

FY 2013 School Turnaround AmeriCorps

School Turnaround AmeriCorps grants are awarded to eligible organizations to improve student academic performance, academic engagement, attendance outcomes, or some combination thereof, in eligible schools. Grants will fund projects that address multiple student needs and are aligned with comprehensive school turnaround plans. School Turnaround AmeriCorps, in coordination with local schools and local education agencies (LEAs) under School Improvement Grants (SIG) and Elementary and Secondary Education Act (ESEA) flexibility, will support schools and communities in improving student performance in our nation's lowest-performing elementary, middle, and high schools.

Programs must use AmeriCorps members to improve educational outcomes for students in eligible schools through evidence-informed interventions. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members receive a Segal AmeriCorps Education Award from the National Service Trust.
