**RESPITE PERFORMANCE MEASURE SURVEY**  
(Sample)

**Thank you for taking the time to complete this survey. We would like to know how the RSVP Volunteer who has been providing respite care to you has affected your life (as the caregiver).**

**All information will be kept confidential; please do not disclose your name. You may choose not to answer questions.**

**This 1st question is about how many hours of respite service you receive in a typical week from the volunteer.**

**Tell us how many TOTAL HOURS in a typical week you received respite services. Here is an example of how Mrs. Smith (the caregiver) would answer question #1:**

**The volunteer usually provides respite care by spending time with the person in Mrs. Smith's care. The volunteer comes to the home for one hour on Monday and two hours on Wednesday. Therefore, the total hours a week that Mrs. Smith receives respite services is 3 hours a week.**

**1. In a typical week, how many hours does the volunteer provide respite services?**

**hours  
of respite**

**Please turn the page for questions 2-12.**
