

National Service in Illinois

MEETING COMMUNITY NEEDS IN ILLINOIS

More than 20,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Illinois. Serving at more than 2,600 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$36,010,000 to support Illinois communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$14,640,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 3,600 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Illinois. Most AmeriCorps grant funding goes to the Illinois Commission on Volunteerism and Community Service, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 30,000 Illinois residents have served more than 37 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$93,860,000.

Senior Corps: More than 17,000 seniors in Illinois contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 4,500 young people who have special needs. Senior Companions help more than 820 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 1,800 groups across Illinois.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Illinois, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$1,320,000 in expanding the impact of 11 nonprofits in Illinois.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

- 1 This figure represents the number of awarded positions available to be filled in the 2012 - 2013 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
- 2 This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Illinois. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- 3 AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
- 4 As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.
