

# Use a Book Club to Help VISTAs Understand the Heart of Their Mission (1 of 2)

---

*Dustin Speakman, Ohio Benefit Bank (Columbus, OH)*

**Dustin:** We start with *Framework for Understanding Poverty* and then we move to *Bridges out of Poverty*, and then we go to some other books like *The Missing Class*, and *The Working Poor*, and *Better Together*. So that's the way we really help get them ready for their VISTA experience.
