Activity I: Reflect on your work and the Every Student Succeeds Act

Partner with the person next to you and discuss:

- Two ways your work might be impacted by ESSA:
  - 1:
  - 2:

- Two ideas you have for taking advantage of opportunities under ESSA:
  - 1:
  - 2:

Note any particular next steps or ideas to follow up on:

Activity II: Common Components of Effective Education Programs

With your table, discuss the following:

- For your program or portfolio, where are there opportunities to learn from or apply the common components?
- For your program or portfolio, what are some of the challenges in adopting or adapting any of the components discussed?
- What are some questions you would like to explore further based on the components discussed?
