corporation is required to furnish only copies of what it has or can retrieve. It is not compelled to create new records or do statistical computations. For example, the Corporation is not required to write a new program so that a computer will print information in a special format. However, if the requested information is maintained in computerized form, and it is possible, without inconvenience or unreasonable burden, to produce the information on paper, the Corporation will do this if this is the only feasible way to respond to a

request. The Corporation is not required to perform any research for the requester. The Corporation reserves the right to make a decision to conserve government resources and at the same time supply the records requested by consolidating information from various records rather than duplicating all of them. For example, if it requires less time and expense to provide a computer record as a paper printout rather than in an electronic medium, the Corporation will provide the printout. The Corporation is only required to furnish one copy of a record.

(d) *Format of the disclosure of a record.* The requester, not the Corporation, will be entitled to choose the form of disclosure when multiple forms of a record already exist. Any further request for a record to be disclosed in a new form or format will have to be considered by the Corporation, on a case-by-case basis, to determine whether the records are "readily reproducible" in that form or format with "reasonable efforts" on the part of the Corporation. The Corporation shall make reasonable efforts to maintain its records in forms or formats that are reproducible for purposes of replying to a FOIA request.

(e) *Release of record.* Upon receipt of a request specifically identifying existing Corporation records, the Corporation shall, within 20 days (excepting Saturdays, Sundays, and legal public holidays), either grant or deny the request in whole or in part, as provided in this section. Any notice of denial in whole or in part shall require the FOIA Officer to inform the requester of his/her right to appeal the denial, in accordance with the procedures set forth in § 2507.7. If the FOIA Officer determines that a request describes a requested record sufficiently to permit its identification, he/she shall make it available unless he/she determines, as appropriate, to withhold the record as being exempt from mandatory disclosure under the Act.

(f) *Form and content of notice granting a request.* The Corporation shall provide written notice of a determination to grant access within 20 days (excepting Saturdays, Sundays, and legal public holidays) of receipt of the request. This will be done either by providing a copy

§ 2507.6

of the record to the requester or by making the record available for inspection at a reasonable time and place. If the record cannot be provided at the time of the initial response, the Corporation shall make such records available promptly. Records disclosed in part shall be marked or annotated to show both the amount and the location of the information deleted wherever practicable.

(g) *Form and content of notice denying request.* The Corporation shall notify the requester in writing of the denial of access within 20 days (excepting Saturdays, Sundays, and legal public holidays) of receipt of the request. Such notice shall include:

(1) The name and title or position of the person responsible for the denial;

(2) A brief statement of the reason(s) for denial, including the specific exemption(s) under the Act on which the Corporation has relied in denying each document that was requested;

(3) A statement that the denial may be appealed under § 2507.7, and a description of the requirements of that § 2507.7;

(4) An estimate of the volume of records or information withheld, in number of pages or in some other reasonable form of estimation. This estimate does not need to be provided if the volume is otherwise indicated through deletions on records disclosed in part, or if providing an estimate would harm an interest protected by an applicable exemption.

§ 2507.6 Under what circumstances may the Corporation extend the time limits for an initial response?

The time limits specified for the Corporation's initial response in § 2507.5, and for its determination on an appeal in § 2507.7, may be extended by the Corporation upon written notice to the requester which sets forth the reasons for such extension and the date upon which the Corporation will respond to the request. Such extension may be applied at either the initial response stage or the appeal stage, or both, provided the aggregate of such extensions shall not exceed ten working days. Circumstances justifying an extension under this section may include the following:

45 CFR Ch. XXV (10-1-12 Edition)

(a) Time necessary to search for and collect requested records from field offices of the Corporation;

(b) Time necessary to locate, collect and review voluminous records; or

(c) Time necessary for consultation with another agency having an interest in the request; or among two or more offices of the Corporation which have an interest in the request; or with a submitter of business information having an interest in the request.

§ 2507.7 How does one appeal the Corporation's denial of access to records?

(a) *Right of appeal.* A requester has the right to appeal a partial or full denial of an FOIA request. The appeal must be put in writing and sent to the reviewing official identified in the denial letter. The requester must send the appeal within 60 days of the letter denying the appeal.

(b) *Contents of appeal.* The written appeal may include as much or as little information as the requester wishes for the basis of the appeal.

(c) *Review process.* The Chief Operating Officer (COO) is the designated official to act on all FOIA appeals. The COO's determination of an appeal constitutes the Corporation's final action. If the appeal is granted, in whole or in part, the records will be made available for inspection or sent to the requester, promptly, unless a reasonable delay is justified. If the appeal is denied, in whole or in part, the COO will state the reasons for the decision in writing, providing notice of the right to judicial review. A decision will be made on the appeal within 20 days (excepting Saturdays, Sundays, and legal public holidays), from the date the appeal was received by the COO.

(d) *When appeal is required.* If a requester wishes to seek review by a court of an unfavorable determination, an appeal must first be submitted under this section.

§ 2507.8 How are fees determined?

(a) *Policy.* It is the policy of the Corporation to provide the widest possible access to releasable Corporation records at the least possible cost. The purpose of the request is relevant to the fees charged.

Corporation for National and Community Service

§ 2507.8

(b) *Types of request.* Fees will be determined by category of requests as follows:

(1) *Commercial use requests.* When a request for records is made for commercial use, charges will be assessed to cover the costs of searching for, reviewing for release, and reproducing the records sought.

(2) *Requests for educational and non-commercial scientific institutions.* When a request for records is made by an educational or non-commercial scientific institution in furtherance of scholarly or scientific research, respectively, charges may be assessed to cover the cost of reproduction alone, excluding charges for reproduction of the first 100 pages. Whenever the total fee calculated is \$18.00 or less, no fee shall be charged.

(3) *Requests from representatives of the news media.* When a request for records is made by a representative of the news media for the purpose of news dissemination, charges may be assessed to cover the cost of reproduction alone, excluding the charges for reproduction of the first 100 pages. Whenever the total fee calculated is \$18.00 or less, no fee shall be charged.

(4) *Other requests.* When other requests for records are made which do not fit the three preceding categories, charges will be assessed to cover the costs of searching for and reproducing the records sought, excluding charges for the first two hours of search time and for reproduction of the first 100 pages. (However, requests from individuals for records about themselves contained in the Agency's systems of records will be treated under the fee provisions of the Privacy Act of 1974 (5 U.S.C. 552a) which permit the assessment of fees for reproduction costs only, regardless of the requester's characterization of the request.) Whenever the total fee calculated is \$18.00 or less, no fee shall be charged to the requester.

(c) *Direct costs.* Fees assessed shall provide only for recovery of the Corporation's direct costs of search, review, and reproduction. Review costs shall include only the direct costs incurred during the initial examination of a record for the purposes of determining whether a record must be dis-

closed under this part and whether any portion of a record is exempt from disclosure under this part. Review costs shall not include any costs incurred in resolving legal or policy issues raised in the course of processing a request or an appeal under this part.

(d) *Charging of fees.* The following charges may be assessed for copies of records provided to a requester:

(1) Copies made by photostat shall be charged at the rate of \$0.10 per page.

(2) Searches for requested records performed by clerical/administrative personnel shall be charged at the rate of \$4.00 per quarter hour.

(3) Where a search for requested records cannot be performed by clerical administrative personnel (for example, where the tasks of identifying and compiling records responsive to a request must be performed by a skilled technician or professional), such search shall be charged at the rate of \$7.00 per quarter hour.

(4) Where the time of managerial personnel is required, the fee shall be \$10.25 for each quarter hour of time spent by such managerial personnel.

(5) Computer searches for requested records shall be charged at a rate commensurate with the combined cost of computer operation and operator's salary attributable to the search.

(6) *Charges for non-release.* Charges may be assessed for search and review time, even if the Corporation fails to locate records responsive to a request or if records located are determined to be exempt from disclosure.

(e) *Consent to pay fees.* In the event that a request for records does not state that the requester will pay all reasonable costs, or costs up to a specified dollar amount, and the FOIA Officer determines that the anticipated assessable costs for search, review and reproduction of requested records will exceed \$25.00, or will exceed the limit specified in the request, the requester shall be promptly notified in writing. Such notification shall state the anticipated assessable costs of search, review and reproduction of records requested. The requester shall be afforded an opportunity to amend the request to narrow the scope of the request, or, alternatively, may agree to

§ 2507.8

be responsible for paying the anticipated costs. Such a request shall be deemed to have been received by the Corporation upon the date of receipt of the amended request.

(f) *Advance payment.* (1) Advance payment of assessable fees are not required from a requester unless:

(i) The Corporation estimates or determines that assessable charges are likely to exceed \$250.00, and the requester has no history of payment of FOIA fees. (Where the requester has a history of prompt payment of fees, the Corporation shall notify the requester of the likely cost and obtain written assurance of full payment.)

(ii) A requester has previously failed to pay a FOIA fee charged in a timely fashion (i.e., within 30 days of the date of the billing).

(2) When the Corporation acts under paragraphs (f)(1)(i) or (ii) of this section, the administrative time limits prescribed in §2507.5(a) and (b) will begin to run only after the Corporation has received fee payments or assurances.

(g) *Interest on non-payment.* Interest charges on an unpaid bill may be assessed starting on the 31st day following the day on which the billing was sent. Interest will be assessed at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing. The Corporation may use the authorization of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as amended, and its administrative procedures, including disclosure to consumer reporting agencies and the use of collection agencies, to encourage payment of delinquent fees.

(h) *Aggregating requests.* Where the Corporation reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the Corporation may aggregate those requests and charge accordingly. The Corporation may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees. Where requests are separated by a longer period, the Corporation will aggregate them only where there exists a solid basis for determining that aggregation is warranted under the cir-

45 CFR Ch. XXV (10-1-12 Edition)

cumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(i) *Making payment.* Payment of fees shall be forwarded to the FOIA Officer by check or money order payable to "Corporation for National and Community Service". A receipt for any fees paid will be provided upon written request.

(j) *Fee processing.* No fee shall be charged if the administrative costs of collection and processing of such fees are equal to or do not exceed the amount of the fee.

(k) *Waiver or reduction of fees.* A requester may, in the original request, or subsequently, apply for a waiver or reduction of document search, review and reproduction fees. Such application shall be in writing, and shall set forth in detail the reason(s) a fee waiver or reduction should be granted. The amount of any reduction requested shall be specified in the request. Upon receipt of such a request, the FOIA Officer will determine whether a fee waiver or reduction should be granted.

(1) A waiver or reduction of fees shall be granted only if release of the requested information to the requester is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation, and it is not primarily in the commercial interest of the requester. The Corporation shall consider the following factors in determining whether a waiver or reduction of fees will be granted:

(i) Does the requested information concern the operations or activities of the Corporation?

(ii) If so, will disclosure of the information be likely to contribute to public understanding of the Corporation's operations and activities?

(iii) If so, would such a contribution be significant?

(iv) Does the requester have a commercial interest that would be furthered by disclosure of the information?

(v) If so, is the magnitude of the identified commercial interest of the requester sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester?

Corporation for National and Community Service

§ 2507.10

(2) In applying the criteria in paragraph (k)(1) of this section, the Corporation will weigh the requester's commercial interest against any public interest in disclosure. Where there is a public interest in disclosure, and that interest can fairly be regarded as being of greater magnitude than the requester's commercial interest, a fee waiver or reduction may be granted.

(3) When a fee waiver application has been included in a request for records, the request shall not be considered officially received until a determination is made regarding the fee waiver application. Such determination shall be made within five working days from the date any such request is received in writing by the Corporation.

§ 2507.9 What records will be denied disclosure under this part?

Since the policy of the Corporation is to make the maximum amount of information available to the public consistent with its other responsibilities, written requests for a Corporation record made under the provisions of the FOIA may be denied when:

(a) The record is subject to one or more of the exemptions of the FOIA.

(b) The record has not been described clearly enough to enable the Corporation staff to locate it within a reasonable amount of effort by an employee familiar with the files.

(c) The requestor has failed to comply with the procedural requirements, including the agreement to pay any required fee.

(d) For other reasons as required by law, rule, regulation or policy.

§ 2507.10 What records are specifically exempt from disclosure?

Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of portions which are exempt under this section. The following categories are examples of records maintained by the Corporation which, under the provision of 5 U.S.C. 552(b), are exempt from disclosure:

(a) *Records required to be withheld under criteria established by an Executive Order in the interest of national defense and policy and which are in fact properly classified pursuant to any such Executive*

Order. Included in this category are records required by Executive Order No. 12958 (3 CFR, 1995 Comp., p. 333), as amended, to be classified in the interest of national defense or foreign policy.

(b) *Records related solely to internal personnel rules and practices.* Included in this category are internal rules and regulations relating to personnel management operations which cannot be disclosed to the public without substantial prejudice to the effective performance of significant functions of the Corporation.

(c) Records specifically exempted from disclosure by statute.

(d) *Information of a commercial or financial nature including trade secrets given in confidence.* Included in this category are records containing commercial or financial information obtained from any person and customarily regarded as privileged and confidential by the person from whom they were obtained.

(e) *Interagency or intra-agency memoranda or letters which would not be available by law to a party other than a party in litigation with the Corporation.* Included in this category are memoranda, letters, inter-agency and intra-agency communications and internal drafts, opinions and interpretations prepared by staff or consultants and records meant to be used as part of deliberations by staff, or ordinarily used in arriving at policy determinations and decisions.

(f) *Personnel, medical and similar files.* Included in this category are personnel and medical information files of staff, individual national service applicants and participants, lists of names and home addresses, and other files or material containing private or personal information, the public disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.

(g) *Investigatory files.* Included in this category are files compiled for the enforcement of all laws, or prepared in connection with government litigation and adjudicative proceedings, provided however, that such records shall be made available to the extent that their production will not:

§ 2507.11

- (1) Interfere with enforcement proceedings;
- (2) Deprive a person of a right to a fair trial or an impartial adjudication;
- (3) Constitute an unwarranted invasion of personal privacy;
- (4) Disclose the identity of a confidential source, and in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful security intelligence investigation, confidential information furnished by confidential source;
- (5) Disclose investigative techniques and procedures; or
- (6) Endanger the life or physical safety of law enforcement personnel.

§ 2507.11 What are the procedures for the release of commercial business information?

- (a) *Notification of business submitter.* The Corporation shall promptly notify a business submitter of any request for Corporation records containing business information. The notice shall either specifically describe the nature of the business information requested or provide copies of the records, or portions thereof containing the business information.
- (b) *Business submitter reply.* The Corporation shall afford a business submitter 10 working days to object to disclosure, and to provide the Corporation with a written statement specifying the grounds and arguments why the information should be withheld under Exemption (b)(4) of the Act.
- (c) *Considering and balancing respective interests.* (1) The Corporation shall carefully consider and balance the business submitter's objections and specific grounds for nondisclosure against such factors as:
 - (i) The general custom or usage in the occupation or business to which the information relates that it be held confidential; and
 - (ii) The number and situation of the individuals who have access to such information; and
 - (iii) The type and degree of risk of financial injury to be expected if disclosure occurs; and
 - (iv) The length of time such information should be regarded as retaining

45 CFR Ch. XXV (10-1-12 Edition)

- the characteristics noted in paragraphs (c)(1) (i) through (iii) of this section in determining whether to release the requested business information.
- (2)(i) Whenever the Corporation decides to disclose business information over the objection of a business submitter, the Corporation shall forward to the business submitter a written notice of such decision, which shall include:
 - (A) The name, and title or position, of the person responsible for denying the submitter's objection;
 - (B) A statement of the reasons why the business submitter's objection was not sustained;
 - (C) A description of the business information to be disclosed; and
 - (D) A specific disclosure date.
 - (ii) The notice of intent to disclose business information shall be mailed by the Corporation not less than six working days prior to the date upon which disclosure will occur, with a copy of such notice to the requester.
 - (d) *When notice to business submitter is not required.* The notice to business submitter shall not apply if:
 - (1) The Corporation determines that the information shall not be disclosed;
 - (2) The information has previously been published or otherwise lawfully been made available to the public; or
 - (3) Disclosure of the information is required by law (other than 5 U.S.C. 552).
 - (e) *Notice of suit for release.* Whenever a requester brings suit to compel disclosure of business information, the Corporation shall promptly notify the business submitter.
- § 2507.12 Authority.**
- The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990, as amended (42 U.S.C. 12501 et seq.).

(a) (1) The Corporation will not disclose any record that is contained in its system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of the individual to whom the record pertains, unless disclosure of the record would be:

Such safeguards

Corporation for National and Community Service

§ 2508.11

must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data, and must furthermore minimize, to the extent practicable, the risk that skilled technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(a) *Manual systems.* (1) Records contained in a system of records as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or outside the Corporation.

(2) All records, when not under the personal control of the employees authorized to use the records, must be stored in a locked metal filing cabinet. Some systems of records are not of such confidential nature that their disclosure would constitute a harm to an individual who is the subject of such record. However, records in this category shall also be maintained in locked metal filing cabinets or maintained in a secured room with a locking door.

(3) Access to and use of a system of records shall be permitted only to persons whose duties require such access within the Corporation, for routine uses as defined in §2508.4 as to any given system, or for such other uses as may be provided herein.

(5) Access to areas where a system of records is stored will be limited to those persons whose duties require work in such areas. There shall be an accounting of the removal of any records from such storage areas utilizing a written log, as directed by the Director, Administration and Manage-

ment Services. The written log shall be maintained at all times.

(6) The Corporation shall ensure that all persons whose duties require access to and use of records contained in a system of records are adequately trained to protect the security and privacy of such records.

(7) The disposal and destruction of records within a system of records shall be in accordance with rules promulgated by the General Services Administration.

(b) *Automated systems.* (1) Identifiable personal information may be processed, stored or maintained by automated data systems only where facilities or conditions are adequate to prevent unauthorized access to such systems in any form. Whenever such data, whether contained in punch cards, magnetic tapes or discs, are not under the personal control of an authorized person, such information must be stored in a locked or secured room, or in such other facility having greater safeguards than those provided for herein.

(3) All persons whose duties require access to processing and maintenance of identifiable personal data and automated systems shall be adequately trained in the security and privacy of personal data.

(4) The disposal and disposition of identifiable personal data and automated systems shall be done by shredding, burning or in the case of tapes or discs, degaussing, in accordance with any regulations now or hereafter proposed by the General Services Administration or other appropriate authority.

§ 2508.11 How shall offices maintaining a system of records be accountable for those records to prevent unauthorized disclosure of information?

(a) Each office maintaining a system of records shall account for all records

§ 2508.12

within such system by maintaining a written log in the form prescribed by the Director, Administration and Management Services, containing the following information:

(1) The date, nature, and purpose of each disclosure of a record to any person or to another agency. Disclosures made to employees of the Corporation in the normal course of their duties, or pursuant to the provisions of the Freedom of Information Act, need not be accounted for.

(2) Such accounting shall contain the name and address of the person or agency to whom the disclosure was made.

(3) The accounting shall be maintained in accordance with a system of records approved by the Director, Administration and Management Services, as sufficient for the purpose but in any event sufficient to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(4) The accounting shall reference any justification or basis upon which any release was made including any written documentation required when records are released for statistical or law enforcement purposes under the provisions of subsection (b) of the Privacy Act of 1974 (5 U.S.C. 552a).

(5) For the purpose of this part, the system of accounting for disclosures is not a system of records under the definitions hereof, and need not be maintained within a system of records.

(6) Any subject individual may request access to an accounting of disclosures of a record. The subject individual shall make a request for access to an accounting in accordance with § 2508.13. An individual will be granted access to an accounting of the disclosures of a record in accordance with the procedures of this subpart which govern access to the related record. Access to an accounting of a disclosure of a record made under § 2508.13 may be granted at the discretion of the Director, Administration and Management Services.

§ 2508.12 What are the contents of the systems of record that are to be maintained by the Corporation?

(a) The Corporation shall maintain all records that are used in making de-

45 CFR Ch. XXV (10-1-12 Edition)

terminations about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(b) In situations in which the information may result in adverse determinations about such individual's rights, benefits and privileges under any Federal program, all information placed in a system of records shall, to the greatest extent practicable, be collected from the individual to whom the record pertains.

(3) Determine the effectiveness of different program models.

(b) The Corporation will also determine by June 30, 1995, whether outcomes of service-learning programs are defined and measured appropriately, and the implications of the results from such a study for authorized funding levels.

§ 2521.20 What types of AmeriCorps subtitle C program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants*—(1) *Purpose*. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility*. (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) *Duration*. A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants*—(1) *Purpose*. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) *Eligibility*. (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for operational grants. (c) *Replication Grants*. The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(d) *Training, technical assistance and other special grants*—(1) *Purpose*. The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) *Eligibility*. Eligibility varies and is detailed under 45 CFR part 2524, "Technical Assistance and Other Special Grants."

(3) *Duration*. Grants will be negotiated for a renewable term of up to three years.

§ 2521.30

45 CFR Ch. XXV (10–1–12 Edition)

§ 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:

(a) *Grants to State Applicants.* (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a)(2) or (3) of this section, a State must ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) *Grants to Applicants other than States.* (1) One percent of available funds will be distributed to the U.S. Territories¹ that have applications approved by the Corporation according to a population-based formula.²

¹The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

²The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of the these remaining funds may be awarded to Federal agencies.

(c) *Allocation of AmeriCorps educational awards only.* The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) *Effect of States’ or Territories’ failure to apply.* If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State’s allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State’s allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation’s discretion.

(e) *Effect of rejection of State application.* If a State’s application for a formula-based grant is ultimately rejected by the Corporation pursuant to § 2522.320 of this chapter, the State’s allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation’s discretion.

§ 2521.50

PROGRAM MATCHING REQUIREMENTS

§ 2521.35 Who must comply with matching requirements?

(a) The matching requirements described in §§ 2521.40 through 2521.95 apply to you if you are a subgrantee of a State commission or a direct program grantee of the Corporation. These requirements do not apply to Education Award Programs.

(b) If you are a State commission, you must ensure that your grantees meet the match requirements established in this part, and you are also responsible for meeting an aggregate overall match based on your grantees' individual match requirements.

[70 FR 39598, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2521.40 What are the matching requirements?

If you are subject to matching requirements under § 2521.35, you must adhere to the following:

(a) Basic match: At a minimum, you must meet the basic match requirements as articulated in § 2521.45.

(b) Regulatory match: In addition to the basic requirements under paragraph (a) of this section, you must provide an overall level of matching funds according to the schedule in § 2521.60(a), or § 2521.60(b) if applicable.

(c) Budgeted match: To the extent that the match in your approved budget exceeds your required match levels under paragraph (a) or (b) of this section, any failure to provide the amount above your regulatory match but below your budgeted match will be considered as a measure of past performance in subsequent grant competitions.

[70 FR 39598, July 8, 2005]

§ 2521.45 What are the limitations on the Federal government's share of program costs?

The limitations on the Federal government's share are different—in type and amount—for member support costs and program operating costs.

(a) *Member support:* The Federal share, including Corporation and other Federal funds, of member support costs, which include the living allowance required under § 2522.240(b)(1), FICA, unemployment insurance (if re-

quired under State law), worker's compensation (if required under State law), is limited as follows:

(1) The Federal share of the living allowance may not exceed 85 percent of the minimum living allowance required under § 2522.240(b)(1), and 85 percent of other member support costs.

(2) If you are a professional corps described in § 2522.240(b)(2)(i), you may not use Corporation funds for the living allowance.

(3) Your share of member support costs must be non-Federal cash.

(4) The Corporation's share of health care costs may not exceed 85 percent.

(b) *Program operating costs:* The Corporation share of program operating costs may not exceed 67 percent. These costs include expenditures (other than member support costs described in paragraph (a) of this section) such as staff, operating expenses, internal evaluation, and administration costs.

(1) You may provide your share of program operating costs with cash, including other Federal funds (as long as the other Federal agency permits its funds to be used as match), or third party in-kind contributions.

(2) Contributions, including third party in-kind must:

(i) Be verifiable from your records;

(ii) Not be included as contributions for any other Federally assisted program;

(iii) Be necessary and reasonable for the proper and efficient accomplishment of your program's objectives; and

(iv) Be allowable under applicable OMB cost principles.

(3) You may not include the value of direct community service performed by volunteers, but you may include the value of services contributed by volunteers to your organizations for organizational functions such as accounting, audit, and training of staff and AmeriCorps programs.

[70 FR 39598, July 8, 2005]

§ 2521.50 If I am an Indian Tribe, to what extent may I use tribal funds towards my share of costs?

If you are an Indian Tribe that receives tribal funds through Public Law 93-638 (the Indian Self-Determination and Education Assistance Act), those funds are considered non-Federal and

§ 2521.60

45 CFR Ch. XXV (10–1–12 Edition)

you may use them towards your share of costs, including member support costs.

and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that you receive a grant, without a break in funding of five years or more. A 50 percent overall match means that you will be required to match \$1 for every \$1 you receive from the Corporation.

[70 FR 39598, July 8, 2005]

§ 2521.60 To what extent must my share of program costs increase over time?

(a) *Minimum Organization Share:* (1) Subject to the requirements of § 2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in § 2541.45 of this part. In addition, your required share of program costs, including member support

(2) A grantee must have contributed matching resources by the end of a grant period in an amount equal to the combined total of the minimum overall annual match for each year of the grant period, according to the table in paragraph (a)(1) of this section.

(b) *Alternative match requirements:* If your program is unable to meet the match requirements as required in paragraph (a) of this section, and is located in a rural or a severely economically distressed community, you may apply to the Corporation for a waiver that would require you to increase the overall amount of your share of program costs beginning in the seventh consecutive year that you receive a grant, according to the following table:

(3) A State commission may meet its match based on the aggregate of its grantees' individual match requirements.

(c) *Determining Program Location.* (1) The Corporation will determine whether your program is located in a rural county by considering the U.S. Department of Agriculture's Beale Codes.

(c)(4) of this section, the Corporation will determine the location of your program based on the legal applicant's address.

(2) The Corporation will determine whether your program is located in a severely economically distressed county by considering unemployment rates, per capita income, and poverty rates.

(4) If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you may request the waiver described in paragraph (b) of this section and provide the relevant facts about your program location to support your request.

(3) Unless the Corporation approves otherwise, as provided in paragraph

Corporation for National and Community Service

§ 2521.95

(d) *Schedule for current program grants:* If you have completed at least one three-year grant cycle on the date this regulation takes effect, you will be required to provide your share of costs beginning at the year three level, according to the table in paragraph (a) of this section, in the first program year in your grant following the regulation's effective date, and increasing each year thereafter as reflected in the table.

(e) *Flexibility in how you provide your share:* As long as you meet the basic match requirements in §2521.45, you may use cash or in-kind contributions to reach the overall share level. For example, if your organization finds it easier to raise member support match, you may choose to meet the required overall match by raising only more member support match, and leave operational match at the basic level, as long as you provide the required overall match.

(f) *Reporting excess resources.* (1) The Corporation encourages you to obtain support over-and-above the matching fund requirements. Reporting these resources may make your application more likely to be selected for funding, based on the selection criteria in §§2522.430 and 2522.435 of these regulations.

(2) You must comply with §2543.23 of this title and applicable OMB circulars in documenting cash and in-kind contributions and excess resources.

[70 FR 39598, July 8, 2005]

§ 2521.70 To what extent may the Corporation waive the matching requirements in §§ 2521.45 and 2521.60 of this part?

(a) The Corporation may waive, in whole or in part, the requirements of §§2521.45 and 2521.60 of this part if the Corporation determines that a waiver would be equitable because of a lack of available financial resources at the local level.

(b) If you are requesting a waiver, you must demonstrate:

(1) The lack of resources at the local level;

(2) That the lack of resources in your local community is unique or unusual;

(3) The efforts you have made to raise matching resources; and

(4) The amount of matching resources you have raised or reasonably expect to raise.

(c) You must provide with your waiver request:

(1) A request for the specific amount of match you are requesting that the Corporation waive; and

(2) A budget and budget narrative that reflects the requested level in matching resources.

[70 FR 39598, July 8, 2005]

§ 2521.80 What matching level applies if my program was funded in the past but has not recently received an AmeriCorps grant?

(a) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for five years or more, as determined by the end date of your most recent grant period, you may begin matching at the year one level, as reflected in the timetable in §2521.60(a) of this part, upon receiving your new grant award.

(b) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for fewer than five years, you must begin matching at the same level you were matching at the end of your most recent grant period.

[70 FR 39598, July 8, 2005]

§ 2521.90 If I am a new or replacement legal applicant for an existing program, what will my matching requirements be?

If your organization is a new or replacement legal applicant for an existing program, you must provide matching resources at the level the previous legal applicant had reached at the time you took over the program.

[70 FR 39598, July 8, 2005]

§ 2521.95 To what extent may I use grant funds for administrative costs?

(a) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(b) The distribution of administrative costs between the grant and any

Pt. 2522

subgrant will be subject to the approval of the Corporation.

(c) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(1) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(i) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(ii) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(2) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(3) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

[70 FR 39600, July 8, 2005]

§ 2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?

Although a wide range of programs may be eligible to apply for and receive support from the Corporation, all AmeriCorps subtitle C programs must

§ 2522.100

45 CFR Ch. XXV (10–1–12 Edition)

meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by the Corporation or through a subgrant. All AmeriCorps programs must:

(a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for achieving these objectives, upon which self-assessment and Corporation-assessment of progress can rest. Such assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or Corporation may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and

ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the non-discrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by the Corporation to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by the Corporation) of the participants for the program from among prospective participants recruited by the Corporation or State Commissions under part 2533 of this chapter. The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under § 2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;

Corporation for National and Community Service

§ 2522.110

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to § 2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§ 2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-

service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§ 2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by the Corporation.

§ 2522.210 How are AmeriCorps participants recruited and selected?

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). (3) *Assignment.* At the request of a program that receives assistance, the Corporation may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

§ 2522.220 What are the required terms of service for AmeriCorps participants?

(a) *Term of Service.* A term of service may be defined as:

(1) *Full-time service.* 1,700 hours of service during a period of not more than one year.

(2) *Part-time service.* 900 hours of service during a period of not more than two years.

(3) *Reduced part-time term of service.* The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-

§ 2522.230

case, individual basis as determined by the Corporation.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Eligibility for subsequent term.* A participant will only be eligible to serve a subsequent term of service if that individual has received a satisfactory performance review for any previous term of service in an approved AmeriCorps position, in accordance with the requirements of paragraph (d) of this section and §2526.15. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(c) *Participant evaluation.* For the purposes of determining a participant's eligibility for an educational award as described in §2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by the Corporation. The end-of-term evaluation should consist of:

(1) A determination of whether the participant:

(i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in §2522.240(a);

(ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in §2522.230(a)(2); or

(iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in §2522.230(b)(3); and

(2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:

(i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from serv-

45 CFR Ch. XXV (10–1–12 Edition)

ice early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and

(ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(d) *Limitation.* The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1),(a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(e) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) *Extension of term for disaster purposes.* If approved by the Corporation, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of §2526.50(a) of this chapter.

[59 FR 13796, Mar. 23, 1994, as amended at 73 FR 53759, Sept. 17, 2008; 74 FR 46506, Sept. 10, 2009; 75 FR 51410, Aug. 20, 2010]

§ 2522.230 Under what circumstances may an AmeriCorps participant be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances, as determined by the program, or for cause.

Corporation for National and Community Service

§ 2522.230

(a) *Release for compelling personal circumstances.*

(1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(6) and (a)(7) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances, if the participant has otherwise performed satisfactorily and has completed at least fifteen percent of the agreed term of service.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(4) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(5) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;

(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

(iii) Because of dissatisfaction with the program.

(6) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) *Release for cause.* (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National

§ 2522.235

Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual's eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.220(c)(2) for the period served in the prior term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the terms of service described in § 2522.235 for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) *Release prior to serving 15 percent of a term of service.* If a participant is released for reasons other than misconduct prior to completing 15 percent

45 CFR Ch. XXV (10–1–12 Edition)

of a term of service, the term will not be considered one of the terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

[64 FR 37413, July 12, 1999, as amended at 73 FR 53759, Sept. 17, 2008; 74 FR 46506, Sept. 10, 2009; 75 FR 51410, Aug. 20, 2010]

§ 2522.235 Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?

(a) *General limitation.* An individual may receive the benefits described in § 2522.240 through § 2522.250 for no more than four terms of service in an AmeriCorps State and National program, regardless of whether those terms were served on a full-, part-, or reduced part-time basis, consistent with the limitations in § 2526.50.

(b) *Early release.* Except as provided in paragraph (c) of this section, a term of service from which an individual is released for compelling personal circumstances or for cause counts as one of the terms of service for which an individual may receive the benefits described in § 2522.240 through § 2522.250.

(c) *Release prior to serving fifteen percent of a term.* If a person is released for reasons other than misconduct prior to completing fifteen percent of a term of service, the term will not be considered one of the terms of service for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

[75 FR 51410, Aug. 20, 2010]

§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *AmeriCorps education awards.* An individual serving in an approved AmeriCorps State and National position may receive an education award from the National Service Trust upon successful completion of each of no more than four terms of service as defined in § 2522.220, consistent with the limitations in § 2526.50.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided

Corporation for National and Community Service

§ 2522.240

pursuant to § 2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to § 2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under § 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to the Corporation, and may not be included in a State's application for AmeriCorps program funds distributed by formula under § 2521.30(a)(2) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance for programs.* The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of liv-

ing (including food, housing, and transportation) in the area in which the program is located.

(5) *Waiver or reduction of living allowance by participants.* A participant may waive all or part of the receipt of a living allowance. The participant may revoke this waiver at any time during the participant's term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows:

(i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

(c) *Financial benefits for participants during an extended term of service for disaster purposes.* An AmeriCorps participant performing extended service under § 2522.220(f) may continue to receive a living allowance under paragraph (b) and other benefits under § 2522.250, but may not receive an additional

§ 2522.245

AmeriCorps educational award under paragraph (a).

[59 FR 13796, Mar. 23, 1994, as amended at 71 FR 10611, Mar. 2, 2006; 73 FR 53760, Sept. 17, 2008; 74 FR 46506, Sept. 10, 2009; 75 FR 51410, Aug. 20, 2010]

§ 2522.245 How are living allowances disbursed?

A living allowance is not a wage and programs may not pay living allowances on an hourly basis. Programs must distribute the living allowance at regular intervals and in regular increments, and may increase living allowance payments only on the basis of increased living expenses such as food, housing, or transportation. Living allowance payments may only be made to a participant during the participant's term of service and must cease when the participant concludes the term of service. Programs may not provide a lump sum payment to a participant who completes the originally agreed-upon term of service in a shorter period of time.

[73 FR 53760, Sept. 17, 2008]

§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *Child Care.* Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) *Need.* A participant is considered to need child care in order to participate in the program if he or she:

(i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State's median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

45 CFR Ch. XXV (10–1–12 Edition)

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child-care allowance may not exceed the applicable payment rate to an eligible provider established by the State for child care funded under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *Corporation share.* The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *Corporation share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation's share of the cost of health coverage may not exceed 85 percent.

Corporation for National and Community Service

§ 2522.415

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

§ 2522.330 [Reserved]

§ 2522.340 How will I know if two projects are the same?

(a) The objectives and priorities of the projects;

(b) The nature of the services provided;

(c) The program staff, participants, and volunteers involved;

45 CFR Ch. XXV (10–1–12 Edition)

proposals that address one or more of the following priorities:

(a) *Program models*: (1) Programs operated by community organizations, including faith-based organizations, or programs that support the efforts of community organizations, including faith-based organizations, to solve local problems;

(a) The Corporation may give special consideration to a national service program submitted by a State commission that does not meet one of the Corporation's priorities if the State commission adequately explains why the State is not able to carry out a program that meets one of the Corporation's priorities,

and why the program meets one of the State's priorities.

(b) A State may apply priorities different than those of the Corporation in selecting its formula programs.

1 to 12	At least top 5.
13 to 24	At least top 10.

§ 2522.470 What other factors or information may the Corporation consider in making final funding decisions?

(a) The Corporation will seek to ensure that our portfolio of AmeriCorps programs is programmatically, demographically, and geographically diverse and includes innovative programs, and projects in rural, high poverty, and economically distressed areas.

- (10) Other information, following notice in the relevant Notice of Funding Availability, of the specific information and the Corporation's intention to be able to consider that information in the review process.

(c) Before approving a program grant to a State commission, the Corporation will consider a State commission's capacity to manage and monitor grants.

[70 FR 39600, July 8, 2005]

§ 2522.475 To what extent must I use the Corporation's selection criteria and priorities when selecting formula programs or operating sites?

You must ensure that the selection criteria you use include the following criteria:

45 CFR Ch. XXV (10-1-12 Edition)

(a) The quality of the national service program proposed to be carried out directly by the applicant or supported by a grant from the applicant.

(b) The innovative aspects of the national service program, and the feasibility of replicating the program.

(c) The sustainability of the national service program.

(d) The quality of the leadership of the national service program, the past performance of the program, and the extent to which the program builds on existing programs.

(e) The extent to which participants of the national service program are recruited from among residents of the communities in which projects are to be conducted, and the extent to which participants and community residents are involved in the design, leadership, and operation of the program.

(f) The extent to which projects would be conducted in one of the areas listed in §2522.450(c)(1) through (5) of this subpart.

(g) In the case of applicants other than States, the extent to which the application is consistent with the application of the State in which the projects would be conducted.

(h) Such other criteria as the Corporation considers to be appropriate, following appropriate notice.

[70 FR 39600, July 8, 2005]

§ 2522.480 Can a State's application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(a) *Notification.* If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in §2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) *Revision.* The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider

Corporation for National and Community Service

§ 2522.520

an application resubmitted under this paragraph.

(c) *Redistribution*. The amount of any State's allotment under § 2521.30(a) of this chapter for a fiscal year that the Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

§ 2522.485 How do I calculate my program's budgeted Corporation cost per member service year (MSY)?

If you are an AmeriCorps national and community service program, you calculate your Corporation cost per MSY by dividing the Corporation's share of budgeted grant costs by the number of member service years you are awarded in your grant. You do not include child-care or the cost of the education award a member may earn through serving with your program.

[70 FR 39603, July 8, 2005]

Subpart E—Evaluation Requirements

§ 2522.500 What is the purpose of this subpart?

(a) This subpart sets forth the minimum performance measures and evaluation requirements that you as a Corporation applicant or grantee must follow.

(b) The performance measures that you, as an applicant, propose when you apply will be considered in the review process and may affect whether the Corporation selects you to receive a grant. Your performance related to your approved measures will influence whether you continue to receive funding.

(c) Performance measures and evaluations are designed to strengthen your AmeriCorps program and foster continuous improvement, and help identify best practices and models that merit replication, as well as programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.510 To whom does this subpart apply?

This subpart applies to you if you are a Corporation grantee administering an AmeriCorps grant, including an Education Award Program grant, or if you are applying to receive AmeriCorps funding from the Corporation.

[70 FR 39603, July 8, 2005]

§ 2522.520 What special terms are used in this subpart?

The following definitions apply to terms used in this subpart of the regulations:

(a) *Approved application* means the application approved by the Corporation or, for formula programs, by a State commission.

(b) *Community beneficiaries* refers to persons who receive services or benefits from a program, but not to AmeriCorps members or to staff of the organization operating the program.

(c) *Outputs* are the amount or units of service that members or volunteers have completed, or the number of community beneficiaries the program has served. Outputs do not provide information on benefits or other changes in communities or in the lives of members or community beneficiaries. Examples of outputs could include the number of people a program tutors, counsels, houses, or feeds.

(d) *Intermediate-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members, but is not necessarily a lasting benefit for them. They are observable and measurable indications of whether or not a program is making progress and are logically connected to end outcomes. An example would be the number and percentage of students who report reading more books as a result of their participation in a tutoring program.

(e) *Internal evaluation* means an evaluation that a grantee performs in-house without the use of an independent external evaluator.

(f) *End-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members that is significant and lasting. These are actual benefits or changes for participants during or after

§ 2522.530

a program. For example, in a tutoring program, the end outcome could be the percent and number of students who have improved their reading scores to grade-level, or other specific measures of academic achievement.

(g) *Grantee* includes subgrantees, programs, and projects.

(h) *National performance measures* are performance measures that the Corporation develops.

(i) *You* refers to a grantee or applicant organization.

[70 FR 39603, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2522.530 May I use the Corporation's program grant funds for performance measurement and evaluation?

If performance measurement and evaluation costs were approved as part of your grant, you may use your program grant funds to support them, consistent with the level of approved costs for such activities in your grant award.

[70 FR 39603, July 8, 2005]

§ 2522.540 Do the costs of performance measurement or evaluation count towards the statutory cap on administrative costs?

No, the costs of performance measurement and evaluation do not count towards the statutory five percent cap on administrative costs in the grant, as provided in § 2540.110 of this chapter.

[70 FR 39603, July 8, 2005]

PERFORMANCE MEASURES: REQUIREMENTS AND PROCEDURES

§ 2522.550 What basic requirements must I follow in measuring performance under my grant?

All grantees must establish, track, and assess performance measures for their programs. As a grantee, you must ensure that any program under your oversight fulfills performance measure and evaluation requirements. In addition, you must:

(a) Establish ambitious performance measures in consultation with the Corporation, or the State commission, as appropriate, following §§ 2422.560 through 2422.660 of this subpart;

(b) Ensure that any program under your oversight collects and organizes

45 CFR Ch. XXV (10–1–12 Edition)

performance data on an ongoing basis, at least annually;

(c) Ensure that any program under your oversight tracks progress toward meeting your performance measures;

(d) Ensure that any program under your oversight corrects performance deficiencies promptly; and

(e) Accurately and fairly present the results in reports to the Corporation.

[70 FR 39603, July 8, 2005]

§ 2522.560 What are performance measures and performance measurement?

(a) Performance measures are measurable indicators of a program's performance as it relates to member service activities.

(b) Performance measurement is the process of regularly measuring the services provided by your program and the effect your program has in communities or in the lives of members or community beneficiaries.

(c) The main purpose of performance measurement is to strengthen your AmeriCorps program and foster continuous improvement and to identify best practices and models that merit replication. Performance measurement will also help identify programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.570 What information on performance measures must my grant application include?

You must submit all of the following as part of your application for each program:

(a) Proposed performance measures, as described in § 2522.580 and § 2522.590 of this part.

(b) Estimated performance data for the program years for which you submit your application; and

(c) Actual performance data, where available, as follows:

(i) For continuation programs, performance data over the course of the grant to date; and

(ii) For recompeting programs, performance data for the preceding three-year grant cycle.

[70 FR 39603, July 8, 2005]

Corporation for National and Community Service

§ 2522.620

§ 2522.580 What performance measures am I required to submit to the Corporation?

(a) When applying for funds, you must submit, at a minimum, the following performance measures:

(1) One set of aligned performance measures (one output, one intermediate-outcome, and one end-outcome) that capture the results of your program's primary activity, or area of significant activity for programs whose design precludes identifying a primary activity; and

(2) Any national performance measures the Corporation may require, as specified in paragraph (b) of § 2522.590.

(b) For example, a tutoring program might use the following aligned performance measures:

(1) Output: Number of students that participated in a tutoring program;

(2) Intermediate-Outcome: Percent of students reading more books; and

(3) End-Outcome: Number and percent of students who have improved their reading score to grade level.

(c) The Corporation encourages you to exceed the minimum requirements expressed in this section and expects, in second and subsequent grant cycles, that you will more fully develop your performance measures, including establishing multiple performance indicators, and improving and refining those you used in the past. Any performance measures you submit beyond what is required in paragraph (a)(1) of this section may or may not be aligned sets of measures.

[70 FR 39603, July 8, 2005]

§ 2522.590 Who develops my performance measures?

(a) You are responsible for developing your program-specific performance measures through your own internal process.

(b) In addition, the Corporation may, in consultation with grantees, establish performance measures that will apply to all Corporation-sponsored programs, which you will be responsible for collecting and meeting.

[70 FR 39603, July 8, 2005]

§ 2522.600 Who approves my performance measures?

(a) The Corporation will review and approve performance measures, as part of the grant application review process, for all non-formula programs. If the Corporation selects your application for funding, the Corporation will approve your performance measures as part of your grant award.

(b) If you are a program submitting an application under the State formula category, the applicable State commission is responsible for reviewing and approving your performance measures. The Corporation will not separately approve these measures.

[70 FR 39603, July 8, 2005]

§ 2522.610 What is the difference in performance measurements requirements for competitive and formula programs?

(a) Except as provided in paragraph (b) of this section, State commissions are responsible for making the final determination of performance measures for State formula programs, while the Corporation makes the final determination for all other programs.

(b) The Corporation may, through the State commission, require that formula programs meet certain national performance measures above and beyond what the State commission has individually negotiated with its formula grantees.

(c) While State commissions must hold their sub-grantees responsible for their performance measures, a State commission, as a grantee, is responsible to the Corporation for its formula programs' performance measures.

[70 FR 39603, July 8, 2005]

§ 2522.620 How do I report my performance measures to the Corporation?

The Corporation sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program's performance.

§ 2522.630

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and three. We encourage you to exceed these minimum requirements.

[70 FR 39603, July 8, 2005, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2522.630 What must I do if I am not able to meet my performance measures?

If you are not on track to meet your performance measures, you must develop and submit to the Corporation, or the State commission for formula programs, a corrective action plan, consistent with paragraph (a) of this section, or submit a request to the Corporation, or the State commission for formula programs, consistent with paragraph (b) of this section, to amend your requirements under the circumstances described in §2522.640 of this subpart.

(a) Your corrective action plan must be in writing and include all of the following:

- (1) The factors impacting your performance goals;
- (2) The strategy you are using and corrective action you are taking to get back on track toward your established performance measures; and
- (3) The timeframe in which you plan to achieve getting back on track with your performance measures.

(b) A request to amend your performance measures must include all of the following:

- (1) Why you are not on track to meet your performance requirements;
- (2) How you have been tracking performance measures;
- (3) Evidence of the corrective action you have taken;
- (4) Any new proposed performance measures or targets; and
- (5) Your plan to ensure that you meet any new measures.

(c) You must submit your plan under paragraph (a) of this section, or your request under paragraph (b) of this section, within 30 days of determining that you are not on track to meeting your performance measures.

45 CFR Ch. XXV (10–1–12 Edition)

(d) If you are a formula program, the State commission that approves the plan under paragraph (a) of this section or the request to amend your performance measures under paragraph (b) of this section, must forward an information copy to the Corporation's AmeriCorps program office within 15 days of approving the plan or the request.

[70 FR 39603, July 8, 2005]

§ 2522.640 Under what circumstances may I change my performance measures?

(a) You may change your performance measures only if the Corporation or, for formula programs, the State commission, approves your request to do so based on your need to:

- (1) Adjust your performance measure or target based on experience so that your program's goals are more realistic and manageable;
- (2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;
- (3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English, as opposed to operating an after-school program for third-graders;
- (4) Eliminate an activity because you have been unable to secure necessary matching funding; or
- (5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

[70 FR 39603, July 8, 2005]

§ 2522.650 What happens if I fail to meet the performance measures included in my grant?

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, the Corporation, or the State commission for

Corporation for National and Community Service

§ 2522.710

formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to under-perform, or fail to collect appropriate data to allow performance measurement, the Corporation may take one or more of the following actions:

- (1) Reduce the amount of your grant;
- (2) Suspend or terminate your grant;
- (3) Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by the Corporation;
- (4) Amend the terms of any Corporation grants to your organization; or
- (5) Take other actions that the Corporation deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.

[70 FR 39603, July 8, 2005]

EVALUATING PROGRAMS: REQUIREMENTS AND PROCEDURES

§ 2522.700 How does evaluation differ from performance measurement?

(a) Evaluation is a more in-depth, rigorous effort to measure the impact of programs. While performance measurement and evaluation both include systematic data collection and measurement of progress, evaluation uses scientifically-based research methods to assess the effectiveness of programs by comparing the observed program outcomes with what would have happened in the absence of the program. Unlike performance measures, evaluations estimate the impacts of programs by comparing the outcomes for individuals receiving a service or participating in a program to the outcomes for similar individuals not receiving a service or not participating in a program. For example, an evaluation of a literacy program may compare the reading ability of students in a program over time to a similar group of students not participating in a program.

(b) Performance measurement is the process of systematically and regularly collecting and monitoring data related to the direction of observed changes in communities, participants (members), or end beneficiaries receiving your program's services. It is intended to provide an indication of your program's operations and performance. In contrast to evaluation, it is not intended to establish a causal relationship between your program and a desired (or undesired) program outcome. For example, a performance measure for a literacy program may include the percentage of students receiving services from your program who increase their reading ability from "below grade level" to "at or above grade level". This measure indicates something good is happening to your program's service beneficiaries, but it does not indicate that the change can be wholly attributed to your program's services.

[70 FR 39603, July 8, 2005]

§ 2522.710 What are my evaluation requirements?

(a) If you are a State commission, you must establish and enforce evaluation requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct Corporation AmeriCorps grantee (other than an Education Award Program grantee), and your average annual Corporation program grant is \$500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in § 2522.730 of this subpart.

(c) If you are a State competitive or direct Corporation AmeriCorps grantee whose average annual Corporation program grant is less than \$500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in § 2522.730 of this subpart.

(d) The Corporation may, in its discretion, supersede these requirements

§ 2522.720

with an alternative evaluation approach, including one conducted by the Corporation at the national level.

(e) Grantees must cooperate fully with all Corporation evaluation activities.

[70 FR 39603, July 8, 2005]

§ 2522.720 How many years must my evaluation cover?

(a) If you are a State formula grantee, you must conduct an evaluation, as your State commission requires.

(b) If you are a State competitive or direct Corporation grantee, your evaluation must cover a minimum of one year but may cover longer periods.

[70 FR 39603, July 8, 2005]

§ 2522.730 How and when do I submit my evaluation to the Corporation?

(a) If you are an existing grantee re-competing for AmeriCorps funds for the first time, you must submit a summary of your evaluation efforts or plan to date, and a copy of any evaluation that has been completed, as part of your application for funding.

(b) If you again compete for AmeriCorps funding after a second three-year grant cycle, you must submit the completed evaluation with your application for funding.

[70 FR 39603, July 8, 2005]

§ 2522.740 How will the Corporation use my evaluation?

The Corporation will consider the evaluation you submit with your application as follows:

(a) If you do not include with your application for AmeriCorps funding a summary of the evaluation, or the evaluation itself, as applicable, under § 2522.730, the Corporation reserves the right to not consider your application.

(b) If you do submit an evaluation with your application, the Corporation will consider the results of your evaluation in assessing the quality and outcomes of your program.

[70 FR 39603, July 8, 2005]

§ 2522.800 How will the Corporation evaluate individual AmeriCorps programs?

The Corporation will evaluate programs based on the following: (a) The

45 CFR Ch. XXV (10–1–12 Edition)

extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

(2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;

(3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;

(4) Encouraging each participant to engage in public and community service after completion of the program based on career choices and participation in other service programs;

(5) Promoting an ethic of active and productive citizenship among participants;

(6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;

(7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and

(8) Other criteria determined and published by the Corporation.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

§ 2522.810 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?

(a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants

Corporation for National and Community Service

§ 2522.820

with individuals who have not participated in service programs. These evaluations will: (1) Study the extent to which the national service impacts involved communities;

(2) Study the extent to which national service increases positive attitudes among participants regarding the responsibilities of citizens and their role in solving community problems;

(3) Study the extent to which national service enables participants to afford post-secondary education with fewer student loans;

(4) Determine the costs and effectiveness of different program models in meeting program objectives including full- and part-time programs, programs involving different types of national service, programs using different recruitment methods, programs offering alternative non-federally funded vouchers or post-service benefits, and programs utilizing individual placements and teams;

(5) Determine the impact of programs in each State on the ability of VISTA and National Senior Volunteer Corps, each regular and reserve component of the Armed Forces, and the Peace Corps to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) The Corporation will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for "independent" and "total income" are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or adversely affected by Federal actions related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

§ 2522.820 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in § 2522.540. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter

§ 2522.900

must comply with the provisions of paragraph (a) of this section.

A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a safe place for children is not tutoring, even if some of the program activities focus on homework help.

§ 2522.910 What basic qualifications must an AmeriCorps member have to serve as a tutor?

If the tutor is:	Then the tutor must meet the following qualifications:

[59 FR 13796, Mar. 23, 1994, as amended at 74 FR 46506, Sept. 10, 2009]

§ 2522.920 Are there any exceptions to the qualifications requirements?

The qualifications requirements in § 2522.910 of this subpart do not apply to a member who is a K–12 student tutoring younger children in the school or after school as part of a structured, school-managed cross-grade tutoring program.

§ 2522.930 [Reserved]

§ 2522.940 What are the requirements for a program in which AmeriCorps members serve as tutors?

A program in which members engage in tutoring for children must:

- (b) Identify the strategies or tools it will use to assess student progress and measure student outcomes;
- (c) Certify that the tutoring curriculum and pre-service and in-service

training content are high-quality and research-based, consistent with the instructional program of the local educational agency and with State academic content standards.

(d) Include appropriate member supervision by individuals with expertise in tutoring; and

(e) Provide specialized high-quality and research-based, member pre-service and in-service training consistent with the activities the member will perform.

[70 FR 39606, July 8, 2005, as amended at 74 FR 46506, Sept. 10, 2009]

§ 2522.950 What requirements and qualifications apply if my program focuses on supplemental academic support activities other than tutoring?

(a) If your program does not involve tutoring as defined in § 2522.900 of this subpart, the Corporation will not impose the requirements in § 2522.910 through § 2522.940 of this subpart on your program.

(b) At a minimum, you must articulate in your application how you will recruit, train, and supervise members

AUTHORITY: 42 U.S.C. 12571–12595.

SOURCE: 59 FR 13804, Mar. 23, 1994, unless otherwise noted.

§ 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under § 2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

§ 2523.20 Which Federal agencies may apply for such funds?

The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§ 2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?

Yes, except as provided in § 2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies' existing resources and grant-making powers toward the goal of integrating service more fully into agencies' programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

§ 2523.50 What types of funds are Federal agencies eligible to receive?

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in § 2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§ 2523.60 May Federal agencies enter into partnerships or participate in consortia?

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships

§ 2523.70

and consortia must be approved by the Corporation.

§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency's intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§ 2523.80 Are there restrictions on the use of Corporation funds?

Yes. The supplantation and non-displacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

§ 2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of § 2521.30(g) and § 2522.240(b)(6) of this chapter.

[59 FR 13804, Mar. 23, 1994, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?

No. Participants in these programs have the same employee status as participants in other approved AmeriCorps programs, and are not considered Federal employees, except for the purposes of the Family and Medical Leave Act as specified in § 2540.220(b) of this chapter.

§ 2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal

45 CFR Ch. XXV (10–1–12 Edition)

agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§ 2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

(iii) For a third or subsequent conviction, indefinitely, as determined by the Corporation according to the following factors—

§ 2526.40 What is the time period during which an individual may use an education award?

(a) *General requirement.* Unless the Corporation approves an extension in

Corporation for National and Community Service

§ 2526.50

accordance with the requirements of paragraph (b) of this section—

(1) An individual may use an AmeriCorps education award or a Silver Scholar education award within seven years of the date on which the individual successfully completed a term of service in an approved AmeriCorps or Silver Scholar position;

(2) An individual may use a Summer of Service education award within ten years of the date on which the individual successfully completed a term of service in an approved Summer of Service position;

(3) A designated individual who receives a transferred education award in accordance with § 2530.10 may use the transferred education award within ten years of the date on which the individual who transferred the award successfully completed the term of service in an approved AmeriCorps or Silver Scholar position that is the basis of the award.

(b) *Extensions.* In order to receive an extension of the period of availability specified in paragraph (a) of this section for using an education award, an individual must apply to the Corporation for an extension prior to the end of that time period. The Corporation may grant an application for an extension under the following circumstances:

(1) If the Corporation determines that an individual was performing another term of service in an approved AmeriCorps, Summer of Service, or Silver Scholar position during the original period of availability, the Corporation may grant an extension for a time period that is equivalent to the time period during which the individual was performing the other term of service.

(2) If the Corporation determines that an individual was unavoidably prevented from using the education award during the original period of availability, the Corporation may grant an extension for a period of time that the Corporation deems appropriate. An individual who is ineligible to use an education award as a result of the individual's conviction of the possession or sale of a controlled substance is not considered to be unavoidably prevented from using the edu-

cation award for the purposes of this paragraph. In the case of a transferred award, an individual who is unable to use an education award as a result of being too young to enroll in an institution of higher education or other training establishment is not considered to be unavoidably prevented from using the education award.

[75 FR 51411, Aug. 20, 2010]

§ 2526.50 Is there a limit on the total amount of education awards an individual may receive?

(a) *General Limitation.* No individual may receive more than an amount equal to the aggregate value of two full-time education awards.

(b) *Calculation of the value of an education award.* For the purposes of this section, the *value* of an education award is equal to the actual amount of the education award received divided by the amount of a full-time education award in the year the AmeriCorps or Silver Scholar position to which the award is attributed was approved. Each award received will be considered to have a value between 0 and 1. Although the *amount* of a full-time award as defined in § 2527.10(a) may change, the *value* of a full-time award will always be equal to 1.

(c) *Calculation of aggregate value of awards received.* The aggregate value of awards received is equal to the sum of:

(1) The value of each education award received as a result of successful completion of an approved AmeriCorps position;

(2) The value of each partial education award received as a result of release from an approved AmeriCorps position for compelling personal circumstances;

(3) The value of each education award received as a result of successful completion of a term of service in an approved Silver Scholar position; and

(4) The value of any amount received as a transferred education award, except as provided in § 2530.60(c).

(d) *Determination of Receipt of Award.* For purposes of determining the aggregate value of education awards, an award is considered to be received at

[75 FR 51411, Aug. 20, 2010]

§ 2526.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in subsequent terms of service?

The aggregate value of education awards an individual has received will not impact an individual's ability to serve in a subsequent term of service, but will impact the amount of the education award the individual may receive upon successful completion of that term of service. If the award amount offered for the term of service has a value that, when added to the aggregate value of awards previously received, would exceed 2, upon successful completion of the term of service, the individual will only receive that portion of the award having a value for which the individual is eligible pursuant to § 2527.10(g).

[75 FR 51412, Aug. 20, 2010]

§ 2526.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR § 685.219.

[75 FR 51412, Aug. 20, 2010]

§ 2526.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If the Corporation determines that the certification made by a national service program under § 2526.10(a)(2)(i), (2)(iii), or (2)(iv) is erroneous, the Corporation shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, tak-

ing into consideration the full facts and circumstances surrounding the erroneous or incorrect certification.

(b) Nothing in this section shall prohibit the Corporation from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

AUTHORITY: 42 U.S.C. 12601-12606.

SOURCE: 75 FR 51413, Aug. 20, 2010, unless otherwise noted.

§ 2530.10 Under what circumstances may an individual transfer an education award?

An individual may transfer an education award if—

(a) The individual enrolled in an approved AmeriCorps State and National position or approved Silver Scholar position on or after October 1, 2009;

(b) The individual was age 55 or older on the day the individual commenced the term of service in an approved AmeriCorps State and National position or in approved Silver Scholar position;

(c) The individual successfully completed a term of service in an approved AmeriCorps State and National position or an approved Silver Scholar position;

§ 2530.20 For what purposes may a transferred award be used?

A transferred award may be used by a designated individual to repay qualified student loans or to pay current educational expenses at an institution of higher education, as described in § 2528.10.

§ 2530.30 What steps are necessary to transfer an education award?

(a) *Request for Transfer.* Before transferring an award to a designated individual, the Corporation must receive a request from the transferring individual, including—

(1) The individual's written authorization to transfer the award, the year in which the award was earned, and the specific amount of the award to be transferred;

(2) Identifying information for the individual designated to receive the transferred award;

(3) A certification that the transferring individual meets the requirements of paragraphs (a) through (c) of § 2530.10; and

(4) A certification that the designated individual is the child, grandchild, or foster child of the transferring individual.

(b) *Notification to Designated Individual.* Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will contact the designated individual to notify the individual of the proposed transfer, confirm the individual's identity, and give the individual the opportunity to accept or reject the transferred award.

(c) *Acceptance by Designated Individual.* To accept an award, a designated individual must certify that the designated individual is the child,

§ 2530.40

grandchild, or foster child of the transferring individual and that the designated individual is a citizen, national, or lawful permanent resident alien of the United States. Upon receipt of the designated individual's acceptance, the Corporation will create or permit the creation of an account in the National Service Trust for the designated individual, if an account does not already exist, and the accepted amount will be deducted from the transferring individual's account and credited to the designated individual's account.

(d) *Timing of transfer.* The Corporation must receive the request from the transferring individual prior to the date the award expires.

§ 2530.40 Is there a limit on the number of individuals one may designate to receive a transferred award?

(a) *General Limitation.* For each award an individual earns as a result of successfully completing a single term of service, an individual may transfer all or part of the award to a single designated individual. An individual may not transfer a single award attributable to successful completion of a single term of service to more than one designated individual.

(b) *Re-transfer.* If a designated individual rejects a transferred award in full, or the Corporation otherwise determines that a transfer was revoked for good cause in accordance with § 2530.80(c), the transferring individual may designate another individual to receive the transferred award.

§ 2530.50 Is there a limit on the amount of transferred awards a designated individual may receive?

Consistent with § 2526.50, no individual may receive more than an amount equal to the value of two full-time education awards. If the sum of the value of the requested transfer plus the aggregate value of education awards a designated individual has previously received would exceed the aggregate value of two full-time education awards, as determined pursuant to § 2526.50(b), the designated individual will be deemed to have rejected that portion of the award that would result in the excess. If a designated individual

45 CFR Ch. XXV (10-1-12 Edition)

has already received the aggregate value of two full-time education awards, the individual may not receive a transferred education award, and the designated individual will be deemed to have rejected the award in full.

§ 2530.60 What is the impact of transferring or receiving a transferred education award on an individual's eligibility to receive additional education awards?

(a) *Impact on Transferring Individual.* Pursuant to § 2526.50, an award is considered to be received at the time it becomes available for an individual's use. Transferring all or part of an award does not reduce the aggregate value of education awards the transferring individual is considered to have received.

(b) *Impact on Designated Individual.* For the purposes of determining the value of the transferred education award under § 2526.50, a designated individual will be considered to have received a value equal to the amount accepted divided by the amount of a full-time award in the year the transferring individual's position was approved.

(c) *Result of revocation on award value.* If the transferring individual revokes, in whole or in part, a transfer, the value of the education award considered to have been received by the designated individual for purposes of § 2526.50 will be reduced accordingly.

§ 2530.70 Is a designated individual required to accept a transferred education award?

(a) *General Rule.* A designated individual is not required to accept a transferred education award, and may reject an award in whole or in part.

(b) *Result of rejection in full.* If the designated individual rejects a transferred award in whole, the amount is credited to the transferring individual's account in the National Service Trust, and may be transferred to another individual, or may be used by the transferring individual for any of the purposes listed in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a).

(c) *Result of rejection in part.* If the designated individual rejects a transferred award in part, the rejected portion is credited to the transferring individual's account in the National

Corporation for National and Community Service

§ 2531.10

Service Trust, and may be used by the transferring individual's for any of the purposes listed in §2528.10, consistent with the original time period of availability set forth in §2526.40(a). An individual may not re-transfer the rejected portion of the award to another individual.

§ 2530.80 Under what circumstances is a transfer revocable?

(a) *Revocation.* An individual may revoke a transfer at any time and for any reason prior to the award's use by the designated individual.

(b) *Use of Award.* Upon revocation, the amount revoked will be deducted from the designated individual's account and credited to the transferring individual's account. The transferring individual may use the revoked transferred education award for any of the purposes described in §2528.10, consistent with the original time period of availability set forth in §2526.40(a).

(c) *Re-transfer.* Generally, an individual may not re-transfer an award to another individual after revoking the same award from the original designated individual. The Corporation may approve re-transfer of an award for good cause, including cases in which the original designated individual was unavoidably prevented from using the award, as demonstrated by the individual transferring the award.

§ 2530.85 What steps are necessary to revoke a transfer?

(a) *Request for revocation.* Before revoking a transfer, the transferring individual must submit a request to the Corporation that includes —

(1) The individual's written authorization to revoke the award;

(2) The year in which the award was earned;

(3) The specific amount to be revoked; and

(4) The identity of the designated individual.

(b) *Credit to transferring individual.* Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will deduct the amount specified in the transferring individual's request from the designated individual's account and credit the amount to the ac-

count of the transferring individual, except as provided in paragraph (c) of this section. The Corporation will notify the transferring individual of the amount revoked.

(c) *Used awards.* A revocation may only apply to that portion of the transferred award that has not been used by the designated individual. If the designated individual has used the entire transferred amount prior to the date the Corporation receives the revocation request, no amount will be returned to the transferring individual. An amount is considered to be used when it is disbursed from the National Service Trust, not when a request is received to use an award.

(d) *Notification to designated individual.* The Corporation will notify the designated individual of the amount being revoked as of the date of the Corporation's receipt of the revocation request.

(e) *Timing of revocation.* The Corporation must receive the request to revoke the transfer from the transferring individual prior to the award's expiration ten years from the date the award was originally earned.

§ 2530.90 Is a designated individual eligible for the payment of accrued interest under Part 2529?

No, an individual must have successfully completed a term of service in an approved AmeriCorps position or Silver Scholar position to be eligible for the payment of accrued interest under Part 2529.

§ 2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or member is a qualified individual with a disability.

(b) Any Corporation assistance constitutes Federal financial assistance for purposes of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), and constitutes Federal financial assistance to an education program or activity for purposes of the

Corporation for National and Community Service

§ 2540.220

Education Amendments of 1972 (20 U.S.C. 1681 et seq.).

(c) An individual with responsibility for the operation of a project that receives Corporation assistance may not discriminate on the basis of religion against a participant in such project or a member of the staff of such project who is paid with Corporation funds. This provision does not apply to the employment (with Corporation assistance) of any staff member of a Corporation-supported project who was employed with the organization operating the project on the date the Corporation grant was awarded.

(d) Grantees must notify all program participants, staff, applicants, and beneficiaries of:

(1) Their rights under applicable federal nondiscrimination laws, including relevant provisions of the national service legislation and implementing regulations; and

(2) The procedure for filing a discrimination complaint with the Corporation's Office of Civil Rights and Inclusiveness.

[59 FR 13808, Mar. 23, 1994, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2540.215 What should a program participant, staff member, or beneficiary do if the individual believes he or she has been subject to illegal discrimination?

A program participant, staff member, or beneficiary who believes that he or she has been subject to illegal discrimination should contact the Corporation's Office of Civil Rights and Inclusiveness, which offers an impartial discrimination complaint resolution process. Participation in a discrimination complaint resolution process is protected activity; a grantee is prohibited from retaliating against an individual for making a complaint or participating in any manner in an investigation, proceeding, or hearing.

§ 2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?

(a) *Participants in State, local, or private nonprofits programs.* A participant

in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program's project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(1) The participant has served for at least 12 months and 1,250 hours during the year preceding the start of the leave; and

(2) The program's project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) *Participants in Federal programs.* Participants in Federal programs operated by the Corporation or by another Federal agency will be considered Federal employees for the purposes of the Family and Medical Leave Act if the participants have completed 12 months of service and the project sponsor is an employing agency as defined in 5 U.S.C 6381 et seq.; such participants therefore will be eligible for the same family and medical leave benefits afforded to such Federal employees.

(c) *General terms and conditions.* Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant;

(2) The placement of a child with a participant for adoption or foster care;

(3) The serious illness of a participant's spouse, child or parent; or

(4) A participant's serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) *Intermittent leave or reduced service.* The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of

§ 2540.230

or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious illness whenever it is medically necessary.

(e) *Alternate placement.* If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member's sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and

(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participants recurring periods of leave.

(f) *Certification of cause.* A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant's family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) *Continuance of coverage.* (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant's leave.

(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant's leave.

(h) *Failure to return.* If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) *Applicability to term of service.* Any absence, due to family and medical leave, will not be counted towards the participant's term of service.

45 CFR Ch. XXV (10-1-12 Edition)

§ 2540.230 What grievance procedures must recipients of Corporation assistance establish?

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of the Corporation's inspector general.

(a) *Alternative dispute resolution.* (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) *Grievance procedure for unresolved complaints.* If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate

Corporation for National and Community Service

§ 2540.300

in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) *Time limitations.* Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) *Arbitration*—(1) *Arbitrator*—(i) *Joint selection by parties.* If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) *Appointment by Corporation.* If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporations Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) *Time Limits*—(i) *Proceedings.* An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment.

(ii) *Decision.* A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) *The cost.* The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

(e) *Suspension of placement.* If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) *Remedies.* Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—

(i) Reinstatement of the employee to the position he or she held prior to the displacement;

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) *Suspension or termination of assistance.* The Corporation may suspend or terminate payments for assistance under this chapter.

(h) *Effect of noncompliance with arbitration.* A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

Subpart C—Other Requirements for Recipients of Corporation Assistance

§ 2540.300 What must be included in annual State reports to the Corporation?

chapter. A State's annual report must include information that demonstrates the State's compliance with the requirements of this chapter.

(b) *Local grantees.* Each State may require local grantees that receive assistance under this chapter to supply such information to the State as is necessary to enable the State to complete the report required under paragraph (a) of this section, including a comparison of actual accomplishments with the goals established for the program, the number of participants in the program, the number of service hours generated, and the existence of any problems, delays or adverse conditions that have affected or will affect the attainment of program goals.

(c) *Availability of report.* Reports submitted under paragraph (a) of this section must be made available to the public on request.

§ 2540.310 Must programs that receive Corporation assistance establish standards of conduct?

Yes. Programs that receive assistance under this title must establish and stringently enforce standards of conduct at the program site to promote proper moral and disciplinary conditions.

§ 2540.320 How are participant benefits treated?

Section 142(b) of the Job Training Partnership Act (29 U.S.C. 1552(b)) shall apply to the programs conducted under this chapter as if such programs were conducted under the Job Training Partnership Act (29 U.S.C. 1501 *et seq.*).

§ 2540.330 Parental involvement required

(a) *Consultation Requirement.* Programs that receive assistance under the national service laws shall consult with the parents or legal guardians of children in developing and operating programs that include and serve children.

(b) *Parental Permission.* Programs that receive assistance under the national service laws must, before transporting minor children, provide the children's parents or legal guardians with the reason for the transportation and obtain the parent's or legal guard-

45 CFR Ch. XXV (10–1–12 Edition)

ian's permission for such transportation, consistent with State law.

[74 FR 46507, Sept. 10, 2009]

Subpart D—Suspension and Termination of Corporation Assistance

§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?

(a) *Suspension of a grant or contract.* In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property;

(2) Violations of Federal, State or local criminal statutes; and

(3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) *Termination of a grant or contract.* The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The recipient will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Providing five days notice to the recipient, the Corporation may authorize the conduct of a hearing or other meetings at a location convenient to the recipient to consider the proposed suspension or termination. A transcript or recording must be made

Corporation for National and Community Service

§ 2540.610

of a hearing conducted under this section and be available for inspection by any individual.

Subpart E—Restrictions on Use of National Service Insignia

SOURCE: 73 FR 53761, Sept. 17, 2008, unless otherwise noted.

§ 2540.500 What definition applies to this subpart?

National Service Insignia. For this subpart, *national service insignia* means the former and current seal, logos, names, or symbols of the Corporation's programs, products, or services, including those for AmeriCorps, VISTA, Learn and Serve America, Senior Corps, Foster Grandparents, the Senior Companion Program, the Retired and Senior Volunteer Program, the National Civilian Community Corps, and any other program or project that the Corporation administers.

§ 2540.510 What are the restrictions on using national service insignia?

Any person who uses the national service insignia without authorization may be subject to legal action for trademark infringement, enjoined from continued use, and, for certain types of unauthorized uses, other civil or criminal penalties may apply.

§ 2540.530 Are there instances where an insignia may be used without getting the approval of the Corporation?

All uses of the national service insignia require the written approval of the Corporation.

§ 2540.540 Who has authority to approve use of national service insignia?

Approval for limited uses may be provided through the terms of a written grant or other agreement. All other uses must be approved in writing by the director of the Corporation's Office of Public Affairs, or his or her designee.

§ 2540.550 Is there an expiration date on approvals for use of national service insignia?

The approval to use a national service insignia will expire as determined in writing by the director of the Office of Public Affairs, or his or her designee. However, the authority to use an insignia may be revoked at any time if the Corporation determines that the use involved is injurious to the image of the Corporation or if there is a failure to comply with the terms and conditions of the authorization.

§ 2540.560 How do I renew authority to use a national service insignia?

Requests for renewed authority to use an insignia must follow the procedures for initial approval as set out in § 2540.540.

Subpart F—False or Misleading Statements

SOURCE: 73 FR 53761, Sept. 17, 2008, unless otherwise noted.

§ 2540.600 What definitions apply to this subpart?

You. For this subpart, *you* refers to a participant in a national service program.

§ 2540.610 What are the consequences of making a false or misleading statement?

If it is determined that you made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, it may result in the revocation of the qualification or forfeiture of the benefit. Revocation and forfeiture under this part are in addition to any other remedy available to the Federal Government under the law against persons

§ 2540.620

who make false or misleading statements in connection with a Federally-funded program.

§ 2540.620 What are my rights if the Corporation determines that I have made a false or misleading statement?

If the Corporation determines that you have made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, you will be hand delivered a written notice, or sent a written notice to your last known street address or e-mail address or that of your identified counsel at least 15 days before any proposed action is taken. The notice will include the facts surrounding the determination and the action the Corporation proposes to take. The notice will also identify the reviewing official in your case and provide other pertinent information. You will be allowed to show good cause as to why forfeiture, revocation, the denial of a benefit, or other action should not be implemented. You will be given 10 calendar days to submit written materials in opposition to the proposed action.

§ 2540.630 What information must I provide to contest a proposed action?

Your written response must include specific facts that contradict the statements made in the notice of proposed action. A general statement of denial is insufficient to raise a dispute over the facts material to the proposed action. Your response should also include copies of any documents that support your argument.

§ 2540.640 When will the reviewing official make a decision on the proposed action?

The reviewing official will issue a decision within 45 days of receipt of your response.

§ 2540.650 How may I contest a reviewing official's decision to uphold the proposed action?

If the Corporation's reviewing official concludes that the proposed action, in full or in part, should still be implemented, you will have an oppor-

45 CFR Ch. XXV (10-1-12 Edition)

tunity to request an additional proceeding. A Corporation program director or designee will conduct a review of the complete record, including such additional relevant documents you submit. If deemed appropriate, such as where there are material facts in genuine dispute, the program director or designee may conduct a telephonic or in person meeting. If a meeting is conducted, it will be recorded and you will be provided a copy of the recording. The program director or designee will issue a decision within 30 days of the conclusion of the review of the record or meeting. The decision of the program director or designee is final and cannot be appealed further within the agency.

§ 2540.660 If the final decision determines that I received a financial benefit improperly, will I be required to repay that benefit?

If it is determined that you received a financial benefit improperly, you may be required to reimburse the program for that benefit.

§ 2540.670 Will my qualification to participate or eligibility for benefits be suspended during the review process?

If the reviewing official determines that, based on the information available, there is a reasonable likelihood that you will be determined disqualified or ineligible, your qualification or eligibility may be suspended, pending issuance of a final decision, to protect the public interest.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 2541.20 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures

for control of exceptions from this part.

§ 2541.30 Definitions.

The following definitions apply to terms used in this part.

Accrued expenditures. The term *accrued expenditures* means the charges incurred by the grantee during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and

(3) Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income. The term *accrued income* means the sum of:

(1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers; and

(2) Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost. The term *acquisition cost* of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

Administrative requirements. The term *administrative requirements* means those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from “programmatically” requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency. The term *awarding agency* means:

§ 2541.30

(1) With respect to a grant, the Federal agency; and

(2) With respect to a subgrant, the party that awarded the subgrant.

Cash contributions. The term *cash contributions* means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract. The term *contract* means (except as used in the definitions for "grant" and "subgrant" in this section and except where qualified by "Federal") a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing (or matching). The term *cost sharing (or matching)* means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract. The term *cost-type contract* means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment. The term *equipment* means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment mentioned in this definition.

Expenditure report. The term *expenditure report* means:

(1) For nonconstruction grants, the SF-269 "Financial Status Report" (or other equivalent report);

(2) for construction grants, the SF-271 "Outlay Report and Request for Reimbursement" (or other equivalent report).

Federally recognized Indian tribal government. The term *federally recognized Indian tribal government* means the governing body or a governmental agency of any Indian tribe, band, nation, or

45 CFR Ch. XXV (10-1-12 Edition)

other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat. 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government. The term *government* means a State or local government or a federally recognized Indian tribal government.

Grant. The term *grant* means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee. The term *grantee* means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government. The term *local government* means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937 (42 U.S.C. 1401 et seq.) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations. The term *obligations* means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

Corporation for National and Community Service

§ 2541.30

OMB. The term *OMB* means the United States Office of Management and Budget.

Outlays (expenditures). The term *outlays* (expenditures) means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method. The term *percentage of completion method* refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval. The term *prior approval* means documentation evidencing consent prior to incurring specific cost.

Real property. The term *real property* means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share. The term *share*, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State. The term *State* means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under the United States Housing Act of 1937.

Subgrant. The term *subgrant* means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of "grant" in this part.

Subgrantee. The term *subgrantee* means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies. The term *supplies* means all tangible personal property other than "equipment" as defined in this part.

Suspension. The term *suspension* means, depending on the context, either—

(1) Temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant; or

(2) An action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 (3 CFR, 1986 Comp., p. 189) to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination. The term *termination* means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include—

(1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period;

§ 2541.40

(2) Withdrawal of the unobligated balance as of the expiration of a grant;

(3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or

(4) Voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions. The term *third party in-kind contributions* means property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis. The term *unliquidated obligations for reports prepared on a cash basis* means the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance. The term *unobligated balance* means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

Subpart B—Pre-Award Requirements

§ 2541.100 Forms for applying for grants.

(a) *Scope.* (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980 (44 U.S.C. 3501 et seq.).

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 2541.110

§ 2541.110 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372 (3 CFR, 1982 Comp., p. 197), "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

- (1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions;
- (2) Repeat the assurance language in the statutes or regulations; or
- (3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect: New or revised Federal statutes or regulations; or a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 2541.120 Special grant or subgrant conditions for "high-risk" grantees.

(a) A grantee or subgrantee may be considered "high risk" if an awarding agency determines that a grantee or subgrantee:

- (1) Has a history of unsatisfactory performance; or
- (2) Is not financially stable; or
- (3) Has a management system which does not meet the management standards set forth in this part; or

45 CFR Ch. XXV (10-1-12 Edition)

(4) Has not conformed to terms and conditions of previous awards; or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

- (1) Payment on a reimbursement basis;
- (2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;
- (3) Requiring additional, more detailed financial reports;
- (4) Additional project monitoring;
- (5) Requiring the grantee or subgrantee to obtain technical or management assistance; or
- (6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

- (1) The nature of the special conditions/restrictions;
- (2) The reason(s) for imposing them;
- (3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions; and
- (4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

§ 2541.200 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

- (1) Permit preparation of reports required by this part and the statutes authorizing the grant; and
- (2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been

Corporation for National and Community Service

§2541.210

used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as canceled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed

whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§2541.210 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if

§ 2541.220

it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash on a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions; or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is sus-

45 CFR Ch. XXV (10–1–12 Edition)

pending, payment adjustments will be made in accordance with § 2541.410(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

§ 2541.220 Allowable costs.

(a) *Limitation on use of funds.* Grant funds may be used only for—

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost

Corporation for National and Community Service

§ 2541.240

principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles:

to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions*—(1) *Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in § 2541.250, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in § 2541.250(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was

§ 2541.230 Period of availability of funds.

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

§ 2541.240 Matching or cost sharing.

(a) *Basic rule; costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by other cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period

§ 2541.240

45 CFR Ch. XXV (10-1-12 Edition)

derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee); or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services—(1) Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for

fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2) (i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired

Corporation for National and Community Service

§ 2541.250

with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 2541.220, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 2541.250 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and in-

terest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See § 2541.340)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 2541.310 and 2541.320.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described in paragraphs (g)(1) and (2) of this section, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs

§ 2541.260

(g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 2541.260 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which expends \$300,000 or more (or other

45 CFR Ch. XXV (10-1-12 Edition)

amount as specified by OMB) in Federal awards in a fiscal year, shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, § 2541.360 shall be followed.

Subpart D—Changes, Property and Subawards

§ 2541.300 Changes.

(a) *General.* Grantees and subgrantees are permitted to re budget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the

Corporation for National and Community Service

§2541.310

approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see §2541.220) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes*—(1) *Nonconstruction projects.* Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a non-construction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of

whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §2541.360 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget form the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §2541.220) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

§2541.310 Real property.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a

§ 2541.320

grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

45 CFR Ch. XXV (10-1-12 Edition)

§ 2541.320 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §2541.250(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place

Corporation for National and Community Service

§ 2541.330

will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third part named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow paragraph (e) of this section.

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 2541.330 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 2541.340

§ 2541.340 Copyrights.

The Federal awarding agency reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 2541.350 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 2541.360 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) of this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No

45 CFR Ch. XXV (10-1-12 Edition)

employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when—

(i) The employee, officer or agent;

(ii) Any member of his immediate family;

(iii) His or her partner; or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such

Corporation for National and Community Service

§ 2541.360

use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable; and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and

resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protester must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities); and

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified in this paragraph (b)(12)(i) will be referred to the grantee or subgrantee.

(c) *Competition.* (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of this section. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

(iii) Noncompetitive pricing practices between firms or between affiliated companies;

(iv) Noncompetitive awards to consultants that are on retainer contracts;

(v) Organizational conflicts of interest;

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement; and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutory or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing

§ 2541.360

laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed*—(1) *Procurement by small purchase procedures.* Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000).

45 CFR Ch. XXV (10–1–12 Edition)

If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by *sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in §2541.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

Corporation for National and Community Service

§ 2541.360

(3) Procurement by *competitive proposals*. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by *noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a

delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection

§ 2541.360

with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §2541.220). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the award-

45 CFR Ch. XXV (10-1-12 Edition)

ing agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-

Corporation for National and Community Service

§ 2541.360

party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.* The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed

conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

§ 2541.370 Subgrants.

(a) *States.* States shall follow State law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 2541.400 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to

45 CFR Ch. XXV (10-1-12 Edition)

the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) § 2541.100;

(2) § 2541.110;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 2541.210; and

(4) § 2541.500.

Subpart E—Reports, Records, Retention and Enforcement

§ 2541.400 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived

Corporation for National and Community Service

§ 2541.410

by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or

subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) *Site visits.* Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 2541.410 Financial reporting.

(a) *General.* (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies; or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in

§ 2541.410

paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decision making purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report*—(1) *Form*. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with paragraph (e)(2)(iii) of this section.

(2) *Accounting basis*. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through an analysis of the documentation on hand.

(3) *Frequency*. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date*. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the

45 CFR Ch. XXV (10–1–12 Edition)

reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report*—(1) *Form*. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements*. Forecasts of Federal cash requirements may be required in the "Remarks" section of the report.

(3) *Cash in hands of subgrantees*. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days' needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date*. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement*—(1) *Advance payments*. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when

Corporation for National and Community Service

§ 2541.420

Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements.* Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in paragraph (b)(3) of this section.

(e) *Outlay report and request for reimbursement for construction programs—(1) Grants that support construction activities paid by reimbursement method.* (i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in paragraph (d) of this section, instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in paragraph (b)(3) of this section.

(2) *Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.* (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by paragraphs (b) (3) and (4) of this section.

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in paragraph (d) of this section.

(iii) The Federal agency may substitute the Financial Status Report specified in paragraph (b) of this section for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construc-

tion Programs shall be governed by paragraph (b)(2) of this section.

§ 2541.420 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement; or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 2541.360(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period—(1) General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single

§ 2541.430

or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage charge back rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

45 CFR Ch. XXV (10-1-12 Edition)

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records*—(1) *Records of grantees and subgrantees.* The awarding agency, the Inspector General, and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records. Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

[59 FR 41598, Aug. 12, 1994, as amended at 73 FR 53762, Sept. 17, 2008]

§ 2541.430 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency;

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program;

(4) Withhold further awards for the program; or

(5) Take other remedies that may be legally available.

Corporation for National and Community Service

§ 2541.500

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable; and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 2541.350).

§ 2541.440 Termination for convenience.

Except as provided in § 2541.430 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated; or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective

date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 2541.430 or paragraph (a.) of this section.

Subpart F—After the Grant Requirement

§ 2541.500 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this time frame. These may include but are not limited to:

(1) Final performance or progress report;

(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable);

(3) Final request for payment (SF-270) (if applicable);

(4) Invention disclosure (if applicable);

(5) Federally-owned property report. In accordance with § 2541.320(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance

§ 2541.510

of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 2541.510 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 2541.420;

(d) Property management requirements in §§ 2541.3120 and 2541.320; and

(e) Audit requirements in § 2541.410.

§ 2541.520 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements;

(2) Withholding advance payments otherwise due to the grantee; or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

§ 2543.2

(x) *Program income* means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in paragraphs §2543.24 (e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) *Project costs* means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(bb) *Real property* means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

(cc) *Recipient* means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or

subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.

(dd) *Research and development* means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. "Research" is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. "Development" is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ff) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in paragraph (e).

(gg) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

§ 2543.3

(hh) *Supplies* means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements."

(ii) *Suspension* means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, "Debarment and Suspension."

(jj) *Termination* means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(kk) *Third party in-kind contributions* means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(ll) *Unliquidated obligations*, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. (nn) *Unrecovered indirect cost* means the difference between the amount awarded and the amount which could have been awarded under the recipient's approved negotiated indirect cost rate.

45 CFR Ch. XXV (10-1-12 Edition)

ent's approved negotiated indirect cost rate.

(oo) *Working capital advance* means a procedure where by funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 2543.3 Effect on other issuances.

For awards subject to this Circular, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this Circular shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in Section § 2543.4.

§ 2543.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this Circular when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this Circular shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

§ 2543.5 Subawards.

Unless sections of this Circular specifically exclude subrecipients from coverage, the provisions of this Circular shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," published at 53 FR 8034.

Corporation for National and Community Service

§ 2543.14

Subpart B—Pre-Award Requirements

§ 2543.10 Purpose.

Sections § 2543.11 through § 2543.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

§ 2543.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 2543.12 Forms for applying for Federal assistance.

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the *Catalog of Federal Domestic Assistance*. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

§ 2543.13 Debarment and suspension.

Federal awarding agencies and recipients shall comply with the non-procurement debarment and suspension common rule implementing E.O.s 12549 and 12689, "Debarment and Suspension." This common rule restricts sub-awards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 2543.14 Special award conditions.

If an applicant or recipient:

(a) Has a history of poor performance,

(b) Is not financially stable,

(c) Has a management system that does not meet the standards prescribed in this Circular,

(d) Has not conformed to the terms and conditions of a previous award, or

(e) is not otherwise responsible, Federal awarding agencies may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once

§ 2543.15

the conditions that prompted them have been corrected.

§ 2543.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 2543.16 Resource Conservation and Recovery Act.

Under the Act Resource Conservation and Recovery Act (42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254).

Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 2543.17 Certifications and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required

45 CFR Ch. XXV (10-1-12 Edition)

by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 2543.20 Purpose of financial and program management.

Sections 2543.21 through 2543.25 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 2543.21 Standards for financial management systems.

(a) Federal awarding agencies shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 2543.51. If a Federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and

Corporation for National and Community Service

§ 2543.22

other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business With the United States."

§ 2543.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(2) Financial management systems that meet the standards for fund control and accountability as established in §2543.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient

§ 2543.22

automatically through the use of a pre-determined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper

45 CFR Ch. XXV (10-1-12 Edition)

charges made by recipients at any time during the project period unless:

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements, or

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows:

(1) Except for situations described in paragraph (i)(2), Federal awarding agencies shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless:

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do

Corporation for National and Community Service

§ 2543.23

not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this Circular, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF-270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

§ 2543.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Federal awarding agency.

(7) Conform to other provisions of this Circular, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of:

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation, or

(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either

§ 2543.24

case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award:

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching, or.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

45 CFR Ch. XXV (10-1-12 Edition)

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 2543.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) below, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2), program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3).

(d) In the event that the Federal awarding agency does not specify in its

Corporation for National and Community Service

§ 2543.25

regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in § 2543.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards. (See § 2543.28 through § 2543.36.)

(h) Unless Federal awarding agency regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 2543.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program

plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

(6) The inclusion, unless waived by the Federal awarding agency, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74 Appendix E, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts With Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-

§ 2543.25

related and administrative prior written approvals required by this Circular and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient's risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency's regulations, the prior approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agen-

cy. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whenever (1), (2) or (3) apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in Section §2543.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When a Federal awarding agency makes an award that provides support for both construction and nonconstruction work, the Federal awarding agency may require the recipient to request prior approval from the Federal awarding agency before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, Federal awarding agencies shall require recipients to notify the Federal awarding agency in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5,000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Federal awarding agency indicates a letter of request suffices.

Corporation for National and Community Service

§ 2543.31

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, Federal awarding agencies shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Federal awarding agency shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 2543.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipient as incorporated into the award document.

[60 FR 13055, Mar. 10, 1995, as amended at 62 FR 45939, 45947, Aug. 29, 1997]

§ 2543.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB

Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 2543.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

PROPERTY STANDARDS

§ 2543.30 Purpose of property standards.

Sections 2543.31 through 2543.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of § 2543.31 through § 2543.37.

§ 2543.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 2543.32

§ 2543.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agency.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b), the recipient shall request disposition instructions from the Federal awarding agency or its successor Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales proce-

45 CFR Ch. XXV (10–1–12 Edition)

dures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 2543.33 Federally-owned and exempt property.

(a) Federally-owned property.

(1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, “Improving Mathematics and Science Education in Support of the National Education Goals”). Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is “exempt property.” Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

Corporation for National and Community Service

§ 2543.34

§ 2543.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project; then

(2) activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replace-

ment equipment subject to the approval of the Federal awarding agency.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was

§ 2543.35

owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the

45 CFR Ch. XXV (10-1-12 Edition)

recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Federal awarding agency for such costs incurred in its disposition.

(4) The Federal awarding agency may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Federal awarding agency shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Federal awarding agency exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 2543.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program,

Corporation for National and Community Service

§ 2543.36

the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 2543.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) The Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Federal awarding agency shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the Federal awarding agency obtains

the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).

(2) The following definitions apply for purposes of this paragraph (d):

(i) *Research data* is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This "recorded" material excludes physical objects (e.g., laboratory samples). *Research data* also do not include:

(A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) *Published* is defined as either when:

(A) Research findings are published in a peer-reviewed scientific or technical journal; or

(B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) *Used by the Federal Government in developing an agency action that has the force and effect of law* is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(3) The requirements set forth in paragraph (d)(1) of this section do not apply to commercial organizations.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient

§ 2543.37

shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph § 2543.34 (g).

[60 FR 13055, Mar. 10, 1995, as amended at 65 FR 53609, Sept. 5, 2000]

§ 2543.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 2543.40 Purpose of procurement standards.

Sections § 2543.41 through § 2543.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 2543.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administra-

45 CFR Ch. XXV (10-1-12 Edition)

tive issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 2543.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 2543.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall

Corporation for National and Community Service

§ 2543.44

be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 2543.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that:

(1) Recipients avoid purchasing unnecessary items,

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government, and

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to

§ 2543.45

other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.s 12549 and 12689, "Debarment and Suspension."

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in the Federal awarding agency's implementation of this Circular.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently \$25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a "brand name" product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 2543.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 2543.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection;

45 CFR Ch. XXV (10-1-12 Edition)

(b) Justification for lack of competition when competitive bids or offers are not obtained; and

(c) Basis for award cost or price.

§ 2543.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 2543.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the Federal awarding agency may accept the bonding policy and requirements of the

Corporation for National and Community Service

§ 2543.51

recipient, provided the Federal awarding agency has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this Circular, as applicable.

REPORTS AND RECORDS

§ 2543.50 Purpose of reports and records.

Sections § 2543.51 through § 2543.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 2543.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in Section § 2543.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph § 2543.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis

§ 2543.52

and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 2543.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

45 CFR Ch. XXV (10-1-12 Edition)

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF-272 for any one of the following reasons:

Corporation for National and Community Service

§ 2543.53

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When a Federal awarding agency determines that a recipient's accounting system does not meet the standards in Section §2543.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 2543.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all

other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate record keeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period,

§ 2543.60

but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND EVALUATION

§ 2543.60 Purpose of termination and enforcement.

Sections § 2543.61 and § 2543.62 set forth uniform suspension, termination and enforcement procedures.

45 CFR Ch. XXV (10–1–12 Edition)

§ 2543.61 Termination.

(a) Awards may be terminated in whole or in part only if:

(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award,

(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated, or

(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal awarding agency determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a) (1) or (2) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in paragraph § 2543.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 2543.62 Enforcement.

(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in Section § 2543.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.

(2) Disallow (that is, deny both use of funds and any applicable matching

Corporation for National and Community Service

§ 2543.72

credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable, and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see Section § 2543.13).

Subpart D—After-the-Award Requirements

§ 2543.70 Purpose.

Sections § 2543.71 through § 2543.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 2543.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with Sections § 2543.31 through § 2543.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 2543.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

§ 2543.73

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in Section § 2543.26.

(4) Property management requirements in Sections § 2543.31 through § 2543.37.

(5) Records retention as required in Section § 2543.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in paragraph § 2543.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 2543.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient,

(3) Taking other action permitted by statute, or

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

Subpart E—Statutory Compliance

§ 2543.80 Contract provisions.

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

45 CFR Ch. XXV (10–1–12 Edition)

§ 2543.81 Equal employment opportunity.

All contracts shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

§ 2543.82 Copeland "Anti-Kickback" Act.

All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.83 Davis-Bacon Act.

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage

Corporation for National and Community Service

§ 2543.88

determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.84 Contract Work Hours and Safety Standards Act.

Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

§ 2543.85 Rights to inventions made under a contract or agreement.

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

§ 2543.86 Clean Air Act and the Federal Water Pollution Control Act.

Contracts and subgrants of amounts in excess of \$100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

§ 2543.87 Byrd anti-lobbying amendment.

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

§ 2543.88 Debarment and suspension.

No contract shall be made to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.

Corporation for National and Community Service

§ 2544.140

§ 2544.125 Who has the authority to solicit and accept or reject a donation?

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in § 2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

§ 2544.130 How will the Corporation determine whether to solicit or accept a donation?

(a) The Corporation will solicit and accept a donation only for the purpose of furthering the mission and goals of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation's programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(1) Is a party to a grant or contract with the Corporation or is seeking to do business with the Corporation;

(2) Has pecuniary interests that may be substantially affected by performance or nonperformance of the Corporation; or

§ 2544.135 How should an offer of a donation be made?

(a) In general, an offer of donation should be made by providing a letter of tender that offers a donation. The letter should be directed to an official authorized to accept donations, describe the property or service offered, and specify any purpose for, or condition on, the use of the donation.

(b) If an offer is made orally, the Corporation will send a letter of acknowledgment to the offeror. If the donor is anonymous, the Corporation will prepare a memorandum to the file acknowledging receipt of a tendered donation and describing the donation including any special terms or conditions.

(c) Only those employees or officials with expressed notice of authority may accept donations on behalf of the Corporation. If an offer is directed to an unauthorized employee or official of the Corporation, that person must immediately forward the offer to an appropriate official for disposition.

§ 2544.140 How will the Corporation accept or reject an offer?

(a) In general, the Corporation will respond to an offer of a donation in writing and include in the response:

(1) An acknowledgment of receipt of the offer;

(2) A brief description of the offer and any purpose or condition that the offeror specified for the use of the donation;

(3) A statement either accepting or rejecting the donation; and

(4) A statement informing the donor that any acceptance of services or property can not be used in any manner, directly or indirectly, that endorses the donor's products or services or appears to benefit the financial interests or business goals of the donor.

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.

§ 2544.145

§ 2544.145 What will be done with property that is not accepted?

In general, property offered to the Corporation but not accepted will be returned to the offeror. If the offeror is unknown or the donation would spoil if returned, the property will either be disposed of in accordance with Federal Property Management regulations (41 CFR chapter 101) or given to local charities determined by the Corporation.

§ 2544.150 How will accepted donations be recorded and used?

(a) All accepted donations of money and other property will be reported to the Chief Financial Officer (CFO) of the Corporation for recording and appropriate disposition.

(b) All donations of personal services of a volunteer will be reported to the CFO and to the Personnel Division of the Corporation for processing and documentation.

(c) Donations not designated for a particular purpose will be used for an authorized purpose described in § 2544.125.

(d) Property will be used as nearly as possible in accordance with the terms of the donation. If no terms are specified, or the property can no longer be used for its original purpose, the property will be converted to another authorized use or sold in accordance with Federal regulations. The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

§ 2550.10 What is the purpose of this part?

(a) The Corporation for National and Community Service (the Corporation) seeks to meet the Nation's pressing human, educational, environmental and public safety needs through service and to reinvigorate the ethic of civic responsibility across the Nation. If the Corporation is to meet these goals, it is critical for each of the States to be actively involved.

(b) To be eligible to apply for program funding, or approved national service positions, each State must establish a State commission on national and community service to administer the State program grant making process and to develop a State plan. The Corporation may, in some instances, approve an alternative administrative entity (AAE).

(c) The Corporation will distribute grants of between \$125,000 and \$750,000 to States to cover the Federal share of operating the State commissions or AAEs.

(d) The purpose of this part is to provide States with the basic information essential to participate in the subtitle C programs. Of equal importance, this part gives an explanation of the preliminary steps States must take in order to receive money from the Corporation. This part also offers guidance on which of the two State entities States should seek to establish, and it explains the composition requirements, duties, responsibilities, restrictions,

and other relevant information for State commissions and AAEs.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

§ 2550.20 Definitions.

(a) *AAE*. Alternative Administrative Entity.

(b) *Administrative costs*. As used in this part, those costs incurred by a State in the establishing and operating a State entity; the specific administrative costs for which a Corporation administrative grant may be used as defined in the Uniform Administrative Requirements for Grants and Agreements to State and Local Governments.

(c) *Alternative Administrative Entity (AAE)*. A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) *Approved National Service Position*. A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to be provided for successful completion of a term of service.

(e) *Corporation*. As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) *Corporation representative*. Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representa-

tive must be included as a member of the State Commission or AAE.

(g) *Indian tribe*. (1) An Indian tribe, band, nation, or other organized group or community, including—

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the “Indian Reorganization Act”; 48 Stat. 984, chapter 576; 25 U.S.C. 461 et seq.); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) *Older adult*. An individual 55 years of age or older.

(i) *Service-learning*. A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

(j) *Service learning programs*. The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) *State*. As used in this part, the term State refers to each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam,

§ 2550.30

American Samoa, and the Commonwealth of the Northern Mariana Islands.

(l) *State Commission*. A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15–25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) *State Educational Agency*. The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) *State entity*. A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

§ 2550.30 How does a State decide whether to establish a State commission or an alternative administrative entity?

(a) Although each State's chief executive officer has the authority to select an administrative option, the Corporation strongly encourages States to establish State Commissions which meet the requirements in this part as quickly as possible. The requirements for State Commissions were established to try to create informed and effective entities.

(b) The Corporation recognizes that some States, for legal or other legitimate reasons, may not be able to meet all of the requirements of the State Commissions. The AAE is essentially the same as a State Commission; however, it may be exempt from some of the State Commission requirements. A State that cannot meet one of the waivable requirements of the State Commission (as explained in §2550.60), and which can demonstrate this to the Corporation, should seek to establish an AAE.

(c) Regardless of which entity a State employs, each State is required to solicit broad-based, local input in an

45 CFR Ch. XXV (10–1–12 Edition)

open, inclusive, non-political planning process.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.) Once the entity is established, the State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make, and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§ 2250.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of re-submission.

Corporation for National and Community Service

§ 2550.50

§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) *Size of the State Commission and terms of State Commission members.* The chief executive officer of a State must appoint 15-25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) *Required voting members on a State Commission.* A member may represent none, one, or more than one category, but each of the following categories must be represented:

- (1) A representative of a community-based agency or organization in the State;
- (2) The head of the State education agency or his or her designee;
- (3) A representative of local government in the State;
- (4) A representative of local labor organizations in the State;
- (5) A representative of business;
- (6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;
- (7) A representative of a national service program;
- (8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth;
- (9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism; and
- (10) A representative of the volunteer sector.

(c) *Appointment of other voting members of a State Commission.* Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the

State; however, although this list should not be construed as exhaustive, the Corporation suggests the following types of individuals:

- (1) Educators, including representatives from institutions of higher education and local education agencies;
- (2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;
- (3) Representatives of Indian tribes;
- (4) Out-of-school or at-risk youth; and
- (5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 et seq.).

(d) *Appointment of ex officio, non-voting members of a State Commission.* The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) *Other composition requirements.* To the extent practicable, the chief executive officer of a State shall ensure that the membership for the State commission is diverse with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50 percent plus one of the voting members of a State commission may be from the same political party. In addition, the number of voting members of a State commission who are officers or employees of the State may not exceed 25% of the total membership of that State commission.

(f) *Selection of Chairperson.* The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) *Vacancies.* If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.

§ 2550.60

(h) *Compensation of State Commission members.* A member of a State Commission may not receive compensation for his or her services, but may be reimbursed (at the discretion of the State) for travel and daily expenses in the same manner as employees intermittently serving the State.

(i) *The role of the Corporation representative.* The Corporation will designate one of its employees to serve as a representative to each State or group of States. This individual must be included as an ex officio non-voting member on the State Commission. In general, the Corporation representative will be responsible for assisting States in carrying out national service activities.

[58 FR 60981, Nov. 18, 1993, as amended at 73 FR 53762, Sept. 17, 2008; 74 FR 46507, Sept. 10, 2009; 74 FR 48866, Sept. 25, 2009]

§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that State entity is, de facto, an AAE. The three criteria which may be waived for an AAE are as follows:

(1) *The requirement that a State's chief executive officer appoint the members of a State Commission.* If a State can offer a compelling reason why some or all of the State Commission members should be appointed by the State legislature or by some other appropriate means, the Corporation may grant a waiver.

(2) *The requirement that a State Commission have 15–25 members.* If a State compellingly demonstrates why its commission should have a larger number of members, the Corporation may grant a waiver.

(3) *The requirement that not more than 50% plus one of the State Commission's voting members be from the same political party.* This requirement was established to prevent State Commissions

45 CFR Ch. XXV (10–1–12 Edition)

from being politically motivated or controlled; however, in some States it is illegal to require prospective members to provide information about political party affiliation. For this or another compelling reason, the Corporation may grant a waiver.

(b) Again, any time the Corporation grants one or more of these waivers for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

§ 2550.70 [Reserved]

§ 2550.80 What are the duties of the State entities?

Both State commissions and AAEs have the same duties. This section lists the duties that apply to both State commissions and AAEs—collectively referred to as State entities. Functions described in paragraphs (e) through (j) of this section are non-policymaking and may be delegated to another State agency or nonprofit organization. The duties are as follows:

(a) *Development of a three-year, comprehensive national and community service plan and establishment of State priorities.* The State entity must develop and annually update a Statewide plan for national service covering a three-year period, the beginning of which may be set by the State, that is consistent with the Corporation's broad goals of meeting human, educational, environmental, and public safety needs and meets the following minimum requirements:

(1) The plan must be developed through an open and public process (such as through regional forums or hearings) that provides for the maximum participation and input from a broad cross-section of individuals and organizations, including national service programs within the State, community-based agencies, organizations with a demonstrated record of providing educational, public safety, human, or environmental services, residents of the State, including youth and other prospective participants, State Educational Agencies, traditional service organizations, labor unions, and other interested members of the public.

Corporation for National and Community Service

§ 2550.80

(2) The plan must ensure outreach to diverse, broad-based community organizations that serve underrepresented populations by creating State networks and registries or by utilizing existing ones.

(3) The plan must set forth the State's goals, priorities, and strategies for promoting national and community service and strengthening its service infrastructure, including how Corporation-funded programs fit into the plan.

(4) The plan may contain such other information as the State commission considers appropriate and must contain such other information as the Corporation may require.

(5) The plan must ensure outreach to, and coordination with, municipalities and county governments regarding the national service laws.

(6) The plan must provide for effective coordination of funding applications submitted by the State and other organizations within the State under the national service laws.

(7) The plan must include measurable goals and outcomes for national service programs funded through the State consistent with the performance levels for national service programs.

(8) The plan is subject to approval by the chief executive officer of the State.

(9) The plan must be submitted, in its entirety, in summary, or in part, to the Corporation upon request.

(b) *Selection of subtitle C programs and preparation of application to the Corporation.* Each State must:

(1) Prepare an application to the Corporation to receive funding or education awards for national service programs operating in and selected by the State.

(2) Administer a competitive process to select national service programs for funding. The State is not required to select programs for funding prior to submission of the application described in paragraph (b)(1) of this section.

(c) *Preparation of Service Learning applications.* (1) The State entity is required to assist the State education agency in preparing the application for subtitle B school-based service learning programs.

(2) The State entity may apply to the Corporation to receive funding for community-based subtitle programs

after coordination with the State Educational Agency.

(d) *Administration of the grants program.* After subtitle C and community-based subtitle B funds are awarded, States entities will be responsible for administering the grants and overseeing and monitoring the performance and progress of funded programs.

(e) *Evaluation and monitoring.* State entities, in concert with the Corporation, shall be responsible for implementing comprehensive, non-duplicative evaluation and monitoring systems.

(f) *Technical assistance.* The State entity will be responsible for providing technical assistance to local nonprofit organizations and other entities in planning programs, applying for funds, and in implementing and operating high quality programs. States should encourage proposals from underserved communities.

(g) *Program development assistance and training.* The State entity must assist in the development of subtitle C programs; such development might include staff training, curriculum materials, and other relevant materials and activities. A description of such proposed assistance must be included in the State comprehensive plan referred to in paragraph (a) of this section. A State may apply for additional subtitle C programs training and technical assistance funds to perform these functions. The Corporation will issue notices of availability of funds with respect to training and technical assistance.

(h) *Recruitment and placement.* The State entity, as well as the Corporation, will develop mechanisms for recruitment and placement of people interested in participating in national service programs.

(i) *Benefits.* The State entity shall assist in the provision of health and child care benefits to subtitle C program participants, as will be specified in the regulations implementing the subtitle C programs.

(j) *Activity ineligible for assistance.* A State commission or AAE may not directly carry out any national service program that receives financial assistance under section 121 of the NCSA or title II of the DVSA.

§ 2550.85

(k) *Make recommendations to the Corporation* with respect to priorities within the State for programs receiving assistance under DVSA.

(1) *Coordination*—(1) *Coordination with other State agencies*. A State entity must coordinate its activities with the activities of other State agencies that administer Federal financial assistance programs under the Community Services Block Grant Act (42 U.S.C. 9901 et seq.) or other appropriate Federal financial assistance programs.

(2) *Coordination with volunteer service programs*. In general, the State entity shall coordinate its functions (including recruitment, public awareness, and training activities) with such functions of any division of ACTION, or the Corporation, that carries out volunteer service programs in the State. Specifically, the State entity may enter into an agreement with a division of ACTION or the Corporation to carry out its functions jointly, to perform its functions itself, or to assign responsibility for its functions to ACTION or the Corporation.

(3) In carrying out the activities under paragraphs (1) (1) and (2) of this section, the parties involved must exchange information about the programs carried out in the State by the State entity, a division of ACTION or the Corporation, as well as information about opportunities to coordinate activities.

(m) *Supplemental State Service Plan for Adults Age 55 or Older*. To be eligible to receive a grant or allotment under subtitles B or C of title I of the National and Community Service Act (42 U.S.C. 12501 et seq.), or to receive a distribution of approved national service positions under subtitle C of title I of that Act, a State must work with appropriate State agencies and private entities to develop a comprehensive State service plan for service by adults age 55 or older. This plan must:

(1) Include the following elements:

(i) Recommendations for policies to increase service for adults age 55 or older, including how to best use such adults as sources of social capital, and how to utilize their skills and experience to address community needs;

(ii) Recommendations to the State agency on aging (as defined in section

45 CFR Ch. XXV (10–1–12 Edition)

102 of the Older Americans Act of 1965, 42 U.S.C. 3002) on a marketing outreach plan to businesses and outreach to non-profit organizations, the State educational agency, institutions of higher education, and other State agencies;

(iii) Recommendations for civic engagement and multigenerational activities, including early childhood education and care, family literacy, and other after school programs, respite services for adults age 55 or older and caregivers, and transitions for older adults age 55 or older to purposeful work in their post-career lives;

(2) Incorporate the current knowledge base regarding—

(i) The economic impact of the roles of workers age 55 or older in the economy;

(ii) The social impact of the roles of such workers in the community;

(iii) The health and social benefits of active engagement for adults age 55 or older; and

(3) Be made available to the public and transmitted to the Corporation.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005; 73 FR 53762, Sept. 17, 2008; 74 FR 46507, Sept. 10, 2009; 74 FR 48866, Sept. 25, 2009; 75 FR 51415, Aug. 20, 2010]

§ 2550.85 How will the State Plan be assessed?

The Corporation will assess the quality of your State Plan as evidenced by:

(a) The development and quality of realistic goals and objectives for moving service ahead in the State;

(b) The extent to which proposed strategies can reasonably be expected to accomplish stated goals; and

(c) The extent of input in the development of the State plan from a broad cross-section of individuals and organizations as required by § 2550.80(a)(1).

[73 FR 53762, Sept. 17, 2008]

§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:

Corporation for National and Community Service

§ 2550.110

(a) *General restriction.* Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

(1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) *Exception to achieve a quorum.* If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstances, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) *Rule of construction.* Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or

AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

§ 2550.100 Do State entities or their members incur any risk of liability?

(a) *State liability.* Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) *Individual liability.* A member of the State Commission or AAE shall have no personal liability with respect to any claim arising out of or resulting from any act or omission by that member, within the scope of the service of that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

§ 2550.110 What grants will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?

(a) *Administrative Grants.* The Corporation may make administrative grants to States in an amount no less than \$250,000 and up to \$1 million for the purpose of establishing or operating a State Commission or AAE; these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) *Limitation on Federal share.* Except as provided in paragraph (c) of this section, the amount of a grant that may

Pt. 2551

45 CFR Ch. XXV (10–1–12 Edition)

be provided to a State under this subsection, together with other Federal funds available to establish or operate the State Commission or AAE, may not exceed 50 percent of the total cost to establish or operate the State Commission or AAE.

(c) *Alternative Match Schedule.* The Corporation may permit a State that demonstrates hardship or a new State Commission to meet alternative matching requirements for such a grant as follows:

Grant amount	Match requirement
(1) First \$100,000	No match requirement.
(2) Amounts above \$100,000 but less than \$250,000	\$1 of non-Federal funds for every \$2 provided by the Corporation in excess of \$100,000.
(3) Amounts greater than \$250,000	\$1 of non-Federal funds for every \$1 provided by the Corporation in excess of \$250,000.

(a) *How and when may an eligible organization apply for a grant?* (1) An eligible organization may file an application for a grant at any time.

(2) Before submitting an application an applicant shall determine the availability of funds from the Corporation.

(3) The Corporation may also solicit grant applicants. Applicants solicited under this provision are not assured of selection or approval and may have to compete with other solicited or unsolicited applications.

(b) *What must an eligible organization include in a grant application?* (1) An applicant shall complete standard forms prescribed by the Corporation.

(2) The applicant shall comply with the provisions of Executive Order 12372, “Intergovernmental Review of Federal Programs,” (3 CFR, 1982 Comp., p. 197) in 45 CFR part 1233 and any other applicable requirements.

(c) *Who reviews the merits of an application and how is a grant awarded?* (1) The Corporation reviews and determines the merit of an application by its responsiveness to published guidelines and to the overall purpose and objectives of the program. When funds are available, the Corporation awards a grant in writing to each applicant whose grant proposal provides the best potential for serving the purpose of the program. The award will be documented by Notice of Grant Award (NGA).

(2) The Corporation and the sponsoring organization are the parties to the NGA. The NGA will document the sponsor’s commitment to fulfill specific programmatic objectives and fi-

nanacial obligations. It will document the extent of the Corporation’s obligation to provide financial support to the sponsor.

(d) *What happens if the Corporation rejects an application?* The Corporation will return to the applicant an application that is not approved for funding, with an explanation of the Corporation’s decision.

(e) *For what period of time does the Corporation award a Senior Companion grant?* The Corporation awards a Senior Companion grant for a specified period that is usually 12 months in duration.

§ 2551.92 What are project funding requirements?

(a) *Is non-Corporation support required?* A Corporation grant may be awarded to fund up to 90 percent of the cost of development and operation of a Senior Companion project. The sponsor is required to contribute at least 10 percent of the total project cost from non-Federal sources or authorized Federal sources.

(b) *Under what circumstances does the Corporation allow less than the 10 percent non-Corporation support?* The Corporation may allow exceptions to the 10 percent local support requirement in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May the Corporation restrict how a sponsor uses locally generated contributions in excess of the 10 percent non-Corporation support required?* Whenever locally generated contributions to Senior Companion projects are in excess of the minimum 10 percent non-Corporation support required, the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) *Are program expenditures subject to audit?* All expenditures by the grantee

§ 2551.93

of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant are subject to audit by the Corporation, its Inspector General, or their authorized agents.

(e) *How are Senior Companion cost reimbursements budgeted?* (1) Except as provided in (e)(2) of this section, the total of cost reimbursements for Senior Companions, including stipends, insurance, transportation, meals, physical examinations, and recognition, shall be a sum equal to at least 80 percent of the amount of the Federal share of the grant award. Federal, required non-Federal, and excess non-Federal resources can be used to make up the amount allotted for cost reimbursements.

(2) The Corporation may allow exceptions to the 80 percent cost reimbursement requirement in cases of demonstrated need such as:

(i) Initial difficulties in the development of local funding sources during the first three years of operations;

(ii) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(f) *May a sponsor pay stipends at a rate different than the rate established by the Corporation?* A sponsor shall pay stipends at the same rate as that established by the Corporation.

(1) Types and extent of and cost of coverage are according to sound institutional and business practices;

§ 2551.102 What are the conditions of service of non-stipended Senior Companions?

Non-stipended Senior Companions serve under the following conditions:

(g) Non-stipended Senior Companions may contribute the costs they incur in connection with their participation in the program. Such contributions are not counted as part of the required non-federal share of the grant but may be reflected in the budget column for excess non-federal resources.

§ 2551.103 Must a sponsor be required to enroll non-stipended Senior Companions?

Enrollment of non-stipended Senior Companions is not a factor in the award of new or continuation grants.

§ 2551.104 May Corporation funds be used for non-stipended Senior Companions?

Federally appropriated funds for SCP shall not be used to pay any cost, including any administrative cost, incurred in implementing the regulations in this part for non-stipended Senior Companions.

§ 2551.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor's noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation's agreement and all benefits specified in § 2551.112.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

- (i) Any partisan or nonpartisan political activity associated with a can-

But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(i) In any case in which a legislative body, a committee of a legislative body, or a member of a legislative body requests any volunteer in, or employee of such a program to draft, review or testify regarding measures or to make representation to such legislative body, committee or member; or

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the Senior Companion Program.

(b) *Non-displacement of employed workers.* A Senior Companion shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) *Compensation for service.* (1) An agency or organization to which NSSC volunteers are assigned or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(3) A Senior Companion volunteer station may contribute to the financial support of the Senior Companion Program. However, this support shall not be a required precondition for a potential station to obtain Senior Companion service.

(4) If a volunteer station agrees to provide funds to support additional Senior Companions or pay for other Senior Companion support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Senior Companion receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) *Fair labor standards.* A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) *Nondiscrimination.* A sponsor or sponsor employee shall not discriminate against a Senior Companion on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if the Senior Companion with a disability is qualified to serve.

(g) *Religious activities.* (1) A Senior Companion or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

(2) A sponsor or volunteer station may retain its independence and may

continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) *Nepotism.* Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation.

(2) Before submitting an application an applicant shall determine the availability of funds from the Corporation.

(3) The Corporation may also solicit grants. Applicants solicited under this provision are not assured of selection or approval and may have to compete with other solicited or unsolicited applications.

(b) *What must an eligible organization include in a grant application?* (1) An applicant shall complete standard forms prescribed by the Corporation.

(2) The applicant shall comply with the provisions of Executive Order 12372 "Intergovernmental Review of Federal Programs," (3 CFR, 1982 Comp., p.197) in 45 CFR Part 1233, and any other applicable requirements.

(c) *Who reviews the merits of an application and how is a grant awarded?* (1) The Corporation reviews and determines the merit of an application by its responsiveness to published guidelines and to the overall purpose and objectives of the program. When funds are available, the Corporation awards a grant in writing to each applicant whose grant proposal provides the best potential for serving the purpose of the program. The award will be documented by Notice of Grant Award (NGA).

(2) The Corporation and the sponsoring organization are the parties to the NGA. The NGA will document the sponsor's commitment to fulfill specific programmatic objectives and financial obligations. It will document the extent of the Corporation's obligation to provide financial support to the sponsor.

(d) *What happens if the Corporation rejects an application?* The Corporation will return an application that is not approved for funding to the applicant with an explanation of the Corporation's decision.

(e) *For what period of time does the Corporation award a grant?* The Cor-

poration awards a Foster Grandparent grant for a specified period that is usually 12 months in duration.

§ 2552.92 What are project funding requirements?

(a) *Is non-Corporation support required?* A Corporation grant may be awarded to fund up to 90 percent of the cost of development and operation of a Foster Grandparent project. The sponsor is required to contribute at least 10 percent of the total project cost from non-Federal sources or authorized Federal sources.

(b) *Under what circumstances does the Corporation allow less than the 10 percent non-Corporation support?* The Corporation may allow exceptions to the 10 percent local support requirement in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May the Corporation restrict how a sponsor uses locally generated contributions in excess of the 10 percent non-Corporation support required?* Whenever locally generated contributions to Foster Grandparent projects are in excess of the minimum 10 percent non-Corporation support required, the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) *Are program expenditures subject to audit?* All expenditures by the grantee of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant, are subject to audit by the Corporation, its Inspector General or their authorized agents.

(e) *How are Foster Grandparent cost reimbursements budgeted?* (1) Except as provided in (e)(2) of this section, the total of cost reimbursements for Foster

§ 2552.93

Grandparents, including stipends, insurance, transportation, meals, physical examinations, and recognition, shall be a sum equal to at least 80 percent of the amount of the Federal share of the grant award. Federal, required non-Federal, and excess non-Federal resources can be used to make up the amount allotted for cost reimbursements.

(2) The Corporation may allow exceptions to the 80 percent cost reimbursement requirement in cases of demonstrated need such as:

(i) Initial difficulties in the development of local funding sources during the first three years of operations; or

(ii) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(iii) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(f) *May a sponsor pay stipends at a rate different than the rate established by the Corporation?* A sponsor shall pay stipends at the same rate as that established by the Corporation.

(c) Project costs for which Corporation funds are budgeted must be justified as being necessary and essential to project operation.

(e) Costs of other insurance not required by program policy, but maintained by a sponsor for the general conduct of its activities are allowable with the following limitations:

(1) Types and extent of and cost of coverage are according to sound institutional and business practices;

(2) Costs of insurance or a contribution to any reserve covering the risk of loss of or damage to Government-owned property are unallowable unless the government specifically requires and approves such costs; and

(f) Costs to bring a sponsor into basic compliance with accessibility requirements for individuals with disabilities are not allowable costs.

(g) Payments to settle discrimination allegations, either informally through a settlement agreement or formally as a result of a decision finding discrimination, are not allowable costs.

(h) Written Corporation approval/concurrence is required for the following changes in the approved grant:

(1) Reduction in budgeted volunteer service years.

(2) Change in the service area.

(3) Transfer of budgeted line items from Volunteer Expenses to Support Expenses. This requirement does not

Subpart J—Non-Stipended Foster Grandparents

§ 2552.101 What rule governs the recruitment and enrollment of persons who do not meet the income eligibility guidelines to serve as Foster Grandparents without stipends?

Over-income persons, age 55 or over, may be enrolled in FGP projects as non-stipended volunteers in communities where there is no RSVP project or where agreement is reached with the RSVP project that allows for the enrollment of non-stipended volunteers in the FGP project.

[64 FR 14126, Mar. 24, 1999, as amended at 74 FR 46509, Sept. 10, 2009]

§ 2552.102 What are the conditions of service of non-stipended Foster Grandparents?

Non-stipended Foster Grandparents serve under the following conditions:

(a) They must not displace or prevent eligible low-income individuals from becoming Foster Grandparents.

(b) No special privilege or status is granted or created among Foster Grandparents, stipended or non-stipended, and equal treatment is required.

(c) Training, supervision, and other support services and cost reimbursements, other than the stipend, are available equally to all Foster Grandparents.

(g) Non-stipended Foster Grandparents may contribute the costs they incur in connection with their participation in the program. Such contributions are not counted as part of the required non-federal share of the grant but may be reflected in the budget column for excess non-federal resources.

§ 2552.103 Must a sponsor be required to enroll non-stipended Foster Grandparents?

Enrollment of non-stipended Foster Grandparents is not a factor in the award of new or continuation grants.

§ 2552.104 May Corporation funds be used for non-stipended Foster Grandparents?

Federally appropriated funds for FGP shall not be used to pay any cost, including any administrative cost, incurred in implementing the regulations in this part for non-stipended Foster Grandparents.

(b) Identifies responsibilities to be carried out by each party.

§ 2552.112 What benefits are a non-Corporation funded project entitled to?

The Memorandum of Agreement entitles the sponsor of a non-Corporation funded project to:

(a) All technical assistance and materials provided to Corporation-funded Foster Grandparent projects; and

(b) The application of the provisions of 42 U.S.C. 5044 and 5058.

§ 2552.113

§ 2552.113 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project, does not create a financial obligation on the part of the Corporation for any costs associated with the project, including increases in required payments to Foster Grandparents that may result from changes in the Act or in program regulations.

§ 2552.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor's noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation's agreement and all benefits specified in § 2552.112.

Subpart L—Restrictions and Legal Representation

§ 2552.121 What legal limitations apply to the operation of the Foster Grandparent Program and to the expenditure of grant funds?

(a) *Political activities.* (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan

45 CFR Ch. XXV (10–1–12 Edition)

voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(i) In any case in which a legislative body, a committee of a legislative body, or a member of a legislative body requests any volunteer in, or employee of such a program to draft, review or testify regarding measures or to make representation to such legislative body, committee or member; or

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the FGP.

(b) *Non-displacement of employed workers.* A Foster Grandparent shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) *Compensation for service.* (1) An agency or organization to which NSSC volunteers are assigned, or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A Foster Grandparent volunteer station may contribute to the financial support of the FGP. However, this support shall not be a required precondition for a potential station to obtain Foster Grandparent service.

(4) If a volunteer station agrees to provide funds to support additional Foster Grandparents or pay for other Foster Grandparent support costs, the

Corporation for National and Community Service

Pt. 2553

agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Foster Grandparent receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) *Fair labor standards.* A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) *Nondiscrimination.* A sponsor or sponsor employee shall not discriminate against a Foster Grandparent on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if the Foster Grandparent with a disability is qualified to serve.

(g) *Religious activities.* (1) A Foster Grandparent or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

(2) A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) *Nepotism.* Persons selected for project staff positions shall not be re-

lated by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation.

§ 2553.44 May cost reimbursements received by a RSVP volunteer be subject to any tax or charge, treated as wages or compensation, or affect eligibility to receive assistance from other programs?

No. RSVP volunteers' cost reimbursements are not subject to any tax or charge and are not treated as wages or compensation for the purposes of unemployment insurance, worker's compensation, temporary disability, retirement, public assistance, or similar benefit payments or minimum wage laws. § 2553.62

sponsor or special volunteer activities of the project. The RSVP project itself may function as a volunteer station or may initiate special volunteer activities provided the Corporation agrees that these activities are in accord with program objectives and will not hinder overall project operations.

Subpart G—Application and Fiscal Requirements

§ 2553.71 What is the process for application and award of a grant?

(a) *What are the application requirements for an RSVP grant?* An applicant must:

(1) Submit required information determined by the Corporation.

(2) Demonstrate compliance with any applicable requirements specified in the Notice of Funding Availability or Notice of Funding Opportunity.

(b) *What process does the Corporation use to select new RSVP grantees?* (1) The Corporation reviews and determines the merits of an application by its responsiveness to published guidelines and to the overall purpose and objectives of the program. In conducting its review during the competitive process, the Corporation considers the input and opinions of those serving on a peer review panel, including members with expertise in senior service and aging, and may conduct site inspections, as appropriate.

(2) The selection process includes:

(i) Determining whether an application complies with the application requirements, such as deadlines, eligibility, and programmatic requirements, including performance measurement requirements;

(ii) Applying published selection criteria, as stated in the applicable Notice of Funding Availability or Notice of Funding Opportunity, to assess the quality of the application;

Corporation for National and Community Service

§ 2553.72

(c) *How is a grant awarded?* (1) Subject to the availability of funds, the award will be documented by a Notice of Grant Award (NGA).

(2) The Corporation and the sponsoring organization are parties to the NGA. The NGA will document the sponsor's commitment to fulfill specific programmatic objectives and financial obligations. It will document the extent of the Corporation's obligation to provide assistance to the sponsor.

(d) *What happens if the Corporation rejects an application?* The Corporation will return to the applicant an application that is not approved for funding, informing the applicant of the Corporation's decision.

(e) *For what period of time does the Corporation award a grant?* The Corporation awards an RSVP grant for a specified period that is 3 years in duration with an option for a grant renewal of 3 years, if the grantee's performance and compliance with grant terms and conditions are satisfactory. The Corporation will use the Denial of Refunding procedures set forth in 45 CFR part 1206 to deny funding to a grantee when the Corporation determines that the grant should not be renewed for an additional 3 years.

(f) *What assistance in preparation for competitive award of all RSVP grants will the Corporation provide to sponsors who have previously received a grant and whose grants are expiring in fiscal year 2011, 2012, or 2013?* (1) For each grant expiring in fiscal years 2011, 2012, or 2013, the Corporation will evaluate the grant, to the maximum extent practicable, in fiscal years 2010, 2011, and 2012, respectively.

(2) The evaluation will give particular attention to the different needs of rural and urban projects, including those serving Native American communities, and will evaluate the extent to which the sponsor meets or exceeds performance measures, outcomes, and other criteria established by the Corporation.

(3) To the maximum extent practicable, the Corporation will ensure that each evaluation is conducted by a review team made up of trained individuals who are knowledgeable about RSVP, including current or former em-

ployees of the Corporation and representatives of communities served by RSVP volunteers, who will provide their input and opinions concerning each grant.

(4) The Corporation will use the evaluation findings as the basis for providing recommendations for program improvement, and for the provision of training and technical assistance.

(5) The evaluation will assess:

(i) The project's strengths and areas in need of improvement;

(ii) Whether the project has adequately addressed population and community-wide needs;

(iii) The efforts of the project to collaborate with other community-based organizations, units of government, and entities providing services to seniors, taking into account barriers to such collaboration that such programs may encounter;

(iv) The project's compliance with the program requirements for the appropriate use of Federal funds as embodied in a protocol for fiscal management;

(v) To what extent the project is in conformity with the eligibility, outreach, enrollment, and other requirements for RSVP projects; and

(vi) The extent to which the project is achieving other measures of performance developed by the Corporation, in consultation with the review team.

[76 FR 20246, Apr. 12, 2011]

§ 2553.72 What are project funding requirements?

(a) *Is non-Corporation support required?* (1) A Corporation grant may be awarded to fund up to 90 percent of the total project cost in the first year, 80 percent in the second year, and 70 percent in the third and succeeding years.

(2) A sponsor is responsible for identifying non-Corporation funds which may include in-kind contributions.

(b) *Under what circumstances does the Corporation allow less than the percentage identified in paragraph (a) of this section?* The Corporation may allow exceptions to the local support requirement identified in paragraph (a) of this section in cases of demonstrated need such as:

§ 2553.73

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May the Corporation restrict how a sponsor uses locally generated contributions in excess of the non-Corporation support required?* Whenever locally generated contributions to RSVP projects are in excess of the non-Corporation funds required (10 percent of the total cost in the first year, 20 percent in the second year and 30 percent in the third and succeeding years), the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) *Are program expenditures subject to audit?* All expenditures by the grantee of Federal and Non-Federal funds, including expenditures from excess locally generated contributions, are subject to audit by the Corporation, its Inspector General, or their authorized agents.

Corporation for National and Community Service

§ 2553.91

Subpart H—Non-Corporation Funded Projects

§ 2553.81 Under what conditions may an agency or organization sponsor a RSVP project without Corporation funding?

An eligible agency or organization who wishes to sponsor a RSVP project without Corporation funding, must sign a Memorandum of Agreement with the Corporation that:

(a) Certifies its intent to comply with all Corporation requirements for the Retired and Senior Volunteer Program; and

(b) Identifies responsibilities to be carried out by each party.

§ 2553.82 What benefits are a non-Corporation funded project entitled to?

(a) All technical assistance and materials provided to Corporation-funded RSVP projects; and

(b) The application of the provisions of 42 U.S.C. 5044 and 5058.

§ 2553.83 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project does not create a financial obligation on the part of the Corporation for any costs associated with the project.

§ 2553.84 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor's noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation's agreement and all benefits specified in § 2553.82.

Subpart I—Restrictions and Legal Representation

§ 2553.91 What legal limitations apply to the operation of the RSVP Program and to the expenditure of grant funds?

(a) *Political activities.* (1) No part of any grant shall be used to finance, directly or indirectly, any activity to in-

fluence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(i) In any case in which a legislative body, a committee of a legislative body, or a member of a legislative body requests any volunteer in, or employee of such a program to draft, review or testify regarding measures or to make representation to such legislative body, committee or member; or

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the RSVP Program.

(b) *Nondisplacement of employed workers.* A RSVP volunteer shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) *Compensation for service.* (1) An agency or organization to which NSSC

§ 2553.92

volunteers are assigned, or which operates or supervises any NSSC program, shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant; or, from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A RSVP volunteer station may contribute to the financial support of the RSVP Program. However, this support shall not be a required precondition for a potential station to obtain RSVP volunteers.

(4) If a volunteer station agrees to provide funds to support additional volunteers or pay for other volunteer support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a RSVP volunteer receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) *Labor and anti-labor activity.* The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) *Fair labor standards.* A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) *Nondiscrimination.* A sponsor or sponsor employee shall not discriminate against a RSVP volunteer on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if

45 CFR Ch. XXV (10–1–12 Edition)

the volunteer with a disability is qualified to serve.

(g) *Religious activities.* (1) A RSVP volunteer or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his/her duties.

(2) A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) *Nepotism.* Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the Advisory Council or community group established by the sponsor under subpart B of this part, and with notification to the Corporation.

[64 FR 14135, Mar. 24, 1999, as amended at 69 FR 60095, Oct. 7, 2004]

§ 2553.92 What legal coverage does the Corporation make available to RSVP volunteers?

It is within the Corporation's discretion to determine if Counsel is employed and counsel fees, court costs, bail and other expenses incidental to the defense of a RSVP volunteer are paid in a criminal, civil or administrative proceeding, when such a proceeding arises directly out of performance of the volunteer's activities. The circumstances under which the Corporation may pay such expenses are specified in 45 CFR part 1220.

Subpart J—Performance Measurement

SOURCE: 76 FR 20247, Apr. 12, 2011, unless otherwise noted.

Corporation for National and Community Service

§ 2553.107

§ 2553.100 What is the purpose of this subpart?

This subpart sets forth the minimum performance measurement requirements for Corporation-funded Retired and Senior Volunteer Program (RSVP) projects.

§ 2553.101 What is the purpose of performance measurement?

The purpose of performance measurement is to strengthen the RSVP project and foster continuous improvement. Reporting on performance measures is used by the Corporation as part of assessing the impact of the project on the community and on the accomplishment of the objectives established in the Corporation's Strategic Plan. In addition, as part of the competitive process, performance measures are used to assess how an applicant for a grant approaches the design of volunteer activities and the measurement of their impact on community needs.

§ 2553.102 What performance measurement information must be part of an application for funding under RSVP?

An application to the Corporation for funding under RSVP must contain:

- (a) Performance measures.
- (b) Estimated performance data for the project years covered by the application.
- (c) Actual performance data, where available, for the preceding completed project year.

§ 2553.103 Who develops the performance measures?

- (a) An applicant is responsible for developing its own project-specific performance measures.
- (b) In addition, the Corporation may establish performance measures that will apply to all Corporation-sponsored RSVP projects, which sponsors will be responsible for meeting.

§ 2553.104 What performance measures must be submitted to the Corporation and how are these submitted?

- (a) An applicant for Corporation funds is required to submit at least one of each of the following types of performance measures as part of their ap-

plication. The Corporation will provide standard forms.

- (1) Output indicators.
- (2) Outcome indicators.
- (b) An applicant must also submit any uniform performance measures the Corporation may establish for all applicants.
- (c) The Corporation may specify additional requirements relating to performance measures on an annual basis in program guidance and related materials.

§ 2553.105 How are performance measures approved and documented?

- (a) The Corporation reviews and approves performance measures for all applicants that apply for funding from the Corporation.
- (b) An applicant must follow Corporation-provided guidance and formats provided when submitting performance measures.
- (c) Final performance measures, as negotiated between the applicant and the Corporation, will be documented in the Notice of Grant Award (NGA).

§ 2553.106 How does a sponsor report performance measures to the Corporation?

The Corporation will set specific reporting requirements, including frequency and deadlines, concerning performance measures established in the grant award. A sponsor is required to report on the actual results that occurred when implementing the grant and to regularly measure the project's performance.

§ 2553.107 What must a sponsor do if it cannot meet its performance measures?

Whenever a sponsor finds it is not on track to meet its performance measures, it must develop a plan to get back on track or submit a request to the Corporation to amend its performance measures. The request must include all of the following:

- (a) Why the project is not on track to meet its performance requirements;
- (b) How the project has been tracking performance measures;
- (c) Evidence of corrective steps taken;
- (d) Any new proposed performance measures; and

§ 2553.108

(e) A plan to ensure that the project will meet the new proposed measure(s).

§ 2553.108 When may a sponsor change a project's performance measures?

Performance measures may be changed only if the Corporation approves the sponsor's request to do so.

§ 2553.109 What happens if a sponsor fails to meet the performance measures included in the Notice of Grant Award (NGA)?

If a sponsor fails to meet a target performance measure established in the NGA, the Corporation will negotiate a period of no more than one year for meeting the performance measure. At that point, if the sponsor still fails to meet the performance measure, the Corporation may take one or more of the following actions:

- (a) Reduce the amount of the grant;
- (b) Suspend, terminate, or deny re-funding of the grant, in accordance with the provisions of Section 2553.31 of this part;
- (c) Take this information into account in assessing any application from the organization for a new grant or augmentation of an existing grant under any program administered by the Corporation;
- (d) Amend the terms of any Corporation grant to the organization; or
- (e) Take other actions that the Corporation deems appropriate.

(a) *Statutory basis.* This part implements the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. 3801-3812 ("the Act"). The Act provides the Corporation and other federal agencies with an administrative remedy to impose civil penalties and assessments against persons making false claims and statements. The Act also provides due process protections to all persons who are subject to administrative proceedings under this part.

(b) *Possible remedies for program fraud.* In addition to any other penalties that may be prescribed by law, a person who submits, or causes to be submitted, a false claim or a false statement to the Corporation is subject to a civil penalty of not more than \$5,000 for each statement or claim, regardless of whether property, services, or money is actually delivered or paid by the Corporation. If the Corporation has made any payment, transferred property, or provided services in reliance on a false claim, the person submitting it also is subject to an assessment of not more than twice the amount of the false claim. This assessment is in lieu of damages sustained by the Corporation because of the false claim.

§ 2554.2 What kind of conduct will result in program fraud enforcement?

(a) Any person who makes, or causes to be made, a false, fictitious, or fraudulent claim or written statement to the Corporation is subject to program fraud enforcement. A "person" means

any individual, partnership, corporation, association, or other legal entity.

(b) If more than one person makes a false claim or statement, each person is liable for a civil penalty. If more than one person makes a false claim which has induced the Corporation to make payment, an assessment is imposed against each person. The liability of each such person to pay the assessment is joint and several, that is, each is responsible for the entire amount.

(c) No proof of specific intent to defraud is required to establish liability under this part.

§ 2554.3 What is a claim?

(a) Claim means any request, demand, or submission:

(1) Made to the Corporation for property, services, or money;

(2) Made to a recipient of property, services, or money from the Corporation or to a party to a contract with the Corporation for property or services, or for the payment of money. This provision applies only when the claim is related to property, services or money from the Corporation or to a contract with the Corporation; or

(3) Made to the Corporation which decreases an obligation to pay or account for property, services, or money.

(b) A claim can relate to grants, loans, insurance, or other benefits, and includes the Corporation guaranteed loans made by participating lenders. A claim is made when it is received by the Corporation, an agent, fiscal intermediary, or other entity acting for the Corporation, or when it is received by the recipient of property, services, or money, or the party to a contract.

(c) Each voucher, invoice, claim form, or individual request or demand for property, services, or money constitutes a separate claim.

§ 2554.4 What is a statement?

A "statement" means any written representation, certification, affirmation, document, record, or accounting or bookkeeping entry made with respect to a claim or with respect to a contract, bid or proposal for a contract, grant, loan or other benefit from

§ 2554.5

the Corporation. "From the Corporation" means that the Corporation provides some portion of the money or property in connection with the contract, bid, grant, loan, or benefit, or is potentially liable to another party for some portion of the money or property under such contract, bid, grant, loan, or benefit. A statement is made, presented, or submitted to the Corporation when it is received by the Corporation or an agent, fiscal intermediary, or other entity acting for the Corporation.

§ 2554.5 What is a false claim or statement?

(a) A claim submitted to the Corporation is a "false" claim if the person making the claim, or causing the claim to be made, knows or has reason to know that the claim:

- (1) Is false, fictitious or fraudulent;
- (2) Includes or is supported by a written statement which asserts or contains a material fact which is false, fictitious, or fraudulent;
- (3) Includes or is supported by a written statement which is false, fictitious or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement; or
- (4) Is for payment for the provision of property or services which the person has not provided as claimed.

(b) A statement submitted to the Corporation is a false statement if the person making the statement, or causing the statement to be made, knows or has reason to know that the statement:

- (1) Asserts a material fact which is false, fictitious, or fraudulent; or
- (2) Is false, fictitious, or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement. In addition, the statement must contain or be accompanied by an express certification or affirmation of the truthfulness and accuracy of the contents of the statement.

§ 2554.6 What does the phrase "know or have reason to know" mean?

A person knows or has reason to know (that a claim or statement is false) if the person:

45 CFR Ch. XXV (10-1-12 Edition)

(a) Has actual knowledge that the claim or statement is false, fictitious, or fraudulent; or

(b) Acts in deliberate ignorance of the truth or falsity of the claim or statement; or

(c) Acts in reckless disregard of the truth or falsity of the claim or statement.

PROCEDURES LEADING TO ISSUANCE OF A COMPLAINT

§ 2554.7 Who investigates program fraud?

The Inspector General, or his designee, is the investigating official responsible for investigating allegations that a false claim or statement has been made. In this regard, the Inspector General has authority under the Program Fraud Civil Remedies Act and the Inspector General Act of 1978 (5 U.S.C. App. 3), as amended, to issue administrative subpoenas for the production of records and documents.

§ 2554.8 What happens if program fraud is suspected?

(a) If the investigating official concludes that an action under this Part is warranted, the investigating official submits a report containing the findings and conclusions of the investigation to a reviewing official. The reviewing official is the General Counsel or his or her designee. If the reviewing official determines that the report provides adequate evidence that a person submitted a false claim or statement, the reviewing official transmits to the Attorney General written notice of an intention to refer the matter for adjudication, with a request for approval of such referral. This notice will include the reviewing official's statements concerning:

- (1) The reasons for the referral;
- (2) The claims or statements upon which liability would be based;
- (3) The evidence that supports liability;
- (4) An estimate of the amount of money or the value of property, services, or other benefits requested or demanded in the false claim or statement;
- (5) Any exculpatory or mitigating circumstances that may relate to the

Corporation for National and Community Service

§ 2554.12

claims or statements known by the reviewing official or the investigating official; and

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

(b) If at any time, the Attorney General or his or her designee requests in writing that this administrative process be stayed, the authority head, as identified in §2554.9 of this Part, must stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§2554.9 Who is the Corporation's authority head?

The Corporation's "authority head" is the Chief Executive Officer or his or her designee. For purposes of this Part, the Corporation's Chief Financial Officer is designated to act on behalf of the Chief Executive Officer.

§2554.10 When will the Corporation issue a complaint?

The Corporation will issue a complaint:

(a) If the Attorney General (or designee) approves the referral of the allegations for adjudication; and

(b) In a case of submission of false claims, if the amount of money or the value of property or services demanded or requested in a false claim, or a group of related claims submitted at the same time, does not exceed \$150,000. "A group of related claims submitted at the same time" includes only those claims arising from the same transaction (such as a grant, loan, application, or contract) which are submitted together as part of a single request, demand, or submission.

§2554.11 What is contained in a complaint?

(a) A complaint is a written statement giving notice to the person alleged to be liable under 31 U.S.C. 3802 of the specific allegations being referred for adjudication and of the person's right to request a hearing with respect to those allegations. The person alleged to have made false statements or to have submitted false claims to the

Corporation is referred to as the "defendant."

(b) The reviewing official may join in a single complaint, false claims or statements that are unrelated, or that were not submitted simultaneously, regardless of the amount of money or the value of property or services demanded or requested.

(c) The complaint will state that the Corporation seeks to impose civil penalties, assessments, or both, against each defendant and will include:

(1) The allegations of liability against each defendant, including the statutory basis for liability, identification of the claims or statements involved, and the reasons liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which each defendant may be held liable;

(3) A statement that each defendant may request a hearing by filing an answer and may be represented by a representative;

(4) Instructions for filing such an answer;

(5) A warning that failure to file an answer within 30 days of service of the complaint will result in imposition of the maximum amount of penalties and assessments.

(d) The reviewing official must serve any complaint on the defendant and, if a hearing is requested by the defendant, provide a copy to the Administrative Law Judge (ALJ) assigned to the case.

§2554.12 How will the complaint be served?

(a) The complaint must be served on individual defendants directly, a partnership through a general partner, and on corporations or on unincorporated associations through an executive officer or a director, except that service also may be made on any person authorized by appointment or by law to receive process for the defendant.

(b) The complaint may be served either by:

(1) Registered or certified mail (return receipt requested) addressed to the defendant at his or her residence, usual dwelling place, principal office or place of business; or by

§ 2554.13

(2) Personal delivery by anyone 18 years of age or older.

(c) The date of service is the date of personal delivery or, in the case of service by registered or certified mail, the date of postmark.

(d) Proof of service—

(1) When service is made by registered or certified mail, the return postal receipt will serve as proof of service.

(2) When service is made by personal delivery, an affidavit of the individual serving the complaint, or written acknowledgment of receipt by the defendant or a representative, will serve as proof of service.

(e) When served with the complaint, the defendant also should be served with a copy of this Part 2554 and 31 U.S.C. 3801-3812.

PROCEDURES FOLLOWING SERVICE OF A COMPLAINT

§ 2554.13 How does a defendant respond to the complaint?

(a) A defendant may file an answer with the reviewing official within 30 days of service of the complaint. An answer will be considered a request for an oral hearing.

(b) In the answer, a defendant—

(1) Must admit or deny each of the allegations of liability contained in the complaint (a failure to deny an allegation is considered an admission);

(2) Must state any defense on which the defendant intends to rely;

(3) May state any reasons why he or she believes the penalties, assessments, or both should be less than the statutory maximum; and

(4) Must state the name, address, and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer which meets the requirements set forth in paragraph (b) of this section, the defendant may file with the reviewing official a general answer denying liability, requesting a hearing, and requesting an extension of time in which to file a complete answer. A general answer must be filed within 30 days of service of the complaint.

(d) If the defendant initially files a general answer requesting an extension of time, the reviewing official must

45 CFR Ch. XXV (10-1-12 Edition)

promptly file with the ALJ the complaint, the general answer, and the request for an extension of time.

(e) For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. Such answer must be filed with the ALJ and a copy must be served on the reviewing official.

§ 2554.14 What happens if a defendant fails to file an answer?

(a) If a defendant does not file an answer within 30 days after service of the complaint, the reviewing official will refer the complaint to the ALJ.

(b) Once the complaint is referred, the ALJ will promptly serve on the defendant a notice that an initial decision will be issued.

(c) The ALJ will assume the facts alleged in the complaint to be true and, if such facts establish liability under the statute, the ALJ will issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, when a defendant fails to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed in the initial decision.

(e) The initial decision becomes final 30 days after it is issued.

(f) If, at any time before an initial decision becomes final, a defendant files a motion with the ALJ asking that the case be reopened and describing the extraordinary circumstances that prevented the defendant from filing an answer, the initial decision will be stayed until the ALJ makes a decision on the motion. The reviewing official may respond to the motion.

(g) If, in his motion to reopen, a defendant demonstrates extraordinary circumstances excusing his failure to file a timely answer, the ALJ will withdraw the initial decision, and grant the defendant an opportunity to answer the complaint.

(h) A decision by the ALJ to deny a defendant's motion to reopen a case is not subject to review or reconsideration.

Corporation for National and Community Service

§ 2554.18

(i) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(j) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(k) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant's failure to file a timely answer based solely on the record before the ALJ.

(l) If the authority head decides that extraordinary circumstances excused the defendant's failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(m) If the authority head decides that the defendant's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 2554.15 What happens once an answer is filed?

(a) When the reviewing official receives an answer, he must file concurrently, the complaint and the answer with the ALJ, along with a designation of a Corporation representative.

(b) When the ALJ receives the complaint and the answer, the ALJ will promptly serve a notice of oral hearing upon the defendant and the representative for the Corporation, in the same manner as the complaint, service of which is described in § 2554.12. The notice of oral hearing must be served within six years of the date on which the claim or statement is made.

(c) The notice must include:

(1) The tentative time, place and nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The matters of fact and law to be asserted;

(4) A description of the procedures for the conduct of the hearing;

(5) The name, address, and telephone number of the defendant's representative and the representative for the Corporation; and

(6) Such other matters as the ALJ deems appropriate.

(d) The six-year statute of limitation may be extended by agreement of the parties.

HEARING PROVISIONS

§ 2554.16 What kind of hearing is contemplated?

The hearing is a formal proceeding conducted by the ALJ during which a defendant will have the opportunity to cross-examine witnesses, present testimony, and dispute liability.

(c) Once a motion has been filed to disqualify the reviewing official, the ALJ will halt the proceedings until resolving the matter of disqualification. If the ALJ determines that the reviewing official is disqualified, the ALJ will dismiss the complaint without prejudice. If the ALJ disqualifies himself or herself, the case will be promptly reassigned to another ALJ.

§ 2554.20 How are issues brought to the attention of the ALJ?

(a) All applications to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(b) In which the claim or statement on which liability is based was made, presented or submitted to the Corporation; or

(c) As agreed upon by the defendant and the ALJ.

§ 2554.32 How will the hearing be conducted and who has the burden of proof?

(a) The ALJ conducts a hearing in order to determine whether a defendant is liable for a civil penalty, assessment, or both and, if so, the appropriate amount of the civil penalty and/or assessment. The hearing will be recorded and transcribed, and the transcript of testimony, exhibits admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for a decision by the ALJ.

(b) The Corporation must prove a defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) A defendant must prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing will be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 2554.33 How is evidence presented at the hearing?

(a) The ALJ shall determine the admissibility of evidence.

45 CFR Ch. XXV (10–1–12 Edition)

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

§ 2554.34 How is witness testimony presented?

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 2554.27(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as

Corporation for National and Community Service

§ 2554.37

may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity prose or designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 2554.35 Will the hearing proceedings be recorded?

The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication. The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head. The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 2554.30.

§ 2554.36 Can a party informally discuss the case with the ALJ?

No. Such discussions are forbidden as "ex parte communications" with the ALJ. No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on

notice and opportunity for all parties to participate.

This does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 2554.37 Are there sanctions for misconduct?

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 2554.38

§ 2554.38 Are post-hearing briefs required?

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

DECISIONS AND APPEALS

§ 2554.39 How is the case decided?

(a) The ALJ will issue an initial decision based only on the record. It will contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The ALJ will serve the initial decision on all parties within 90 days after close of the hearing or expiration of any allowed time for submission of post-hearing briefs. If the ALJ fails to meet this deadline, he or she shall promptly notify the parties of the reason for the delay and set a new deadline.

(c) The findings of fact must include a finding on each of the following issues:

(1) Whether any one or more of the claims or statements identified in the complaint violate this part; and

(2) If the defendant is liable for penalties or assessments, the appropriate amount of any such penalties or assessments, considering any mitigating or aggravating factors.

(d) The initial decision will include a description of the right of a defendant found liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head.

§ 2554.40 How are penalty and assessment amounts determined?

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that

45 CFR Ch. XXV (10–1–12 Edition)

support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence that ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

Corporation for National and Community Service

§ 2554.43

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 2554.41 Can a party request reconsideration of the initial decision?

(a) Any party may file a motion for reconsideration of the initial decision with the ALJ within 20 days of receipt of the initial decision. If the initial decision was served by mail, there is a rebuttable presumption that the initial decision was received by the party 5 days from the date of mailing.

(b) A motion for reconsideration must be accompanied by a supporting brief and must describe specifically each allegedly erroneous decision.

(c) Any response to a motion for reconsideration will only be allowed if it is requested by the ALJ.

(d) The ALJ will dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(e) If the ALJ issues a revised initial decision upon motion of a party, that party may not file another motion for reconsideration.

§ 2554.42 When does the initial decision of the ALJ become final?

(a) The initial decision of the ALJ becomes the final decision of the Corporation, and shall be binding on all parties 30 days after it is issued, unless any party timely files a motion for re-

consideration or any defendant adjudged to have submitted a false claim or statement timely appeals to the Corporation's authority head, as set forth in § 2554.43.

(b) If the ALJ disposes of a motion for reconsideration by denying it or by issuing a revised initial decision, the ALJ's order on the motion for reconsideration becomes the final decision of the Corporation 30 days after the order is issued, unless a defendant adjudged to have submitted a false claim or statement timely appeals to the authority head, within 30 days of the ALJ's order, as set forth in § 2554.43.

§ 2554.43 What are the procedures for appealing the ALJ decision?

(a) Any defendant who submits a timely answer and is found liable for a civil penalty or assessment in an initial decision may appeal the decision.

(b) The defendant may file a notice of appeal with the authority head within 30 days following issuance of the initial decision, serving a copy of the notice of appeal on all parties and the ALJ. The authority head may extend this deadline for up to an additional 30 days if an extension request is filed within the initial 30-day period and shows good cause.

(c) The defendant's appeal will not be considered until all timely motions for reconsideration have been resolved.

(d) If a timely motion for reconsideration is denied, a notice of appeal may be filed within 30 days following such denial or issuance of a revised initial decision, whichever applies.

(e) A notice of appeal must be supported by a written brief specifying why the initial decision should be reversed or modified.

(f) The Corporation's representative may file a brief in opposition to the notice of appeal within 30 days of receiving the defendant's notice of appeal and supporting brief.

(g) If a defendant timely files a notice of appeal, and the time for filing motions for reconsideration has expired, the ALJ will forward the record of the proceeding to the authority head.

§ 2554.44

§ 2554.44 What happens if an initial decision is appealed?

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 2554.45 Are there any limitations on the right to appeal to the authority head?

(a) A defendant has no right to appear personally, or through a representative, before the authority head.

(b) There is no right to appeal any interlocutory ruling.

(c) The authority head will not consider any objection or evidence that was not raised before the ALJ unless the defendant demonstrates that the failure to object was caused by extraordinary circumstances. If the appealing defendant demonstrates to the satisfaction of the authority head that extraordinary circumstances prevented the presentation of evidence at the hearing, and that the additional evidence is material, the authority head may remand the matter to the ALJ for consideration of the additional evidence.

§ 2554.46 How does the authority head dispose of an appeal?

(a) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment imposed by the ALJ in the initial decision or reconsideration decision.

(b) The authority head will promptly serve each party to the appeal and the ALJ with a copy of his or her decision. This decision must contain a statement describing the right of any person, against whom a penalty or assessment has been made, to seek judicial review.

§ 2554.47 What judicial review is available?

31 U.S.C. 3805 authorizes judicial review by the appropriate United States District Court of any final Corporation decision imposing penalties or assessments, and specifies the procedures for such review. To obtain judicial review, a defendant must file a petition with

45 CFR Ch. XXV (10–1–12 Edition)

the appropriate court in a timely manner.

§ 2554.48 Can the administrative complaint be settled voluntarily?

(a) Parties may make offers of compromise or settlement at any time. Any compromise or settlement must be in writing.

(b) The reviewing official has the exclusive authority to compromise or settle the case from the date on which the reviewing official is permitted to issue a complaint until the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle the case from the date of the ALJ's initial decision until initiation of any judicial review or any action to collect the penalties and assessments.

(d) The Attorney General has exclusive authority to compromise or settle the case while any judicial review or any action to recover penalties and assessments is pending.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head or the Attorney General, as appropriate.

§ 2554.49 How are civil penalties and assessments collected?

Section 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this Part and specify the procedures for such actions.

§ 2554.50 What happens to collections?

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 2554.51 What if the investigation indicates criminal misconduct?

(a) Any investigating official may:

(1) Refer allegations of criminal misconduct directly to the Department of Justice for prosecution or for suit under the False Claims Act or other civil proceeding;

Corporation for National and Community Service

Pt. 2555

(2) Defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution; or

(3) Issue subpoenas under other statutory authority.

(b) Nothing in this part limits the requirement that the Corporation employees report suspected violations of criminal law to the Corporation's Office of Inspector General or to the Attorney General.

§ 2554.52 How does the Corporation protect the rights of defendants?

These procedures separate the functions of the investigating official, reviewing official, and the ALJ, each of whom report to a separate organizational authority in accordance with 31 U.S.C. 3801. Except for purposes of settlement, or as a witness or a representative in public proceedings, no investigating official, reviewing official, or Corporation employee or agent who helps investigate, prepare, or present a case may (in such case, or a factually related case) participate in the initial decision or the review of the initial decision by the authority head. This separation of functions and organization is designed to assure the independence and impartiality of each government official during every stage of the proceeding. The representative for the Corporation may be employed in the offices of either the investigating official or the reviewing official.

Subpart A—Introduction

§ 2555.100 Purpose and effective date.

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 2555.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means “Director, Equal Opportunity”.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of

45 CFR Ch. XXV (10–1–12 Edition)

vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

(ii) Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

Corporation for National and Community Service

§ 2555.110

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

Institution of professional education means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting agency recognized by the Secretary of Education.

Institution of undergraduate higher education means:

(1) An institution offering at least two but less than four years of college-level study beyond the high school level, leading to a diploma or an associate degree, or wholly or principally creditable toward a baccalaureate degree; or

(2) An institution offering academic study leading to a baccalaureate degree; or

(3) An agency or body that certifies credentials or offers degrees, but that may or may not offer academic study.

Institution of vocational education means a school or institution (except an institution of professional or graduate or undergraduate higher education) that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers full-time study.

Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person, to whom Federal financial assistance is extended directly or through another recipient and that operates an education program or activity that receives such assistance, including any subunit, successor, assignee, or transferee thereof.

Student means a person who has gained admission.

Title IX means Title IX of the Education Amendments of 1972, Public Law 92-318, 86 Stat. 235, 373 (codified as

Transition plan means a plan subject to the approval of the Secretary of Education pursuant to section 901(a)(2) of the Education Amendments of 1972, 20 U.S.C. 1681(a)(2), under which an educational institution operates in making the transition from being an educational institution that admits only students of one sex to being one that admits students of both sexes without discrimination.

[65 FR 52865, 52893, Aug. 30, 2000, as amended at 65 FR 52894, Aug. 30, 2000]

§ 2555.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action*. If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action*. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

§ 2555.115

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 2555.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 2555.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimi-

45 CFR Ch. XXV (10-1-12 Edition)

nation whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, 1685-1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 2555.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 2555.205 through 2555.235(a).

Corporation for National and Community Service

§ 2555.140

§ 2555.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966–1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 2555.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 2555.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or alleging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 2555.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 2555.300 through 2555.310 do not apply to the recipient, and that inquiries concerning the application of Title IX

§ 2555.200

and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 2555.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later, which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

§ 2555.235

is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §2555.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

(d)(1) Nothing in these Title IX regulations shall be construed to require or prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 2555.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 2555.300 through 2555.310 apply, except as provided in §§ 2555.225 and 2555.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply:

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is "Miss" or "Mrs." A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 2555.305

§ 2555.305 Preference in admission.

A recipient to which §§ 2555.300 through 2555.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

§ 2555.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 2555.300 through 2555.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. (b) *Recruitment at certain institutions.* A recipient to which §§ 2555.300 through 2555.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 2555.400 Education programs or activities.

Sections 2555.400 through 2555.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 2555.300 through 2555.310 do not apply, or an en-

45 CFR Ch. XXV (10–1–12 Edition)

tity, not a recipient, to which §§ 2555.300 through 2555.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 2555.400 through 2555.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived

from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 2555.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, orga-

nization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 2555.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing,

§ 2555.420

rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 2555.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal

45 CFR Ch. XXV (10–1–12 Edition)

procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 2555.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of

Corporation for National and Community Service

§ 2555.445

such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in inter-scholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 2555.450.

§ 2555.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner

that violates §§ 2555.500 through 2555.550.

§ 2555.440 Health and insurance benefits and services.

Subject to § 2555.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 2555.500 through 2555.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 2555.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.*

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extra-curricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

§ 2555.450

(4) Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 2555.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the pur-

pose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 2555.510

§ 2555.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

Subpart E—Discrimination on the Basis of Sex in Employment in Education Programs or Activities Prohibited

§ 2555.500 Employment.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 2555.500 through 2555.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 2555.500 through 2555.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation, and changes in compensation;

(4) Job assignments, classifications, and structure, including position descriptions, lines of progression, and seniority lists;

(5) The terms of any collective bargaining agreement;

(6) Granting and return from leaves of absence, leave for pregnancy, childbirth, false pregnancy, termination of pregnancy, leave for persons of either sex to care for children or dependents, or any other leave;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

(9) Employer-sponsored activities, including social or recreational programs; and

(10) Any other term, condition, or privilege of employment.

§ 2555.505 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity that has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 2555.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex

§ 2555.515

in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.500 through 2555.550.

§ 2555.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 2555.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in § 2555.550.

§ 2555.525 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service

45 CFR Ch. XXV (10–1–12 Edition)

of employment not subject to the provision of § 2555.515.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 2555.530 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a

Corporation for National and Community Service

§ 2555.605

leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 2555.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 2555.500 through 2555.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) *Benefits.* A recipient that provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 2555.540 Advertising.

A recipient shall not in any advertising related to employment indicate preference, limitation, specification, or discrimination based on sex unless sex is a bona fide occupational qualification for the particular job in question.

§ 2555.545 Pre-employment inquiries.

(a) *Marital status.* A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss” or “Mrs.”

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such

applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 2555.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 2555.500 through 2555.550 provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.

Subpart F—Procedures

§ 2555.600 Notice of covered programs.

Within 60 days of September 29, 2000, each Federal agency that awards Federal financial assistance shall publish in the FEDERAL REGISTER a notice of the programs covered by these Title IX regulations. Each such Federal agency shall periodically republish the notice of covered programs to reflect changes in covered programs. Copies of this notice also shall be made available upon request to the Federal agency’s office that enforces Title IX.

§ 2555.605 Enforcement procedures.

The investigative, compliance, and enforcement procedural provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) (“Title VI”) are hereby adopted and applied to these Title IX regulations. These procedures may be found at 45 CFR 1203.6 through 1203.12.

Criminal History Check Requirements for AmeriCorps State/National, Senior Companions, Foster Grandparents, the Retired and Senior Volunteer Program, and Other National Service Programs; Final Rule

AGENCY: Corporation for National and Community Service.

ACTION: Final rule.

SUMMARY: To implement the Serve America Act, the Corporation for National and Community Service (CNCS) proposed amendments to its National Service Criminal History Check regulation on July 6, 2011. This final rule adopts the proposed amendments, clarifies several requirements, and makes minor technical corrections. The amendments require CNCS grantees to conduct and document a National Service Criminal History Check that includes a fingerprint-based FBI criminal history check on individuals in covered positions who begin work, or who start service, on or after April 21, 2011, and who have recurring access to children 17 years of age or younger, to persons age 60 and older, or to individuals with disabilities. Individuals in covered positions include Senior Companions (SCP), Foster Grandparents (FGP), AmeriCorps State and National participants, and other participants, volunteers, or staff funded under a CNCS grant.

DATES: This final rule is effective January 1, 2013.

SUPPLEMENTARY INFORMATION:

I. Background

a. National Service Criminal History Check Requirements Prior to the Serve America Act

In 2007, the Corporation issued rules requiring grantees to conduct criminal history checks on the members, volunteers, and grant-funded staff who had recurring access to children,

persons age 60 or older, or individuals with disabilities. Recurring access meant having contact with individuals from one or more of the above groups on more than one occasion. These 2007 rules only applied to the AmeriCorps State and National, FGP and SCP programs. The rules did not apply to the Retired and Senior Volunteer Program (RSVP), Learn and Serve America (LSA), or other CNCS-funded programs. Affected grantees could apply to CNCS for approval of an alternative search procedure (ASP) if state law precluded them from complying with the national service criminal history check requirements or if they could obtain substantially the same information using a different process. The regulation also permitted grantees to conduct a fingerprint-based FBI criminal history check in lieu of the required state criminal history registry check(s).

b. The Serve America Act's National Service Criminal History Check Requirements

In 2009, Congress amended the National and Community Service Act of 1990 (42 U.S.C. 12501 *et seq.*) (NCSA) with the Serve America Act (Pub. L. 111-13) (SAA). The SAA codified CNCS's regulatory National Service Criminal History Check requirements and expanded the categories of positions covered by the criminal history check requirements. Under the SAA, on or after October 1, 2009, any entity that selects an individual to serve in a position in which the individual receives a living allowance, stipend, national service educational award, or salary through a program receiving assistance under the national service laws must conduct a criminal history check on that individual. Individuals in covered positions now include grant-funded staff serving in any CNCS-funded national service program, including RSVP, LSA, Non-profit Capacity Building, and the Social Innovation Fund (SIF) grant programs.

Notably, the SAA expanded the categories of covered positions subject to the National Service Criminal History Check requirements without regard to the individual's access to vulnerable populations. It also prohibited individuals convicted of murder from serving in covered positions. The SAA also required that after April 21, 2011, individuals in covered positions with recurring access to vulnerable populations must have a fingerprint-based FBI criminal history check conducted as part of the National Service Criminal History Check. As directed by the SAA, CNCS issued new regulations in 2009, expanding coverage

to any national service participant, volunteer or grant-funded employee who received one of the above-described payments for his or her service or employment. (74 FR 46495, September 10, 2009). Pursuant to these regulations, each individual in a covered position who does not have recurring access to vulnerable populations who began work or started service with a grantee on or after October 1, 2009, is required to undergo a National Service Criminal History Check that includes: (1) A nationwide check of the National Sex Offender Public Web site (NSOPW); and (2) a search of *either* (a) the state criminal registry(ies) in the state in which the grantee is operating and the state in which the individual resides at the time of application, *or* (b) a Federal Bureau of Investigation (FBI) fingerprint-based criminal history check.

c. Special Rule for Individuals With Recurring Access to Vulnerable Populations

The SAA specified separate National Service Criminal History Check requirements for individuals in covered positions with recurring access to vulnerable populations. Beginning April 21, 2011, entities that select individuals to serve in covered positions who are 18 or older and who will have recurring access to children age 17 or younger, individuals age 60 or older, or individuals with disabilities must conduct for each individual: (1) A nationwide check of the NSOPW; (2) a search of the state criminal registry(ies) in the state in which the individual in a covered position will be primarily serving or working and the state in which the individual resides at the time of application; *and* (3) an FBI fingerprint-based criminal history check. The SAA created limited exceptions to this special rule.

II. Discussion of the Final Rule

To implement National Service Criminal History Check provisions of the SAA, CNCS published a notice of a proposed rulemaking in the **Federal Register** on July 6, 2011. (76 FR 39361). This final rule implements the SAA with regard to individuals in covered positions with recurring access to vulnerable populations. In addition, the final rule clarifies several requirements in the existing rule and makes minor technical corrections for clarity.

a. Definitions and Applicability

1. Definition of "Program" (§ 2510.20)

The SAA amended the NCSA's definition of *program* to include newly-

authorized programs including Campuses of Service, Serve America Fellows, Encore Fellows, Silver Scholars, the Social Innovation Fund, and activities funded under programs such as the Volunteer Generation Fund. The final rule aligns the definition of *program* in the regulation with the statutory definition, corrects a typographical error, and corrects the statutory citation.

2. Definition of “You” (§ 2540.200)

Because this rule sets forth the National Service Criminal History Check provisions in one location in the Code of Federal Regulations, and because the rule applies to recipients of CNCS federal financial assistance who have individuals in covered positions, this final rule is written using program-neutral terminology. Accordingly, “you” in this final rule means a Corporation grantee or other entity subject to Corporation grant provisions. Unless the context otherwise requires, this includes, but is not limited to, recipients of federal financial assistance under grant programs defined in § 2510.20 of this final rule, as well as SCP, FGP, and RSVP projects.

3. Individuals in Covered Positions (§ 2540.201)

The final rule clarifies that the National Service Criminal History Check eligibility criteria apply to individuals in covered positions and aligns the definition of the term “covered position” with the language of the SAA. The reference in the proposed rule to the definition of *program* in § 2510.20 was removed from the final rule for clarity. The SAA extended application of the National Service Criminal History Check requirements to entities receiving CNCS grants under the national service laws, which include the NCSA and the Domestic Volunteer Service Act of 1973 (DVSA), as amended. While the National Service Criminal History Check requirements apply to programs defined in § 2510.20, the applicability is not limited to those programs. The requirements also apply to individuals in covered positions in the SCP, FGP, and RSVP programs. It should be clear that a National Service Criminal History Check is not required for individuals whose connection to the grantee is tangential, or who are considered beneficiaries. For example, a National Service Criminal History Check would not be required for an individual contracted to provide occasional training to participants and volunteers, but is not otherwise integral to the operation of the program, nor would it be required for a child who

receives a cash prize from a program for completing a service-learning project.

b. Eligibility Criteria—AmeriCorps State and National Positions (§ 2522.200)

The SAA amended the NCSA to prohibit an individual convicted of murder, as defined under 18 U.S.C. 1111, from serving in a covered position. In 2009, CNCS amended the National Service Criminal History Check regulations to reflect this statutory change concerning eligibility. As the regulatory sections updated in 2009 indicated, the change applied to AmeriCorps State and National. However, CNCS inadvertently failed to update the provision in the regulation that specifically addresses eligibility to serve in an AmeriCorps State and National position. This final rule corrects this oversight to reflect in this section that eligibility for service in an AmeriCorps State and National position includes satisfaction of the National Service Criminal History Check eligibility criteria.

The 2009 amendments to the National Service Criminal History Check regulations created some confusion regarding the eligibility of individuals convicted of murder, as defined under 18 U.S.C. 1111, from serving in a covered position. Congress declared that, as of October 1, 2009, individuals convicted of murder may not work or serve in covered positions. This Congressional mandate gave no discretion to CNCS to waive or modify this eligibility requirement.

Consequently, grantees with individuals convicted of murder who are currently serving or working in a covered position, including staff, must remove those individuals from the covered positions. For those individuals for whom a state registry or FBI criminal history check was not required prior to this final rule (e.g., those individuals who began work or service before October 1, 2009, without a subsequent break in service), grantees will be permitted to rely on the individuals’ self-certification that they have never been convicted of murder as defined by 18 U.S.C. 1111, in lieu of conducting a criminal history check. The definition in 18 U.S.C. 1111 is as follows: “Murder is the unlawful killing of a human being with malice aforethought. Every murder perpetrated by poison, lying in wait, or any other kind of willful, deliberate, malicious, and premeditated killing; or committed in the perpetration of, or attempt to perpetrate, any arson, escape, murder, kidnapping, treason, espionage, sabotage, aggravated sexual abuse or sexual abuse, child abuse, burglary, or robbery; or perpetrated as part of a

pattern or practice of assault or torture against a child or children; or perpetrated from a premeditated design unlawfully and maliciously to effect the death of any human being other than him who is killed, is murder in the first degree. Any other murder is murder in the second degree.”

Individuals who have been convicted of murder have been ineligible to serve as of October 1, 2009, and therefore, all costs associated with these individuals are potentially disallowable since that date.

c. National Service Criminal History Checks Generally (§ 2540.203)

The National Service Criminal History Check for individuals in covered positions must include (1) a nationwide check of the Department of Justice’s National Sex Offender Public Web site (NSOPW) and (2) *either* (a) a name- or fingerprint-based search of the official state criminal history registry in the state in which the grantee is operating and of the official state criminal history registry in the state in which the individual resides at the time of application, *or* (b) submission of fingerprints through a state central record repository to the Federal Bureau of Investigation for a national criminal history background check.

Because of the importance of proper screening and because the NSOPW is a widely-available and free public resource, the NSOPW search must be nationwide (i.e., all states and territories) in order to meet the National Service Criminal History Check requirement. If any of the databases comprising the NSOPW are down, offline, or otherwise unavailable, the NSOPW check is incomplete until all databases are checked. The rule has been revised to clarify this requirement. Additionally, because of the availability of this free public resource, grantees must conduct an NSOPW check for any individual currently serving or working in a covered position defined under this rule, regardless of when the individual was hired or started service, and regardless of their access to vulnerable populations. Finally, as a prudential action, all CNCS grantees, when conducting a search of the name-based NSOPW, should include not only the applicant’s current legal name, but also any previous names or aliases by which the applicant may have been known.

Since 2007, CNCS has required grantees operating in more than one state that conduct state criminal registry checks to conduct the checks in the state where the individual in a covered position will be primarily serving or working and in the state in which the

individual resides at the time of application. The final rule codifies this requirement.

Comments received by CNCS indicated that the formatting of the proposed rule made it difficult to determine which components of the National Service Criminal History Check are required. The rule has been reformatted to make the requirements clear. Additionally, the heading of this section was edited to be consistent with the other section headings.

CNCS also received comments requesting resolution of the ambiguity in the proposed rule regarding the time at which an individual is considered of age for the special rule for individuals with recurring access to vulnerable populations to apply. The final rule establishes that the rule applies to an individual who will be 18 years old or older at any time while serving in a covered position. The final rule also replaces the broad term "vulnerable population" with the specific groups statutorily defined as "vulnerable populations," where necessary, to resolve any ambiguity.

This section of the final rule is the first section in which the words "enrolled" and "hired" are replaced with "starts service" and "begins work," respectively. These words are updated throughout the final rule because comments suggested that the use of "enrolled" and "hired" created some confusion. For some grantees, "enrolled" has a specific operational meaning that does not reflect the intended timing in the context of the rule. Therefore, the word, "enrolled," has been replaced with the words, "starts service," to more clearly convey the intended timing requirements of the final rule. For the purposes of this rule, an individual "starts service" when the individual's time begins to be credited toward their service commitment; an individual "begins work" when the individual engages in activities chargeable to the grant."

The proposed rule reflected CNCS's intent to eliminate unnecessary replication of the National Service Criminal History Check provisions in the Code of Federal Regulations, and anchors the substantive provisions in one location. Because grantees subject to the National Service Criminal History Check provisions use different terminology, and comments indicated that the terminology may have caused confusion, the final rule includes a definitional section to eliminate confusion concerning the applicability of the provisions. Sections have been renumbered and citations throughout

the rule have been updated accordingly to accommodate its inclusion.

d. Special Rule for Individuals With Recurring Access to Vulnerable Populations (§ 2540.203)

This final rule implements the National Service Criminal History Check requirements for individuals in covered positions with recurring access to vulnerable populations who began work or who started service on or after April 21, 2011. The NCSA, as amended by the SAA, defines vulnerable populations as children age 17 or younger, individuals age 60 or older, or individuals with disabilities. The final rule now more clearly defines "vulnerable population." Unless CNCS approves an alternative search procedure or an exception under § 2540.207, for individuals in covered positions who will be 18 or older and who also have recurring access to vulnerable populations, grantees must conduct (1) a nationwide check of the NSOPW (<http://www.nsopw.gov>), (2) a name- or fingerprint-based search of the official state criminal registry in the state in which the grantee is operating and of the official state criminal registry in the state in which the individual resides at the time of application, and (3) submission of fingerprints through a state central record repository to the Federal Bureau of Investigation for a national criminal history background check.

CNCS continues to define "recurring access" as "the ability on more than one occasion to approach, observe, or communicate with an individual through physical proximity or other means, including but not limited to, electronic or telephonic communication." (45 CFR 2510.20).

In anticipation of the final rule, current grantees have inquired as to whether CNCS would develop a centralized mechanism for conducting FBI fingerprint checks for national service participants. CNCS is committed to identifying ways to decrease the burden on grantees; however, no such centralized mechanism is available at this time.

e. Timing of National Service Criminal History Check and Consecutive Terms (§ 2540.204)

Grantees must conduct and document the results of the nationwide NSOPW check *before* an individual begins work or starts service. The NSOPW is a free public resource available at <http://www.nsopw.gov/>.

Under § 2540.204(b) of this final rule, it is not necessary to perform an additional National Service Criminal

History Check on an individual who serves consecutive terms of service with the same grantee when the break in service does not exceed 120 days, as long as the original check is a compliant check for the covered position in which the individual will be serving or working following the break in service. For example, if an individual serves an original term in a covered position with no recurring access to vulnerable populations, but will be serving the consecutive term in a covered position with recurring access to vulnerable populations, the grantee must ensure that any additional National Service Criminal History Check components required for the position are conducted (e.g. the fingerprint-based FBI check). This section allows, but does not require, a grantee to forego additional National Service Criminal History checks for individuals serving consecutive terms, based upon a presumption that the additional check would, in large part, replicate the original check and that the grantee's proximity to the individual would increase the likelihood that the grantee would have knowledge of the individual's activity.

Grantees must conduct a National Service Criminal History Check under this final rule on individuals in covered positions who, on or after April 21, 2011, begin work or start service (1) following a break in service exceeding 120 days or (2) with a new grantee.

(f) No Unaccompanied Access to Vulnerable Populations Pending National Service Criminal History Check Results (§ 2540.205)

This final rule codifies CNCS's understanding that it is common for vulnerable population beneficiaries to be accompanied by a parent, legal guardian, teacher, doctor, nurse, or other individual responsible for his or her care. CNCS does not believe it is necessary for an individual with pending National Service Criminal History Check results to be accompanied by an authorized grantee representative who has received the appropriate criminal history check when the vulnerable population beneficiary is accompanied by an individual responsible for his or her care.

While results from the state or FBI criminal history check components of the National Service Criminal History Check are pending, grantees may allow individuals in covered positions with recurring access to vulnerable populations to begin work or start service, as long as the individual is not permitted access to vulnerable

populations without being accompanied by (1) an authorized grantee representative who has previously been cleared for such access; (2) a family member or legal guardian of the vulnerable individual; or (3) an individual authorized by the nature of his or her profession to have recurring access to the vulnerable individual, such as an education or medical professional. Accompaniment is a higher standard than supervision in that it requires the individual with recurring access to vulnerable populations to be in the physical presence of the accompanying individual. For example, a covered individual whose criminal history check component results are pending may give nature tours to schoolchildren as part of an environmental program as long as the covered individual is within the physical presence of teachers or parents.

The final rule has been changed based on comments CNCS received about the ambiguity in the term “accompaniment.” The final rule uses the phrase “physical presence” in place of “accompaniment” to convey the intended meaning and specific requirement.

g. Costs (§ 2540.205)

The rule requires grantees to obtain and document a baseline criminal history check for individuals in covered positions. CNCS considers the cost of this required National Service Criminal History Check a reasonable and necessary program grant expense, such costs being presumptively eligible for reimbursement. In any event, a grantee should include the costs associated with its screening process in the grant budget it submits to CNCS for approval.

This rule codifies CNCS’s guidance that a grantee may not charge an individual for the cost of a National Service Criminal History Check unless CNCS has given written permission to do so. In addition, because a National Service Criminal History Check is inherently attributable to operating a program, such costs may not be charged to a state commission administrative grant.

h. Documentation Requirements (§ 2540.206)

Grantees must retain the criminal history check results along with written documentation that they considered the results in selecting the individual. The grantee must review and determine that the information returned by the governmental body issuing criminal history registry results provides information that would allow the grantee to determine whether or not an

individual was eligible to work or serve in a covered position under the final rule. For example, if a grantee receives a document from the statewide criminal history registry that indicates that the individual is “cleared” for service based upon an agreement that describes CNCS’s standards for eligibility, that clearance document may be retained as the sufficient documentation of the criminal history check results, along with written documentation that the grantee considered the result in selecting the individual.

i. Alternative Search Procedures and Exceptions to the National Service Criminal History Check Requirements for Individuals in Covered Positions With Recurring Access to Vulnerable Populations (§ 2540.207)

The headings and structure of this section have been modified from those in the proposed rule in order to clarify the substantive content, and to clearly distinguish alternative search procedures from the statutory exceptions to the fingerprint-based FBI criminal history check requirement for individuals in covered positions with recurring access to vulnerable populations. A grantee may request in writing that CNCS approve an alternative search procedure for the National Service Criminal History Check components described in § 2540.203(a) or § 2540.203(b)(2)(i)–(ii), if the grantee (1) is prohibited under state law from meeting the requirements of § 2540.203(a) or § 2540.203(b)(2)(i)–(ii) or (2) demonstrates that it can obtain substantially equivalent or better information through an alternative search procedure.

Grantees may also apply to CNCS for approval of an exception from the fingerprint-based FBI criminal history check component of the National Service Criminal History Check, described in § 2540.203(b)(2)(iii), for an individual in a covered position with recurring access to vulnerable populations. CNCS may approve such an exception if the entity demonstrates to CNCS’s satisfaction (1) that the cost to the grantee of complying with 45 CFR 2540.203(b)(2)(iii) is prohibitive; (2) that the entity is not authorized, or is otherwise unable, under State or Federal law, to access the national criminal history background check system of the FBI; or (3) that there is sufficient justification for CNCS to exempt the grantee from the requirement for good cause.

1. Episodic Access (§ 2540.207)

Congress granted those individuals in covered positions with recurring access

to vulnerable populations an exception to the FBI fingerprint-based criminal history check requirement when their access to vulnerable populations is “episodic in nature or for a [one]-day period.” For the purpose of this final rule, the Corporation defines “episodic” as access that is not a regular, scheduled, and anticipated component of an individual’s service activities. If access to vulnerable populations is not a regular, scheduled, and anticipated component of an individual’s service activities, the grantee is not required to conduct a fingerprint-based FBI criminal history check. However, the grantee must conduct the other components of the National Service Criminal History Check, as described in § 2540.203(b)(2)(i)–(ii) or under an approved ASP.

For example, consider an individual who is applying for an AmeriCorps position with an environmental program that involves volunteer coordination. If the grantee anticipates that the position will involve coordinating high school student volunteers on a regular basis, then the grantee must conduct a fingerprint-based FBI criminal history check on that individual. However, if the grantee has no reason to expect that the position will involve coordinating 17-year-old and younger volunteers because the grantee has never operated in a youth environment, does not have any youth engagement goals, and does not recruit high school aged volunteers, then any contact with a child volunteer would be irregular, unscheduled, unanticipated, and thus, episodic. Therefore, the grantee would not need to conduct a fingerprint-based FBI criminal history check. However, the grantee must conduct the other components of the National Service Criminal History Check, as described in § 2540.203(b)(2)(i)–(ii) or under an approved ASP.

Episodic access is not determined by a specific number. In other words, if a grantee does not anticipate that a member will have access to vulnerable populations, the need to meet the National Service Criminal History Check requirements for individuals in covered positions with access to vulnerable populations would not materialize after a specific number of incidents of access occur, but would once the access becomes regular, scheduled and anticipated. If incidental access becomes unexpectedly regular or frequent, a grantee should re-evaluate its initial determination of episodic access and take appropriate action.

CNCS expects that in the majority of cases, it will be clear whether or not access to vulnerable populations is a

regular, scheduled, and anticipated component of an individual's service activities. Nevertheless, CNCS recommends that grantees specifically address contact with vulnerable populations in each position description, service agreement, or similar document describing an individual's service activities.

2. Exemptions Approved for Good Cause

CNCS will publish on its Web site (<http://www.nationalservice.gov>) those scenarios for which CNCS has approved

exemptions for "good cause" from the fingerprint-based FBI criminal history check requirement in § 2540.203(b)(2)(iii). The list of approved "good cause" exemptions may be expanded and codified in future rulemakings.

CNCS will monitor compliance with the rules and requirements associated with National Service Criminal History checks as a material condition of receiving a CNCS grant. An entity's failure to comply may adversely affect the entity's access to grant funds or ability to obtain future funding from

CNCS. In addition, an entity jeopardizes its eligibility for reimbursement of costs and hours related to an individual if it fails to perform or properly document the required National Service Criminal History Check.

IV. Comments and Responses

CNCS published the proposed rule with a 30-day comment period in the **Federal Register** of July 6, 2011 (76 FR 39361). We received over 150 comments on the proposed rule. Most of the

commenters identified themselves as representatives of grantees required to comply with the rule. The most relevant comments and our responses are set forth below.

Comment: The majority of commenters expressed disapproval with

the rule's requirement that individuals working with vulnerable populations must submit their fingerprints to the FBI for a national criminal history background check. The commenters disapproved of the requirement because

the process for complying with the requirement is time consuming, costly, and logistically challenging for grantees and participants. As a result, the commenters said that the increased administrative and financial burden the requirement imposes on grantees will significantly impact their ability to recruit participants and operate effectively. Additionally, the commenters considered the requirement unnecessarily redundant, as many of the grantees already require individuals to complete several criminal history background checks and that the additional requirement of a fingerprint-based FBI check provides very little new information.

Response: We acknowledge the concerns expressed about the FBI fingerprinting process and the administrative impact the requirement may have on some grantees. We, like all executive agencies, may exercise discretion in issuing rules, but only to the extent discretion is granted to us by law. The law requires individuals working with vulnerable populations to submit their fingerprints to the FBI for a national criminal history check; however, the law also created exceptions to the fingerprint-based FBI criminal history check. Grantees may use the “episodic access” exception without our written approval. The other available exceptions require that you contact our Office of Grants Management for written approval. The procedure for requesting an exception is in 45 CFR 2540.207.

Comment: Several of the comments we received indicated that the cost of the FBI criminal history background check could be a financial burden for the grantee and for the participants and volunteers.

Response: We acknowledge the administrative and financial impact that the fingerprint-based FBI criminal history check could have on grantees. The law created exceptions to the fingerprint-based FBI criminal history check requirement for individuals in covered positions with recurring access to vulnerable populations, one of which is when it is cost-prohibitive for the grantee to comply. Grantees may request written approval of an exception by contacting our Office of Grants Management.

We want to reiterate that unless we grant specific permission in writing, a grantee may not charge an individual for the cost of any component of a National Service Criminal History Check. In the absence of specific written permission, the grantee must not, even when the check returns unfavorable results, require the applicant or participant to

ultimately bear the cost of the criminal history check.

Comment: The U.S. Department of Justice, FBI, Criminal Justice Information Systems (CJIS) commented that the final rule did not adequately address the role played by the state central record repositories and requested that CNCS revise the rule to specify that entities must submit fingerprints to the FBI through the state central record repository.

Response: We agree and have amended the rule to reflect the process established by FBI CJIS to process the fingerprint-based FBI criminal history checks required by the SAA. State central record repositories are critical to the infrastructure established by FBI CJIS for the processing of national criminal history background checks. In its October 31, 2011 memorandum to state central record repositories on the implementation of the SAA, FBI CJIS stated that those organizations subject to the SAA (and this final rule) “must contact the state repository in the state of operation to determine if the organization can access national criminal history record information.” In lieu of state statutory provisions, fingerprint-based state and national criminal history checks for CNCS grantees could be authorized by three federal legal authorities: the SAA, the National Child Protection Act, as amended by the Volunteers for Children Act, and Section 153 of the Adam Walsh Act. “Background checks conducted pursuant to the SAA must comply with certain criteria, to include fingerprints submitted via [a state central record repository], designation of a governmental agency to receive and screen the results of the record checks, and non-dissemination of the criminal history record information outside the receiving governmental department or related governmental agencies.”

The FBI CJIS guidance to state repositories stated that “each national service organization must coordinate with the [state central records repository] in the states of program operation/residence to establish procedures for performing state and national criminal history record checks.” The guidance specified further that

“[e]ach [* * * repository] must request a unique Integrated Automated Fingerprint Identification System (IAFIS) originating agency identifier (ORI) or designate an existing ORI for exclusive use under the SAA. The repository must coordinate requests for ORI issuance, or use of a designated ORI, with FBI CJIS Division for programming. All fingerprints submitted to the FBI CJIS Division under this authority

must include the program-designated ORI and be populated with “Serve America Act” or “Serve America Act-Volunteer” as the reason fingerprinted (RFP).”

The full text of the memorandum is available at <http://www.nationalserviceresources.org/files/fbi-memo-to-state-repositories-on-serve-america-act-oct-31-11.pdf>.

We believe that our State Commission partners, as well as state Departments on Aging, Child Welfare Agencies, and Education Agencies can be instrumental in engaging the state central record repositories to streamline the National Service Criminal History Check process for national service grantees operating in their states and ensure proper screening of individuals in covered positions and the full implementation of the SAA.

Comment: We received comments regarding the potential discriminatory effects that the use of criminal history checks by grantee organizations may have on individuals’ ability to participate in National Service.

Response: The commenters identify an important issue. The use of criminal history records to exclude members and staff from Corporation-funded programs and activities may, in some circumstances, run afoul of federal civil rights laws. Grantees should recognize that they have a dual status under the Civil Rights Act of 1964, depending on the nature of their relationship with an individual. Grantees, as recipients of federal financial assistance, must comply with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq., and its implementing regulations, 45 CFR 1203.1 et seq., which prohibit discrimination in Corporation-funded programs and activities, including the selection and placement of volunteers and members, on the basis of race, color, and national origin. Grantees, as employers, must also comply with Title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e et seq., which prohibits discrimination in employment decisions. The Equal Employment Opportunity Commission (EEOC) has issued guidance explaining when consideration of arrest and conviction records violates Title VII. See http://www.eeoc.gov/laws/guidance/arrest_conviction.cfm. As explained in the EEOC guidance, grantees should be mindful that arrests alone are mere allegations, and that actual criminal convictions (where there has been a formal adjudication by a finder of fact), or actual evidence of conduct underlying an arrest, are the relevant indicators of an individual’s fitness, or in some cases, eligibility (i.e., murder), to serve with, or work for, a Corporation

grantee. Grantees should ensure that their screening practices are narrowly tailored in a manner that complies with these federal nondiscrimination requirements, in addition to applicable state laws governing the consideration of criminal history records.

Grantees also should be mindful that applicants have the right to review and challenge the results of the National Service Criminal History Check. Grantees are required by our regulations to safeguard an individual's personal information and give the individual the opportunity to challenge any adverse findings that result from the National Service Criminal History Check.

Comment: We received comments requesting clarification of when the results of a National Service Criminal History Check make an individual ineligible to serve in a covered position.

Response: The law prohibits an individual from serving in a national service program in four situations: (1) The individual refuses to consent to the criminal history check; (2) the individual makes a false statement in connection with the criminal history check; (3) the individual is registered or required to be registered as a sex offender; or (4) the individual has been convicted of murder as defined by federal law. If the National Service Criminal History Check returns results that implicate criteria other than those above, the grantee has the discretion, subject to any federal civil rights law and state law requirements, to decide whether or not the results of a criminal history background check disqualify an individual from service with the grantee. Grantees should consider the factors set forth in the EEOC's guidance under Title VII (http://www.eeoc.gov/laws/guidance/arrest_conviction.cfm), including the nature and gravity of the offense, the time that has passed since the conviction or completion of the sentence, and the nature of the position. Grantees should have written policies on their disqualification criteria and be consistent in how those criteria are applied to all individuals.

In addition, grantees should be aware of federal reentry policy, which seeks to minimize unjustified collateral consequences on formerly incarcerated persons. Participation in national service programs funded by the Corporation could aid the successful reentry of formerly incarcerated persons into society. Therefore, barriers to participation in national service programs for those formerly incarcerated persons who are not statutorily ineligible to serve should be minimized as much as possible without

putting program beneficiaries at genuine risk.

Comment: We received comments expressing concern about many grantees' overall level of understanding or ability to interpret the results of a National Service Criminal History Check.

Response: Grantees should be aware that, due to pending cases, state law restrictions, and resource issues, the information contained in databases and reports for criminal histories may be missing certain arrest and disposition information. Accordingly, grantees should obtain training, and implement best practices, in the interpretation and use of criminal records for screening participants and staff. We have required grantees to conduct National Service Criminal History Checks since 2007, and have always required that they treat applicants fairly. We reiterate that the grantee is responsible for obtaining the level of expertise necessary to understand the information received in response to the National Service Criminal History Check and use it in a fair manner that is consistent with our regulations and grant conditions. Information obtained from a National Service Criminal History Check is only one of many sources of information that is available about an individual.

Comment: We received numerous comments on the proposed rule's requirement that National Service Criminal History Checks be repeated on individuals who serve consecutive terms of service with the same grantee when the break in service exceeds 30 days. The comments suggested that in view of the time it takes to complete the newly-required fingerprint-based FBI criminal background check, a 30-day break in service requirement imposes an additional administrative burden on seasonal or academic-year programs or projects.

Response: We agree with the commenters. The FBI fingerprint check takes longer than the process established under our 2007 rule and the SAA expands the number of individuals in covered positions. Balancing the administrative burden on grantees with the importance of proper screening, we determined that a longer break in service period is not unreasonable. Accordingly, the final rule reflects our decision to require that the National Service Criminal History Check be repeated if an individual's break in service exceeds 120 days, and also allows grantees to request approval for a longer break in service than 120 days, as long as the break does not exceed 180 days. The request must describe the program's design, explain why the

longer period is required, and demonstrate the establishment of adequate risk management controls for the extended break in service. We want to clarify that consecutive terms of service requires that the individual serves another term with the same grantee. Checks performed by one grantee on an individual may not be transferred to another grantee. When an individual begins service with a new grantee, that grantee is responsible for conducting a new National Service Criminal History Check. Because the NSOPW is a free and widely-available resource, we encourage grantees with program designs where breaks in service are anticipated to conduct a new nationwide NSOPW check after a break in service of any duration.

Comment: We received comments seeking clarification about the status of individuals in covered positions who conducted the appropriate National Service Criminal History Check components when they began work or started service prior to April 21, 2011.

Response: The National Service Criminal History Check components of this rule apply to individuals in covered positions who begin work, or who start service, on or after, April 21, 2011. Grantees are responsible for ensuring that those individuals who began work, or who started service, prior to, April 21, 2011, conducted the appropriate National Service Criminal History Check components required by the regulation that was in effect prior to that date. If individuals in covered positions who began work, or who started service prior to, April 21, 2011, subsequently have a break in service that exceeds 120 days, or begins work or service with a different grantee, they must have a Check required by this final rule. If an individual serves consecutive terms of service in a covered position and does not have a break in service that exceeds 120 days, then no additional National Service Criminal History Check is required as long as the original check is a compliant check for the covered position in which the individual will be serving or working following the break in service.

Comment: We received numerous comments on the requirement that individuals working with vulnerable populations be accompanied while the components of their National Service Criminal History Check have been submitted, but not yet returned. Commenters suggested that we clarify what we mean by "accompaniment" and how to document it.

Response: The purpose of the National Service Criminal History Check is to screen out those individuals

who may pose a risk to the population being served. Accompaniment requires that an individual for whom the National Service Criminal History Check components are pending be, at all times, in the physical presence of (1) an authorized grantee representative who has been previously cleared for such access; (2) a family member or legal guardian of the vulnerable individual; or (3) an individual authorized by the nature of his or her profession to have recurring access to the vulnerable individual, such as an education or medical professional. Accompaniment provides grantees with the opportunity to place participants in service positions before the criminal history background check is complete. Supervision is insufficient because it doesn't provide the immediate oversight that would mitigate risk of a participant's improper conduct sought to be avoided by the National Service Criminal History Check. We have updated the rule to reflect more accurately our intent that accompaniment means that the individual must be in the physical presence of the accompanying individual.

The Office of Grants Management will issue guidance to grantees prior to the effective date of this final rule on how to document compliance with the accompaniment requirements.

Comment: We also received comments requesting clarification on how to apply the rule to individuals who reach the age of 18 during their service term.

Response: A National Service Criminal History Check is required for individuals who are, or who will reach the age of, 18 or older at any time during their service term. The Check must be conducted in accordance with 2450.204, even if the individual is not yet 18 at the time service or work begins. The final rule reflects this clarification.

Comment: Some comments identified areas in the proposed rule where the distinction between exceptions and alternative search procedures was unclear. Other commenters articulated specific challenges they faced in obtaining the required checks.

Response: Since implementation of the original National Service Criminal History Check rule in 2007, we have evaluated and approved alternative search procedures when grantees submitted a written request for evaluation of a proposed alternative search procedure. This practice will continue under the new rule. The law also gives us the authority to exempt grantees from conducting the fingerprint-based FBI criminal history check required under the new rule for

individuals in covered positions with recurring access to vulnerable populations. We acknowledge the confusion in the wording of the proposed rule. We have revised the final rule so that the requirements and procedures are clear.

With respect to the comments we received regarding particular challenges grantees face under the new rule, we cannot address those here. Grantees with individual challenges that they believe will justify an exception from § 2540.203(b)(2)(iii) should contact our Office of Grants Management or their Program Officer.

Comment: We received comments requesting clarification of the "episodic access" exception from the fingerprint-based FBI criminal history background check requirement for individuals with recurring access to vulnerable populations.

Response: A grantee does not need our approval to use the "episodic access" exception to the fingerprint-based FBI criminal history check requirement described in § 2540.203(b)(2)(iii). This is a self-determination grantees will make using the guidance in this notice. We will continue to monitor grantees for compliance with the criminal history background check requirement, including reliance on the episodic access exception.

Comment: CNCS received comments indicating that the proposed rule was unclear as to when approval from CNCS is required for individuals in covered positions with recurring access to vulnerable populations to be excepted from the fingerprint-based FBI criminal history check.

Response: The final rule has been restructured with new headings to indicate clearly when CNCS approval is required. In the case of episodic access, grantees are responsible for using their best judgment to determine whether or not an individual's access to vulnerable populations is episodic. Approval from the CNCS Office of Grants Management is not required. However, reliance on the self-determined exception for "episodic access" will be monitored by CNCS as a material grant condition.

Comment: We received numerous comments expressing concern about our ability to process requests for alternative search procedure approval and fingerprint-based FBI criminal history check exceptions in a timely manner and what grantees should do while their requests are pending.

Response: The Office of Grants Management is prepared to process requests from grantees in a prompt manner. This function may not be

delegated to a grantee, such as a State Commission. However, a State Commission may request approval for an alternative search procedure applicable to individual sub-grantees, or to all of their sub-grantees, if applicable. While results of the National Service Criminal History Check are pending, individuals in covered positions with recurring access to vulnerable populations must be accompanied. The final rule and preamble have been updated to clarify this requirement.

V. Effective Dates and Implementation

This final rule becomes effective January 1, 2013. However, the special rule for individuals in covered positions with recurring access to vulnerable populations will only apply to the selection of individuals in covered positions who began work or who started service with a grantee on, or after, April 21, 2011. Notwithstanding this date, grantees will have until January 1, 2013 to *initiate* the fingerprint-based FBI criminal history check or the state registr(ies) check(s), whichever has not already been initiated, for individuals in covered positions with recurring access to vulnerable populations. A grantee must be certain that it has already satisfied the requirement to conduct an NSOPW check on all individuals who are currently serving or working in covered positions.

Because of the significant period of time between April 21, 2011, and the effective date of the regulation, CNCS has determined that, as a blanket good cause exception implemented by section 2540.207(b)(2) of this final rule, an individual in a covered position with recurring access to vulnerable populations who began work or who started service with a grantee on or after April 21, 2011, and then departed the program or project before January 1, 2013, must have complied with the rule effective on October 1, 2009 (i.e. had a Check that included the NSOPW component and either the State Criminal History registr(ies) component OR the fingerprint-based FBI national criminal history background check component, but not BOTH the State Criminal History registr(ies) component AND the fingerprint-based FBI national criminal history background check component).

VI. Regulatory Procedures

Executive Orders 12866 and Executive Order 13563

Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory

alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been designated a "significant regulatory action," although not economically significant, under section 3(f) of Executive Order 12866. Accordingly, the rule has been reviewed by the Office of Management and Budget.

Regulatory Flexibility Act

As required by the Regulatory Flexibility Act of 1980 (5 U.S.C. 605 (b)), the Corporation certifies that this rule, if adopted, will not have a significant economic impact on a substantial number of small entities. This regulatory action will not result in (1) an annual effect on the economy of \$100 million or more; (2) a major increase in costs or prices for consumers, individual industries, federal, state, or local government agencies, or geographic regions; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. Therefore, CNCS has not performed the initial regulatory flexibility analysis that is required under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) for major rules that are expected to have such results.

Unfunded Mandates

For purposes of Title II of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531–1538, as well as Executive Order 12875, this regulatory action does not contain any Federal mandate that may result in increased expenditures in either federal, state, local, or tribal governments in the aggregate, or impose an annual burden exceeding \$100 million on the private sector.

Paperwork Reduction Act

In accordance with section 3507(j) of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the recordkeeping requirements included in this final rule have been submitted for emergency approval to the Office of Management and Budget (OMB). Due to an oversight, the Paperwork Reduction Act information was not included in the

proposed rule and CNCS is requesting a short-term emergency clearance (OMB Control Number 3045–0145). In order to fairly evaluate whether a recordkeeping requirement should be approved by OMB, section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 requires that we solicit comment on the following issues:

- The need for the recordkeeping requirement and its usefulness in carrying out the proper functions of our agency.
- The accuracy of our estimate of the information collection burden.
- The quality, utility, and clarity of the information to be collected.
- Recommendations to minimize the information collection burden on the affected public, including automated collection techniques.

Under a separate notice, we will solicit public comment on each of these issues for the following sections of this document that contain recordkeeping requirements: 2540.205, .206.

Executive Order 13132, Federalism

Executive Order 13132, Federalism, prohibits an agency from publishing any rule that has Federalism implications if the rule either imposes substantial direct compliance costs on State and local governments and is not required by statute, or the rule preempts State law, unless the agency meets the consultation and funding requirements of section 6 of the Executive Order. The proposed rule does not have any Federalism implications, as described above.

■ 6. The authority citation for part 2540 continues to read as follows:

Authority: E.O. 13331, 69 FR 9911; 18 U.S.C. 506, 701, 1017; 42 U.S.C. 12653, 12631–12637; 42 U.S.C. 5065.

■ 7. Revise § 2540.200 to read as follows:

§ 2540.200 What does “you” mean in this section?

As used in this section, “you” means a Corporation grantee or other entity subject to Corporation grant provisions. Unless the context otherwise requires, this includes, but is not limited to, recipients of federal financial assistance under grant programs defined in § 2510.20 of this chapter as well as projects under the Senior Companion Program, the Foster Grandparent Program, and RSVP.

■ 8. Revise § 2540.201 to read as follows:

§ 2540.201 To whom must I apply the National Service Criminal History Check eligibility criteria?

You must apply the National Service Criminal History Check eligibility criteria to individuals serving in covered positions. A covered position is a position in which the individual receives an education award or a Corporation grant-funded living allowance, stipend, or salary.

■ 9. Revise § 2540.202 to read as follows:

§ 2540.202 What eligibility criteria must I apply to a covered position in connection with the National Service Criminal History Check?

In addition to the eligibility criteria you establish, an individual shall be ineligible to serve in a covered position if the individual—

(a) Refuses to consent to a criminal history check described in § 2540.203 of this chapter;

(b) Makes a false statement in connection with a criminal history check described in § 2540.203 of this chapter;

(c) Is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or

(d) Has been convicted of murder, as defined in 18 U.S.C. 1111.

■ 10. Revise § 2540.203 to read as follows:

§ 2540.203 What search components of the National Service Criminal History Check must I satisfy to determine an individual's eligibility to serve in a covered position?

(a) *Search procedure for individuals in covered positions who do not have recurring access to vulnerable populations.* Unless the Corporation approves an alternative search procedure under § 2540.207 of this chapter, to determine an individual's eligibility to serve in a covered position, you must conduct and document a National Service Criminal History Check that consists of the following components:

(1) A nationwide name-based search of the Department of Justice (DOJ) National Sex Offender Public Web site (NSOPW), and

(2) Either:

(i) A name- or fingerprint-based search of the official state criminal history registry for the state in which the individual in a covered position will be primarily serving or working *and* for the state in which the individual resides at the time of application; or

(ii) Submission of fingerprints through a state central record repository for a fingerprint-based Federal Bureau of Investigation (FBI) national criminal history background check.

(b) Search procedure for *individuals in covered positions who have recurring access to vulnerable populations.* (1) This rule applies to individuals who:

(i) Begin working for, or who start service with, you on or after April 21, 2011;

(ii) Will be 18 years old or older at any time during their term of service; and

(iii) Serve in a covered position that will involve recurring access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities.

(2) Unless the Corporation approves an alternative search procedure or an exception under § 2540.207 of this chapter, to determine the eligibility of an individual described in paragraph (b)(1) of this section you must conduct and document a National Service Criminal History Check that consists of the following components:

(i) A nationwide name-based search of the Department of Justice (DOJ) National Sex Offender Public Web site (NSOPW);

(ii) A name- or fingerprint-based search of the official state criminal history registry for the state in which the individual in a covered position will be primarily serving or working *and* for the state in which the individual resides at the time of application; and

(iii) Submission of fingerprints through a state central record repository for a fingerprint-based FBI national criminal history background check.

■ 11. Revise § 2540.204 to read as follows:

§ 2540.204 When must I conduct a National Service Criminal History Check on an individual in a covered position?

(a) *Timing of the National Service Criminal History Check Components.* (1) You must conduct and review the results of the nationwide NSOPW check required under § 2540.203 before an individual in a covered position begins work or starts service.

(2) You must initiate state registry or FBI criminal history checks required under § 2540.203 before an individual in a covered position begins work or starts service. You may permit an individual in a covered position to begin work or start service pending the receipt of results from state registry or FBI criminal history checks as long as the individual is not permitted access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities, without being in the physical presence of an appropriate individual, as described in § 2540.205(g) of this chapter.

(b) *Consecutive terms.* If an individual serves consecutive terms of service in a covered position and does not have a break in service that exceeds 120 days, then no additional National Service Criminal History Check is required, as long as the original check is a compliant check for the covered position in which the individual will be serving or working following the break in service. If your program or project is designed with breaks in service over 120 days, but less than 180 days between consecutive terms, you may request approval for a break in service of up to 180 days before a new National Service Criminal History Check is required. Your request must describe the overall program design, explain why the longer period is reasonable, and demonstrate that you have established adequate risk management controls for the extended break in service.

■ 12. Revise § 2540.205 to read as follows:

§ 2540.205 What procedures must I follow in conducting a National Service Criminal History Check for a covered position?

You are responsible for following these procedures:

(a) Verify the individual's identity by examining the individual's government-issued photo identification card, such as a driver's license;

(b) Obtain prior, written authorization from the individual for the State registry check, for the FBI criminal history check, and for the appropriate sharing of the results of the checks within the program. Prior written authorization from the individual is not required to conduct the nationwide NSOPW check;

(c) Document the individual's understanding that selection into the program is contingent upon the organization's review of the individual's National Service Criminal History Check component results, if any;

(d) Ensure that screening practices comply with federal civil rights laws, including Titles VI and VII of the Civil Rights Act of 1964 (and the Corporation's implementing regulations under Title VI);

(e) Provide a reasonable opportunity for the individual to review and challenge the factual accuracy of a result before action is taken to exclude the individual from the position;

(f) Provide safeguards to ensure the confidentiality of any information relating to the criminal history check, consistent with authorization provided by the applicant; and

(g) Ensure that an individual, for whom the results of a required state or FBI criminal history registry check are pending, is not permitted to have access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities without being in the physical presence of:

(1) Your authorized representative who has previously been cleared for such access;

(2) A family member or legal guardian of the vulnerable individual; or

(3) An individual authorized, because of his or her profession, to have recurring access to the vulnerable individual, such as an education or medical professional.

(h) Unless specifically approved by the Corporation, you may not charge an individual for the cost of any component of a National Service Criminal History Check.

■ 13. Revise § 2540.206 to read as follows:

§ 2540.206 What documentation must I maintain regarding a National Service Criminal History Check for a covered position?

You must:

(a) Document in writing that you verified the identity of the individual in a covered position by examining the individual's government-issued photo identification card, and that you conducted the required checks for the covered position; and

(b) Maintain the results, or a results summary issued by a State or Federal government body, of the NSOPW check and the other components of each National Service Criminal History Check, unless precluded from doing so by State or Federal law or regulation. You must also document in writing that an authorized grantee representative considered the results of the National Service Criminal History Check in selecting the individual.

■ 14. Revise § 2540.207 to read as follows:

§ 2540.207 When may I follow an alternative search procedure or be excepted from a requirement in conducting a National Service Criminal History Check for a covered position?

(a) *Alternative search procedure.* (1) If you submit a written request to the Corporation's Office of Grants Management, the Corporation will consider approving an alternative search procedure:

(i) If you demonstrate that you are prohibited or otherwise precluded under state law from complying with a Corporation requirement relating to the National Service Criminal History Check, or

(ii) If you can obtain substantially equivalent or better information through an alternative search procedure.

(2) The Office of Grants Management will review the alternative search procedure to ensure that it:

(i) Verifies the identity of the individual; and

(ii) Includes a search of an alternative criminal database that is sufficient to identify the existence or absence of criminal offenses.

(b) *Exceptions to Criminal History Check requirements for individuals with recurring access to vulnerable populations.* (1) *Exception that does not require prior Corporation approval—*

Episodic Access. (i) For the purposes of this section, an individual's access to a vulnerable population is considered to be episodic in nature if the service is not a regular, scheduled, and anticipated component of the individual's position description.

(ii) You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in § 2540.203 of this chapter, when the

individual's access to a vulnerable population is episodic in nature or for a 1-day period.

(iii) No prior approval is required from the Corporation for you to apply this exception. You must make and document a determination that the individual's access to vulnerable populations is episodic, as defined by paragraphs (b)(1)(i) and (ii) of this section.

(2) *Exceptions that require prior approval of the Corporation.* You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in § 2540.203 of this chapter, if you demonstrate and the Corporation determines in writing that:

(i) Complying with § 2540.203(b)(2)(iii) of this chapter is cost-prohibitive;

(ii) You are not authorized, or are otherwise unable, under state or federal law, to access the national criminal history background check system of the FBI; or

(iii) That you are exempt from the requirement in § 2540.203(b)(2)(iii) of this chapter for good cause.

PART 2551—SENIOR COMPANION PROGRAM

Final Paperwork Reduction Act of 1995 Analysis

This document does not contain information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, therefore, it does not contain any information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4).

Synopsis

1. On February 4, 2011, the Commission released *Amendment of Certain of the Commission's Part 1*

Rules of Practice and Procedure and Part 0 Rules of Commission Organization, Report and Order, FCC 11-16, in CG Docket No. 11-44, published at 76 FR 24383, May 2, 2011 (Procedure Order), which revised portions of its Part 1—Practice and Procedures and Part 0—Organizational rules. The amendment of § 0.141 of the Commission's organizational rules delegated authority to the Chief, CGB to conduct periodic review of all open dockets with the objective of terminating those that were inactive. The Commission stated that termination of such proceedings also will include the dismissal as moot of any pending petition, motion, or other request for relief in the terminated proceeding that is procedural in nature or otherwise does not address the merits of the proceeding. On February 15, 2012, the Commission released *Termination of Certain Proceedings as Dormant*, Public Notice, DA 12-220, CG Docket No. 12-39, published at 77 FR 13322, March 6, 2011 (*Termination Public Notice*), which identified those dockets that could potentially be terminated and provided interested parties the opportunity to file comments on these proposed terminations. Based upon CGB's review of the two comments received in response to the *Termination Public Notice*, and for the reasons given below, CGB hereby terminates the proceedings that are listed in the Attachment to DA 12-1545, which were previously listed in DA 12-220. See http://hraunfoss.fcc.gov/edocs_public/attachmatch/DA-12-220A1.doc.

2. CGB received two comments requesting that particular proceedings noted in the *Termination Public Notice* remain open. Based upon CGB's review of these comments, for the reasons noted below, CGB rejects the request of the New Jersey Broadcasters Association (NJBA) to retain RM-11099. Based on the request of the Office of Communication of the United Church of Christ, Inc., National Hispanic Media Coalition, Campaign Legal Center, Media Access Project, Benton Foundation, and Free Press (collectively, UCC), and our further evaluation, MB Docket No. 05-6 will remain open and will not be terminated at this time. On our own motion as described below, CGB has also determined not to terminate two additional proceedings listed in the *Termination Public Notice*.

3. NJBA asks that we maintain as active RM-11099, which had been initiated by the May 27, 2004 filing of NJBA's Petition entitled "In the Matter of the Commissions' Rules to Protect New Jersey Listeners from FM
