

Washington 2011-2012

MEETING COMMUNITY NEEDS IN WASHINGTON.

More than 34,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Washington. Serving with more than 1,000 national and local nonprofits, schools, faith-based organizations and other groups, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers. This year, the Corporation for National and Community Service (CNCS) will commit more than \$38,300,000 to support Washington communities through national service initiatives including:

Senior Corps: More than 12,000 seniors in Washington contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 5,000 young people who have special needs. Senior Companions help more than 1,400 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols for local police departments, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 920 groups across Washington.

AmeriCorps: This year AmeriCorps will provide more than 4,400 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Washington. Most AmeriCorps grant funding goes to the Governor-appointed Washington Commission for National and Community Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24.

In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 31,000 Washington residents have served more than 43 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$97,100,000.

Learn and Serve America: Learn and Serve America provides grants to schools, colleges, and nonprofit groups to engage more than 17,000 Washington students in community service linked to academic learning and the development of civic skills. This type of learning, called service-learning, strengthens communities, improves academic engagement, and prepares young people for a lifetime of responsible citizenship. Learn and Serve America also provides curricula and other resources to teachers, faculty members, schools, and community groups.

Other Programs: The Washington state service commission received a Volunteer Generation Fund grant of \$178,400 to strengthen volunteer recruitment and management.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and Learn and Serve America, and leads President Obama's national call to service initiative, United We Serve. - ¹ RSVP funding levels reflect the actual amount awarded to each RSVP grantee in FY 2011. The FY 2011 budget reduction was implemented by either extending or compressing the grant period, with some grants receiving a 9-month budget period and others receiving a 15-month budget period.
- ² This figure represents the number of awarded positions available to be filled in the 2011 - 2012 program year. For AmeriCorps VISTA, this represents the actual number of AmeriCorps members in active service.
- ³ This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Washington. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- ⁴ AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Some national organizations do not report operating site data, or it wasn't available at time of publishing, so figures may not reflect current conditions.
- ⁵ Washington is served by the AmeriCorps NCCC campus located in Sacramento, California. In the past year, AmeriCorps NCCC teams have served on projects in Port Hadlock, Everett, Issaquah, White Swan, Vashon, Seattle, North Bend.
- ⁶ Fiscal Year 2011 and 2012 funding was eliminated for Learn and Serve America but some programs are operating funded by previously approved multi_year grants.
